SURVEYOR'S REPORT

In Accordance with Title 864, Article 1.1, Chapter 13 Section 1 through 34 of the Indiana Administrative Code, the following observations and opinions are submitted regarding corners established on this survey to wit: Upon field verification measurements we were able to verify the existing corners found on the subject parcel using other evidence found within the Shade Plat "C" and "B" as shown hereon. The procedure used to perform this surveying is believed to be as accurate as can be possible. The theoretical uncertainty for all corners described above was found to be plus or minus 0.1 as computed in accordance with Class A Standards adopted by the Indiana Society of Professional Land Surveyors.
