THIS MORTGAGE is given to secure: The performance of the payment of a certain note, of the date herewith, executed by the Mortgagor and payable to the order of the Mortgagee, at its main office or any branch office, in the principal sum of ONE HUNDRED...

TEN THOUSAND AND 00/100..... Dollars, (\$110,000.00),

with interest thereon, as provided in said note, which note is payable in regular monthly installments, the payments to be applied first to interest and the balance to principal, until said indebtedness is paid in full, without relief from valuation and appraisal laws, and with attorney's fees, all as provided for in said note, to which said note reference is hereby specifically made, and all extensions and renewals, and for the further purpose of securing the payment of any and all sums, indebtedness and liabilities of any and every kind now or hereafter owing and to become due from the mortgagor to the mortgagee during the term of this mortgage, howsoever created, incurred, evidenced, acquired or arising, whether under the note or this mortgage or under any other statement, obligations, contracts or agreements, or dealings of any and every kind now or hereafter existing or entered into between the mortgagor and the mortgagee and whether direct, indirect, primary, secondary, fixed or contingent, together with interest and charges as provided in said note and in any other agreements had by and between the parties herein, and any and all renewals or extensions of the foregoing (hereinafter collectively called the "debt"); any and all advancements made or indebtedness incurred hereinafter provided for; and the prompt and faithful performance of any and all of the provisions hereof.

Mortgagor, for the purpose of inducing the mortgagee to make the loan hereby secured and as further consideration for the making of said loan, does expressly represent, warrant, covenant and agree as follows:

1. That he is the owner in fee simple of the hereinbefore described real estate, buildings, improvements, rents and profits and that this instrument is a first lien thereon; that he will pay all obligations secured hereby and all sums payable hereunder promptly when due with reasonable attorney's fees and without relief from valuation and appraisal laws; that he will pay promptly when the same become due all prior and subsequent encumbrances and liens upon said real estate, buildings, and improvements; that he will procure at his own expense for mortgagee all instruments and expend any money which the mortgagee may at any time deem necessary to perfect the mortgagor's title or to preserve the security intended to be given by this mortgage; that if the mortgagee is made a party to any suit, arising out of or in connection with this loan, the mortgagor agrees to pay all reasonable expenses, costs and attorney's fees incurred by mortgagee on account of such suit; that he will keep said buildings and improvements insured against loss or damage by fire, lightning, windstorm and such other hazards as the mortgagee shall at any time demand in a company or companies acceptable to mortgagee for their full insurable value with a proper mortgage clause in favor of mortgagee and will immediately deliver such policies to mortgagee to be held by it until this mortgage is fully discharged; that he will keep all buildings, fences and improvements in good repair and properly painted; that he will pay all taxes, assessments and other governmental impositions levied against the mortgaged property when the same become due and payable; that he will deliver herewith to mortgagee to be retained by it until this mortgage is fully released an abstract of title or guarantee title policy to the mortgaged premises; and that in the event of any default in mortgagor's covenants hereunder he will procure at his own expense and deliver to mortgagee a continuation of said abstract or guarantee title policy to the date of said default. Said abstract continuation or guarantee title policy shall be made by an abstractor (or guarantee title policy company) designated by the mortgagee and shall become the property of the grantee under any sheriff's deed issued in connection with proceedings to foreclose this mortgage.

In the event mortgagee requests, the mortgagor, in addition to all sums set forth in the note, agrees to make monthly deposits with the mortgagee, in a non-interest bearing account, at the same times as installments of principal and interest are payable, of a sum equal to one-twelfth (1/12) of the estimated yearly taxes and assessments levied or to be levied against the mortgaged premises and insurance premiums, all as estimated by mortgagee. Such deposits shall be applied by mortgagee to the payment of such taxes, assessments or insurance premiums when due. Any insufficiency of such account to pay such taxes, assessments and insurance premiums when due shall be payable by mortgagor on demand. Upon any default under this mortgage, mortgagee may apply any funds in said account to any obligations then due under this mortgage;

2. That upon default by mortgagor in the performance of any of his covenants hereunder, including, but not limited to, taxes, assessments and hazard insurance premiums, mortgagee may procure the performance thereof and all money expended or obligations incurred with interest thereon at the rate of ...2... per cent per annum shall immediately become due and payable by mortgagor and shall be a part of the debt secured hereby of equal priority with all other obligations secured hereby;

3. That the mortgagor will not sell, convey or transfer, either directly or indirectly, the mortgaged premises, or any portion thereof, so long as any part of the indebtedness hereby secured remains unpaid, without first obtaining the written consent of the mortgagee, and that upon a violation of this covenant, or the default by the mortgagor in the performance of any other of his covenants contained herein, the maturity of all obligations and indebtedness secured hereby and all sums payable hereunder shall, at the option of the mortgagee, be accelerated and shall become immediately due and payable, and the mortgagee may foreclose this mortgage or may pursue any or all other legal or equitable remedies afforded by this instrument and any and all other instruments and provisions of law, and any such remedy or remedies so pursued by the mortgagee shall not be exclusive, but shall be cumulative, and the exercise of any remedy or right by the mortgagee shall not operate to bar or abridge the mortgagee's right to pursue any other remedy or remedies. Any delay or failure at any time by the mortgagee to enforce or require performance by the mortgagor of any of the provisions of this mortgage shall in no way affect the right of the mortgagee to enforce the same, nor shall such delay or failure be construed as a waiver by the mortgagee of the right to enforce any of the provisions hereof without notice at any subsequent time, nor shall the waiver by the mortgagee of any breach of any provision hereof be taken to be a waiver of any succeeding breach of any of the provisions hereof nor as a waiver of the provision itself;

4. That upon default by mortgagor in his covenants hereunder, this mortgage shall be construed to embrace an assignment to mortgagee of all rents, profits and issues arising from the mortgaged premises and mortgagee shall be entitled to collect the same and to deduct its' reasonable charges for its services in so doing, and to apply the balance thereof upon the obligations secured hereby. Upon the commencement of any action by mortgagee to enforce or protect any of its rights hereunder, mortgagee shall be entitled to the appointment of a Receiver to take possession of and protect the mortgaged premises, to collect the rents, earnings, income, issues and profits thereof or therefrom and make proper application of the same, to operate any business run by mortgagor on the mortgaged premises, and the right to such appointment shall in no manner be dependent upon the solvency or insolvency of any mortgagor liable herein or upon the then value of the mortgaged premises. The mortgagor hereby irrevocably consents to such appointment and waives notice of any application therefor. Mortgagee shall have the further right to inspect the books and records of the mortgagor at any reasonable time, or times, while the mortgagor is in default of any of the terms, restrictions, conditions or covenants hereof;

5. That all parties now or hereafter liable hereon, or upon any obligations secured hereby, consent to extensions of time of payment without notice or consent on their part, and the mortgagee at its option may extend the time for the payment of said indebtedness, or reduce the payments thereon, or accept a renewal note or notes therefore without the consent of any junior lien holder, No notice of the exercise of any right or option granted to the mortgagee in this, or any instruments secured hereby, is required to be given. Any extension, reduction or renewal shall not release the mortgagor or any endorser or guarantor from liability for such indebtedness, or affect the priority of this mortgage over any junior lien or impair the security thereof in any manner whatsoever. It is expressly agreed that time is of the essence hereof, and that if this mortgage be executed by more than one mortgagor, every agreement herein contained shall be the joint and several obligation of the mortgagors.

6. That all parties now or hereafter liable hereon, or upon any obligations secured hereby, consent and agree that the within mortgage shall constitute a valid lien and security for any and all additional advancements made or other indebtedness incurred by and between the said parties, in an amount not to exceed Fifteen Hundred (\$1500.00) Dollars, which lien and security shall be valid and subsisting against subsequent purchasers or encumbrances with notice, actual or constructive;

The forms of I, HE, SHE, IT, in any case or number, or their compound forms, with self or selves, when used in this mortgage or in the obligations secured hereby, shall, if the context requires, be construed as synonymous each with the other, and the singular when used herein shall under like requirements be construed to embrace the plural and the plural the singular.

ADJUSTABLE RATE RIDER

THIS ADJUSTABLE RATE RIDER is made this ..28th.. day of ..February....., 1987...., and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note to THE FIRST BANK OF WHITING, WHITING INDIANA..... (the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at:

.....208 Matteson Street, Dyer, Indiana 46311.....
(Property Address)

The Note contains provisions allowing for changes in the interest rate. If the interest rate increases, the Borrower's monthly payments will be higher. If the interest rate decreases, the Borrower's monthly payments will be lower.

ADDITIONAL COVENANTS. In addition to the covenant and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of10.50%. Section 4 of the Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the1st..... day ofApril....., 1990...., and on that day of the month every36..... months thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an "Index." The Index is the weekly average yield on United States Treasury securities adjusted to a constant maturity of three years, as made available by the Federal Reserve Board. The most recent Index figure available as of 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of its choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding four percentage points (4%) to the Current Index. The sum will be my new interest rate.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay in full the principal I am expected to owe on the Change Date in substantially equal payments by the maturity date at my new interest rate. The result of this calculation will be the new amount of my monthly payment.

(D) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(E) Notice of Changes

The Note Holder will mail or deliver to me a notice before each Change Date. The notice will advise me of:

- (i) the new interest rate on my loan as of the Change Date;
- (ii) the amount of my monthly payment following the Change Date;
- (iii) any additional matters which the Note Holder is required to disclose; and
- (iv) the title and telephone number of a person who will answer any question I may have regarding the notice.

B. CHARGES; LIENS

Uniform Covenant 4 of the Security Instrument is amended to read as follows:

4. Charges; Liens. Borrower shall pay all taxes, assessments, and other charges, fines and impositions attributable to the Property which may attain a priority over this Security Instrument, and leasehold payments or ground rents, if any, in the manner provided under paragraph 2 hereof or, if not paid in such manner, by Borrower making payment, when due, directly to the payee thereof. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which has priority over this Security Instrument; however, Borrower shall not be required to discharge any such lien so long as Borrower: (a) shall agree in writing to the payment of the obligation secured by such lien in a manner acceptable to Lender; (b) shall in good

faith contest such lien by, or defend against enforcement of such lien in, legal proceedings which in the opinion of Lender operate to prevent the enforcement of the lien or forfeiture of the Property or any part thereof; or (c) shall secure from the holder of such lien an agreement in a form satisfactory to Lender subordinating such lien to this Security Instrument.

If Lender determines that all or any part of the Property is subject to a lien which may attain a priority over this Security Instrument, Lender shall give Borrower a notice identifying such lien. Borrower shall satisfy such lien or take one or more of the actions set forth above within ten days of the giving of the notice.

C. NOTICE

Uniform Covenant 14 of the Security Instrument is amended to read as follows:

14. Notice. Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail to Borrower at the Property Address or at such other address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by first class mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

D. UNIFORM SECURITY INSTRUMENT; GOVERNING LAW; SEVERABILITY

Uniform Covenant 15 of the Security Instrument is amended to read as follows:

15. Uniform Security Instrument; Governing Law; Severability. This form of Security Instrument combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property. This Security Instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision, and to this end the provisions of this Security Instrument and the Note are declared to be severable.

E. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or an interest therein is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at Lender's option, declare all the sums secured by this Security Instrument to be immediately due and payable. However, this option shall not be exercised by Lender if exercise is not authorized by Federal law.

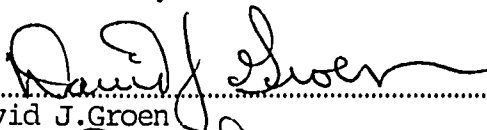

If Lender exercises such option to accelerate, Lender shall mail Borrower notice of acceleration in accordance with paragraph 14 hereof. Such notice shall provide a period of not less than 30 days from the date the notice is mailed within which Borrower may pay the sums declared due. If Borrower fails to pay such sums prior to the expiration of such period, Lender may, without further notice or demand on Borrower, invoke any remedies permitted by paragraph 18 hereof.

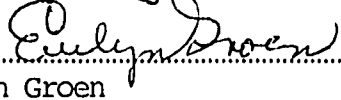

Notwithstanding a sale or transfer, Borrower will continue to be obligated under the Note and this Security Instrument unless Lender has released Borrower in writing.

F. LOAN CHARGES

If the loan secured by the Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed permitted limits, then: (1) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (2) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment under the Note.

IN WITNESS WHEREOF, Borrower has executed this Adjustable Rate Rider.
