**PRIVATE LIEN
DECLARATION AND CLAIM OF EXEMPTION**

BE IT SO DECLARED THAT:

I, WM OSTER, hold these truths to be self-evident that all men are created equal, that I am endowed by my Creator alone, above all device of government, with certain unalienable Rights, that among these are "Life, Liberty, and the Pursuit of Happiness".

To this end I submit this Private Lien, Declaration and Lawful and Rightful Claim upon my private property described as: 89 PLY HORIZON 4 DR, former VIN.# 1P9BL1803KC47E324 and declare this property exempt from unlawful interference of Admiralty, Maritime and Emergency Powers Jurisdiction. By this writing, I am declaring said property free from all state and DMV liens or contract. The corruption of law cannot lawfully deprive or disparage my lawful right to settle and dispose of this private property as I see fit, nor in absence of antecedent and well settled principles of 'Due Process of Law'. My declaration is tendered under the Laws of God Almighty and His Natural Law, said Law being recognized and settled as the Paramount Law recognized by the Law of Nations, and as such, resides above the laws of all states and nations, said Claim is also inclusive of the Doctrine of the Flag Law.

I THEREFORE NOW NOTICE YOU to your fraudulent, seditious and tyrannical usurpation's of lawful process and perjury upon your Oaths of Office. You have violated the Constitution for the united States and the Constitution of this State by your interstate compacts with foreign principles, which have served to abrogate the Common Law, as it applies to my interests and the lawful use of my private property. In the past, you have forced me by fraud and subterfuge, indirectly, into foreign contracts by applications, and have led me to mistakenly believe that these were necessary elements in the exercise of my God given and secured rights. You have created *Mala Prohibita* crimes under foreign pactum, then coerced me by fraud, subterfuge and/ or coercion to sign instruments containing perjury statements under this pactum, against my knowing consent and ability, and have forced and/ or threatened jail and or fines as a condition to obey your fraudulent activities.

"Thou shalt make no covenant with them, (government) nor with their gods. They shall not dwell in thy land, lest they make thee sin against me; for if thou serve their gods, it will surely be a snare unto thee."

- Exodus 23:32-33

You have failed to live up to Gods intent said within Romans 13, and as stated in Robin v. Hardaway, 1 Jefferson 109 (1772); "*A Legislature must not obstruct our obedience to Him from whose punishments they cannot protect us.*" Therefore, I declare, upon finding your fraud levied upon myself, my Liberties and the lawful use of my property, I herein claim all lawful Rights and rights to remedy by exclusive lien as provided by law and custom, antecedent to all other claims or interference of fraud, and that all prior evidences signed by my hand concerning the above described private property be herein and forever null and void. Therefore;

AFFIDAVIT OF WILLIAM OSTER
IN SUPPORT OF PRIVATE LIEN
AND
DECLARATION AND CLAIM OF U.C.C. EXEMPTION (U.C.C. 9-109)
AND
TAX EXEMPTION OF A NON-COMMERCIAL HOUSEHOLD GOOD

I, WM OSTER do swear and affirm the following to be true and correct to the best of my knowledge and belief, and so saith:

1. That on the 9 day of Sept, 1997, I caused a true and correct copy of Private Lien, Declaration and Claim of Exemption for one automobile/ conveyance identified as a 89 PLY. HORIZON 4 DR, former VIN #1P3BL18D3KC975339 to be filed with the county recorder/ clerk of the County of LAKE, State of INDIANA.
2. I maintain that said purpose of this affidavit is to set forth and support a lawful claim and the recording of a Declaration concerning the above identified item, described in 1. supra herein, to be hereinafter acknowledged and documented as having a specific use as a non-commercial application, household good, mode of transportation, and used for the sole purpose of maintaining basic household functions.
3. I maintain, in good faith and upon Law, that said claim concerning the herein identified private property is a lawful and basic right, and is exigent and essential to the "Life, Liberty and Pursuit of Happiness" of the family/ household of this Affiant, and that said right and custom is antecedent, and a recognized Natural Right granted by God, recognized under the Law of Nations, and is therefore paramount to any interests or purview of state or any other private concerns, or frauds.
4. I further maintain that the aforementioned and antecedent Law of the Land, Natural Law, Law of Nations, and the federal and state constitutional restraint(s) upon government, the Law Merchant and of Commerce (contracts), statute, and, by this Affiants knowledge of the Emergency Powers Legislation, further encourage and support this Affiant as a belligerent claimant upon My Declaration.
5. I further avail Myself, in good faith, upon said Declaration and this affidavit, to enjoy full non-commercial use of the identified household good upon the common public rights-of-way in the ordinary and lawful exercise of "Life, Liberty and the pursuit of Happiness", in good faith under custom and Law and by refusal or failure to contract in this matter with any objectionable party.
6. I, the Affiant subscribed herein, in good faith, maintains that any encroachment by any person, agent or entity under Notice, whether by fraud, trespass or by any other device or action upon said rights and claims of this Affiant, or upon this Affiants private property, shall constitute a waiver of immunity and suffer said offending party to immediate civil action or commercial lien and may result in a criminal complaint.

As witnessed before God and as noted below, further Affiant saith naught.
