WHEREAS, pursuant to the Lease (hereinafter defined), Owner leased to Tenant a portion of the Mortgaged Property;

A. Definitions. In addition to other words and terms defined elsewhere in this Agreement, as used herein the following words and terms shall have the indicated meanings, respectively, unless the context hereof otherwise clearly requires:

portion of the Mortgaged Property to Tenant, as the same may be amended, modified, supplemented, extended or renewed from time to time.

5. "Mortgage" shall mean the Mortgage and Security Agreement dated as of February 28, 1995 made by Owner in favor of Mortgagee and recorded as Document No. 95011730 in the Office of the Recorder of Deeds of Lake County, Indiana, as the same may be amended, modified, supplemented, increased, extended, renewed or consolidated from time to time.

6. "Person" shall mean an individual, corporation, partnership, trust, unincorporated association, joint venture, joint-stock company, government (including political subdivisions), governmental authority or agency, or any other entity.

B. Subordination. The Lease and the terms and provisions thereof shall be, and are hereby made, subject and subordinate in each and every respect to the Mortgage and the terms, provisions and lien thereof.

C. Non-Disturbance. So long as Tenant is not in default under the Lease, neither the Lease nor the estate created thereby, nor any rights of Tenant under the Lease, will be discharged by a Foreclosure Sale, but the estate and all rights of Tenant under the Lease (subject to the provisions hereof) will remain undisturbed and unaffected thereby.

D. Attornment. Tenant hereby agrees that in the event of a Foreclosure Sale Tenant will and does hereby attorn to the Foreclosure Successor so that the relationship of Lessor and tenant shall exist between such Foreclosure Successor and Tenant, provided that such Foreclosure Successor shall not (a) be bound by the payment of rent to any prior Lessor (including Owner) made more than one calendar month in advance of accrual thereof; (b) be subject to any offsets or defenses Tenant might have against any prior landlord (including Owner); (c) be liable for the refund of any security deposit made by Tenant to any prior Lessor (including Owner); (d) be liable for any act or omission of any prior Lessor (including Owner); (e) be bound by any provision in the Lease which obligates the Lessor to construct or complete any building or structure or to make any improvement or to perform any other construction work (including any work necessary to prepare the leased premises for Tenant's occupancy); or (f) be bound by any amendment or modification to the Lease entered into without the consent of Mortgagee.

E. Casualty; Condemnation. The parties hereto hereby agree that the terms, covenants and agreements of the Mortgage shall apply in the event of any casualty to the Mortgaged Property or any taking by eminent domain of the Mortgaged Property.

F. Consent to Assignment of Lease; Payment of Rents. Tenant hereby consents to the assignment by Owner to Mortgagee of

all of the right, title and interest of Owner in and to the Lease pursuant to the Assignment and to the terms and provisions of the Assignment. Said assignment includes, among other things, the full and complete assignment by Owner to Mortgagee of all right, power and privilege of Owner to direct the party to whom rents and other payments under the Lease are to be paid, which right to direct payment is unconditional and unrestricted and may be exercised by Mortgagee at any time, both before and after the occurrence of any default under the Mortgage. Pursuant to such right to direct payment, Mortgagee hereby directs Tenant, until further notification by Mortgagee, to pay, all rents and other amounts payable by Tenant under the Lease to Owner. Upon request by Mortgagee that Tenant pay all rents and other amounts payable by Tenant under the Lease directly to Mortgagee or any other Person, Tenant thereafter shall make all such payments directly to Mortgagee or such other Person at the address set forth in such request, until Further notification by Mortgagee.

G. Mortgagee's Right to Cure Lease Defaults. If Owner fails to cure a default under the Lease within the applicable cure period thereunder, Tenant shall give written notice to Mortgagee specifying the default, specifying that Tenant has failed to cure the default within the applicable cure period and specifying the steps necessary to cure the default and Mortgagee shall have the right (but not the obligation) to cure such default. Mortgagee shall have sixty (60) days after receipt of such notice (or such longer period of time as may be reasonably necessary) to cure such default or cause it to be cured, if Mortgagee elects to do so. During such cure period, Tenant shall not terminate the Lease or exercise any other remedy thereunder with respect to such default; provided, however, to the extent Mortgagee is entitled by reason of this provision to cure such default following expiration of any applicable grace or cure provision under the Lease and if the failure to cure such default within the time period prescribed in the Lease (after expiration of any applicable grace or cure period) is interfering with the conduct of the Permitted Use (as defined in the Lease), rent shall be reasonably and equitably abated according to the nature and extent of such interference during any extended cure period provided to Mortgagee, provided any such abatement be agreed to, in writing, in advance of period by Mortgagee.

H. No Assumption by Mortgagee. Tenant acknowledges and agrees that Mortgagee has not assumed and does not have any obligation or liability under or pursuant to the Lease by reason of the Mortgage or the Assignment.

I. Tenant Representations. Tenant represents and warrants to Mortgagee that (a) the Lease is in full force and effect, is valid and binding upon the parties thereto in accordance with its terms and has not been amended, modified or supplemented (orally or in writing; (b) neither Tenant nor owner is in default under the Lease; and (c) all rent and other payments payable by Tenant under the Lease and due on or prior to the date hereof have

been paid, no rent or other payment under the Lease has been paid more than one calendar month in advance of the accrual thereof and Tenant has no offsets or defenses to the payment of rent or other payments under the Lease.
