Beginning with the first Change Date; my adjustable interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federa Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current and the Current Index figure available as of the date 45 days before each Change Date is called the "Current Index figure available as of the date 45 days before each Change Date is called the "Current Index figure available as of the date 45 days before each Change Date is called the "Current Index figure available as of the date 45 days before each Change Date is called the "Current Index figure available as of the date 45 days before each Change Date is called the "Current Index figure available as of the date 45 days before each Change Date is called the "Current Index figure available as of the date 45 days before each Change Date is called the "Current Index figure available as of the date 45 days before each Change Date is called the "Current Index figure available as of the date 45 days before each Change Date is called the "Current Index figure available as of the date 45 days before each Change Date is called the "Current Index figure available as of the date 45 days before each Change Date in the date 45 days before

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice,

The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded another will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full or the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 9.500 %0 %. Thereafter, my adjustable interest rate will never be increased or decreased on any single icss than 5.500 TWO: AND NO/1000\* Change Date by more than 

percentage point(s)(

%) from the rate of interest I have been paying for the preceding 12

months. My interest rate will never be greater than

13.500

%, which is called the "Maximum Rate".

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my adjustable interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

### **FIXED INTEREST RATE OPTION**

The Note provides for the Borrower's option to convert from an adjustable interest rate with interest rate limits to a fixed interest rate, as follows:

### 5. FIXED INTEREST RATE CONVERSION OPTION

#### (A) Option to Convert to Fixed Rate

I have a Conversion Option that I can exercise unless I am in default or this Section 5(A) will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an adjustable rate with interest rate limits to the fixed rate calculated under Section 5(B) below.

The conversion can only take place on a date(s) specified by the Note Holder during the period beginning on the first Change Date and ending on the fifth Change Date. Each date on which my adjustable interest rate can convert to the new fixed rate is called the "Conversion Date."

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (i) I must give the Note Holder notice that I want to do so; (ii) on the Conversion Date, I must not be in default under the Note or the Security Instrument; (iii) by a date specified by the Note Holder, I must pay the Note Holder a conversion fee of U.S. \$ 100.00 ; and (iv) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion.

### (B) Calculation of Fixed Rate

My new, fixed interest rate will be equal to the Federal National Mortgage Association's required net yield as of a date and time of day specified by the Note Holder for (i) if the original term of this Note is greater than 15 years, 30-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus five-eighths of one percentage point (0.625%), rounded to the nearest one-eighth of one percentage point (0.125%); or (ii) if the original term of this Note is 15 years or less, 15-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus five-eighths of one percentage point (0.625%), rounded to the nearest one-eighth of one percentage point (0.125%), If this required net yield cannot be determined because the applicable commitments are not available, the Note Holder will determine my interest rate by using comparable information. My new rate calculated under this Section 5(B will not be greater than the Maximum Rate stated in Section 4(D) above.

### (C) New Payment Amount and Effective Date

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the Maturity Date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the Maturity Date.

# C. TRANSFER OF THE PROPERTY OF A BENEFICIAL INTEREST IN BORROWER.

1...Until Borrower exercises the Conversion Option under the conditions stated in Section B of this Adjustable Rate Rider, Uniform Covenant 17 of the Security Instrument is unended to read as follows:
