THE CONDITIONS OF THE FOREGOING BOND ARE SUCH THAT

WHEREAS, the Principal, having applied to the Indiana Plumbing Commission (hereinafter called "the Commission") for a license to operate as a plumbing contractor under the provisions of the Act, is required to file with the Commission a bond conditioned upon faithful performance of the laws of Indiana relating to plumbing and plumbing contracting and the Rules and Regulations promulgated thereunder.

NOW THEREFORE, if the Principal, after having become a plumbing contractor under the Act, shall, while this Bond is in effect, well and truly perform all of the obligations of a plumbing contractor under the laws relating to plumbing and plumbing contracting and the Rules and Regulations promulgated thereunder, then this Bond shall be void, otherwise, this Bond shall remain in full force and effect. This Bond is made and executed on certain special conditions, as follows:

1. This Bond shall be effective from the date on which it is filed with the Commission and shall not be affected by the expiration of the license period, but shall continue in full force and effect until it is cancelled; provided, however, that the total and aggregate liability of the Surety shall be limited to the penal sum of this Bond and that the continuous nature of this Bond shall in no event be construed as allowing the liability of the Surety to accumulate to an amount in excess of the penal sum of this Bond.

2. The Principal may not cancel this Bond without the prior written approval of the Commission and the Commission's approval of a substitute bond.
