on the 1st day of each consecutive month commencing on the 1st day of AUGUST, 1981

until the said sale price, together with interest thereon at 10 per cent, per annum, computed MONTHLY, is fully paid; and if, until final payment is made hereunder, the BUYER SELLERS

(a) shall pay as and when due the May 81 Nonstallment of the 1980 taxes on said premises becoming due and payable in 1981 and all taxes becoming due and payable thereafter; the following special assessments on said land, to-wit:

(c) shall maintain the lawn in good condition and keep all improvements in good repair;

(d) shall not use said premises or permit said premises to be used for any unlawful purpose or purposes that will injure the reputation of the same or depreciate the value thereof;

(e) shall neither assign this contract nor let said premises or any part thereof nor remove nor alter any buildings thereon without first procuring the written consent of the Seller; however, if the Seller approves the assignment of this contract, the Seller shall be remunerated only for the cost of obtaining satisfactory credit information on the assignee;

(f) shall not violate any of the restrictions, conditions or covenants to be contained in the deed of the Seller as hereinafter provided and which restrictions, conditions and covenants are hereby made effective from the date of this agreement;

(g) and shall permit the Seller during all reasonable hours, to go upon the premises for the purpose of inspecting the same;

then and in that event and, at the time of the final payment, the Seller agrees to execute and deliver to the Buyer a good and sufficient warranty deed conveying said premises to Buyer in fee simple, subject, nevertheless, to all taxes, assessments and other charges described in clause (a) above and those falling due thereafter; to all liens or incumbrances thereon created or suffered by the Buyer; to zoning regulations now or hereafter imposed thereon; to all restrictions, conditions and covenants now of record affecting either the alienability or the use of said premises; and to the following restrictions, conditions and/or covenants:

At the time of delivery of deed, the Seller further agrees to deliver to the Grantee therein named an abstract of title certified to date as near to final closing as reasonably possible, prepared by an Abstract Company maintaining an adequate title plant, as defined by the Indiana Title Association, or whose abstracts are generally accepted by financial institutions and attorneys who are members of the Bar Association, which abstract shall disclose in the Seller a merchantable title subject only to such items to which the Seller's deed is to be made subject, as hereinabove provided. In the event the Buyer demands a certification of the abstract at a time other than at final closing, as herein provided, such certification shall be construed as full compliance with the terms of this contract.

In the event it is mutually agreed by and between the Buyer and the Seller that an Owner's Policy of Title Insurance shall be accepted in lieu of an abstract, as evidence of title, then and in that event delivery to the Buyer of an Owner's Policy of Title Insurance valued at the purchase price, and issued in the name of the Buyer by an insurance company licensed to do business in the State of Indiana, and which policy is subject only to such limitations and/or liens as shall be assumed by the Buyer, shall be construed to comply with the requirements of title evidence as hereinbefore provided.

Interest shall, at the end of each MONTHLY period, be added to the unpaid balance of the sale price existing at the commencement of such period. From the total thus obtained shall be deducted all payments made hereunder on account of principal and interest to the Seller during such period and the remainder shall stand as the unpaid balance for the next succeeding semi-annual period.

The Seller may, at his election, place and/or maintain a mortgage on said premises for an amount not in excess of the then unpaid balance of the sale price; and the Buyer agrees that any such mortgage shall be a first lien and prior to any interest of his in said premises; provided that in the event the Seller shall hereafter elect to place such a mortgage on said premises he shall before the execution thereof, give the Buyer written notice of such proposed execution, which notice shall contain the name of the mortgagee, the principal amount, the rate of interest and the date of maturity of the proposed mortgage. If such notice shall state that the mortgagee requires further assurance of the priority of such proposed mortgage, then the Buyer agrees

within ten days after receipt of such notice to execute such further assurance of priority as may be required by such mortgagee, provided, however, that the Buyer shall not be required to bind himself personally to pay the mortgage debt. After the execution and recording of any such mortgage, the Buyer may, at his election, reduce the unpaid balance of the sale price hereunder to an amount equal to the unpaid balance of such mortgage debt and demand the warranty deed herein provided for and in such event the Seller shall immediately deliver to the Buyer such deed which, in such event, shall contain a clause whereby the grantee shall assume and agree to pay the indebtedness secured by the said mortgage. Such assumption of the mortgage debt shall in such event constitute final payment hereunder.

Time is of the essence of this contract. In the event that the Buyer shall fail to perform any of the acts and/or fail to make any of the payments herein to be done or made by the Buyer, as specified herein, promptly and at the time stipulated therefor, and/or fail to execute, when requested by the Seller so to do, the further assurances provided for in the preceding paragraph, then all payments made hereunder prior to such default shall be retained by the Seller as and for damages for the use and occupancy of the premises to the date of default and Seller shall thereupon be relieved from all liability hereunder to the Buyer. Immediately upon default, and without demand or notice, the Buyer agrees that he will surrender to the Seller peaceable and immediate possession of said premises together with all improvements thereon. In the event of default and the failure of Buyer to surrender possession of said real estate as above provided the Seller may proceed in any action at law or in equity for the possession of said real estate and for damages for the withholding thereof and for waste or damage done thereto.

The buyer may make payments in excess of those stated herein or pay the entire unpaid balance at any time without penalty, with interest computed to date;
