See attached

FILED

JAN 27 1988

And the said party of the second part, in consideration thereof, hereby agrees to pay to the said party of the first part at

Forty Thousand (\$40,000.00) DOLLARS CRO

at the time and in the manner following, to-wit: \$528.61

DOLLARS each at the time of making this contract, receipt of which is hereby acknowledged, and the sum of Five Hundred Twenty Eight and 61/100 (\$528.61) DOLLARS CRO

on the 1st day of each month, hereafter until the whole remaining purchase money shall be paid in full, without any relief whatever from valuation or appraisement fees, with attorney's fees and interest at the rate of 10% per cent per annum on the amount of principal remaining due on the 1st day of each month,

and every month thereafter until paid in full. The amount of said interest, however, shall be deducted from the amount of said payments, unless herein otherwise provided, so that the same shall be applied to the reduction of said unpaid balance, it being agreed and understood that any acceptance by first party of payment after the same, made hereunder, shall not operate as an extension of time for payment in no manner, after the strict terms hereof. It is agreed that second party may pay the entire unpaid balance of the purchase price hereunder at any time.

And the said party of the second part further agrees that he will faithfully keep an insurance on said property in the name of said first party, in some company to be approved by said first party, insured, loss, if any payable to the first and second parties as their interest may appear, in the sum of \$40,000.00 fire insurance and a like amount of tornado insurance, and in due season, pay all taxes and assessments for all purposes and of all kinds whatsoever, levied and assessed upon said real estate or upon this contract, which became due during the year 1988 payable in the year 1989, and which may hereafter become due, including penalties and interest; and in case the said party of the second part shall fail to keep and pay for such insurance, to pay any or all of said taxes and assessments whenever and as soon as the same shall become due and payable, and the said party of the first part shall at any time provide, pay, or cause the same to be paid, the amount so paid by the party of the first part, including all penalties allowed and charged by law, in addition to such insurance premiums, taxes, and assessments, shall, with 5% per cent interest thereon, become an additional consideration to be paid by the party of the second part for the real estate hereby agreed to be sold.

The party of the second part does hereby irrevocably consent that party of the first part may at any time, during the life of this contract, mortgage and encumber the real estate for an amount not to exceed the balance due hereunder; at the time of making such mortgage, whenever the unpaid balance due on this contract is reduced so that it is possible so to do, the Second Party agrees to borrow a sufficient sum of money, to pay in full to the First Party said unpaid balance, including interest at the rate aforesaid, then unpaid, on this contract, at the time of prepaying and receiving such loan.

And the said party of the first part further covenants and agrees with the party of the second part, that upon the payment of the money and interest at the time and in the manner hereinabove specified, and the prompt and full performance by the said party of the second part of all his covenants and agreements herein contained, that they, the said party of the first part, will convey or cause to be conveyed to the said party of the second part, by Warranty Deed, the above described real estate, subject to all taxes and special assessments and to all other conditions herein provided. At such time, said first party shall furnish said second party, with a merchantable abstract showing marketable title, subject to the conditions herein contained, in said first party, or in the party making conveyance to said second party.

The First Party shall have the right, at any time, to enter upon and in said premises for the purpose of inspecting the same.

The Second Party shall not assign or transfer this contract of sale, let or sublet said real estate, or any part thereof, remove any improvements of any kind or character, or make any alterations, without the written consent of the First Party. This provision shall apply both to improvements now on the premises and to improvements that may be placed thereon.

Provided always that these presents are upon the condition that in case of the failure of the said party of the second part, to perform and fulfill the said party of the first part, their executors, assigns or legal representatives, shall have the right to declare this contract forfeited and void, and thereupon to recover all the installments due and unpaid, together with interest thereon, at ten percent for the use and occupation of said real estate, and to take possession thereof, and to regard the person, or persons, in possession on such termination of the contract, as tenants holding over without permission; if this should be necessary, to gain prompt possession of said real estate, and to recover all damages sustained by such holding over without permission, or by means of any waste committed or suffered on said real estate, and thereupon all interest of said second party, in and to the above described premises shall cease and terminate, and said first party shall retain all the money which may have been paid by second party, as well as any improvements or additions to the real estate, as rent for the use of said property by said second party, until the time of such forfeiture.

IN WITNESS WHEREOF, the said parties have hereunto set their hands and seals this 27th day of Jan., 1988.
