FILED

Any underground facilities of the Grantee shall be at least 24 inches below the surface of the soil, as the surface now exists.

Any damages to the crops, tile, fences or buildings of the Grantor on said right of way, or on lands of the Grantor adjoining the said right of way, done by the Grantee in the construction, installation, repair, replacement or renewal of said underground ducts, conduits, cables, conductors, foundations for transformers and/or switch gear, transformers and/or switch gear, and metering equipment and meters, gas mains or equipment, shall be promptly paid by the Grantee. Patrolling said lines shall not constitute grounds for a claim for crop damage.

The Grantor reserves the use of the above described land not inconsistent with this grant, but no buildings or structures shall be placed on the right of way by Grantor.

Grantor covenants and agrees not to cut, make excavations beneath, fill or permit fill to be placed upon the surface of the real estate herein described without the written consent of Grantee.

The Grantee shall and will indemnify and save the Grantor harmless from and against any and all damage, injuries, losses, claims, demands or costs proximately caused by the fault, culpability or negligence of the Grantee in the construction, erection, maintenance, operation, repair or renewal of said line or lines, underground ducts or conduits, foundations for transformers and/or switch gear and transformers and/or switch gear thereon, and meter pedestals with metering equipment and meters, gas mains and pipes and the structures and appurtenances connected therewith.

The undersigned Grantor hereby covenants to be the owner in fee simple of said real estate, lawfully seized thereof, with good right to grant and convey said easement herein, and guarantees the quiet possession thereof, that the said real estate is free from all encumbrances, and that the Grantor will warrant and defend the title to the said easement against all lawful claims.

These presents to be binding on the heirs, executors, administrators, grantees and assignees of the Grantor, and upon the Grantee, its successors and assigns.

IN WITNESS WHEREOF, the Grantor has duly executed this instrument this 20th day of February, A.D. 19 86.
