MODIFICATION AGREEMENT

This Agreement made this 19th day of April, 1996 between Peoples Bank, A Federal Savings Bank of Munster, Indiana n/k/a Peoples Bank SB (Hereinafter the Bank) and Jeffrey K. Legg and Angela K. Legg, Husband and Wife (Hereinafter the Borrower) Witnesseth:

1. The Borrower executed a certain promissory note dated December 28, 1994 whereby the Borrower promised to pay the Bank the sum of Eighty Eight Thousand and 00/100 Dollars (\$88,000.00).

2. The aforesaid note of the borrower is secured by a mortgage recorded January 10, 1995 as Document No. 95001865 in the Recorder's Office of Lake County Indiana upon the following described real estate:

LOT 1124, LAKES OF THE FOUR SEASONS, UNIT NO. 8, AS SHOWN IN PLAT BOOK 38, PAGE 88, IN THE OFFICE OF THE RECORDER OF LAKE COUNTY, INDIANA.

Commonly known as: 3246 Rustic Lane, Crown Point, Indiana 46307

3. Borrower represents that the lien of the aforesaid mortgage held by Bank is a valid, first, and subsisting lien on said real property.

4. In consideration of the premises and of the mutual agreement herein contained, and upon the express condition that the lien of the aforesaid mortgage held by Bank is a valid, first lien and further upon the express understanding that breach of said condition shall void this agreement, the parties hereby agree to the following terms:

a. That the above stated mortgage and note shall remain in full force and effect in all respects except as modified herein. The covenants of said agreement, mortgage and note are expressly incorporated by reference herein.

b. The parties hereto mutually agree that there is an outstanding principal balance of Eighty Seven Thousand One Hundred Eighty and 15/100 Dollars (\$87,180.15) on said note which shall bear interest rate of 6.75% per annum from April 1, 1996 until March 31, 2001. The interest rate may change on April 1, 2001 and on that day every twelve months thereafter. The principal and interest evidenced by said note and mortgage shall be paid by Borrower in consecutive installments of Five Hundred Seventy Three and 15/100 Dollars (\$573.15) subject to interest rate changes, beginning on May 1, 1996 and shall continue each month thereafter until the entire indebtedness due is paid in full except that any remaining indebtedness due, if not sooner paid, shall be due and payable on January 1, 2025.

c. Beginning with the first Change Date, the interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index".

d. Before each Change Date, the Note Holder will calculate the new interest rate by adding 2.75% to the Current Index. The Note Holder will then round the result of the addition to the nearest one-eighth of one percentage point (0.125%). This rounded amount will be the new interest rate until the next Change Date.

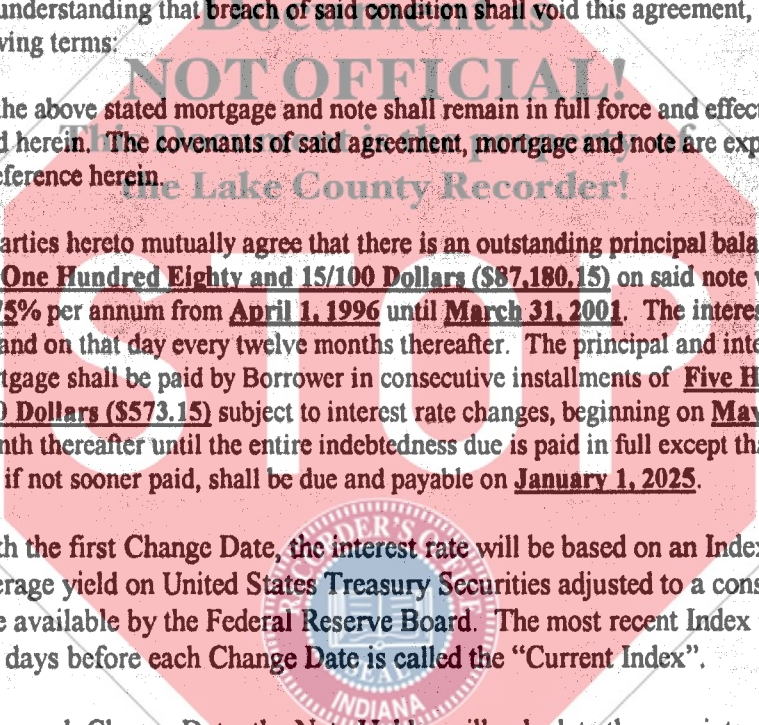

Peoples Bank will then determine the amount of the monthly payment that would be sufficient to repay the principal which you are expected to owe at the Change Date in full on January 1, 2025 at your new interest rate in substantially equal payments. The result of this calculation will be the new amount of the monthly payment.
