payments in a year.

Lender will estimate from time to time my yearly taxes, assessments, leasehold payments or ground rents and insurance premiums, which will be called the "escrow items." Lender will use existing assessments and bills and reasonable estimates of future assessments and bills. The amounts that I pay to Lender for escrow items under this Paragraph 2 will be called the "Funds"

(B) Lender's Obligations

Lender will keep the Funds in a savings or banking institution which has its deposits or accounts insured or guaranteed by a federal or state agency. If Lender is such an institution, Lender may hold the Funds. Except as described in this Paragraph 2, Lender will use the Funds to pay the escrow items. Lender will give to me, without charge, an annual accounting of the Funds. That accounting must show all additions to and deductions from the Funds and the reason for each deduction.

Lender may not charge me for holding or keeping the Funds, for using the Funds to pay escrow items, for analyzing my payments of Funds, or for receiving, verifying and totaling assessments and bills. However, Lender may charge me for these services if Lender pays me interest on the Funds and if the law permits Lender to make such a charge. Lender will not be required to pay me any interest or earnings on the Funds unless either (i) Lender and Lagree in writing, at the time I sign this Security Instrument, that Lender will pay interest on the Funds: or (ii) the law requires Lender to pay interest on the Funds.

(C)/Adjustments to the Funds

If Lender's estimates are too high or if taxes and insurance rates go down, the amounts that I pay-under this Paragraph, 2 will be too large. If this happens at a time when I am keeping all of my promises and agreements made in this Security Instrument, I will have the right to have the excess amount either promptly repaid to me as a direct refund or credited to my future scheduled payments of Funds. There will be excess amounts if, at any time, the sum of (i) the amount of Funds which Lender is holding or keeping, plus (ii) the amount of the scheduled payments of Funds which I still must pay between that time and the due dates of escrow items is greater than the amount necessary to pay the escrow items when they are due.

If, when payments of escrow items are due, Lender has not received enough Funds to make those payments, Is will pay to Lender-whatever additional amount is necessary to pay the escrow items in full. I must pay

that additional amount in one or more payments as Lender may require.

When I have paid all of the sums secured, Lender will promptly refund to me any Funds that are then being held by Lender. If, as a result of the exercise by Lender of any of its rights under this Security Instrument, either Lender acquires the Property or the Property is sold, then immediately before the acquisition or sale, Lender will use any Funds which Lender is holding at the time to reduce the sums secured.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.
