The encroachment as above described will be permitted to remain and continue until such time that the Indiana State Highway Commission shall determine that such encroachment is in any way impairing or interfering with the highway or with the free and safe flow of traffic thereon. You shall be, and remain, liable for any and all damages or claims therefore, resulting from the continuing encroachment; and the continued existence of such encroachment shall not in any way prejudice or preclude the State's rights with respect to the future use of that portion of the State's right-of-way bearing the encroachment.

The encroachment as same now exists shall in no manner be added to or enlarged in its present scope or dimensions.
