and the following person or entities have an interest therein:

3. The allegations contained in the Order to Comply and, more specifically, the List of Code Violations or Repair List attached thereto, made a part thereof and dated 9-30-85, are accurate, true and correct and exist on the premises as of this date 9-30, 1985.

It is, therefore, found that the cumulative effect of the code violations present on the premises renders the premises unsafe, substandard, and a danger to the health and safety of the public as defined by I.C. (1981) 36-7-9-2.

It is further found that major reconstruction of the building(s) is necessary to bring the property up to the Property Maintenance Code of the City of Hammond and that respondent(s) made no serious efforts to make the property safe, although respondent(s) had notice and opportunity to do so since Pub. 9-26-27-85.
