AFFIDAVIT

I, Michael W. Gerberick, RLS, of Tri-County Surveying, affirm that there are discrepancies between the written legal description and the drafted lots on the subdivision plat called "WOODLAND KNOLL, An Addition To The Town Of Winfield".

The correct legal is:

That part of the Southeast 1/4 of the Northeast 1/4 of Section 19, Township 34 North, Range 7 West of the 2nd P.M. described as follows:

Beginning at the Southeast corner of said Southeast 1/4 of the Northeast 1/4; thence North 00° 32' 33" East along the East line thereof 1331.50 feet to the Northeast corner of said Southeast 1/4; thence North 88° 34' 26" West along the North line of said Southeast 1/4, 332.00 (332.03) feet more or less to the West line of the East 1/2 of the Northeast 1/4 of the Southeast 1/4 of the Northeast 1/4 of said section; thence South 00° 32' 00" West 675.51 feet; thence North 89° 30' 04" West 311.94 feet; thence South 00° 29' 08" West 666.96 feet to the South line of said Southeast 1/4; thence South 90° 00' 00" East 643.17 to the place of beginning, containing 14.93 acres, in Lake County, Indiana.

In the drafting section of the plat... the North line should read 332.00 feet
the South line should (and does read) 643.17 feet.

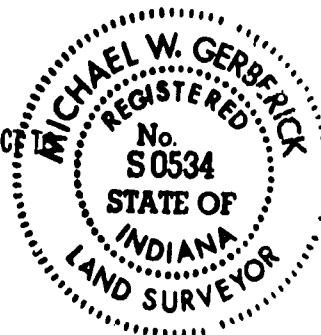

This affidavit is made for the purpose of correcting the recorded plat.
