demands, subject to any easements, covenants, conditions and restrictions of record listed in schedule of exceptions to coverage in the Chicago Title Insurance Company, Inc. title insurance policy dated January 24, 1991, insuring Lender's interest in the Property, being policy number 0451037.

**Covenants.** Borrower hereby covenants and agrees as follows:

1. **PAYMENT OF PRINCIPAL AND INTEREST.** Borrower shall promptly pay when due the principal of and interest on the indebtedness evidenced by the Note, any prepayment and late charges provided in the Note and all other sums secured by this Instrument.

2. **BORROWER BREACH; RIGHT OF LENDER.** Upon Borrower's breach of any covenant or agreement of Borrower in this Instrument, Lender may pay, in any amount and in any order as Lender shall determine in Lender's sole discretion, any rents, taxes, assessments, insurance premiums, judgment liens, tax liens, mechanic's liens and Other Impositions which are now or will hereafter become due which shall then become immediately due and owing by the Borrower to the Lender.

3. **APPLICATION OF PAYMENTS.** Unless applicable law provides otherwise, all payments received by Lender from Borrower under the Note of this Instrument shall be applied by Lender in the following order of priority: (i) amounts payable to Lender by Borrower under Paragraph 2 hereof; (ii) interest payable on the Note; (iii) principal of the Note; (iv) interest payable on advances made pursuant to Paragraph 8 hereof; (v) principal of advances made pursuant to Paragraph 8 hereof; (vi) interest payable on any Future Advance, provided that if more than one Future Advance is outstanding, Lender may apply payments received among the amounts of interest payable on the Future Advances in such order as Lender, in Lender's sole discretion, may determine; (vii) principal of any Future Advance, provided that if more than one Future Advance is outstanding, Lender may apply payments received among the principal balances of the Future Advances in such order as Lender, in Lender's sole discretion, may determine; and (viii) any other sums secured by this Instrument in such order as Lender, at Lender's option, may determine; provided, however, that Lender may, at Lender's option, apply any sums payable pursuant to Paragraph 8 hereof prior to interest on and principal of the Notes, but such application shall not otherwise affect the order of priority of application specified in this Paragraph 3.

4. **CHARGES; LIENS.** Borrower shall pay all water and sewer rates, taxes, assessments, premiums, and Other Impositions attributable to the property. Borrower shall promptly furnish to Lender, upon request, all notices of amounts due under this Paragraph 4, and in the event Borrower shall make payment directly, Borrower shall, upon request, promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which has, or may have, priority over or equality with, the lien of this Instrument, and Borrower shall pay, when due, the claims of all persons supplying labor or materials to or in connection with the Property; provided that Borrower shall not be required to discharge any such lien so long as Borrower shall agree in writing to the payment of the obligation secured by such lien in a manner acceptable to Lender; or shall in good faith contest such lien by, or defend enforcement of such lien in, legal proceedings which operate to prevent the enforcement of the lien or forfeiture of the Property or any part thereof.

5. **HAZARD INSURANCE.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured by carriers at all times satisfactory to Lender against loss by fire, hazards included with the terms.

"extended coverage," rent loss, and such other hazards, casualties, liabilities and contingencies as Lender shall require, and in such amounts and for such periods as Lender shall require. All premiums on insurance policies shall be paid, at Lender's option, in the manner provided under Paragraph 2 hereof, or by Borrower making payment, when due, directly to the carrier, or in such other manner as Lender may designate in writing.

All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor and in form acceptable to Lender. Borrower shall promptly furnish to Lender all renewal notices and all receipts of said premiums. At least thirty days prior to the expiration date of a policy, Borrower shall deliver to Lender a renewal policy in form satisfactory to Lender.

In the event of Loss in excess of \$50,000, Borrower shall give written notice as soon as reasonably possible to the insurance carrier and to Lender. If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Borrower authorizes and empowers Lender as attorney-in-fact for Borrower to adjust and compromise any claim under insurance policies, to appear in and prosecute any action arising from such insurance policies, to collect and receive insurance proceeds, and to deduct therefrom Lender's expenses incurred in the collection of such proceeds; provided, however, that nothing contained in this Paragraph 5 shall require Lender to incur any expense or take any action hereunder.

Unless Lender and Borrower otherwise agree in writing, and provided Borrower is not in default under any of the terms and agreements of the loan, insurance proceeds shall be applied to restoration or repair of the property damaged, provided (1) such restoration or repair is economically feasible in the reasonable opinion of the Lender; (2) the security of the Mortgage is not impaired by either the loss or restoration, or repair, and (3) Borrower has tenants reasonably acceptable to Lender for the property. If such restoration or repair is not economically feasible, as set forth above, or if the security of this Mortgage would be impaired by either the loss or the restoration or repair, or if Borrower does not have tenants reasonably acceptable to Lender for the property, the insurance proceeds shall be applied to the sums secured by this Mortgage, with the excess, if any, paid to Borrower. Any such application to the sums secured by this Mortgage shall not postpone the Borrower's obligations to make the next scheduled payment of interest and principal.

If the insurance proceeds are held by Lender to reimburse Borrower for the cost of restoration and repair of the Property, the Property shall be restored to the equivalent of its original condition or such other condition as the parties may mutually approve in writing. Lender may, at Lender's option, condition disbursement of said proceeds on Lender's approval of waivers of lien, sworn statements of mechanics and materialmen and such other evidence of costs, percentage completion of construction, application of payments, and satisfaction of liens as Lender may reasonably require. If the insurance proceeds are applied to the payment of the sums secured by this Instrument, any such application of proceeds to principal shall not extend or postpone the due dates of the payments referred to in Paragraphs 1 and 2 hereof or change the amounts of such installments. If the Property is sold pursuant to Paragraph 25 hereof, or if Lender acquires title to the Property, Lender shall have all of the right, title and interest of Borrower in and to any insurance policies and unearned premiums thereon, and in and to the proceeds resulting from

any damage to the Property prior to such sale or acquisition.

6. **PRESERVATION AND MAINTENANCE OF PROPERTY.** Borrower (a) shall not commit waste or permit impairment or deterioration of the Property, (b) shall not abandon the Property, (c) shall keep the Property, including improvements thereon, in good repair, (d) shall comply with all laws, ordinances, regulations and requirements of any governmental body applicable to the Property, (e) shall give notice in writing to Lender of and, subject to the rights of Lender as contained in paragraph 11, appear in and defend any action or proceeding purporting to affect the Property, the security to this Instrument or the rights or powers of Lender. Except for general remodeling and nonstructural changes in the normal course of business, Borrower shall not, without the written consent of Lender, remove, demolish or alter any improvement now existing or hereafter erected on the property.

7. **USE OF PROPERTY.** Unless required by applicable law or unless Lender has otherwise agreed in writing which consent shall not unreasonably be withheld, Borrower shall not allow changes in the use for which all or any part of the Property was intended at the time this Instrument was executed. Borrower shall not initiate or acquiesce in a change in the zoning classification of the Property without Lender's prior written consent.

8. **PROTECTION OF LENDER'S SECURITY.** If Borrower fails to perform the covenants and agreements contained in this Instrument, or if any action or proceeding is commenced which affects the Property or title thereto or the interest of Lender therein, including, but not limited to, eminent domain, insolvency, code enforcement, or arrangements or proceedings involving a bankrupt, then Lender, at Lender's option, may make such appearances, disburse such sums and take such action as Lender deems reasonably necessary, in its sole discretion, to protect Lender's interest, including, but not limited to, (i) disbursement of attorney's fees, (ii) entry upon the Property to make repairs, (iii) procurement of satisfactory insurance as provided in Paragraph 5 hereof.

Any amounts disbursed by Lender pursuant to this Paragraph 8, with interest thereon, shall become additional indebtedness of Borrower secured by this Instrument. Unless Borrower and Lender agree to other terms of payment, such amounts shall be immediately due and payable and shall bear interest from the date of disbursement at the rate stated in the Note unless collection from Borrower of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law. Borrower hereby covenants and agrees that Lender shall be subrogated to the lien of any mortgage or other lien discharged, in whole or in part, by the indebtedness secured hereby. Nothing contained in this Paragraph 8 shall require Lender to incur any expense or take any action hereunder.

9. **INSPECTION.** Lender may make or cause to be made reasonable entries upon and inspections of the Property.

10. **BOOKS AND RECORDS.** Borrower shall keep and maintain at all times at Borrower's address, or such other place as Lender may approve in writing, complete and accurate books of accounts and records adequate to reflect correctly the results of the operation of the Property and copies of all written contracts, leases and other instruments which affect the Property. Such books, records, contracts, leases and other instruments shall be subject to examination and inspection at any reasonable time by Lender. Borrower shall furnish to Lender, within one hundred and twenty days after the end of each fiscal year of Borrower, a balance sheet, a statement of income and expenses of the

Property and a statement of changes in financial position, each in reasonable detail and certified by Borrower and, if Lender shall require, reviewed by an independent certified public accountant, such review to be according to generally accepted accounting principles.

11. CONDEMNATION. Borrower shall promptly notify Lender of any action or proceeding relating to any condemnation or other taking, whether direct or indirect, of the Property, or part thereof, and Borrower shall appear and prosecute any such action or proceeding unless otherwise directed by Lender in writing. Borrower authorizes Lender, at Lender's option, as attorney-in-fact for Borrower, to commence, appear in and prosecute, in Lender's or Borrower's name, any action or proceeding relating to any condemnation or other taking of any claim in connection with such condemnation or other taking. The sole obligation of Lender if it elects to commence, appear in and prosecute such action or proceedings shall be to consult with Borrower and act in good faith in a commercially reasonable manner. The proceeds of any award, payment or claim for damages, direct or consequential, in connection with any condemnation, or other taking, whether direct or indirect, of the Property, or part hereof, or for conveyances in lieu of condemnation, are hereby assigned to and shall be paid to Lender for application as set out below.

In the event of a total taking of the Property, Borrower authorizes Lender to apply such awards, payments, proceeds or damages, after the deduction of Lender's expenses incurred in the collection of such amounts to payment of the sums secured by this Instrument, whether or not then due, in order of application set forth in Paragraph 3 hereof, with the balance, if any, to Borrower. In the event of a partial taking of the Property, there shall be applied to the sums secured by this Instrument such proportion of the proceeds as is equal to that proportion which the amount of the sums secured by this Instrument immediately prior to the date of taking bears to the fair market value of the Property immediately prior to the date of taking, with the balance of proceeds paid to Borrower, unless Borrower and Lender otherwise agree in writing, or Borrower is in default hereunder, or in any other instrument or agreement executed in conjunction herewith, or the value of the Property is adversely affected by the partial taking, in which event Borrower authorizes Lender to apply such awards, payments, proceeds or damages, after the deduction of Lender's expenses incurred in the collection of such amounts to payment of the sums secured by this Instrument, whether or not then due, in the order of application set forth in Paragraph 3 hereof, with the balance, if any, to Borrower. Unless Borrower and Lender otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of any monthly installments referred to in Paragraphs 1 and 2 hereof, or change the amount of such installments. Borrower agrees to execute such further evidence of assignment of any awards, proceeds, damages or claims arising in connection with such condemnation or taking as Lender may require.

12. BORROWER AND LIEN NOT RELEASED. From time to time, Lender may, at Lender's option, without giving notice to or obtaining the consent of Borrower, Borrower's successors or assigns, or any junior lienholder or guarantors, without liability on Lender's part and notwithstanding Borrower's breach of any covenant or agreement of Borrower in this Instrument, extend the time for payment of said indebtedness or any part thereof, reduce the payments thereon, release anyone liable on any of said indebtedness, accept a renewal note or notes therefore, modify the terms and time of payment of said indebtedness, release from the lien of this Instrument any part of the Property, take or release other or additional security, reconvey any part of the Property, consent to any map or plan of the Property, consent to the granting of any easement, join in any extension or

subordination agreement, and agree in writing with Borrower to modify the rate of interest or period of amortization of the Note or change the amount of the monthly installments payable thereunder. Any actions taken by Lender pursuant to the terms of this Paragraph 12 shall not affect the obligation of Borrower or Borrower's successors or assigns to pay the sums secured by this Instrument and to observe the covenants of Borrower contained herein, shall not affect the guaranty of any person, corporation, partnership or other entity for payment of the indebtedness secured hereby, and shall not affect the lien or priority of lien hereof on the Property. Borrower shall pay Lender a reasonable service charge, together with such title insurance premiums and attorney's fees as may be incurred at Lender's option, for any such action if taken at Borrower's request.

13. **FORBEARANCE BY LENDER NOT A WAIVER.** Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any right or remedy. The acceptance by Lender of payment of any sum secured by this Instrument after the due date of such payment shall not be a waiver of Lender's right to either require prompt payment when due of all other sums so secured or to declare a default for failure to make prompt payment. The procurement of insurance or the payment of taxes or other liens or charges by Lender shall not be a waiver of Lender's right to accelerate the maturity of the indebtedness secured by this Instrument, nor shall Lender's receipt of any awards, proceeds or damages under Paragraphs 5 and 11 hereof operate to cure or waive Borrower's default in payment of sums secured by this instrument.

14. **ESTOPPEL CERTIFICATE.** Borrower shall within ten days of written request from Lender furnish Lender with a written statement, duly acknowledged, setting forth the sums secured by this Instrument and any right of set-off, counterclaim or other defense which exists against such sums and the obligations of this Instrument.

15. **UNIFORM COMMERCIAL CODE SECURITY AGREEMENT.** This Instrument is intended to be a security agreement pursuant to the Indiana Uniform Commercial Code for any of the items specified above as part of the Property which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and Borrower hereby grants and transfers to Lender a security interest in said items and the proceeds thereof to include insurance proceeds, tort claims and the settlements thereof. Borrower agrees that Lender may file this Instrument, or a reproduction thereof, in the real estate records or other appropriate index, as a financing statement for any of the items specified above as part of the Property. Any reproduction of this Instrument or of any other security agreement or financing statement shall be sufficient as a financing statement. Borrower hereby authorizes the Lender at the expense of the Borrower to execute and file a financing statement or statements on its behalf in those public offices deemed necessary by Lender to protect its security interest. In addition, Borrower agrees to execute and deliver to Lender, upon Lender's request, any financing statements, as well as extensions, renewals and amendments thereof, and reproductions of this Instrument in such form as Lender may require to perfect a security interest with respect to said items. Borrower shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements Lender may reasonably require. Upon Borrower's breach of any covenant or agreement of Borrower contained in this Instrument, including the covenants to pay when due all sums secured by this Instrument, Lender shall have the remedies of a secured party under the Uniform Commercial Code and, at Lender's option, may also invoke the remedies provided in Paragraph 25 of this Instrument as to

such items. In exercising any of said remedies, Lender may proceed against the items of personal property specified above as part of the Property separately or together and in any order whatsoever, without in any way affecting the availability of Lender's remedies under the Uniform Commercial Code or of the remedies provided in Paragraph 25 of this Instrument.

16. **REMEDIES CUMULATIVE.** Each remedy provided in this Instrument is distinct and cumulative to all other rights or remedies under this Instrument or afforded by law or equity, and may be exercised concurrently, independently, or successively, in any order whatsoever.

17. **ACCELERATION IN CASE OF BORROWER'S INSOLVENCY.** If Borrower shall voluntarily file a petition under the Federal Bankruptcy Act, as such Act may from time to time be amended, or under any similar or successor Federal statute relating to bankruptcy, insolvency, insolvency act, or file an answer in an involuntary proceeding admitting insolvency or inability to pay debts, or if Borrower shall fail to obtain a vacation or stay of involuntary proceedings brought for the reorganization, dissolution or liquidation of Borrower, or if Borrower shall be adjudged a bankrupt, or if a trustee or receiver shall be appointed for Borrower or Borrower's property, or if the Property shall become subject to the jurisdiction of a Federal Bankruptcy Court or similar state court, or if Borrower shall make an assignment for the benefit of Borrower's creditors, or if there is an attachment, execution or other judicial seizure of any portion of Borrower's assets and such seizure is not discharged within thirty (30) days, then Lender may, at Lender's option, declare all of the sums secured by this Instrument to be immediately due and payable without prior notice to Borrower, and Lender may invoke any remedies permitted by Paragraph 25 of this Instrument. Any attorney's fees and other expenses incurred by Lender in connection with Borrower's bankruptcy or any of the other aforesaid events shall be additional indebtedness of Borrower secured by this Instrument pursuant to Paragraph 8.

18. **TRANSFERS OF THE PROPERTY OR BENEFICIAL INTERESTS IN BORROWER; ASSUMPTION.** Except as otherwise provided herein, on the sale or transfer of (i) all or any part of the Property, or any interest therein, or (ii) beneficial interests in Borrower (if Borrower is not a natural person or persons but is a corporation, partnership, trust or other legal entity), Lender may, at Lender's option, declare all of the sums secured by this Instrument to be immediately due and payable, and Lender may invoke any remedies permitted by Paragraph 25 of this Instrument. Provided however, the above provisions shall not apply to sales of beneficial interests in Borrower among the beneficiaries thereof or among any such beneficiary and his or her children or grandchildren and the spouses of such descendants, to gifts of such beneficial interests from one beneficiary to another beneficiary, or to transfers of such beneficial interests to any person resulting from the death of any beneficiary.

19. **NOTICE.** Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Instrument or in the Note shall be given by mailing such notice by certified mail addressed to Borrower at Borrower's address or at such other address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by certified mail, return receipt requested, to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Instrument or in the Note shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

20. **SUCCESSORS AND ASSIGNS BOUND; JOINT AND SEVERAL LIABILITY; AGENTS; CAPTIONS.** The covenants and agreements

herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of Paragraph 18 hereof. All covenants and agreements of Borrower shall be joint and several. In exercising any rights hereunder or taking any actions provided for herein, either party may act through its employees, agents or independent contractors as authorized by Lender. The captions and headings of the paragraphs of this Instrument are for convenience only and are not to be used to interpret or define the provisions hereof.

21. **GOVERNING LAW; SEVERABILITY.** This Instrument shall be governed by the law of the jurisdiction in which the Property is located. In the event that any provision of this Instrument or the Note conflicts with applicable law, such shall not affect other provisions of this Instrument or the Note which can be given effect with the conflicting provisions, and to this end the provisions of this Instrument and the Note are declared to be severable. In the event that any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower is interpreted so that any charge provided for in this Instrument or in the Note, whether considered separately or together with other charges levied in connection with this Instrument and the Note, violates such law, and Borrower is entitled to the benefit of such law, such charge is hereby reduced to the extent necessary to eliminate such violation. The amounts, if any, previously paid to Lender in excess of the amounts payable to Lender pursuant to such charges as reduced shall be applied by Lender to reduce the principal of the indebtedness evidenced by the Note. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower has been violated, all indebtedness which is secured by this Instrument or evidenced by the Note and which constitutes interest, as well as other charges levied in connection with such indebtedness which constitutes interest, shall be deemed to be allocated and spread over the stated term of the Note. Unless otherwise required by applicable law, such allocation and spreading shall be effected in such a manner that the rate of interest computed thereby is uniform throughout the stated term of the Note.

22. **WAIVER OF STATUTE OF LIMITATIONS.** Borrower hereby waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this Instrument or to any action brought to enforce the Note or any other obligation secured by this Instrument.

23. **WAIVER OF MARSHALLING.** Notwithstanding the existence of any other security interest in the Property held by Lender or by any other party, Lender shall have the right to determine the order in which any or all of the Property shall be subjected to the remedies provided herein. Lender shall have the right to determine the order in which any or all portions of the indebtedness secured hereby are satisfied from the proceeds realized upon the exercise of the remedies provided herein. Borrower, any party who consents to this Instrument and any party who now or hereafter acquires a security interest in the Property and who has actual or constructive notice hereof hereby waives any and all right to require the marshalling of assets in connection with the exercise of any of the remedies permitted by applicable law or provided herein.

24. **ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER; LENDER IN POSSESSION.** As part of the consideration for the indebtedness evidenced by the Note, Borrower hereby absolutely and unconditionally assigns and transfers to Lender all the rents and revenues of the Property, including those now due, past due, or to become due by virtue of any lease or other agreement for the occupancy or use of all or any part of the Property regardless of to whom the rents and

revenues of the Property are payable. Borrower hereby authorizes Lender or Lender's agents to collect the aforesaid rents and revenues and hereby directs each tenant of the Property to pay such rents to Lender or Lender's agents; provided, however, that prior to written notice given by Lender to Borrower of the breach by Borrower of any covenant or agreement of Borrower in this Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower, to apply the rents and revenues so collected to the sums secured by this Instrument in the order provided in Paragraph 3 hereof with the balance, so long as no such breach has occurred, to the account of Borrower, it being intended by Borrower and Lender that this assignment of rents constitutes an absolute assignment and not an assignment for additional security only. Ten (10) days after delivery of written notice by Lender to Borrower of the breach by Borrower of any covenant or agreement of Borrower in this Instrument, and without the necessity of Lender entering upon and taking and maintaining full control of the Property in person, by agent or by a court-appointed receiver, Lender shall immediately be entitled to possession of all rents and revenues of the Property as specified in this Paragraph 24 as the same become due and payable, including but not limited to rents then due and unpaid, and all such rents shall immediately upon delivery of such notice be held by Borrower as trustee for the benefit of Lender only; provided, however, that the written notice by Lender to Borrower of the breach by Borrower shall contain a statement that Lender exercises its rights of such rents. Borrower agrees that commencing upon delivery of such written notice of Borrower's breach by Lender to Borrower, each tenant of the Property shall make such rents payable to and pay such rents to Lender or Lender's agents on Lender's written demand to each tenant therefore, delivered to each tenant personally, by mail or by delivering such demand to each rental unit, without any liability on the part of said tenant to inquire further as to the existence of a default by Borrower.

Borrower hereby covenants that Borrower has not executed any prior assignment of said rents, except to Gainer Bank for the mortgages on Phases I & II, respectively, that Borrower has not performed, and will not perform, any acts or has not executed, and will not execute, any instrument which would prevent Lender from exercising its rights under this Paragraph 24, and that at the time of execution of this Instrument there has been no anticipation or prepayment of any of the rents of the Property for more than two months prior to the due dates of such rents. Borrower covenants that Borrower will not hereafter collect or accept payment of any rents of the Property more than two months prior to the due dates of such rents.

Upon Borrower's breach of any covenant or agreement of Borrower in this Instrument, Lender may in person, by agent or by a court-appointed receiver, regardless of the adequacy of Lender's security, enter upon and take and maintain full control of the Property in order to perform all acts necessary and appropriate for the operation and maintenance thereof including but not limited to, the execution, cancellation or modification of leases, the collection of all rents and revenues of the Property, the making of repairs to the Property and the execution or termination of contracts providing for the management or maintenance of the Property, all on such terms as are deemed best to protect the security of this Instrument. In the event Lender elects to seek the appointment of a receiver for the Property upon Borrower's breach of any covenant or agreement of Borrower in this Instrument, Borrower hereby expressly consents to the appointment of such receiver. Lender or the receiver shall be entitled to receive a reasonable fee for so managing the Property.

All rents and revenues collected subsequent to delivery of written notice by Lender to Borrower of the Breach by Borrower of any covenant or agreement of Borrower in this Instrument shall be applied first to the costs, if any, of taking control of and managing the Property and collecting the rents, including, but not limited to, reasonable attorney's fees, receiver's fees, premiums on receiver's bonds, costs of repairs to the Property, and the costs of discharging any obligation or liability of Borrower as lessor and landlord of the Property and then to the sums secured by this Instrument. Lender or the receiver shall have access to the books and records used in the operation and maintenance of the Property and shall be liable to account only for those rents actually received. Lender shall not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Property by reason of anything done or left undone by Lender under this Paragraph 24 other than Lender's willful misconduct or gross negligence.

If the rents of the Property are not sufficient to meet the costs, if any, of taking control of and managing the Property and collecting the rents, any funds expended by Lender for such purposes shall become indebtedness of Borrower to Lender secured by this Instrument pursuant to Paragraph 8 hereof. Unless Lender and Borrower agree in writing to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof, and shall bear interest from the date of disbursement. The rate stated in the Note unless payment of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law.

Any entering upon and taking and maintaining of control of the Property by Lender or the receiver and any application of rents as provided herein shall not cure or waive any default hereunder or invalidate any other right or remedy of Lender under applicable law or provided herein. This assignment of rents of the Property shall terminate at such time as this Instrument ceases to secure indebtedness held by Lender.

25. **ACCELERATION; REMEDIES.** Upon Borrower's breach of any covenant, warranty or condition or agreement of Borrower in this Instrument, which breach is not cured within thirty (30) days of notice thereof from the Lender, or upon the occurrence of an Event of Default as defined in the Note evidencing the indebtedness secured by this Instrument, including but not limited to, the covenants to pay when due any sums secured by this Instrument, Lender at Lender's option may declare all of the sums secured by this Instrument to be immediately due and payable without further demand, and may foreclose this Instrument by judicial proceedings, and may invoke any other remedies permitted by applicable law or provided herein. Lender shall be entitled to collect all costs and expenses incurred in pursuing such remedies, including, but not limited to, reasonable attorney's fees, reasonable appraisal fees, reasonable expert witness fees, reasonable costs of court reporters, reasonable travel expenses, reasonable costs of documentary evidence, reasonable abstracts and title reports.

26. **RELEASE.** Upon payment of all sums secured by this Instrument, Lender shall provide Borrower with a release of this Instrument in recordable form for Borrower to record at its expense.

27. **OTHER ENCUMBRANCES.** Borrower will not further mortgage or encumber the Property in any way without the express written consent of the Lender, which consent shall not be unreasonably withheld.

28. **WAIVER OF VALUATION AND APPRAISEMENT.** Borrower hereby waives all right of valuation and appraisal.

29. **FUTURE ADVANCES.** Upon request of Borrower, Lender, at Lender's option so long as this Instrument secures indebtedness held by Lender, may make Future Advances to Borrower. Such Future Advances, with interest thereon, shall be secured by this Instrument.
