(B) Calculation of Fixed Rate

F-2111 US 2/88

My new, fixed interest rate will be equal to the Federal National Mortgage Association's required net yield as of a date and time of day specified by the Note Holder for (i) if the original term of this Note is greater than 15 years, 30 year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus five eighths of one percentage point (0.625%), rounded to the nearest one eighth of one percentage point (0.125%), or (ii) if the original term of this Note is 15 years or less, 15 year fixed rate mortgages covered by applicable 60 day mandatory delivery commitments, plus five-eighths of one percentage point (0.625%), rounded to the nearest one-eighth of one percentage point (0.125%). If this required net yield cannot be determined because the applicable commitments are not available, the Note Holder will determine my interest rate by using comparable information. My new rate calculated under this Section 5(B) will not be greater than the Maximum Rate stated in Section 4(D) above.

(C) New Payment Amount and Effective Date

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the maturity date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my tirst monthly payment after the Conversion Date. I will pay the new amount as my monthly payment until the maturity date.

C. TRANSFER OF THE PROPERTY ON A BENEFICIAL DIVIDENTATIVE BORROWER

1. Until Borrower exercises the Conversion Option under the conditions stated in Section B of this Adjustable Rate Rider, Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred for if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person); without Lender's prior written consent; Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if. (a) Borrower causes to be submitted! to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transseree; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep at the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require in mediate payment in full. Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less that 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period. Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

2: If Borrower exercises the Conversion Option under the conditions stated in Section B of this Adjustable Rate Rider, the amendment to Uniform Covenant 17 of the Security Instrument contained in Section C 1 above shall then cease to be in effect, and the provisions of Uniform Covenant 17 of the Security Instrument shall instead be in effect, as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent. Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option. Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

By SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.

- 2. In order to exercise the Conversion Option, the Note Holder must receive notice between the first and fifth days of any month, and at least 45 days before the intended conversion date, and the Note Holder must receive an executed "Modification Agreement" by the 15th day of that month. If written notice to convert is received after the fifth day of any month, said notice will be treated as having been received on the first business day of the succeeding month. If the executed "Modification Agreement" is not received by the 15th day of the month in which written notice was given, written notice must be resubmitted in the manner set forth above and a new "Modification Agreement" must be executed and received by the Note Holder by the 15th day of that month. Notice of conversion must be given in the manner described in Section 9 of this Note and will be considered to have been given on the day the Note Holder receives it. In order to be entitled to exercise the Conversion Option, Borrower must not have been more than 30 days late in making any monthly payment which was due during the 12 month period before Borrower gave the above notice of intent to exercise the Conversion Option, and Borrower must not have violated any other provisions of the Security Instrument during that 12 month period. Exercise of the Conversion Option is not permitted where, upon conversion, the fixed interest rate would exceed the maximum interest rate stated in the Note. In no event shall the rate under this section exceed the maximum rate in Section 4(D) of the Note.

- 3. Borrower will be in default if Borrower violates any provision of the Security Instrument or fails to pay the full amount of each monthly payment on the date it is due. If Borrower in default, the Note Holder may send Borrower a written notice stating that if Borrower does not correct the violation or pay the overdue amount by a certain date; the Note Holder may require Borrower to pay immediately the full amount of principal which has not been paid and all the interest that Borrower owes on that amount. That date must be at least 30 days after the date on which the notice is delivered or mailed to Borrower.
- 4. The Note Holder may in its discretion cause the provisions of the Rider to the Note; which are described in Paragraphs 2 through 3 above, to cease to have any force or effect, by giving notice to the Borrower in the manner provided in the Note.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider No. 2.
