Section 321 of the Real Property Law expressly provides who must execute the certificate of discharge in specific cases and also provides, among other things, that (1) no certificate shall purport to discharge more than one mortgage, (except that mortgages affected by instruments of consolidation, spreader, modification or correction may be included in one certificate if the instruments are set forth in detail in separate paragraphs). (2) if the mortgage has been assigned, in whole or in part, the certificate shall set forth, (a) the date of each assignment in the chain of title of the person or persons signing the certificate, (b) the names of the assignor and assignee, (c) the interest assigned, and (d) if the assignment has been recorded, the book and page where it has been recorded or the serial number of such record, or (e) if the assignment is being recorded simultaneously with the certificate of discharge, the certificate of discharge shall so state, and (f) if the mortgage has not been assigned of record, the certificate shall so state; (3) if the mortgage is held by any fiduciary, including an executor or administrator, the certificate of discharge shall recite the name of the court and the venue of the proceedings in which his appointment was made or in which the order or decree vesting him with such title or authority was entered.
