FILED

At the time of delivery of deed, the Seller further agrees to deliver to the Grantee therein named an abstract of title
certified to date as near to final closing as feasible, prepared by an Abstract Company maintaining an adequate
title plant, as defined by the Indiana Title Association, or whose abstracts are generally accepted by financial institutions and
attorneys who are members of the Bar Association, which abstract shall disclose in the Seller a merchantable title subject only to
such items to which the Seller's deed is subject, as hereinabove provided. In the event the Buyer demands a certi-
fication of the abstract at a time other than at final closing, as herein provided, such certification shall be construed as full compli-
ance with the terms of this contract.

In the event it is mutually agreed by and between the Buyer and the Seller that an Owner's Policy of Title Insurance
shall be accepted in lieu of an abstract of title, and in that event delivery to the Buyer of an Owner's Policy
of Title Insurance valued at the purchase price and issued in the name of the Buyer by an insurance company licensed to do
business in the State of Indiana, and which policy is subject only to such limitations and/or liens as shall be assumed by the
Buyer, shall be construed to comply with the requirements of title evidence as hereinbefore provided.

Interest shall, at the end of each period, be added to the unpaid balance of the sale price existing at the com-
mentment of such period. From the total thus obtained shall be deducted all payments made hereunder on account of principal and
interest to the Seller during such period and the remainder shall stand as the unpaid balance for the next succeeding semi-annual
period.

The Seller may, at his election, place and/or maintain a mortgage on said premises for an amount not in excess of the
then unpaid balance of the sale price; and the Buyer agrees that any such mortgage shall be a first lien and prior to any interest
of his in said premises; provided that in the event the Seller shall hereafter elect to place such a mortgage on said premises he
shall before the execution thereof, give the Buyer written notice of such proposed execution, which notice shall contain the
name of the mortgagee, the principal amount, the rate of interest and the date of maturity of the proposed mortgage. If such
notice shall state that the mortgagee requires further assurance of the priority of such proposed mortgage, then the Buyer agrees

within ten days after receipt of such notice to execute such further assurance of priority as may be required by such mortgagee, provided, however, that the Buyer shall not be required to bind himself personally to pay the mortgage debt. After the execution and recording of any such mortgage, the Buyer may, at his election, reduce the unpaid balance of the sale price hereunder to an amount equal to the unpaid balance of such mortgage debt and demand the warranty deed herein provided for and in such event the Seller shall immediately deliver to the Buyer such deed which, in such event, shall contain a clause whereby the grantee shall assume and agree to pay the indebtedness secured by the said mortgage. Such assumption of the mortgage debt shall in such event constitute final payment hereunder.

Time is of the essence of this contract. In the event that the Buyer shall fail to perform any of the acts and/or fail to make any of the payments herein to be done or made by the Buyer, as specified herein, promptly and at the time stipulated therefor, and/or fail to execute, when requested by the Seller so to do, the further assurances provided for in the preceding paragraph, then all payments made hereunder prior to such default shall be retained by the Seller as and for damages for the use and occupancy of the premises to the date of default and Seller shall thereupon be relieved from all liability hereunder to the Buyer. Immediately upon default, and without demand or notice, the Buyer agrees that he will surrender to the Seller peaceable and immediate possession of said premises together with all improvements thereon. In the event of default and the failure of Buyer to surrender possession of said real estate as above provided the Seller may proceed in any action at law or in equity for the possession of said real estate and for damages for the withholding thereof and for waste or damage done thereto.

The buyer may make payments in excess of those stated herein or pay the entire unpaid balance at any time without penalty, with interest computed to date;

Possession hereunder shall be given by the Seller to the Buyer on the 5th day of December, 1986.

Further conditions: This is a contract for a
period of two years and renegotiable
if agreeable to both parties involved.
Buyer may make repairs as
he sees fit.

The parties agree that the provisions of this contract shall be binding upon, apply to and inure to the benefit of their respective heirs, successors and assigns in the same manner and to the same extent as such provisions bind, apply to and inure to the benefit of themselves.

IN WITNESS WHEREOF, the parties either personally or by duly authorized officers or agents have signed, sealed and delivered this agreement in duplicate counter-part each of which shall be an original, the day and year first above written.
