## Renegotiable Rate Mortgage Rider

| This Renegotiable Rate Mortgage Rider (Rider) is made this   | 26th   | day of            |
|--|--|-------------------|
| March 1981 and is incorporated   |  |                   |
| a Mortgage. Deed of Trust or Deed to Secure Debt (security the undersigned (Borrower) to secure Borrower's Note to | instrument) dated an even-date herewith ake Federal Savings & Loan | given by Assn. of |
| (Lender) and covering the property described in said securit   |  | ammond            |
| 7204 Knickerbocker Pkwy., Hamm   | ond, IN  | <del></del>       |

In addition to the covenants and agreements made in said security instrument. Borrower and Lender further covenant and agree as follows:

Any provisions of said security instrument or other instruments executed in connection with said indebtedness which are inconsistent with the provisions of this Rider, including but not limited to, the interest rate, monthly payment, notice to Borrower and prepayment, are hereby amended or negated to the extent necessary to conform such instruments to the provisions of this Rider.

The final Renewal Loan Term, which may be shorter than preceding loan terms, shall be that period of time beginning on the first day next following the end of the immediately preceding loan term and ending on the maturity day of said security instrument.

The loan must be repaid in equal monthly installments of principal and interest during the Initial Loan Term and each Renewal Loan Term in an amount at least sufficient to amortize a loan with the same principal and at the same interest rate over the remaining term of said security instrument.

At least ninety (30) days before the end of the Initial Loan Term and all Renewal Loan Terms, except for the final Renewal Loan Term, the Lender must send the Borrower a Renewal Notice which states, among other things, the Renewal Interest Rate for the next Renewal Loan Term, the monthly payment based on that rate, and the beginning date the new payment is due.

The Renewal Interest Rate for a Renewal Loan Term may increase or decrease based on changes in an index Rate—the monthly national average mortgage rate index for all major Lenders. Said Index reflects the contract interest rate on the purchase of previously occupied homes as computed by the Federal Home Loan Bank Board and published monthly in the Federal Home Loan Bank Board lournal as Table S.5.1. However, any Index Rate being used must reflect the most recent Index made available by the Federal Home Loan Bank Board whether or not said Index has been officially published in the Federal Home Loan Bank Board Journal.

To calculate the Renewal Interest Rate for a Renewal Loan Term, a difference must be found between the Renewal Index Rate as determined at the time the Renewal Notice is sent to the Borrower and the Original Index Rate applicable at the beginning of the Initial Loan Term. The difference found must be added to (if an increase) or be subtracted from (if a decrease) the original interest rate in effect at the beginning of the Initial Loan Term. The result of the calculation above shall be the Renewal Interest Rate for the next Renewal Loan Term provided that the difference between said calculation and the interest rate for the current loan term does not exceed the maximum interest rate limitations stated below. Should that difference exceed said maximum interest rate limitations, then the Renewal Interest Rate shall be the interest rate for the current loan term plus (if an increase) or minus (if a decrease) the maximum increase or decrease permitted below.

Interest rate decreases from the previous loan term use mundatory. Interest rate increases from the previous loan term are at the option of the Lender.

Borrower shall not be charged any costs or fees in connection with any renewal of this loan.

Borrower has the right to prepay the unpaid principal balance of this loan in full or in part without penalty at any time after the beginning of the minimum notice period for renewal of the initial Loan Term.

IN WITNESS WHEREOE, Horrower has executed this Renegotiable Rate Mortgage Rider.
