2-1192A (1/95) Indiana Second Mortgage

The amount you pay will be due and payable to you on demand, will bear interest at the interest rate set forth in the Note secured by this Mortgage if permitted by law or, if not, at the highest lawful interest rate, will be an additional lien on the Premises and may be enforced and collected in the same manner as the other obligations secured by this Mortgage. The insurance carrier providing the insurance referred to above will be chosen by me subject to your approval which will not be unreasonably withheld. All insurance policies and renewals must be acceptable to you and must include a standard mortgage clause. You will have the right to hold the policies and renewals. If you require, I will promptly give to you all receipts of paid premiums and renewal notices. In the event of a loss, I will give prompt notice to the insurance carrier and you. You may file a proof of loss if not made promptly by me. Insurance proceeds will be applied to the restoration or repair of the Premises damaged or, at your option, the insurance proceeds will be applied to the sums, secured by this Mortgage, whether or not then due, with any excess paid to me. If I abandon the Premises, or do not answer within ten (10) days, a notice from you that the insurance carrier has offered to settle a claim, then you may collect the insurance proceeds. The ten (10)-day period will begin when the notice is given.

TITLE - The Premises were conveyed to me by a deed which is to be, or has been, recorded before this Mortgage, and I warrant the title to the Premises. I further warrant that the lien created by this Mortgage is a valid and enforceable second lien, subordinate only to (1) the advances actually made and secured by any first mortgage and (2) easements and restrictions of record on the date of this Mortgage, and that during the entire term of the indebtedness secured by this Mortgage, such lien will not become subordinate to anything else including subsequent advances secured by any first mortgage.

CONDEMNATION - The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation (the taking of my property for a public use) or other taking of any part of the Premises, or for conveyance in lieu of condemnation, are hereby assigned and will be paid to you and are subject to the lien of and secured by this Mortgage. In the event of a taking of the Premises, the proceeds will be applied to the sums secured by this Mortgage, whether or not then due, with any excess paid to me. If the Premises is abandoned by me, or if, after notice by you to me that the condemnor offers to make an award or settle a claim for damages, I fail to respond to you within ten (10) days after the date the notice is given, you are authorized to collect and apply the proceeds, at your option, either to the restoration or repair of the Premises, or to the sums secured by this Mortgage, whether or not then due.

DUE ON SALE OR ALTERATION - Except in those circumstances in which Federal law otherwise provides, I will not, without your consent, sell or transfer the Premises or after, remove or demotion the buildings on the premises, allow the Premises to deteriorate or commit waste.

DEFAULT - If I default in paying any fart of the indebtedness secured by this Mortgage or if I default in any other way under this Mortgage or under the Note which it secures or if I default under the terms of any other mortgage covering the Premises, the entire unpaid principal balance and accrued and unpaid interest and any other amounts I then owe to you under this loan will become immediately due if you desire, without your advising me. If I am required to pay immediately in full as described above, I promise to pay your reasonable attorney's fees if the loan is referred to an attorney, not your employee, for collection or foreclosure of this Mortgage securing the Note and court costs and foreclosure expenses allowed by law.
