COVENANTS

- 1. Payments. I agree to make all payments on the secured debt when due. Unless we agree otherwise, any payments you receive from me or for my benefit will be applied first to any amounts I owe you on the secured debt exclusive of interest or principal, second, to interest and then to principal. If partial prepayment of the secured debt occurs for any reason, it will not reduce or excuse any subsequently scheduled payment until the secured debt is paid in full.
- 2. Claims against Title. I will pay all taxes, assessments, liens, encumbrances, lease payments, ground rents, and other charges relating to the property when due. You may require me to provide to you copies of all notices that such amounts are due and the receipts evidencing my payments. I will defend title to the property against any claims that would impair the lien of this mortgage. You may require me to assign any rights, claims or defenses which I may have against parties who supply labor or materials to improve or maintain the property.
- 3. Insurance. I will keep the property insured under terms acceptable to you at my expense and for your benefit. This insurance will include a standard mortgage clause in your favor. You will be named as loss payee or as the insured on any such insurance policy. Any insurance proceeds may be applied, within your discretion, to either the restoration or repair of the damaged property or to the secured debt. If you require mortgage insurance, I agree to maintain such insurance for as long as you require.
- 4. Property. I will keep the property in good condition and make all repairs reasonably necessary. I will give you prompt notice of any loss or damage to the property.
- 5. Expenses. I agree to pay all your expenses, including reasonable attorneys' fees, if I breach any covenants in this mortgage or in any obligation secured by this mortgage. I will pay these amounts to you as provided in Covenant 10 of this mortgage.
- 6. Default and Acceleration. If I fail to make any payment when due or breach any covenants under this mortgage, any prior mortgage or any obligation secured by this mortgage, you may, at your option. accelerate the maturity of the secured debt and demand immediate payment and exercise any other remedy available to you. You may foreclose this mortgage in the manner provided by law.
- 7. Assignment of Rents and Profits. I assign to you the rents and profits of the property. Unless we have agreed otherwise in writing, I may collect and retain the rents as long as I am not in default. If I default, you may, as provided by law, have the court appoint a receiver and the receiver may take possession and manage the property and collect the rents, income and profits. Any rents you collect shall be applied first to the costs of managing the property, including all taxes, assessments, insurance premiums, repairs, court costs and attorneys' fees, commissions to rental agents, and any other necessary related expenses. The remaining amount of rents will then apply to payments on the secured debt as provided in Covenant 1.
- 8. Prior Security Interests. I will make payments when due and perform all other covenants under any mortgage, deed of trust, or other security agreement that has priority over this mortgage. I will not make or permit any modification or extension of any mortgage, deed of trust or other security interest that has priority over this mortgage or any note or agreement secured thereby without your written consent. I will promptly deliver to you any notices I receive from any person whose rights in the property have priority over your rights.
- 9. Leaseholds; Condominiums; Planned Unit Developments. I agree to comply with the provisions of any lease if this mortgage is on a leasehold. If this mortgage is on a unit in a condominium or a planned unit development, I will perform all of my duties under the covenants, by-laws, or regulations of the condominium or planned unit development.
- 10. Authority of Mortgagee to Perform for Mortgagor. If I fail to perform any of my duties under this mortgage, or any other mortgage, deed of trust, lien or other security interest that has priority over this mortgage, you may perform the duties or cause them to be performed. You may sign my name or pay any amount if necessary for performance. If any construction on the property is discontinued or not carried on in a reasonable manner, you may do whatever is necessary to protect your security interest in the property. This may include completing the construction.

Your failure to perform will not preclude you from exercising any of your other rights under the law or this mortgage.

Any amounts paid by you to protect your security interest will be secured by this mortgage. Such amounts will be due on demand and will bear interest from the date of the payment until paid in full at the interest rate in effect from time to time on the secured debt.

- 11. Inspection. You may enter the property to inspect if you give me notice beforehand. The notice must state the reasonable cause for your inspection.
- 12. Condemnation. I assign to you the proceeds of any award or claim for damages connected with a condemnation or other taking of all or any part of the property. Such proceeds will be applied as provided in Covenant 1. This assignment is subject to the terms of any prior security agreement.
- 13. Walver. By exercising any remedy available to you, you do not give up your rights to later use any other remedy. By not exercising any remedy, if I default, you do not waive your right to later consider the event a default if it happens again. I waive all rights of valuation and appraisement.
- 14. Joint and Several Liability; Co-signers; Successors and Assigns Bound. All duties under this mortgage are joint and several. If I sign this mortgage but do not sign the secured debt I do so only to mortgage my interest in the property to secure payment of the secured debt and by doing so, I do not agree to be personally liable on the secured debt. I also agree that you and any party to this mortgage may extend, modify or make any other changes in the terms of this mortgage or the secured debt without my consent. Such a change will not release me from the terms of this mortgage.

The duties and benefits of this mortgage shall bind and benefit the successors and assigns of either or both of us.

15. Notice. Unless otherwise required by law, any notice to me shall be given by delivering it or by mailing it by first class mail addressed to me at the Property Address or any other address that I tell you. I will give any notice to you by certified mail to your address on page 1 of this mortgage, or to any other address which you have designated.

Any notice shall be deemed to have been given to either of us when given in the manner stated above.

- 16. Transfer of the Property or a Beneficial Interest in the Mortgagor. If all or any part of the property or any interest in it is sold or transferred without your prior written consent, you may demand immediate payment of the secured debt. You may also demand immediate payment if the mortgagor is not a natural person and a beneficial interest in the mortgagor is sold or transferred. However, you may not demand payment in the above situations if it is prohibited by federal law as of the date of this mortgage.
- 17. Release. When I have paid the secured debt in full and all underlying agreements have been terminated, you will, at my request, release this mortgage without charge to me. Except when prohibited by law, I agree to pay all costs to record the release.
- 18. Severability. Any provision or clause of this mortgage or any agreement evidencing the secured debt which conflicts with applicable law will not be effective unless that law expressly or impliedly permits variations by agreement. If any provision or clause of this mortgage or any agreement evidencing the secured debt cannot be enforced according to its terms, this fact will not affect the enforceability of the balance of the mortgage and the agreement evidencing the secured debt.

HOME EQUITY LINE

GENERALLY: This is an agreement about your home equity line of credit. Many of the terms we use in this agreement have special meanings. The term "loan account balance" means the sum of the unpaid principal of loans made under this plan, plus unpaid but earned finance charges, plus any credit insurance premiums that are due. "Transaction Account" means an account you carry with us. The number of this account is listed at the top of the form on the line labeled "Trans. Acct. #." "Line of Credit" means the maximum amount of principal we will ordinarily allow you to owe us under this plan at any time. "Triggering Balance" is the amount you must keep in your transaction account to prevent us from lending you money under this plan.
In addition, we will use the following terms for this home equity plan:

"Initial Advance" means the amount of money we will require you to accept as an advance to open the plan. "Minimum Advance" means the smallest amount of money we will advance to you at your request. The "Minimum Balance" is the amount of principal of loans we will require you to maintain outstanding during the plan. If the principal balance outstanding falls below the minimum balance, you may have to pay a fee described below.

The "Draw Period" is the time during the plan that you may request

advances and will make payments on your loan account balance. The "Repayment Period" is the time during the plan that you must repay your loan account balance but may not request further advances. Except where otherwise indicated, the regulatory disclosures contained in this agreement apply to both the draw and repayment periods.

any limitations contained in this agreement, advance exactly the amount you request, so long as the requested amount equals or exceeds the minimum advance listed above. We will make the advance by depositing the amount in your transaction account, by advancing the money directly to you, or by paying a designated third person or account, depending on how we agree to make the advance. We will record the amount as a loan in your loan account.

If your request is for less than the minimum advance, we may, at our option, grant the request. However, granting the request does not mean we will be required to grant requests for less than the minimum advance in the future. We always have the option to deny any such request.

However, we will not ordinarily grant any request for a loan which would cause the unpaid principal of your loan account balance to be greater than the Line of Credit listed above. We may, at our option, grant such a request without obligating ourselves to do so in the future.

HOW FINANCE CHARGES ARE COMPUTED: Finance charges begin to accrue immediately when we make a loan to you. To figure the finance charge, we will apply a periodic rate of finance charge each billing cycle to the "average daily balance" of your loan account for the billing cycle. The "average daily balance" is computed as follows: First, we take your loan account balance at the beginning of the day and subtract any unpaid finance charges and credit insurance premiums (if any) that are due. Next, we subtract the portion of any payments or credits received that day which apply to the repayment of your loans. (A portion of each payment you make is applied to finance charges and credit insurance premiums, if any.) Then we add any new loans made that day. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance."

The periodic rate of FINANCE CHARGE is ... 7.00 is equal to an ANNUAL PERCENTAGE RATE of annual percentage rate includes interest and not other costs

VARIABLE RATE: The annual percentage rate may change, and will be 1.00 % above the following "base rate": the highest base rate on corporate loans at large U.S. money center commercial banks that the The Wall Street Journal publishes as the prime rate. The annual percentage rate may increase if this "base rate" increases. An increase will take effect the first day of the month. An increase will result in an increase in the finance charge and it may have the effect of increasing your periodic minimum payment. The annual percentage rate will not increase more often than once a month. A decrease

If the base rate changes more frequently than the annual percentage rate, we will always use the base rate in effect on the day we adjust the annual percentage rate to determine the new annual percentage rate. In such a case, we will ignore any changes in the base rate that occur between annual percentage rate adjustments.

The "annual percentage rate" referred to in this section is the annual rate which corresponds to the periodic rate applied to the balance as described above. This corresponding ANNUAL PERCENTAGE RATE will never exceed 18%, and will never exceed the highest allowable rate for this type of agreement as determined by applicable state or federal law.

The ANNUAL PERCENTAGE RATE will never decrease below 6%

On the maturity date listed above, you must pay the amount of account balance outstanding. The minimum payment will not fully repay the principal that is outstanding on your line. At that time you

You can pay off all or part of what you owe at any time. However, so long as you owe any amount you must continue to make your periodic minimum payment.

The amounts you pay will first reduce the amount owed for credit insurance (if any), then will reduce the finance charges, and finally will reduce the amount of unpaid loans.

AUTOMATIC WITHDRAWAL: If checked, you authorize us to automatically withdraw your payment from your transaction account on each payment date. If your transaction account does not have enough money in it to make the minimum payment, we may, but are not required to, lend you money to make the payment. All the terms of this agreement will apply to such a loan. If your loan account balance is less than the minimum payment amount, we will withdraw only the amount necessary to reduce your loan account balance to zero.

SECURITY: To secure the payment of what you owe, we have the right of setoff. This means we can pay the amount you owe us out of money that we are required to pay you (such as money in your savings or checking account). However, we cannot use in this way money in your IRA or other tax-deferred retirement account. State law may further limit our right of set-off.

However, we will have no right of set-off if you can obtain credit under this plan by using a debit or a credit card.

We have also secured your obligations under this plan by taking a security interest (by way of a separate security agreement, mortgage or other March 30, 1994 instrument dated __) in the
