Hi Jean and Curtis,

Ruth and I were informed on Thursday, September 12, 1991,
by the Mortgage holder of all the properties that it would
not permit any duplex within the total framework to be sold
seperately unless the duplex in question is paid in full at
the time of requested sepreation.

Ruth was not aware the mortgage holder had this option.

Because of this development/sistuation we being Ruth and I
stand ready at your convenience to reath a fair and just
arrangement to compensate you all for investment of materials
and labor or for us to be compensated for our lost if the
figures so decide for our lost if this is the final total.

Please contact Ruth or myself at your earliest convenience
to settle this matter as soon as possible.

May we hear from you in the very near future.

Yours truly,
