2. Mortgagors shall pay before any penalty attaches all general taxes, and shall pay special taxes, special assessments, water charges, sewer service charges, and other charges against the premises when due, and shall, upon written request, furnish to Trustee or to holders of the notes duplicate receipts therefor. To prevent default hereunder Mortgagors shall pay in full under protest, in the manner provided by statute, any tax or assessment which Mortgagors desire to contest.
3. Mortgagors shall keep all buildings and improvements now or hereafter situated on said premises insured against loss or damage by fire, lightning or windstorm (and flood damage, where the lender is required by law to have its loan so insured) under policies providing for payment by the insurance companies of moneys sufficient either to pay the cost of replacing or repairing the same or to pay in full the indebtedness secured hereby, all in companies satisfactory to the holders of the notes, under insurance policies payable, in case of loss or damage, to Trustee for the benefit of the holders of the notes, such rights to be evidenced by the standard mortgage clause to be attached to each policy, and shall deliver all policies, including additional and renewal policies, to holders of the notes, and in case of insurance about to expire, shall deliver renewal policies not less than ten days prior to the respective dates of expiration.

4. In case of default therein, Trustee or the holders of the notes, or of any of them, may, but need not, make any payment or perform any act hereinbefore required of Mortgagors in any form and manner deemed expedient, and may, but need not, make full or partial payments of principal or interest on prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other prior lien or title or claim therof, or redeem from any tax sale or forfeiture affecting said premises or contest any tax or assessment. All moneys paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorneys' fees, and any other moneys advanced by Trustee or the holders of the notes, or of any of them, to protect the mortgaged premises and the lien hereof, plus reasonable compensation to Trustee for each matter concerning which action herein authorized may be taken, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at a rate equivalent to the highest post maturity rate set forth in the notes securing this trust deed, if any, otherwise the highest pre maturely rate set forth therein. Inaction of Trustee or holders of the notes shall never be considered as a waiver of any right accruing to them on account of any default hereunder on the part of the Mortgagors. If Trustee or any note holder purchases insurance on said premises as authorized herein, it will have the right to select the agent. Trustee or the note holder is not required to obtain the lowest cost insurance that might be available.

5. The Trustee or the holders of the notes hereby secured making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate procured from the appropriate public office without injury into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof.

6. Mortgagors shall pay each item of indebtedness herein mentioned, both principal and interest, when due according to the terms hereof. At the option of the holders of the principal notes, or any of them, and without notice to Mortgagors, all unpaid indebtedness secured by this Trust Deed shall, notwithstanding anything in the principal notes or in this Trust Deed to the contrary, become due and payable (a) immediately in the case of default in making payment of any of the principal notes, or (b) when default shall occur and continue for three days in the payment of any interest or in the performance of any other agreement of the Mortgagors herein contained.

7. When the indebtedness hereby secured shall become due whether by acceleration or otherwise, holders of the notes, or any of them, or Trustee shall have the right to foreclose the lien hereof. In any suit to foreclose the lien hereof, there shall be allowed and included as additional indebtedness in the decree for sale all expenditures and expenses, which may be paid or incurred by or on behalf of Trustee or holders of the notes, or any of them, for attorneys' fees, Trustee's fees, appraiser's fees, outlays for documentary and expert evidence, stenographers' charges, publication costs and costs (which may be estimated as to items to be expended after entry of the decree) of procuring all such abstracts of title, title searches and examinations, guarantee policies, Torrens certificates, and similar data and assurances with respect to tile as Trustee or holders of the notes, or any of them, may deem to be reasonably necessary either to prosecute such suit or to evidence to bidders at any sale which may be had pursuant to such decree the true condition of the title to or the value of the premises. All expenditures and expenses of the nature in this paragraph mentioned shall become so much additional indebtedness secured hereby and immediately due and payable, with interest thereon at a rate equivalent to the highest post maturity rate set forth in the notes securing this trust deed, if any, otherwise the highest pre maturity rate set forth therein, when paid or incurred by Trustee or holders of the notes in connection with (a) any proceeding including probate and bankruptcy proceedings, to which either of them shall be a party, either as plaintiff, claimant or defendant, by reason of this trust deed or any indebtedness hereby secured; or (b) preparations for the commencement of any suit for the foreclosure hereof after accrual of such right to foreclose whether or not actually commenced; or (c) preparations for the defense of any threatened suit or proceeding which might affect the premises or the security hereof, whether or not actually commenced.

8. The proceeds of any foreclosure sale of the premises shall be distributed and applied in the following order of priority: First, on account of all costs and expenses incident to the foreclosure proceedings, including all such items as are mentioned in the preceding paragraph hereof; second, all other items which under the terms hereof constitute secured indebtedness additional to that evidenced by the principal notes with interest thereon as herein provided; third, all principal and interest remaining unpaid on the principal notes; fourth, any overplus to Mortgagors, their heirs, legal representatives or assigns, as their rights may appear.

9. Upon, or at any time after the filing of a bill to foreclose this trust deed, the court in which such bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency of the Mortgagors at the time of application for such receiver and without regard to the then value of the premises or whether the same shall be then occupied as a homestead or not and the Trustee hereunder may be appointed as such receiver. Such receiver shall have the power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further times when Mortgagors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management, and operation of the premises during the whole of said period.

The Court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of: (a) The indebtedness secured hereby, or by any decree foreclosing this trust deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (b) the deficiency in case of sale and deficiency.

10. No action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would not be good and available to the party interposing same in an action at law upon the notes hereby secured.

11. Trustee or the holders of the notes, or of any of them, shall have the right to inspect the premises at all reasonable times and access thereto shall be permitted for that purpose.

12. Trustee has no duty to examine the title, location, existence, or condition of the Premises, or to inquire into the validity of the signatures or the identity capacity, or authority of the signatories on the note or the trust deed, nor shall Trustee be obligated to record this trust deed or to exercise any power herein given unless expressly obligated by the terms hereof, nor be liable for any acts or omissions hereunder, except in case of its own gross negligence or misconduct or that of the agents or employees of Trustee, and it may require indemnities satisfactory to it before exercising any power herein given.

13. Trustee shall release this trust deed and the lien thereof by proper instrument upon presentation of satisfactory evidence that all indebtedness secured by this trust deed has been fully paid; and Trustee may execute and deliver a release hereof to and at the request of any person who shall either before or after maturity thereof, produce and exhibit to Trustee the principal notes, representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such successor trustee may accept as the genuine notes herein described any notes which bear an identification number purporting to be placed thereon by a prior trustee hereunder or which conform in substance with the description herein contained of the principal notes and which purport to be executed by the persons herein designated as the makers thereof; and where the release is requested of the original trustee and it has never placed its identification number on the principal notes described herein, it may accept as the genuine principal notes herein described any notes which may be presented and which conform in substance with the description herein contained of the principal notes and which purport to be executed by the persons herein designated as makers thereof.

14. Trustee may resign by instrument in writing filed in the office of the Recorder of Registrar of Titles in which this instrument shall have been recorded or filed. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given Trustee.

Date of this Agreement **09-30-1996**

DEFINITIONS This agreement states the terms of your loan with us. By signing below, you agree to all the terms of this agreement. Only those boxes which are checked apply. In this agreement, the words "you" and "your" mean, you, the borrower, and all other persons signing this agreement as co-borrowers. The words "we," "us" and "our" mean TCF Consumer Financial Services, Inc., d/b/a TCF Financial Services at 7913 GOLF ROAD, MORTON GROVE, IL 60053. Our address for making payments and receiving notices is 801 Marquette Avenue, Minneapolis, MN 55402.

YOUR PROMISE TO PAY (PROMISSORY NOTE)

In return for this loan, you agree to pay us or anyone we direct you to pay (our "order")

FORTY-FOUR THOUSAND FIVE HUNDRED AND NO/100 dollars (**\$44,500.00**) (called the "principal") plus interest from **10-04-1996**

You will pay us interest on the unpaid principal at:

- A fixed annual rate of % per year.
- A variable annual rate of **8.00 %** (**8.00** percentage points) in excess of the index rate in effect the previous business day. Each day we will recalculate the annual interest rate for this loan so that it is **8.00 %** (**8.00** percentage points) above the index published the previous business day. There is an exception if the index rate changes and the following day is not a business day. If this occurs, the interest rate for this loan will not change until the next day which is a business day. The term "business day" does not include Saturdays, Sundays and legal holidays. Also, if your loan is repayable monthly and, due to an increase in the index rate, your regular loan payments would not be large enough to pay the interest as it becomes due (called "negative amortization"), the increase in your interest rate will be limited until your next payment change date to the extent needed to prevent negative amortization. The index rate is the U.S. prime rate published daily in *The Wall Street Journal* under "Money Rates." (If *The Wall Street Journal* publishes more than one U.S. prime rate, the index is the highest published rate.) The index rate is not the lowest or the best rate offered by us or other lenders. If the index becomes unavailable, we will select, to the extent permitted by applicable law, some other index which is comparable and will notify you of the change. The beginning index rate for this loan is **8.25 %** per year. The beginning interest rate for this loan is therefore **16.25 %** per year. The annual interest rate will never be more than **21.75 %** or the highest rate allowed by law, whichever is lower. The annual interest rate will never be less than **9.00 %** per year.

PAYMENT SCHEDULE:

You agree to repay the principal plus interest at one of our office according to the following schedule:

- (a) A first payment of **\$898.43** on **11-15-1996**; plus (b) **178** monthly payments of **\$661.34** each, on the **15TH** day of the month, beginning **12-15-1996**; plus (c) a final payment of **\$661.34** on **10-15-2011**.

The interest included in the Finance Charge (shown in the separate Truth in Lending Disclosure Statement that we give you) and the payment schedule shown above are based on our estimate of the interest you will owe if each payment is made on its due date. If you make early or late payments, the interest you will actually pay will be different from our estimate. Your last payment will be adjusted up or down to make up for any difference. We will apply each of your payments first to pay the interest you owe and then to reduce the principal. If this is a variable interest rate loan, your payments will change as described below.

- The principal together with all interest due is payable when we demand payment, which can be at any time, but all principal and interest will be payable no later than . Until that time, the interest is payable .
- The principal is payable in 1 installment on . Interest is payable .
- We will give you notice at least 90 days (but not more than 120 days) before the final scheduled principal payment is due.

CHANGES IN PAYMENT SCHEDULE DUE TO CHANGES IN INTEREST RATE:

If this is a variable interest rate loan, changes in the interest rate will affect your payments as follows:

- Your monthly payment will change annually on each anniversary date of your first payment due date (each anniversary of your first payment due date is called a "payment change date"). We will determine the amount of the monthly payment that would be large enough to repay the unpaid principal plus interest on that amount in full by the final payment due date. The interest rate we use to make this calculation will be based on the index rate in effect on the date shown in the notice of payment change we send you at least 25 days before the payment change date. If your loan has not been paid in full by **10-15-2011**, you will pay the remaining principal and interest you owe in full on that date.
- Your monthly payment will change annually on each anniversary date of your first payment due date (each anniversary of your first payment due date is called a "payment change date"). We will determine the amount of the monthly payment that would be large enough to repay 25% of the original principal plus interest on the entire unpaid principal by (your final payment due date). The interest rate we use to make this calculation will be based on the index rate in effect on the date shown in the notice of payment change we send you at least 25 days before the payment change date. Your scheduled monthly payments will not repay this loan in full by your final payment due date. Therefore, 75% of the original principal plus accrued and unpaid interest will be due on your final payment due date. You will pay the remaining principal and interest you owe in full on your final payment due date in a single balloon payment.
- Your final payment will be adjusted to that the unpaid principal and interest you owe will be paid in full.
- You will continue to make your regular monthly payment until the unpaid principal and interest have been paid in full. However, if this loan has not been paid in full by , you will pay the remaining principal and interest you owe in full on that date.
- We will give you at least 25 days (but no more than 120 days) notice of any change in your payment. The interest rate in effect on the date 120 days before the final payment is due will be the rate we charge after that date.
- You will pay higher interest payments.

EARLY PAYMENT OF THIS LOAN

You have the right to prepay all or part of the principal at any time. If you prepay only part of the principal, you will still have to make monthly payments until this loan is paid in full. There is no penalty for prepayment.

- You have paid fees to us for this loan called "discount points." If you prepay this loan in full, no portion of the discount points will be refunded.

RETURNED PAYMENT CHARGE

You agree to pay \$10 for any check, draft, or similar instrument given to us in payment of this agreement which is returned by your bank unpaid.

- There is no security for this loan (except as stated under "Setoff" on the next page of this form).

ADDITIONAL TERMS OF YOUR LOAN

- SETOFF** To protect us if you default under this loan, or any extension or renewal of this loan, the law gives us the right to use any of your property in our possession to pay this loan. This includes any money you have on deposit with us. We may use this property or money without giving you any notice.
- ADDITIONAL TERMS OF SECURITY INTEREST** To protect us if you default under this loan, or any extension or renewal of this loan, you also give us: (1) a security interest under the Uniform Commercial Code in any "accessions" to and "proceeds" of any collateral described on the previous page of this form and any substitutions of the collateral; and (2) an assignment of the amount due you from any credit insurance and property insurance you bought with this loan, including any unearned premiums for the insurance. "Accessions" generally means any goods installed in or attached to the collateral. "Proceeds" generally means any money or property due you from the loss, destruction or sale of the collateral. Any property securing other contracts with us will not secure this loan unless the property is specifically referred to in this agreement.
- OWNERSHIP OF THE COLLATERAL** You represent that you have full ownership of all the collateral. You represent that no one else has an interest in the collateral. You agree not to sell any of the collateral or give anybody else an interest in it without written permission from us. You will keep the collateral free from others' claims (such as taxes and liens).
- CARE OF THE COLLATERAL** You will:
1. Keep all the collateral in good repair and working order;
 2. Replace broken and worn parts;
 3. Allow us to inspect the collateral as we wish; and
 4. Notify us in writing immediately of any loss or damage to the collateral.
- OTHER PROMISES** You will:
1. Provide us with financing statements at our request;
 2. Assist us and do whatever is necessary to perfect any security interest mortgage in the collateral or other property securing this loan;
 3. Make sure our security interest is properly shown on the certificate of title, if the collateral includes a motor vehicle;
 4. Notify us immediately if you change your address; and
 5. Not use the collateral for any unlawful purposes.
- CHANGES, WAIVER & DELAY IN ENFORCEMENT** This agreement cannot be changed unless we agree in writing. We may give up (or "waive") or delay enforcement of our rights under this agreement without losing them. For example, we may accept late payments from you without waiving our right to require that future payments be made on time. If we release any of you from this agreement, the rest of you will not be released. If we exchange or release any collateral or other property that secures this loan, you will not be released. We do not have to use our legal remedies against one of you before we use our legal remedies against the rest of you. You agree to any renewal of this agreement and any extension we give to any of you.
- INSURANCE** You will keep the collateral insured against:
1. Fire (including extended coverage);
 2. Theft and collision (for motor vehicles); and
 3. Any other risks we name.
- You may buy the insurance from anyone you want, but the insurance company and the amount of insurance must be acceptable to us. You will have the insurance company name us in the policy as a secured party, and you will give us a copy of the policy. You will instruct each issuer of an insurance policy to pay any claims directly to us and to notify us in writing at least 10 days before ending coverage. You assign any insurance payments to us as additional security. This section only applies if the original principal amount of this loan exceeds \$500.
- APPLICATION OF PAYMENTS** Any payment you make will first be applied to any accrued Finance Charges, then to the principal, then to any other charges you owe us.
- OUR RIGHT TO TAKE ACTION** If you do not:
1. Take care of the collateral;
 2. Keep the collateral insured as we ask;
 3. Make sure that necessary financing statements are filed; or
 4. Fulfill any other promise you have made in this agreement;
- then we may (if we choose) take the necessary steps to protect our interest in the collateral. For example, we may pay taxes, insure the collateral, file financing statements, or make repairs. If we advance any money, you agree to pay us the amount advanced with interest at the rate you pay on this loan, but not more than the maximum rate allowed by law.
- LOCATION OF PROPERTY** You will not keep the collateral in any county or state that requires you to file a financing statement to protect our security interest unless you have filed a financing statement there showing us as the secured party. You will not remove the collateral from the state where you currently live without our written permission.
- SPECIAL RULES FOR SECURITIES** If any of the collateral consists of stock, bonds or other types of securities:
1. You will endorse those securities at our request so that we can transfer them. If we ask you to, you will also deliver to us anything that you receive from the issuer of those securities. For example, you will deliver any money, notices or additional securities that you receive from the issuer because you own the securities. Whatever you deliver to us will be subject to this agreement; and
 2. We may notify the issuers of those securities of our security interest. We may require the issuers to make any payments to us directly, and we may sue the issuers if they do not pay as required.
- DEFAULT** You will be in default if:
1. You do not pay this loan when it is due;
 2. You fail to perform any other part of this agreement;
 3. You fail to perform any part of the other agreement you have with us;
 4. You have made false or misleading statement to us in your credit application;
 5. You or any guarantor of your loan file a petition under the bankruptcy laws, or someone files a bankruptcy petition against you or any guarantor of your loan;
 6. You die or any guarantor of this loan dies;
 7. Someone tries to take the collateral or any property that secures this agreement from you by legal proceedings;
 8. The value of any collateral or other property that secures this agreement goes down substantially; or
 9. We feel in good faith that you are not able or willing to live up to the terms of this agreement.
- OUR RIGHTS** If you are in default, we may:
1. Require you to pay this loan at once. We do not have to give you notice;
 2. Exercise our rights as a secured party. For example, we may repossess and sell the collateral and other property that secures this agreement. If we sell the property we can apply the money, after deducting the costs of such sale, to any part of your debt with us that we wish. We do not have to give you any notice before we repossess if notice is not required by law. You will make the collateral available for us to repossess. We may go on to your property to repossess the collateral, but we may not breach the peace or break the law, and;
 3. Exercise any rights we have under any other agreement you have with us.
