STATE OF INDIANA

REPORT OF THE STATE FORESTER

This is to certify that I have or my deputy Steven E. Winicker has examined the Land herein described and believe the Land has been appraised at its true cash value. Further, I have examined the forest plantation or native forest, and believe the stand of trees now complies with the provisions of the law. Further, I believe the owner will faithfully carry out the provisions of the law.

The topography, soil stand and species of trees, etc., are here briefly described:

Topography: 20 Ac or rolling and 10 Ac of steep. Soils Clay to Sand.

Species Present: White Oak, Black Oak, Red Oak, Burr Oak, Black Willow, Black Walnut, White Ash, Basswood, Hawthorn, Shagbark Hickory, etc.

REPORT OF THE SURVEYOR

State of Indiana

County of Lake

I, Robert A. Krull, a registered Land Surveyor in the State of Indiana, do hereby certify that the annexed is a true and correct description of land owned by Lake County Trust #2186

that is mentioned in his application to the State Forester of the Department of Natural Resources, State of Indiana, to be classified as Forest Land under the provisions of an Act approved March 10, 1921, as determined from an actual survey or aerial photograph (check one) of said premises by me on 9-22-72, 19 , at the request of said owner.

Signed by Robert A. Krull
Registered Land Surveyor

Note: The two witnesses must be legal voters of the county where the land is situated.

*Note: Sec. 6 provides: "Applicant shall have the parcel of land proposed for classification surveyed by metes and bounds and located with reference to some established corner. If in the judgement of the registered land surveyor, an accurate description, in compliance with the requirements set out in this act, may be obtained from an aerial photograph of the land, a description taken from such a photograph may be used and a notation shall be made to this effect on the application blank. In addition, the parcel of land shall be located as to section, township, range and county. Plats of the survey shall be made in ink, and on a scale, and of a number, as prescribed by the Department of Natural Resources."
