The Grantee, its successors and assigns shall have the right to enter along, over and upon said easement to repair, relocate, service and maintain such sewers and/or potable water lines, at will, and to make such alterations and improvements in the facilities thereof as may be necessary or useful, to remove from the extent of the right-of-way any encroaching trees, buildings or other obstructions to the free and unobstructed use of such easement, and to build and maintain all necessary intakes, catch basins, and other devices incident to such sewers and/or potable water lines, and shall have the right of ingress and egress only over adjoining premises and lands when necessary and without doing damage to such adjoining lands, and only for temporary periods, and shall not otherwise enter upon lands adjoining said easement.

Grantee covenants that in the installation, maintenance or operation of its sewer and potable water lines and appurtenances, under, upon, over and across said tract of land in which the perpetual easement is hereby granted, it will restore the area disturbed by its work to as near the original condition as is practicable.

Grantor herein covenants for themselves, their Grantees, successors and assigns that they will not erect or maintain any building or other structure or obstruction on or over said sewer and/or potable water lines and appurtenances on said tract of land in which the perpetual right-of-way and easement is hereby granted, except by express permission from the Grantee, in writing, and in accordance with the terms thereof, and which permission when in writing and recorded shall run with the real estate.

Full right and authority is hereby granted unto the Grantee, its successors and assigns, to assign, convey or set over, to another or others, the easement hereby granted.

A diagram map showing the route, courses, and distance through the above premises and lands and width of right-of-way is attached hereto, made a part hereof and marked Exhibit "A".
