Any underground facilities of the Grantee shall be at least 24 inches below the surface of the soil, as the surface now exists.

The Grantor reserves the use of the above described land not inconsistent with this grant, but no buildings or structures shall be placed on the right of way by Grantor.

The Grantee shall and will indemnify and save the Grantor harmless from and against any and all damage, injuries, losses, claims, demands or costs proximately caused by the fault, culpability, or negligence of the Grantee in the construction, erection, maintenance, operation, repair or renewal of said line or lines, cables, underground ducts or conduits, pads for transformers and transformers thereon, markers and test terminals, gas mains and pipes and structures and appurtenances connected therewith.

The undersigned Grantor hereby covenants to be the owner in fee simple of said real estate, lawfully seized thereof, with good right to grant and convey said easement herein, and guarantee the quiet possession thereof, that the said real estate is free from all encumbrances, and that the Grantor will warrant and defend the title to the said easement against all lawful claims.

These presents shall be issued to the benefit of and be binding upon the Grantor and successors and assigns of the Grantor, and upon the Grantee, their successors and assigns.

IN WITNESS WHEREOF, the Grantor has duly executed this instrument this 26th day of January,

19 81.
