together with all buildings or improvements now or hereafter thereon, and the hereditaments and appurtenances and all other rights thereunto belonging, or in anywise appertaining, and the reversions, remainders, and the rents, issues, and profits thereof (provided, however, that the Mortgagor shall be entitled to collect and retain the said rents, issues, and profits until default hereunder); all fixtures now or hereafter attached to or used in connection with the premises; and in addition thereto the following described household appliances, which are, and shall be deemed to be, fixtures and a part of the realty and are a portion of the security for the indebtedness herein mentioned:

THE MORTGAGOR FURTHER COVENANTS that:

1. Mortgagor is the owner of said premises in fee simple or such other estate as is stated herein.

2. Mortgagor will pay the indebtedness as provided in said note and this mortgage. Privilege is reserved to prepay at any time, without premium or fee, the entire indebtedness or any part thereof not less than the amount of one installment, or one hundred dollars (\$100.00), whichever is less. Prepayment in full shall be credited on the date received. Partial prepayment, other than on an installment due date, need not be credited until the next following installment due date or thirty days after such prepayment, whichever is earlier.

3. Mortgagor will pay to the Mortgagee, as trustee, (under the terms of this trust as hereinafter stated) together with, and in addition to, the monthly payments under the terms of the note secured hereby, on the first day of each month until the said note is fully paid:

- a. A sum equal to the ground rents, if any, next due, plus the premiums that will next become due and payable on policies of fire and other hazard insurance covering the mortgaged property, plus taxes and assessments next due on the mortgaged property (all as estimated by the Mortgagee, and of which the Mortgagor is notified) less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such ground rents, premiums, taxes and assessments will become delinquent, such sums to be held by Mortgagee in trust to pay said ground rents, premiums, taxes, and special assessments.

b. The aggregate of the amounts payable pursuant to subparagraph (a) and those payable on the note secured hereby, shall be paid in a single payment each month, to be applied to the following items in the order stated:

- (i) ground rents, taxes, special assessments, fire and other hazard insurance premiums;
- (ii) interest on the note secured hereby; and
- (iii) amortization of the principal of said note.

Any deficiency in the amount of such aggregate monthly payment shall, unless made good by the Mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage. At Mortgagee's option, Mortgagor will pay a "late charge" not exceeding four per centum (4%) of any installment when paid more than fifteen (15) days after the due date thereof to cover the extra expense involved in handling delinquent payments, but such "late charge" shall not be payable out of the proceeds of any sale made to satisfy the indebtedness secured hereby, unless such proceeds are sufficient to discharge the entire indebtedness and all proper costs and expenses secured thereby.

4. If the total of the payments made by the Mortgagor under (a) of paragraph 3 preceding shall exceed the amount of payments actually made by the Mortgagee as trustee for ground rents, taxes or assessments or insurance premiums, as the case may be, such excess shall be credited on subsequent payments to be made by the Mortgagor for such items or, at Mortgagee's option, as trustee, shall be refunded to Mortgagor. If, however, such monthly payments shall not be sufficient to pay such items when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagee as trustee any amount necessary to make up the deficiency. Such payments shall be made within thirty (30) days after written notice from the Mortgagee stating the amount of the deficiency, which notice may be given by mail. If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagee as trustee, shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor any credit balance remaining under the provisions of (a) of paragraph 3 hereof. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the premises covered hereby or if the Mortgagee acquires the property otherwise after default, the Mortgagee as trustee, shall apply, at the time of the commencement of such proceedings or at the time the property is otherwise acquired, the amount then remaining to credit of Mortgagor under (a) of paragraph 3 preceding as a credit on the interest accrued and unpaid and the balance to the principal then remaining unpaid on said note.

5. Mortgagor will pay all taxes, assessments, water rates and other governmental or municipal charges, fines or impositions, except when payment for all such items has theretofore been made under (a) of paragraph 3 hereof and in default thereof the Mortgagee may pay the same; and will promptly deliver the official receipts therefor to said Mortgagee.

6. Mortgagor will not commit, permit, or suffer waste, impairment, or deterioration of said property or any part thereof, and in the event of the failure of the Mortgagor to keep the buildings and other improvements now or hereafter on said premises in good repair, the Mortgagee may make such repairs as may reasonably be deemed necessary for the proper preservation thereof and the sum so paid shall bear interest from date at the rate provided for in the principal indebtedness, shall be payable thirty (30) days after demand, and shall be fully secured by this mortgage.

7. Mortgagor will continuously maintain hazard insurance, of such type or types and amounts as Mortgagee may from time to time require, on the improvements now or

hereafter on said premises, and except when payment for all such premiums has theretofore been made under (a) of paragraph 3 hereof, he/she will pay promptly when due any premiums therefor. In default thereof, the Mortgagee may pay the same. All insurance shall be carried in companies approved by Mortgagee and the policies and renewals thereof shall be held by Mortgagee and have attached thereto loss payable clauses in favor of and in form acceptable to the Mortgagee. In event of loss Mortgagee will give immediate notice by mail to Mortgagee, and Mortgagee may make proof of loss if not made promptly by Mortgagor, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Mortgagee instead of to Mortgagor and Mortgagee jointly, and the insurance proceeds, or any part thereof, may be applied by Mortgagee at its option either to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged. In event of foreclosure of this mortgage, or other transfer of title to the mortgaged property in extinguishment of the indebtedness secured hereby, all right, title and interest of the Mortgagor in and to any insurance policies then in force shall, pass to the purchaser or grantee.

8. In case proceedings to foreclose this mortgage are instituted, any sums necessarily expended for the continuation of the abstract of title to the above-described real estate, together with interest thereon at the rate provided for in the principal indebtedness, shall become a part of the debt secured by this mortgage and shall be collectible as such.

9. Upon the request of the Mortgagee, the Mortgagor shall execute and deliver a supplemental note or notes for the sum or sums advanced by the Mortgagee for the alteration, modernization, improvement, maintenance, or repair of said premises, for taxes or assessments against the same and for any other purpose authorized hereunder. Said note or notes shall be secured hereby on a parity with and as fully as if the advance evidenced thereby were included in the note first described above. Said supplemental note or notes shall bear interest at the rate provided for in the principal indebtedness and shall be payable in approximately equal monthly payments for such period as may be agreed upon by the creditor and debtor. Failing to agree on the maturity, the whole of the sum or sums so advanced with interest thereon at the rate provided for in the principal indebtedness shall be due and payable thirty (30) days after demand by the creditor. In no event shall the maturity extend beyond the ultimate maturity of the note first described above.

10. If the proceeds of the loan made by the Mortgagee to the Mortgagor, the repayment of which is hereby secured, or any part thereof, or any amount paid out or advanced by the Mortgagee, be used directly or indirectly to pay off, discharge, or satisfy, in whole or in part, any prior lien or encumbrance upon said premises above described, or any part thereof, then the Mortgagee shall be subrogated to any additional security held by the holder of such lien or encumbrance.

11. If any default be made in the payment of the installments provided for in paragraph 3 hereof, or in the performance of any other covenant in this mortgage or in the note secured hereby, when the same is payable or the time of performance has arrived, as above provided, then all the remainder of the aforesaid principal sums with all arrearages of interest, and sums payable pursuant to the provisions hereof, shall, at the option of said Mortgagee, become immediately payable, and the Mortgagee shall have the right to foreclose this mortgage, anything hereinbefore or in said note contained to the contrary notwithstanding, and any failure to exercise said option shall not constitute a waiver of the right to exercise the same in the event of any subsequent default.

12. If proceedings to foreclose this mortgage be instituted, the Mortgagee may apply for the appointment of a receiver (and the Mortgagor hereby consents to the appointment

of a receiver if there has been any default in the performance of any of the conditions of this mortgage), and such receiver is hereby authorized to take possession of the real estate above described, collect any rental, accrued, or to accrue, whether in money or kind, for the use or occupancy of said premises by any person, firm or corporation, or may let or lease said premises or any part thereof, receive the rents, income and profits therefrom, and hold the proceeds subject to the orders of the court, or the judge thereof, for the benefit of the Mortgagee, pending the final decree in said proceedings, and during any period allowed by law for the redemption from any sale ordered in said cause, and said receiver may be appointed irrespective of the value of the mortgaged property or its adequacy to secure or discharge the indebtedness due or to become due or the solvency of the Mortgagors. In the event of a default in any of the conditions of this mortgage the Mortgagee is also expressly given the right to take possession of and hold the mortgaged premises with or without process of law and collect the rents and profits therefrom, applying the same to the charges and payments due under the conditions of the mortgage so long as a default shall continue, and such taking possession shall in no way waive the right of the Mortgagee to foreclose this mortgage because of a default.

13. No sale of the premises hereby mortgaged, no forbearance on the part of the Mortgagee or its assigns, and no extension of the time for the payment of the debt hereby secured given by the Mortgagee or its assigns shall operate to release, discharge, modify, change or affect the original liability of the Mortgagor herein either in whole or in part, nor shall the full force and effect of this instrument be altered thereby.

14. Any person, firm or corporation taking a junior mortgage, or other lien, upon said real estate, shall take the said lien subject to the rights of the Mortgagee herein to extend the maturity of the indebtedness hereby secured without obtaining the consent of the holder of said junior lien and without the lien of this mortgage losing its priority over any such junior lien.

15. In the event the property pledged by this instrument is sold under foreclosure and the proceeds are insufficient to pay the total indebtedness evidenced and secured by this instrument the Mortgagee will be entitled to a deficiency judgment.

Notice of the exercise of any option granted to the Mortgagee herein, or in the note secured hereby, is not required to be given. All sums payable hereunder shall be without relief from valuation and appraisal laws and with reasonable attorney's fees.

If the indebtedness secured hereby be guaranteed or insured under Title 38 United States Code, such Title and Regulations issued thereunder and in effect on the date hereof shall govern the rights, duties and liabilities of the parties hereto, and any provisions of this or other instruments executed in connection with said indebtedness which are inconsistent with said Title or Regulations are hereby amended to conform thereto.

Grantors covenant and agree that so long as this Mortgage and the said note secured hereby are insured under the provisions of the Servicemen's Readjustment Act of 1944, they will not execute or file for record any instrument which imposes a restriction upon the sale or occupancy of the mortgaged property on the basis of race, color or creed. Upon any violation of this undertaking, the holder of the note may, at its option, declare all sums secured by this Mortgage immediately due and payable.

Should the Department of Veterans Affairs fail or refuse to issue its guaranty of the loan secured by this Mortgage under the provisions of the Servicemen's Readjustment Act of 1944, as amended, in the amount of the note secured hereby, within sixty days from the date the loan would normally become eligible for such guaranty, the beneficiary herein may, at its option, to be exercised at any time hereafter, declare all sums secured by this Mortgage immediately due and payable.

The covenants herein contained shall bind, and the benefits and advantages shall inure to, the respective heirs, executors, administrators, successors and assigns of the parties hereto. Whenever used, the singular number shall include the plural, the plural the singular, the use of any gender shall include all genders, and the term "Mortgagee" shall include any payee of the indebtedness hereby secured or any transferee thereof whether by operation of law or otherwise.

ADJUSTABLE RATE RIDER

VA CASE NO.
262660550054

THIS ADJUSTABLE RATE RIDER is made this ^{15th} ~~10th~~ day of DECEMBER, 1994, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Mortgage"), of even date herewith, given by the undersigned ("Mortgagor") to secure Mortgagor's Adjustable Rate Note ("Note"), of even date herewith, to BANPLUS MORTGAGE CORP. ("Mortgagee"), covering the premises described in the Mortgage and located at 9272 W 159TH AVE
CEDAR LAKE, IN 46303

Notwithstanding anything to the contrary set forth in the Mortgage, Mortgagor and Mortgagee hereby agrees to the following:

1. Under the Note, the initial stated interest rate of SEVEN AND ONE HALF per centum (7.500 %) per annum ("Initial Interest Rate."), on the unpaid principal balance is subject to change as hereinafter provided. When the interest rate changes, the equal monthly installments of principal and interest also will be adjusted, as hereinafter provided, so that each installment will be in an amount necessary to fully amortize the unpaid principal balance of the Note, at the new adjusted interest rate, over the remaining term of the Note.
2. The first adjustment to the interest rate (if any adjustment is required) will be effective on the first day of APRIL, 1996, (which date will not be less than twelve months nor more than eighteen months from the due date of the first installment payment under the Note), and thereafter each adjustment to the interest rate will be made effective on that day of each succeeding year during the term of the Mortgage ("Change Date").
3. Each adjustment to the interest rate will be made based upon the following method of employing the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year ("Index": the Index is published in the Federal Reserve Bulletin and made available by the United States Treasury Department in Statistical Release H. 15 (519)). As of each Change Date, it will be determined whether or not an interest rate adjustment must be made, and the amount of the new adjusted interest rate, if any, as follows:
 - (a) The amount of the Index will be determined, using the most recently available figure, thirty (30) days before the Change Date ("Current Index").
THE INITIAL INDEX VALUE IS 6.100%.
 - (b) TWO percentage points (2.000 %): the "Margin" will be added to the Current Index and the sum of this addition will be rounded to the nearest one-eighth of one percentage point (0.125%). The rounded sum, of the Margin plus the Current Index, will be called the "Calculated Interest Rate" for each Change Date.
 - (c) The Calculated Interest Rate will be compared to the interest rate being earned immediately prior to the current Change Date (such interest rate being called the "Existing Interest Rate"). Then, the new adjusted interest rate, if any, will be determined as follows:
 - (i) If the Calculated Interest Rate is the same as the Existing Interest Rate, the interest rate will not change.

(ii) If the difference between the Calculated Interest Rate and the Existing Interest Rate is less than or equal to one percentage point, the new adjusted interest rate will be equal to the Calculated Interest Rate (subject to the maximum allowable change over the term of the Mortgage of five percentage points, in either direction, from the Initial Interest Rate, herein called the "5% Cap").

(iii) If the Calculated Interest Rate exceeds the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point higher than the Existing Interest Rate (subject to the 5% Cap).

(iv) If the Calculated Interest Rate is less than the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point less than the Existing Interest Rate (subject to the 5% Cap).

(d) Notwithstanding anything contained in this Adjustable Rate Rider, in no event will any new adjusted interest rate be more than five percentage (5%) points higher or lower than the Initial Interest Rate. If any increase or decrease in the Existing Interest Rate would cause the new adjusted interest rate to exceed the 5% Cap, the new adjusted interest rate will be limited to five percentage (5%) points higher or lower, whichever is applicable, than the Initial Interest Rate.

(e) Mortgagee will perform the functions required under Subparagraphs 3(a), (b) and (c) to determine the amount of the new adjusted interest rate, if any. Any such new adjusted interest rate will become effective on the Change Date and thereafter will be deemed to be the Existing Interest Rate. The new Existing Interest Rate will remain in effect until the next Change Date on which the interest rate is adjusted.

(f) The method set forth in this Paragraph 3 of this Adjustable Rate Rider, for determining whether or not an adjustment must be made to the Existing Interest Rate incorporates the effects of the provisions of 24 CFR 203.49(e)(1) and 234.79(e)(1) which require that changes in the Index in excess of one percentage point must be carried over for inclusion in adjustments to the Existing Interest Rate in subsequent years.

(g) If the Index is no longer available, Mortgagee will be required to use any index prescribed by the Department of Veterans Affairs. Mortgagee will notify Mortgagor in writing of any such substitute index (giving all necessary information for Mortgagor to obtain such index) and after the date of such notice the substitute index will be deemed to be the index hereunder.

4. (a) If the Existing Interest Rate changes on any Change Date, Mortgagee will recalculate the monthly installment payments of principal and interest to determine the amount which would be necessary to repay in full, on the maturity date, the unpaid principal balance (which unpaid principal balance will be deemed to be the amount due on such Change Date assuming there has been no default in any payment on the Note but that all prepayments on the Note have been taken into account), at the new Existing Interest Rate, in equal monthly payments. On or before the Change Date, Mortgagee will give Mortgagor written notice ("Adjustment Notice") of any change in the Existing Interest Rate and of the revised amount of the monthly installment payments of principal and interest, calculated as provided above. Each Adjustment Notice will set forth (i) the date the Adjustment Notice is given, (ii) the Change Date, (iii) the new Existing Interest Rate as adjusted on the Change Date, (iv) the amount of the adjusted monthly installment payments, calculated as provided above, (v) the Current Index, (vi) the method of calculating the adjustment to the monthly installment payments and (vii) any other information which may be required by law from time to time.

(b) Mortgagor agrees to pay the adjusted monthly installment amount beginning on the first payment date which occurs at least thirty (30) days after Mortgagee has given the Adjustment Notice to Mortgagor. Mortgagor will continue to pay the adjusted monthly installment amount set forth in the last Adjustment Notice given by Mortgagee

to Mortgagor until the first payment date which occurs thirty (30) days after Mortgagee has given a further Adjustment Notice to Mortgagor. Notwithstanding anything to the contrary contained in this Adjustable Rate Rider or the Mortgage, Mortgagor will be relieved of any obligation to pay, and Mortgagee will have forfeited its right to collect, any increase in the monthly installment amount (caused by the recalculation of such amount under Subparagraph 4(a)) for any payment date occurring less than thirty (30) days after Mortgagee has given the applicable Adjustment Notice to Mortgagor.

(c) Notwithstanding anything contained in this Adjustable Rate Rider, in the event that (i) the Existing Interest Rate was reduced on a Change Date, and (ii) Mortgagee failed to give the Adjustment Notice when required, and (iii) Mortgagor, consequently, has made any monthly installment payments in excess of the amount which would have been set forth in such Adjustment Notice ("Excess Payments"), then Mortgagor, at Mortgagor's sole option, may either (1) demand the return from Mortgagee (who for the purposes of this sentence will be deemed to be the mortgagee, or mortgagees, who received such Excess Payments, whether or not any such mortgagee subsequently assigned the Mortgage) of all or any portion of such Excess Payments, with interest thereon at a rate equal to the index on the Change Date when the Existing Interest Rate was so reduced, from the date each such Excess Payment was made by Mortgagor to repayment, or (2) request that all or any portion of such Excess Payments, together with all interest thereon calculated as provided above, be applied as payments against principal.

5. Nothing contained in this Adjustable Rate Rider will permit the Mortgagee to accomplish an interest rate adjustment through an increase (or decrease) to the unpaid principal balance. Changes to the Existing Interest Rate may only be reflected through adjustment to Mortgagor's monthly installment payments of principal and interest, as provided for herein.

BY SIGNING BELOW, Mortgagor accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.
