- (e) an opinion of recognized bond counsel to the effect that the issuance and sale of the additional bonds will not result in interest on the original bonds and any outstanding additional bonds becoming includable in the gross income of the owners thereof for federal income tax purposes.

Section 2.08. In case any bond issued under this Indenture shall become mutilated or be destroyed, stolen or lost, the Trustee shall certify and deliver, in exchange for and in place and upon cancellation of the mutilated bond, or in lieu of and substitution for the same if destroyed, stolen or lost, a new bond of like denomination and tenor, but which, in the discretion of the Trustee, may bear the same or a different serial number, be marked "Duplicate," or be otherwise distinguished. In case of destruction, theft or loss, the applicant for a substituted bond shall furnish to the Trustee evidence of the destruction of such bond so destroyed, which evidence must be satisfactory to the Trustee, in its discretion, and said applicant shall also furnish indemnity satisfactory to it in its discretion. The Trustee shall have the right to require the payment of the expense of making such replacement prior to the delivery of a new bond.

Section 2.09. The Trustee shall keep, at its corporate trust operations office, in Chicago, Illinois, a record for the registration of bonds issued hereunder which shall, at all reasonable times, be open for inspection by the Corporation.

Each registered bond shall be transferable only on such record at the corporate trust operations office of the Trustee, in Chicago, Illinois, at the written request of the registered owner thereof or his attorney duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney.

Section 2.10. The Corporation, the Trustee and any Paying Agent may deem and treat the person in whose name any bond issued hereunder shall be registered as the absolute owner of such bond for the purpose of receiving payment of or on account of the principal of said bond, and for all other purposes whatsoever.

Section 2.11. Registered owners of bonds may, upon surrender thereof at the corporate trust operations office of the Trustee in Chicago, Illinois, with a written instrument of transfer satisfactory to the Trustee, exchange a bond or bonds for a bond or bonds of equal aggregate principal amount of the same maturity and interest rate of any authorized denominations. For every exchange or transfer of bonds, the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The cost of preparing each new bond upon each exchange or transfer, and any other expenses of the Trustee incurred in connection therewith (except any applicable tax, fee or other governmental charge) shall be paid by the Corporation. The Trustee shall not be obliged to make any transfer or exchange of any bond after notice calling such bond or portion thereof for redemption has been mailed or during the fifteen day period next preceding the mailing of redemption of any bonds of the same series and maturity.

Section 2.12. The Corporation has determined that the Bonds shall be held by a central depository system pursuant to an agreement between the Corporation and The Depository Trust Company, and have transfers of the Bonds effected by book-entry on the books of the central

depository system. The Bonds shall be initially issued in the form of a separate single authenticated fully registered Bond for the aggregate principal amount of each separate maturity of the Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the register kept by the Registrar in the name of CEDE & CO., as nominee of The Depository Trust Company.

With respect to the Bonds registered in the register kept by the Paying Agent in the name of CEDE & CO., as nominee of The Depository Trust Company, the Corporation and the Paying Agent shall have no responsibility or obligation to any other holders or owners (including any beneficial owner ("Beneficial Owner") of the Bonds with respect to (i) the accuracy of the records of The Depository Trust Company, CEDE & CO., or any Beneficial Owner with respect to ownership questions, (ii) the delivery to any Bondholder (including any Beneficial Owner) or any other person, other than The Depository Trust Company, of any notice with respect to the Bonds including any notice of redemption, or (iii) the payment to any Bondholder (including any Beneficial Owner) or any other person, other than The Depository Trust Company, of any amount with respect to the principal of, or premium, if any, or interest on the Bonds except as otherwise provided herein.

No person other than The Depository Trust Company shall receive an authenticated Bond evidencing an obligation of the Corporation to make payments of the principal of and premium, if any, and interest on the Bonds pursuant to the Indenture. The Corporation and the Registrar and Paying Agent may treat as and deem The Depository Trust Company or CEDE & CO. to be the absolute Bondholder of each of the Bonds for the purpose of (i) payment of the principal of and premium, if any, and interest on such Bonds; (ii) giving notices of redemption and other notices permitted to be given to Bondholders with respect to such Bonds; (iii) registering transfers with respect to such Bonds; (iv) obtaining any consent or other action required or permitted to be taken of or by Bondholders; (v) voting; and (vi) for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of The Depository Trust Company, and all such payments shall be valid and effective fully to satisfy and discharge the Corporation's and the Paying Agent's obligations with respect to principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. Upon delivery by The Depository Trust Company to the Corporation of written notice to the effect that The Depository Trust Company has determined to substitute a new nominee in place of CEDE & CO., and subject to the provisions herein with respect to consents, the words "CEDE & CO." in this Indenture shall refer to such new nominee of The Depository Trust Company. Notwithstanding any other provision hereof to the contrary, so long as any Bond is registered in the name of CEDE & CO. as nominee of The Depository Trust Company, all payments with respect to the principal of and premium, if any, and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to The Depository Trust Company as provided in a representation letter from the Corporation to The Depository Trust Company.

Upon receipt by the Corporation of written notice from The Depository Trust Company to the effect that The Depository Trust Company is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of The Depository Trust Company hereunder can be found which is willing and able to undertake such functions upon reasonable and

customary terms, then the Bonds shall no longer be restricted to being registered in the register of the Corporation kept by the Registrar in the name of CEDE & CO., as nominee of The Depository Trust Company, but may be registered in whatever name or names the Bondholders transferring or exchanging Bonds shall designate, in accordance with the provisions of the Indenture.

If the Corporation determines that it is in the best interest of the Bondholders that they be able to obtain certificates for the fully registered Bonds, the Corporation may notify The Depository Trust Company and the Registrar, whereupon The Depository Trust Company will notify the Beneficial Owners of the availability through The Depository Trust Company of certificates for the Bonds. In such event, the Registrar shall prepare, authenticate, transfer and exchange certificates for the Bonds as requested by The Depository Trust Company and any Beneficial Owners in appropriate amounts, and whenever The Depository Trust Company requests the Corporation and the Registrar to do so, the Registrar and the Corporation will cooperate with The Depository Trust Company by taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the fully registered Bonds of any Beneficial Owner's Depository Trust Company account or (ii) to arrange for another securities depository to maintain custody of certificates for and evidencing the Bonds.

If the Bonds shall no longer be restricted to being registered in the name of a depository trust company, the Registrar shall cause the Bonds to be printed in blank in such number as the Registrar shall determine to be necessary or customary; provided, however, that the Registrar shall not be required to have such Bonds printed until it shall have received from the Corporation indemnification for all costs and expenses associated with such printing.

In connection with any notice or other communication to be provided to Bondholders by the Corporation or the Registrar with respect to any consent or other action to be taken by Bondholders, the Corporation or the Registrar, as the case may be, shall establish a record date for such consent or other action and give The Depository Trust Company notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

So long as the Bonds are registered in the name of The Depository Trust Company or CEDE & CO. or any substitute nominee, the Corporation and the Registrar and Paying Agent shall be entitled to request and to rely upon a certificate or other written representation from the Beneficial Owners of the Bonds or from The Depository Trust Company on behalf of such Beneficial Owners stating the amount of their respective beneficial ownership interests in the Bonds and setting for the consent, advice, direction, demand or vote of the Beneficial Owners as of a record date selected by the Registrar and The Depository Trust Company, to the same extent as if such consent, advice, direction, demand or vote were made by the Bondholders for purposes of this Indenture and the Corporation and the Registrar and Paying Agent shall for such purposes treat the Beneficial Owners as the Bondholders. Along with any such certificate or representation, the Registrar may request The Depository Trust Company to deliver, or cause to be delivered, to the Registrar a list of all Beneficial Owners of the Bonds, together with the dollar amount of each Beneficial Owner's interest in the Bonds and the current addresses of such Beneficial Owners.

Section 2.13. As long as the Municipal Bond Insurance Policy shall be in full force and effect, the Corporation, the Trustee and any Paying Agent agree to comply with the following provisions:

(a) If one (1) business day prior to a January 15 or July 15 payment date, the Trustee or Paying Agent, if any, determines that there will be insufficient funds in the funds and accounts to pay the principal of or interest on the bonds on such interest payment date, the Trustee or Paying Agent, if any, shall so notify Ambac Assurance. Such notice shall specify the amount of the anticipated deficiency, the bonds to which such deficiency is applicable and whether such bonds will be deficient as to principal or interest, or both. If the Trustee or Paying Agent, if any, has not so notified Ambac Assurance at least one (1) day prior to payment date, Ambac Assurance will make payments of principal or interest due on the bonds on or before the first (1st) day next following the date on which Ambac Assurance shall have received notice of nonpayment from the Trustee or Paying Agent, if any.

(b) The Trustee or Paying Agent, if any, shall, after giving notice to Ambac Assurance as provided in (a) above, make available to Ambac Assurance and, at Ambac Assurance's direction, to the United States Trust Company of New York, as insurance trustee for Ambac Assurance or any successor insurance trustee (the "Insurance Trustee"), the registration books of the Corporation maintained by the Trustee or Paying Agent, if any, and all records relating to the funds and accounts maintained under this Indenture.

(c) The Trustee or Paying Agent, if any, shall provide Ambac Assurance and the Insurance Trustee with a list of registered owners of bonds entitled to receive principal or interest payments from Ambac Assurance under the terms of the Municipal Bond Insurance Policy, and shall make arrangements with the Insurance Trustee (i) to mail checks to the registered owners of bonds entitled to receive full or partial interest payments from Ambac Assurance and (ii) to pay principal upon bonds surrendered to the Insurance Trustee by the registered owners of bonds entitled to receive full or partial principal payments from Ambac Assurance.

(d) The Trustee or Paying Agent, if any, shall, at the time it provides notice to Ambac Assurance pursuant to (a) above, notify registered owners of bonds entitled to receive the payment of principal or interest thereon from Ambac Assurance (i) as to the fact of such entitlement, (ii) that Ambac Assurance will remit to them all or a part of the interest payments next coming due upon proof of bondholder entitlement to interest payments and delivery to the Insurance Trustee, in form satisfactory to the Insurance Trustee, of an appropriate assignment of the registered owner's right to payment, (iii) that should they be entitled to receive full payment of principal from Ambac Assurance, they must surrender their bonds (along with an appropriate instrument of assignment in form satisfactory to the Insurance Trustee to permit ownership of such bonds to be registered in the name of Ambac Assurance) for payment to the Insurance Trustee, and not the Trustee or Paying Agent, if any, and (iv) that should they be entitled to receive partial payment of principal from Ambac Assurance,

they must surrender their bonds for payment thereon first to the Trustee or Paying Agent, if any, who shall note on such Bonds the portion of the principal paid by the Trustee or Paying Agent, if any, and then, along with an appropriate instrument of assignment in form satisfactory to the Insurance Trustee, to the Insurance Trustee, which will then pay the unpaid portion of principal.

(e) In the event that the Trustee or Paying Agent, if any, has notice that any payment of principal of or interest on a bond which has become due for payment and which is made to a bondholder by or on behalf of the Corporation has been deemed a preferential transfer and theretofore recovered from its registered owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with the final, nonappealable order of a court having competent jurisdiction, the Trustee or Paying Agent, if any, shall, at the time Ambac Assurance is notified pursuant to (a) above, notify all registered owners that in the event that any registered owner's payment is so recovered, such registered owner will be entitled to payment from Ambac Assurance to the extent of such recovery if sufficient funds are not otherwise available, and the Trustee or Paying Agent, if any, shall furnish to Ambac Assurance its records evidencing the payments of principal of and interest on the bonds which have been made by the Trustee or Paying Agent, if any, and subsequently recovered from registered owners and the dates on which such payments were made.

(f) In addition to those rights granted Ambac Assurance under this Indenture, Ambac Assurance shall, to the extent it makes payment of principal of or interest on bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Municipal Bond Insurance Policy, and to evidence such subrogation (i) in the case of subrogation as to claims for past due interest, the Trustee or Paying Agent, if any, shall note Ambac Assurance's rights as subrogee on the registration books of the Corporation maintained by the Trustee or Paying Agent, if any, upon receipt from Ambac Assurance of proof of the payment of interest thereon to the registered owners of the bonds, and (ii) in the case of subrogation as to claims for past due principal, the Trustee or Paying Agent, if any, shall note Ambac Assurance's rights as subrogee on the registration books of the Corporation maintained by the Trustee or Paying Agent, if any, upon surrender of the bonds by the registered owners thereof together with proof of the payment of principal thereof.

ARTICLE III.

Section 3.01. There is hereby established and created a fund designated as the "East Chicago Multi School Building Corporation Construction Fund." The Construction Fund shall consist of the Bond Issuance Expense Account, the 1996 Construction Account and the 1998 Construction Account.

The Trustee shall deposit the amount provided by Section 2.06 in the Bond Issuance Expense Account. \$62,300 of money received from the 1996 Trustee shall be deposited by the Trustee in to the Bond Issuance Expense Account. The Trustee shall pay the cost of issuance of the bonds from such Account upon the presentation of either (i) a resolution of the Board of Directors identifying to whom payment is due and the amount of such payment or (ii) an affidavit executed by any two officers of the Corporation or the Lessor Representative stating the character of the expenditure, the amount thereof, and to whom due, together with a statement of the creditor as to the amount owing. Upon the filing with the Trustee of an affidavit of two officers of the Corporation or the Lessor Representative that all expenses of issuance of bonds have been paid, any funds remaining in such Account shall be transferred by the Trustee to the Sinking Fund.

Funds received from the 1996 Trustee which are not needed to discharge the 1996 Bonds or deposited in the Bond Issuance Expense Account shall be deposited by the Trustee in the 1996 Construction Account. Proceeds of original bonds as provided by Section 2.06 shall be deposited by the Trustee in the 1998 Construction Account. The Trustee shall apply the two Construction Accounts to the payment of claims of contractors and repair of work on the building constructed by the Corporation on the real estate described in Exhibit A and for the improvement of said building, for the purchase of equipment, for the purchase of real estate, or for the improvement of any real estate or building owned or leased by Lessee, including, but not limited to, the following items:

- (a) Obligations incurred for labor and to contractors, builders and materialmen in connection with the improvement of said building;
- (b) The cost of acquiring real estate;
- (c) The cost of equipment;
- (d) The cost of all indemnity and surety bonds required by this Indenture, the fees and expenses of the Trustee and any Paying Agent during construction, and premiums on insurance during construction;
- (e) Architects, engineers, construction managers and attorneys expenses and fees;

(f) All other incidental costs incurred in connection with the cost of construction and equipment of buildings;

(g) Any amount required to be deposited in the Rebate Fund.

All payments for the foregoing shall be made first from the 1996 Construction Account until it is exhausted and then from the 1998 Construction Account.

All payments from the Construction Account shall be made by the Trustee upon presentation of architect's or engineer's certificates of work completed and materials furnished, approved in writing by any two officers of the Corporation or the Lessor Representative, or in the case of any items not subject to certification by the architect or engineer, then upon the presentation of an affidavit executed by any two officers of the Corporation or the Lessor Representative, stating the character of the expenditure, the amount thereof, and to whom due, together with the statement of the creditor as to the amount owing.

One year after the date of this Indenture the Trustee shall hold in the Construction Accounts 150% of the amount of any disputed claims of contractors and work to be repaired and transfer the unobligated balance of the Construction Account, if any, to the Sinking Fund. Any balance remaining in the Construction Account after payment of all disputed claims and claims for repair work shall be transferred to the Sinking Fund within ten (10) days after the last payment of such obligations. The Trustee shall have no responsibility to see that the Construction Accounts are properly applied, except as herein specifically provided.

Section 3.02. There is hereby established and created a fund designated as the "East Chicago Multi School Building Corporation Sinking Fund." The Trustee shall deposit in such Sinking Fund accrued interest received from the Original Purchasers and from each rental payment received by the Trustee pursuant to the Lease, an amount equal to the following, whichever is less:

(a) All of such rental payment; or

(b) An amount which, when added to the amount in the Sinking Fund on the deposit date equals the sum of the unpaid principal of or mandatory sinking fund redemption and interest on the bonds or mandatory sinking fund redemption due on, before or within twenty (20) days after the date such rental payment becomes due.

Any portion of a rental payment remaining after such deposit and any receipts from sales of personal property shall be deposited by the Trustee in the Operation and Reserve Fund. The Trustee shall from time to time pay from such Sinking Fund the principal of the bonds at maturity or upon mandatory redemption and the interest on the bonds as the same falls due. Investment earnings may be used for deposits in the Rebate Fund.

Section 3.03. There is hereby established and created a fund designated as the "East Chicago Multi School Building Corporation Operation and Reserve Fund." The Operation and Reserve Fund shall be used only to pay necessary incidental expenses of the Corporation (e.g. Trustee fees, accounting fees, appraisals, meetings, costs of rebate calculations, reports and deposits in the Rebate Fund), the payment of any rebate or penalty as authorized by Section 3.04, the payment of principal, interest and redemption premiums of the bonds upon redemption as authorized in Article IV hereof or the purchase price of bonds purchased as authorized by Section 3.07, the cost of the Lessee complying with any Continuing Disclosure Undertaking Agreement required in connection with the issuance of bonds under this Indenture, and if the amount in the Sinking Fund at any time is less than the required amount, the Trustee shall, without any further authorization, transfer funds from the Operation and Reserve Fund to the Sinking Fund in an amount sufficient to raise the amount in the Sinking Fund to the required amount. Such action by the Trustee shall not constitute a waiver of any other right or remedy the Trustee may have under this Indenture. Incidental expenses shall be paid by the Trustee upon the presentation of an affidavit executed by any two officers of the Corporation or the Lessor Representative stating the character of the expenditure, the amount thereof, and to whom due, together with the statement of the creditor as to the amount owing.

Section 3.04. There is hereby established and created a fund designated as the "East Chicago Multi School Building Corporation Rebate Fund." If, in order to maintain the exclusion of interest on the bonds from gross income for federal income tax purposes, the Corporation is required to rebate portions of investment earnings to the United States of America, the Corporation shall annually compute or cause to be computed the amount required to be so rebated and shall provide the Trustee with a copy of such calculation. In the alternative, the Corporation may elect to pay the penalty required by Section 148(f)(4)(C)(vii) of the Code. In that event, the Corporation shall compute or cause to be computed each six months, the amount of such penalty and provide the Trustee with a copy of such calculation. In either event, the Trustee shall deposit the amount so calculated in the Rebate Fund from the Construction Fund, the Operation and Reserve Fund or investment earnings on the Sinking Fund. The Trustee shall pay required rebates or penalties in lieu of rebate from the Rebate Fund in the amount and on the dates as advised by the Corporation or nationally recognized bond counsel as required by Section 148 of the Code. Such payments shall be made by the Trustee without any further authorization or direction than stated herein.

Section 3.05. All funds shall be invested by the Trustee in Qualified Investments as directed in writing by the Corporation. In the absence of such direction, all funds shall be invested by the Trustee without further direction or authority in Qualified Investments having a maturity of thirty (30) days or less. The Trustee may make any and all such investments through its bond department or through the bond department of any financial institution which is an affiliate of the Trustee. The Trustee shall deposit interest earnings to the fund or account from which the investments were made allocable. Funds invested for the Sinking Fund and Rebate Fund shall mature prior to the time the funds invested will be needed for payment of principal of and interest on the bonds or rebate to the United States of America. The Trustee is authorized to sell any securities so acquired from time to time in order to make required payments from a particular fund or account. Moneys in the 1998 Construction Account shall be invested without restriction as to yield during an applicable temporary

period pending their use as described in the arbitrage certificate of the Corporation delivered in connection with the issuance of the bonds. Moneys in the 1996 Construction Account shall be invested at a yield not exceeding the yield on the original bonds. Moneys in the Bond Issuance Expense Account after one year of the date of issuance of the original bonds and Operation and Reserve Fund after 30 days of the date of deposit shall be invested at a yield not exceeding the yield on the original bonds. The Trustee shall be entitled to rely upon the Corporation's arbitrage certificate as to the accuracy of the facts stated therein, including the yield on the bonds.

The Trustee shall have no responsibility with respect to the compliance of the Corporation or the Issuer with respect to any covenant herein regarding investments made in accordance with this Article other than to use its reasonable efforts to comply with instructions from the Corporation regarding such investments. Since the investments permitted by this Sections have been included at the request of the Corporation and the making of such investments shall be subject to the Corporation 's direction, the Trustee specifically disclaims any obligation to the Corporation for any loss arising from, or tax consequences of, investments pursuant to the provision of this Section.

Section 3.06. Whenever the amounts contained in the Sinking Fund and Operation and Reserve Fund are sufficient, together with any other funds deposited with the Trustee by the Corporation (other than amounts deposited into the Rebate Fund), to redeem, upon the next principal payment date, all bonds secured thereby then outstanding, the Trustee shall apply the amounts in such Funds to the redemption of such bonds pursuant to Article IV hereof.

Section 3.07. At the request of the Corporation, expressed by a resolution of the Board of Directors, or a copy thereof certified by the Secretary and delivered to the Trustee, the Trustee may remove funds from the Operation and Reserve Fund to be used for the redemption of bonds, or for the purchase of bonds if the Corporation determines that purchase of bonds would be advantageous to the Corporation.

ARTICLE IV.

Redemption of Bonds

Section 4.01. The Corporation shall have the right, at its option, to redeem, according to the procedure hereinafter provided, all or any part of the original bonds secured by this Indenture, on any date not earlier than July 15, 2008, at a price equal to the aggregate principal amount thereof plus the following premiums plus interest accrued to the date fixed for redemption;

1% if redeemed on July 15, 2008, or thereafter on or before July 14, 2009;
.5% if redeemed on July 15, 2009, or thereafter on or before July 14, 2010;
0% if redeemed on July 15, 2010, or thereafter prior to maturity.

Section 4.02. The Term Bonds are also subject to mandatory sinking fund redemption at a price equal to the principal amount thereof plus accrued interest to the date of redemption on January 15 and July 15 in accordance with the following schedule:

<u>Bonds Maturing July 15, 2009</u>		<u>Bonds Maturing July 15, 2012</u>	
<u>Date</u>	<u>Amount</u>	<u>Date</u>	<u>Amount</u>
January 15, 2009	\$500,000	January 15, 2011	\$550,000
		July 15, 2011	565,000
		January 15, 2012	580,000

<u>Bonds Maturing July 15, 2014</u>		<u>Bonds Maturing January 15, 2016</u>	
<u>Date</u>	<u>Amount</u>	<u>Date</u>	<u>Amount</u>
January 15, 2013	\$610,000	January 15, 2015	\$680,000
July 15, 2013	625,000	July 15, 2015	700,000
January 15, 2014	650,000		

The Trustee shall credit against the mandatory sinking fund requirement for the Term Bonds, and corresponding mandatory redemption obligation, in the order determined by the Corporation, (and if not so determined, in the inverse order of maturities, thereof) any Term Bonds which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Trustee for cancellation or purchased for cancellation by the Trustee and not theretofore applied as a credit against any redemption obligation. Each Term Bond so delivered or cancelled shall be credited by the Trustee at 100% of the principal amount thereof against

the mandatory sinking fund obligation on such mandatory redemption date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of bonds to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Trustee shall only credit such Term Bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date as stated above.

Section 4.03. If less than all of the bonds are called for redemption at one time, the bonds shall be redeemed in such order of maturity as the Corporation shall direct, and by lot within maturity. Each Five Thousand Dollars (\$5,000) in aggregate principal amount shall be considered a separate bond for purposes of optional and mandatory redemption. If some bonds are to be redeemed by optional redemption and mandatory sinking redemption on the same date, the Trustee shall select by lot the bonds for optional redemption before selecting bonds by lot for the mandatory sinking fund redemption.

Section 4.04. To evidence its intention to exercise the right of optional redemption of any bonds provided in Section 4.01, the Corporation shall, not less than forty-five (45) days prior to the date selected for redemption or such time as agreed upon by the Trustee, file with the Trustee written notice of its intention to redeem, designating the date fixed for redemption, and if less than all of the outstanding bonds are to be redeemed stating the aggregate principal amount of bonds which the Corporation desires to redeem. No failure or defect in such notice by the Corporation to the Trustee shall affect the validity of the redemption of any bonds.

Section 4.05. Official notice of such redemption shall be mailed by first class mail by the Trustee to the registered owners as of the date of mailing said notice of all bonds to be redeemed, not more than sixty (60) days nor less than thirty (30) days prior to the date fixed for redemption. Said notice shall, with substantial accuracy:

- (a) Designate the date and places of redemption, said places to be the offices of the Trustee and any Paying Agent;
- (b) If the bonds to be redeemed are less than the whole amount outstanding, designate the bonds to be redeemed; and
- (c) State that on the designated date fixed for said redemption said bonds shall be redeemed by the payment of the applicable redemption price hereinbefore set forth, and that from and after the date so fixed for such redemption interest on the bonds so called for redemption shall cease.

In all cases, the cost and expenses of the preparation and mailing of said notices of redemption shall be paid by the Corporation. No failure or defect in the notice of redemption by the Trustee with respect to a particular bond shall affect the validity of the redemption of any other bond for which notice has been properly given.

Section 4.06. Such notice having been mailed as above provided, the bonds designated for redemption shall, on the date specified in such notice, become due and payable at the then applicable redemption price, and on presentation and surrender of such bonds in accordance with such notice, at the place at which the same are expressed in such notice to be redeemable, such bonds shall be redeemed by the Trustee or any Paying Agent on behalf of the Corporation by the payment of such redemption price to the registered owners out of funds held by the Trustee or any Paying Agent for that purpose. From and after the date of redemption so designated, unless default shall be made in the redemption of the bonds upon presentation, interest on bonds designated for redemption shall cease. If not paid on presentation, the bonds shall continue to bear interest at the rate therein specified.

Section 4.07. All bonds redeemed (or purchased as authorized by Section 3.07) shall be cancelled and destroyed as provided in Section 2.02. Bonds so redeemed or purchased shall not be reissued.

Section 4.08. If the amount necessary to redeem any bonds called for redemption shall have been deposited with the Trustee or any Paying Agent for the account of the owner or owners of such bonds on or before the date specified for such redemption, and if the notice shall have been duly mailed or provision satisfactory to the Trustee shall have been made for the mailing of such notice, and if all proper charges and expenses of the Trustee in connection with such redemption shall have been paid or provided for, the Corporation shall be released from all liability on such bonds and such bonds shall no longer be deemed to be outstanding hereunder, and interest thereon shall cease at the date specified for such redemption; and thereafter such bonds shall not be secured by the lien of this Indenture. The Trustee shall be privileged to give notice of any call for redemption, but shall not be required to do so unless the amount necessary to redeem the bonds called and to pay all proper charges of the Trustee shall have been deposited with, paid to, or otherwise made available to the Trustee. In case any question shall arise as to whether any such notice shall have been sufficiently given or any such redemption shall be effective, such question shall be decided by the Trustee, and the decision of the Trustee shall be final and binding upon all parties in interest.

Section 4.09. In addition to the foregoing official notice, further notice shall be given by the Trustee as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed:

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (i) the CUSIP numbers of all bonds being redeemed; (ii) the date of issue of the bonds as originally issued; (iii) the rate of interest borne by each bond being redeemed; (iv) the maturity date of each bond being redeemed; and (v) any other descriptive information needed to identify accurately the bonds being redeemed.

(b) Each further notice of redemption shall be sent at least 35 days before the redemption date by registered or certified mail, facsimile or overnight delivery service to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the bonds (such depositories now being Depository Trust Company of New York, New York, and Philadelphia Depository Trust Company of Philadelphia, Pennsylvania) and to one or more national information services that disseminate notices of redemption of obligations such as the bonds (such as Standard and Poor's Ratings Service or Moody's Investors Service).

(c) Each further notice of optional redemption pursuant to Section 4.01 shall be published one time in a newspaper or financial journal published in Indianapolis, Indiana, such publication to be made at least 30 days prior to the date fixed for redemption.

(d) Upon the payment of the redemption price of bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the bonds being redeemed with the proceeds of such check or other transfer.

Section 4.10. In addition to the foregoing official notice, further notice of redemption shall be given by the Trustee within sixty (60) days after the redemption date to the owner of each bond called for redemption who has not submitted such bonds for payment as of the thirtieth day following the redemption date.

(End of Article IV)

ARTICLE V.

Covenants of the Corporation

Section 5.01. The Corporation covenants and agrees that it will faithfully do and perform, and at all times faithfully observe, any and all covenants, undertakings, stipulations and provisions contained in each and every bond issued hereunder, and will duly and punctually pay or cause to be paid the principal of said bonds and the interest thereon, at the times and places, and in the manner mentioned in said bonds, according to the true intent and meaning thereof.

Section 5.02. The Corporation covenants that it will promptly make, execute and deliver all indentures supplemental hereto, or otherwise, and take all such action as may reasonably be deemed, by the Trustee or by its counsel, necessary or advisable for the better securing of any bonds issued hereunder, or for better assuring and confirming to the Trustee the mortgaged property or any part thereof. The Corporation covenants that it will cause this Indenture and any indenture supplemental hereto to be duly recorded, re-recorded, filed and re-filed, at the times and in the places now or hereafter required by law for the proper maintenance of the priority of the lien hereof.

Section 5.03. The Corporation covenants that, except as to that part of the mortgaged property which may hereafter be acquired by it, the Corporation is now well seized of the mortgaged property, subject only to current taxes, and has good right, full power and lawful authority to make this Indenture and subject all of the mortgaged property to the lien hereof, in the manner and form herein respectively contained or intended, and that it has and will preserve good and indefeasible title to all such property, and will warrant and defend the same to the Trustee against the claims of all persons whatsoever.

Section 5.04. The Corporation covenants that it will promptly, and before they shall become delinquent, pay or cause to be paid all lawful taxes, charges and assessments at any time levied or assessed upon or against the mortgaged property, or any part thereof, or upon the use of the same, or upon the income or profits thereof, and all license fees, franchise and corporation taxes and other like statutory charges; provided, however, that no such tax, charge or assessment shall be required to be paid so long as the validity of the same shall be in good faith contested by the Corporation; further, that it will not suffer any lien or charges equal or prior to the lien hereby created to be enforced or to exist against the mortgaged property or any part thereof, except the lien of current taxes not yet due; that it will not commit or suffer any waste of said property; and that it will at all times operate the property and keep and maintain said property and all buildings, structures, apparatus and appurtenances thereon or thereof in good repair, working order and condition, and will from time to time make all needful and proper repairs, renewals and replacements.

Section 5.05. The Corporation covenants that until all indebtedness secured by this Indenture is fully paid, it will maintain its corporate existence, paying all license or other fees and making all returns necessary for that purpose; that it will not do or suffer to be done anything whereby its corporate existence or its right to hold the mortgaged property might in any way be questioned; and

that it will faithfully observe and comply with the terms of all applicable laws and ordinances of the State of Indiana and any political or municipal subdivision thereof.

Section 5.06. If the Corporation should at any time fail to pay in apt season any tax, assessment or other charge upon the mortgaged property, or any part thereof, or fail to pay promptly when payable any license fee, franchise or corporation tax, or like statutory charge, the Trustee may, without obligation to inquire into the validity thereof, pay such tax, assessment, fee or other charge, but without prejudice to the rights of the Trustee arising hereunder in consequence of such default, and the amount of every payment so made at any time by the Trustee, with interest thereon at the highest rate of interest on any of the bonds when sold, whether or not then outstanding, from the date of payment, shall constitute an additional indebtedness of the Corporation secured by the lien of this Indenture, prior or paramount to the lien hereunder of any of said bonds and the interest thereon.

Section 5.07. The Corporation covenants that proper books of record and account will be kept in which full, true and correct entries will be made of all dealings or transactions of or in relation to the properties, business and affairs of the Corporation, and that it will:

- (a) At such times as the Trustee shall reasonably request, furnish statements in reasonable detail showing the earnings, expenses and financial condition of the Corporation.
- (b) From time to time furnish to the Trustee such information as to the property of the Corporation as the Trustee shall reasonably request.
- (c) On or before the expiration of ninety (90) days after the end of each calendar year, file with the Trustee a certificate signed by its President or a Vice President, and its Treasurer or Secretary, or the Lessor Representative stating that all taxes then due on the mortgaged property, if any, have been duly paid (unless the Corporation shall, in good faith, contest any of said taxes, in which event the facts concerning such contest shall be set forth); also stating that all insurance premiums required by the terms of the Indenture to be paid by the Corporation upon the mortgaged property have been duly paid, and that all reports have been filed and fees paid to maintain the Corporation in good standing as required by law.

The Corporation further covenants that all books, documents and vouchers relating to the properties, business and affairs of the Corporation shall at all times be open to the inspection of such accountants or other agents as the Trustee may from time to time designate.

Upon the request of any bondholder, the Corporation will request from the Lessee the current financial statements of the Lessee for review by the bondholder.

Section 5.08. The Corporation covenants that it will not declare or pay dividends on any class of its capital stock now outstanding or hereafter issued, nor make any provision for the acquisition or retirement of such stock until all of the bonds secured by this Indenture have been redeemed or paid.

Section 5.09. The Corporation covenants that it will not guarantee, endorse or otherwise become surety for or upon the indebtedness of others except by endorsement of negotiable instruments for deposit or collection in the ordinary course of business, and that it will not sell its accounts receivable.

Section 5.10. The Corporation covenants that it will not acquire any property, real or personal, subject to an existing mortgage or other encumbrance, except as permitted by Section 5.11.

Section 5.11. Except as permitted by Section 2.07, the Corporation covenants that it will not incur any indebtedness other than the original bonds unless such additional indebtedness is payable solely from income of the Corporation other than the rental payments provided for in the Lease.

Section 5.12. The Corporation covenants that it has entered into a valid and binding lease of the mortgaged property to the Lessee, and that a full, true and correct copy of the Lease is on file with the Trustee; that construction has been completed and the Lessee has started paying lease rental.

The Corporation covenants that it will not agree to any modification of the terms of the Lease which would substantially impair or reduce the security of the owners of the bonds described herein or agree to a reduction of the lease rental provided for therein until all indebtedness secured by this Indenture is fully paid, except upon compliance with the provisions of Section 11.02. The Corporation further covenants that any modification will be made only after a copy thereof has been filed with the Trustee and the Original Purchaser.

Section 5.13. The Corporation covenants and agrees that upon any default in the payment of lease rental as provided in the Lease, it will file a claim with the Treasurer of the State of Indiana, file a suit to mandate the appropriation of sufficient funds and the levy of a tax sufficient to raise sufficient funds, and pursue any other remedy permitted by law and necessary to collect and enforce the payment of such rentals. The Corporation further appoints the Trustee and each bondholder its attorney-in-fact, each authorized, acting alone, jointly or severally, to file such claims in its name, or provided the Trustee consents thereto, in the name of the Trustee, or in both such manners, and appoints the Trustee to file such suits and to pursue such remedies.

Section 5.14. The Corporation covenants that the proceeds from the sale of the bonds, proceeds received from lease rentals payable according to the Lease, any other amounts received by the Corporation in respect to property directly or indirectly financed with any proceeds of such bonds, and proceeds from interest earned on the investment and reinvestment of such proceeds and amounts, shall not be invested or otherwise used in a manner which would cause such bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or any of the regulations or rules pertaining to said Section 148. Any such investment or other use of such funds shall comply with Section 148 of the Code and such regulations or rules pertaining to said Section 148, as may be applicable and any restrictions stated in the arbitrage certificate of the Corporation.

Section 5.15. The Corporation covenants that whenever there are sufficient funds held by the Trustee in the Sinking Fund and/or Operation and Reserve Fund to pay the principal, redemption premiums and interest to the next principal payment date on all outstanding bonds, it will call all outstanding bonds for redemption on the next principal payment date and hereby consents and directs the Trustee to call all outstanding bonds for redemption.

Section 5.16. In order to preserve the exclusion of interest on the bonds from gross income for federal income tax purposes and as an inducement to purchasers of the bonds, the Corporation represents, covenants and agrees that:

(a) No bond proceeds will be loaned to any nongovernmental entity or person. No bond proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the bond proceeds.

(b) The Corporation will, to the extent necessary to preserve the exclusion of interest on the bonds from gross income for federal income tax purposes, rebate all required arbitrage profits on bond proceeds or other moneys treated as bond proceeds to the United States government and will set aside such moneys in the Rebate Fund to be held by the Trustee in trust for such purpose.

(c) The Corporation will not take any action nor fail to take any action with respect to the bonds that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the bonds pursuant to Section 103 of the Code, nor will the Corporation act in any other manner which would adversely affect such exclusion.

ARTICLE VI.

Insurance

Section 6.01. (a) The Corporation covenants that during the construction of the building referred to in the Lease, it will carry or will cause other persons to carry for its benefit the following kinds of insurance:

(i) Builder's risk insurance in the amount of one hundred percent (100%) of the insurable value of such building against physical loss or damage thereto, however caused, with such exceptions as are ordinarily required by insurers of buildings or facilities of a similar type. Such insurance shall be carried in completed value form.

(ii) Bodily injury and property damage insurance naming the Corporation as an insured against claims for damages for bodily injury, including accidental death, as well as claims for property damages which may arise from such construction. Such insurance shall be carried for not less than the following limits of liability for the policies indicated:

Combined bodily injury insurance, including accidental death, and property damage insurance in an amount not less than One Million Dollars (\$1,000,000) on account of one occurrence; or, in the alternative,

Bodily injury insurance in an amount not less than One Million Dollars (\$1,000,000) for injuries, including accidental death, to any one (1) person, and in an amount not less than One Million Dollars (\$1,000,000) on account of one (1) accident; and

Property damage insurance in an amount not less than Five Hundred Thousand Dollars (\$500,000) on account of any one (1) accident and in an amount not less than Five Hundred Thousand Dollars (\$500,000) in the aggregate during each policy period, each of which shall be not longer than one (1) year.

The Corporation further covenants that all contracts for the construction of said building will or do require the contractor to carry such insurance as will protect the contractor from liability under the Indiana Worker's Compensation and Worker's Occupational Diseases Acts. Certificates of the insurance coverage required under Subsection 6.01(b)(ii) of this section and the preceding sentence shall be furnished to the Trustee.

(b) The Corporation covenants that, after the completion of such building, it will carry or cause to be carried:

(i) Insurance on the mortgaged property against physical loss or damage thereto, however caused, with such exceptions as are ordinarily required by insurers of buildings or

facilities of a similar type and location, which insurance shall be in an amount equal to one hundred percent (100%) of the full replacement cost of the mortgaged property as certified by a registered architect, a registered engineer, or a professional appraisal engineer or an insurance company representative selected by the Corporation on the effective date of such insurance and on or before April 1 of each year thereafter (such appraisal may be based on a recognized index of conversion factors); and

(ii) Rent or rental value insurance in an amount equal to the full rental value of the mortgaged property for a period of two (2) years against physical loss or damage of the type insured against under Section 6.01(b)(i) above.

Section 6.02. Such insurance policies shall be maintained in good and responsible insurance companies rated "A" or better by A.M. Best Company (or a comparable rating service if A.M. Best Company ceases to exist or rate insurance companies), and shall be countersigned by an agent of the insurer who is a resident of the State of Indiana. A copy of such policies or a certificate of Insurance for each policy and the certificates referred to in Section 6.01 shall be deposited with the Trustee and Ambac Assurance. The Corporation shall furnish to the Original Purchasers of the bonds issued hereunder a copy of each certificate deposited with the Trustee, and on or before April 1 of each year, the Corporation or the Lessee shall cause its insurance agent to furnish to the Trustee a schedule of all such policies which were in force on the first day of such year and a letter which states that said policies comply with the Corporation's requirements provided in Section 6.01 hereof. Such schedule shall contain the names of the insurers, the amounts of each policy, the character of the risk insured against, the risks excluded by each policy, the expiration date of each policy, the premium paid thereon, and any other pertinent data. The Trustee may rely on such schedules and letter.

Section 6.03. In case the Corporation shall at any time refuse, neglect or fail to obtain and furnish such certificate or to effect insurance as aforesaid, the Trustee may, in its discretion, procure such certificate and/or such insurance, and all moneys paid by the Trustee for such certificate and/or insurance, together with interest thereon at the highest rate of interest on any of the bonds when sold, whether or not then outstanding, shall be repaid by the Corporation upon demand, and shall constitute an additional indebtedness of the Corporation secured by the lien of this Indenture, prior and paramount to the lien hereunder of said bonds and interest thereon. The Trustee, however, shall not be obligated to effect such insurance unless fully indemnified against the expense thereof and furnished with means therefor.

Section 6.04. The insurance policies required by Section 6.01 shall be for the benefit, as their interests shall appear, of the Trustee, the Corporation, and other persons having an insurable interest in the insured property. Such policies shall clearly indicate that any proceeds under the policies relative to the mortgaged property shall be payable to the Trustee, and the Trustee is hereby authorized to demand, collect and receipt for and recover any and all insurance moneys which may become due and payable under any of said policies of insurance and to prosecute all necessary actions in the courts to recover any such insurance moneys. The Trustee may, however, accept any

settlement or adjustment which the officers of the Corporation may deem it advisable to make with the insurance companies.

Section 6.05. The proceeds of such insurance received by the Trustee shall be applied to the repair, replacement or reconstruction of the damaged or destroyed property. Such proceeds shall be held and disbursed by the Trustee in the manner and upon the showings provided for in Section 3.01 hereof, except that the Trustee may release such proceeds, or a part thereof, upon a showing satisfactory to the Trustee that repairs have been made and paid for.

Section 6.06. In the event the Corporation shall not commence to repair or replace the mortgaged property so damaged or destroyed within ninety (90) days after any such loss or damage, or the Corporation, having commenced such work of repair or replacement, shall abandon or fail diligently to prosecute the same, the Trustee may, in its discretion, make or complete such repairs or replacements, and if it shall elect so to do, may enter upon said premises to any extent necessary for the accomplishment of such purposes, but nothing herein contained shall obligate the Trustee to make or complete any such repairs or replacements unless it shall have been requested to do so by the owners of not less than twenty-five percent (25%) in aggregate principal amount of all bonds outstanding hereunder, and shall have been indemnified to its satisfaction against all loss, damage and expense which it might thereby incur.

Section 6.07. In case the Corporation shall neglect, fail or refuse to proceed forthwith in good faith with the repair or replacement of the mortgaged property which shall have been so destroyed or damaged, and such negligence, failure or refusal shall continue for one hundred twenty (120) days, the Trustee, upon receipt of the insurance moneys, shall (unless the Trustee proceeds to make the repairs or replacements of the destroyed or damaged property as above provided) apply such proceeds in the following manner:

(a) If the proceeds are sufficient to redeem all of the then outstanding bonds and such bonds are then subject to redemption, the Trustee shall apply the proceeds to the redemption of such bonds in the manner provided in Article IV of this Indenture, and with the same force and effect as if such redemption had been made at the option of the Corporation.

(b) If the proceeds are not sufficient to redeem all of the then outstanding bonds, or if such bonds are not then subject to redemption, the Trustee shall apply the proceeds to the payment of the outstanding bonds in the manner provided by Section 7.11 hereof in the case of proceeds from the sale of the mortgaged property.

Section 6.08. If, at any time, the mortgaged property is totally or substantially destroyed and the amount of insurance money received on account thereof by the Trustee is sufficient to redeem or defease all of the then outstanding bonds hereunder and, in the case of redemption, such bonds are then subject to redemption, the Corporation, with the written approval of the Lessee of such property, may direct the Trustee to use said moneys for the purpose of calling for redemption all of

the bonds issued and then outstanding under this Indenture at the then current redemption price or defeasing all of the bonds issued or then outstanding under this Indenture.

Section 6.09. In the event of any reconstruction of any building constituting part of the mortgaged property after substantially total destruction thereof, a new building or buildings on the mortgaged premises may be constructed by the Corporation in accordance with plans and specifications which must be satisfactory to the Trustee and the Lessee thereof, and such new building or buildings may be wholly different in design or construction or designed for a different purpose.

Section 6.10. The Trustee may accept the statements, affidavits and certificates hereinabove in this Article VI provided to be filed with the Trustee, as evidence of the facts therein stated, but the Trustee (although under no obligation so to do) may, at the expense of the Corporation, require further or other evidence of such matters and may rely on the report or opinion of such architect, engineer, other person, or counsel, as it may select for the purpose of making an investigation thereof.

ARTICLE VII.

Remedies in Case of Default

Section 7.01. If any of the following events occurs, it is hereby defined as and is declared to be and to constitute an "event of default":

(a) Default in the due and punctual payment of the interest on any bonds hereby secured and outstanding;

(b) Default in the due and punctual payment of the principal of any bond hereby secured, whether at the stated maturity thereof, or upon proceedings for the redemption thereof, or upon the maturity thereof by declaration as hereinafter provided;

(c) Default in the performance or observance of any other of the covenants or agreements of the Corporation in this Indenture or in any supplemental indenture, or in the bonds, contained, and the continuance thereof for a period of sixty (60) days after written notice thereof to the Corporation by the Trustee;

(d) If the Corporation: (1) admits in writing its inability to pay its debts generally as they become due; (2) files a petition seeking relief under any federal or state bankruptcy law; (3) makes an assignment for the benefit of its creditors; or (4) consents to or fails to contest the appointment of a receiver or trustee for itself or of the whole or any substantial part of the mortgaged property;

(e) If the Corporation: (1) be adjudged insolvent by a court of competent jurisdiction; (2) on a petition in bankruptcy filed against the Corporation be adjudged a bankrupt; or (3) if an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the Corporation, a receiver or trustee of the Corporation or of the whole or any substantial part of the mortgaged property, and any of the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within sixty (60) days from the date of entry thereof;

(f) If any judgment shall be recovered against the Corporation or any attachment or other court process issue that shall become or create a lien upon any of its property, and such judgment, attachment, or court process shall not be discharged or effectually secured within sixty (60) days;

(g) If the Corporation shall file a petition under the provisions of the U.S. Bankruptcy Code, as amended, or file answer seeking the relief provided in said code;

(h) If a court of competent jurisdiction shall enter an order, judgment or decree approving a petition filed against the Corporation under the provisions of the U.S. Bankruptcy code, and such judgment, order or decree shall not be vacated or set aside or stayed within one hundred twenty (120) days from the date of the entry thereof;

(i) If, under the provisions of any other law now or hereafter existing for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the Corporation or of the whole or any substantial part of the mortgaged property, and such custody or control shall not be terminated within one hundred twenty (120) days from the date of assumption of such custody or control;

(j) Failure of the Corporation to bring suit to mandate the governing board or officials of the Lessee to levy a tax to pay the rental provided in the Lease, or such other action to enforce the Lease as is reasonably requested by the Trustee, if such rental is more than sixty (60) days in default;

(k) If the lease rental provided for in the Lease is not paid within sixty (60) days after each date it is due.

Section 7.02. In the case of the happening and continuance of any of the events of default specified in Section 7.01, then in any such case the Trustee, with the consent of Ambac Assurance, by notice in writing mailed to the Corporation and Ambac Assurance, may, and upon written request of the owners of twenty-five percent (25%) in principal amount of the bonds then outstanding hereunder or at the direction of Ambac Assurance, by notice in writing mailed to the Corporation and Ambac Assurance shall, declare the principal of all bonds hereby secured and then outstanding, and the interest accrued thereon, immediately due and payable, and upon such declaration such principal and interest shall thereupon become and be immediately due and payable; subject, however, to the right of the owners of a majority in principal amount of all such outstanding bonds, by written notice to the Corporation, Ambac Assurance and to the Trustee, to annul each declaration and destroy its effect at any time before any sale hereunder if, before any such sale, all agreements with respect to which default shall have been made shall be fully performed and all such defaults be cured, and all arrears of interest upon all bonds outstanding hereunder and the reasonable expenses and charges of the Trustee, its agents and attorneys, and all other indebtedness secured hereby, except the principal of any bonds not then due by their terms and interest accrued thereon since the then last interest payment date, shall be paid or the amount thereof shall be paid to the Trustee for the benefit of those entitled thereto.

Section 7.03. If default occurs with respect to the payment of principal or interest due hereunder, interest shall be payable on overdue principal and overdue interest both at the highest rate of interest on any of the bonds when sold, whether or not then outstanding.

Section 7.04. Upon the occurrence of one or more events of default, the Corporation, upon demand of the Trustee, shall forthwith surrender to the Trustee the actual possession of, and it shall

be lawful for the Trustee by such officer or agent as it may appoint with or without process of law to take possession of, all the mortgaged property and to hold, operate and manage the same, and from time to time to make all needful repairs and such extensions, additions or improvements as to the Trustee shall seem wise; and to receive the rents, revenues, issues, earnings, income, profits and proceeds thereof and out of the same to pay all proper costs and expenses of so taking, holding and managing the same, including reasonable compensation to the Trustee, its agents and counsel, any charges of the Trustee hereunder, any taxes and assessments and other charges prior to the lien of this Indenture which the Trustee may deem it wise to pay, and all expenses in connection therewith; and to apply the remainder of the moneys so received by the Trustee, first, to the payment of the installments of interest which are due and unpaid in the order of their maturity, and next, if the principal of said bonds is due, to the payment of the principal thereof and the accrued interest thereon pro rata, without any preference or priority whatsoever except as aforesaid. Whenever all that is due upon such bonds and installment of interest and under any of the terms of this Indenture shall have been paid, and all defaults made good, the Trustee shall surrender possession to the Corporation, its successors or assigns, but the same right of entry shall exist upon any subsequent default. The Trustee shall be under no obligation, however, to act under this Section 7.04 unless, in the exercise of its discretion, it is willing to do so.

Section 7.05. Upon the occurrence of any one or more events of default, the Trustee, by such officer or agent as it may appoint, with or without entry, may, if at the time such action shall be lawful, sell all the mortgaged property as an entirety, or in such parts or parcels as the owners of a majority in principal amount of the bonds outstanding hereunder shall in writing request, or in the absence of such request as the Trustee may determine, at public auction at some convenient place in Lake County, Indiana, or at such other place or places as may be required by law, after having first given notice of such sale by publication in at least one (1) daily newspaper of general circulation published in Lake County, Indiana, at least once a week for four (4) weeks next preceding such sale, and any other notice which may be required by law. The Trustee may from time to time adjourn such sale in its discretion by announcement at the time and place fixed for such sale without further notice, and upon such sale the Trustee may make and deliver to the purchaser or purchasers good and sufficient deeds or other instruments of conveyance or transfer of the property sold.

In addition to and without limitation of the foregoing, the Trustee shall not otherwise acquire possession of or take any other action with respect to the mortgaged Property, if as a result of any such action, the Trustee would be considered to hold title to, to be a "mortgagee-in-possession of, or to be an "Owner" or "operator" of the mortgaged Property within the meaning of the Comprehensive Environmental Responsibility Cleanup and Liability Act of 1980, as amended, from time to time, unless the Trustee has previously determined, based on a report prepared by a Person who regularly conducts environmental audits, that:

(i) the mortgaged Property is in compliance with applicable environmental laws or, if not, that it would be in the best interest of the owners of the Bonds to take such actions as are necessary for the mortgaged Property to comply herewith; and

(ii) there are not circumstances present at the mortgaged Property relating to the use, management or disposal of any hazardous wastes for which investigation, testing, monitoring, containment, clean-up or remediation could be required under any federal, state or local law or regulation, or that if any such materials are present for which such action could be required, that it would be in the best economic interest of the owners of the Bonds to take such actions with respect to the mortgaged Property.

The environmental audit report contemplated hereby shall not be prepared by an employee or affiliate of the Trustee, but shall be prepared by a Person who regularly conducts environmental audits for purchasers of commercial property, as determined (and, if applicable, selected) by the Trustee, and the cost thereof shall be borne by the Corporation.

Section 7.06. In case of the happening and continuance of any of the events of default specified in Section 7.01, the Trustee may, and shall upon the written request of the owners of at least twenty-five percent (25%) in principal amount of the bonds then outstanding hereunder and upon being indemnified to its reasonable satisfaction, proceed to protect and enforce its rights and the rights of the owners of the bonds by suit or suits in equity or at law, or in any court of competent jurisdiction, whether for specific performance of any covenant or agreement contained herein or in aid of any power herein granted, or for any foreclosure hereof or hereunder, or for the enforcement of any other appropriate legal or equitable remedy.

No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or to the bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein; and every such right or power may be exercised from time to time and as often as may be deemed expedient.

Section 7.07. In case of an event of default hereunder and upon the filing of judicial proceedings to enforce the rights of the Trustee and of the bondholders hereunder, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver of the mortgaged property and of the rents, revenues, issues, earnings, income and proceeds thereof pending such proceedings, with such powers as the court making such appointment shall confer, whether or not the mortgaged property shall be deemed sufficient ultimately to satisfy the indebtedness hereby secured.

Section 7.08. Upon any sale made either under the power of sale hereby given, or under judgment or decree in any judicial proceedings for foreclosure, or otherwise for the enforcement of this Indenture, any bondholder or bondholders or the Trustee may bid for and purchase the mortgaged property or any part thereof, and upon compliance with the terms of sale, may hold, retain, possess and dispose of such property in his, their or its absolute right, without further accountability,

and any purchaser at any such sale may, in paying the purchase money, turn in any of the bonds or claims for interest or other indebtedness outstanding hereunder in lieu of cash to the amount which shall, upon distribution of the net proceeds of such sale, be payable thereon. Said bonds, in case the amount so payable thereon shall be less than the amount due thereon, shall be returned to the owners thereof after being appropriately stamped to show partial payment.

Section 7.09. Upon any sale made either under the power of sale hereby given or under judgment or decree in any judicial proceedings for the foreclosure or other enforcement of this Indenture, the receipt of the Trustee or of the officer making such sale shall be sufficient discharge to the purchaser or purchasers for the purchase money, and such purchaser or purchasers shall not, after paying such purchase money and receiving such receipt, be obliged to see to the application of such purchase money.

Section 7.10. Any sale made either under the power of sale hereby given or under judgment or decree in any judicial proceedings for foreclosure or other enforcement of this Indenture shall, to the extent then permitted by law, operate to divest all right, title and interest, either at law or in equity of the Corporation of, in and to the property so sold, and be a perpetual bar both at law and in equity against the Corporation, its successors and assigns, and all persons claiming from, through or under the Corporation.

Section 7.11. The proceeds of any sale made either under the power of sale hereby given or under judgment or decree in any judicial proceedings for the foreclosure or other enforcement of this Indenture, together with any other amounts of cash which may then be held by the Trustee as a part of the mortgaged property, shall be applied as follows:

- (a) To the payment of all costs and expenses of sale, and of all costs of the suit or suits wherein such sale may have been ordered, including all reasonable fees and expenses of the Trustee, and of any receiver or receivers appointed therein, together with reasonable attorneys' and agents' fees of the Trustee, and all costs of advertising and conveyance;
- (b) To the payment of all other expenses of the trust hereby created, including all moneys paid or advanced by the Trustee, or the owners of any bonds secured hereby, for taxes, tax deed, assessments, abstracts, repairs, insurance, mechanic's and other liens on the mortgaged property, or otherwise, in connection with the management or administration of the trusts hereby created, with interest thereon at the highest rate of interest on any of the bonds when sold, whether or not then outstanding, from the date or dates paid or advanced;
- (c) To the payment of all the principal and accumulated and unpaid interest on the bonds then outstanding in full, if said proceeds be sufficient but if not sufficient, then to the payment thereof ratably without preference or priority of any one bond over any other, or of interest over principal, or of principal over interest, or of any installment of interest over any other installment of interest;

(d) Any surplus thereof remaining, to the Corporation, its successors or assigns, or to whomsoever may be lawfully entitled to receive the same.

Section 7.12. In case of a default on its part, as aforesaid, to the extent that such rights may then lawfully be waived, neither the Corporation, nor anyone claiming through or under it, shall or will set up, claim or seek to take advantage of any appraisal, stay, or valuation laws now or hereafter in force in any locality where any of the mortgaged property may be situated, in order to prevent or hinder the enforcement or foreclosure of this Indenture, or the absolute sale of the mortgaged property, or the final and absolute putting into possession thereof, immediately after such sale, of the purchaser or purchasers thereof, but the Corporation, for itself and all who may claim through or under it hereby waives, to the extent that it lawfully may so do, the benefit of such laws and all rights of appraisal to which it may be entitled under the laws of the State of Indiana. And the Corporation, for itself and all who may claim through or under it, waives any and all rights to have the estates comprised in the security intended to be created hereby marshaled upon any foreclosure of the lien hereof, and agrees that any court having jurisdiction to foreclose such lien may order the sale of the mortgaged property as an entirety or otherwise.

Section 7.13. All rights of action under this Indenture or under any of the bonds, including the right to file and prove a claim in any receivership, insolvency, bankruptcy, or other similar proceedings for the entire amount due and payable by the Corporation under this Indenture, may be enforced by the Trustee without the possession of any of the bonds or the production thereof in any trial or other proceeding relating thereto, and any suit or proceeding instituted by the Trustee shall be brought in its name as Trustee, and any recovery shall be for the equal benefit of the owners of the outstanding bonds.

Section 7.14. It is hereby declared and agreed, as a condition upon which each successive owner of all or any such bonds receives and holds the same, that no owner or owners of any such bond shall have the right to institute any proceeding in law or equity for the foreclosure of this Indenture, or for the appointment of a receiver, or (except for filing of claims with the Treasurer of the State of Indiana) for any other remedy under this Indenture, without first giving notice in writing to the Trustee of the occurrence and continuance of an event of default as aforesaid, and unless the owners of at least twenty-five percent (25%) in principal amount of the then outstanding bonds shall have made written request to the Trustee and shall have offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, and without also having offered to the Trustee adequate security and indemnity against the costs, expenses and liabilities to be by the Trustee incurred therein or thereby; and such notice, request, and offer of indemnity may be required by the Trustee as conditions precedent to the execution of the powers and trusts of this Indenture or to the institution of any suit, action or proceeding at law or in equity for the foreclosure hereof, for the appointment of a receiver, or for any other remedy hereunder, or otherwise, in case of any such default as aforesaid; it being understood and intended that no one or more owners of the bonds shall have any right in any manner whatsoever, to affect, disturb or prejudice the lien of this Indenture by his or their action, or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be

instituted, had and maintained in the manner herein provided, and for the equal benefit of all owners of outstanding bonds. Notwithstanding any other provisions of this Indenture, the right of any owner of any bond to receive payment of the principal of and interest on such bond on or after the respective due dates therein expressed, or to institute suit for the recovery of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such owner.

Section 7.15. At any time hereafter, before full payment of the bonds secured hereby, and whenever it shall deem it to be expedient for the better protection or security of such bonds (even though there shall then be no default existing), the Corporation, with the consent of the Trustee, may surrender and deliver to the Trustee full possession of the whole or any part of the mortgaged property for any period, fixed or indefinite. In such event the Trustee shall enter into and upon the premises so surrendered and delivered, and shall take and receive possession thereof for such period, fixed or indefinite, as aforesaid, without prejudice, however, to its rights, at any time subsequently when entitled thereto by any provision hereof, to insist upon and maintain such possession thereof beyond the expiration of such prescribed period, and the Trustee, from the time of its entry, shall maintain, use, manage, control and employ such property in accordance with the provisions of this Indenture, and shall receive and apply the income and revenues thereof as provided in Section 7.04 of this Indenture.

Section 7.16. No recourse under or upon any obligation, covenant or agreement contained in this Indenture or in any bond hereby secured, or because of the creation of any indebtedness hereby secured, shall be had against any incorporator, stockholder, officer, director or employee, present or future, of the Corporation or of any successor corporation, either directly or through the Corporation, by the enforcement of any assessment or by any legal or equitable proceeding or by virtue of any statute or otherwise; it being expressly agreed and understood that this Indenture and the obligations hereby secured are solely corporate obligations, and that no personal liability whatever shall attach to or be incurred by such incorporators, stockholders, officers, directors or employees of the Corporation, or of any successor corporation, or any of them, because of the incurring of the indebtedness hereby authorized, or under or by reason of any of the obligations, covenants or agreements contained in this Indenture, or in any of the bonds hereby secured, or implied therefrom; and that any and all personal liability of every name and nature, and any and all rights and claims against every such incorporator, stockholder, officer, director or employee, whether arising at common law, or in equity, or created by statute or constitution, are hereby expressly released and waived as a condition of, and as a part of the consideration for, the execution of this Indenture and the issuance of bonds and interest obligations secured hereby.

Section 7.17. Anything in this Indenture to the contrary notwithstanding, upon the occurrence and continuance of an event of default as defined herein, Ambac Assurance shall be entitled to control and direct the enforcement of all rights and remedies granted to the bondholders or the Trustee for the benefit of the bondholders under this Indenture including, without limitation, acceleration of the principal of the original bonds as described in this Indenture and the right to annul any declaration of acceleration, and Ambac Assurance shall also be entitled to approve all waivers of events of default.

ARTICLE VIII.

Possession Until Default, Defeasance, Payment, Release

Section 8.01. Unless an event of default as in Article VII hereof defined shall have occurred, and unless such default shall have continued beyond the period of grace, if any, therein provided, the Corporation shall be suffered and permitted to remain in full possession, enjoyment and control of all of the mortgaged property, except money which is expressly required to be deposited or pledged with the Trustee or any Paying Agent hereunder, and shall be permitted to manage, operate and lease the same, and, subject always to the provisions hereof, to receive, receipt for, take, use and dispose of all income, revenues, rents, issues and profits thereof.

Section 8.02. While in possession of the mortgaged property and not in default hereunder, the Corporation shall have the right at all times, as proper management of the business of the Corporation may require, to alter, change, add to, repair or replace any of the property constituting a part of the mortgaged property, provided that the Corporation shall, and hereby covenants at all times to, maintain and preserve the value of the mortgaged property from substantial impairment or reduction so that the security of the bonds issued hereunder shall not thereby be substantially impaired or reduced.

Section 8.03. The Trustee shall at all times have full power and authority, to be exercised in its own discretion and not otherwise, to release from the lien and operation of this Indenture, in such manner and subject to such conditions as the Trustee shall deem proper, such portion of the mortgaged property now owned, or which shall at any time be acquired or held for the use of the Corporation, as shall have become unfit or unnecessary for use, but any and all new or other property of the classes covered by this Indenture, which may be acquired in substitution for mortgaged property so released, shall by virtue and force hereof become and be, immediately upon the acquisition thereof, subject to the lien and operation of these presents, without any new conveyance or transfer or other act or proceeding whatsoever; and the proceeds from all such sales of mortgaged property which shall not be invested in other property subject to the lien of this Indenture, within ninety (90) days after the receipt thereof, shall be deposited in the Operation and Reserve Fund. Transactions under the provisions of this section shall be covered by such requests and reports in writing as the Trustee may require. All releases granted and consents given by the Trustee under this section shall be in writing, and copies of the same shall be retained by the Trustee and be open to inspection by owners of the bonds secured hereby. A certified copy of the resolution adopted by the board of directors of the Corporation relative to the disposal of mortgaged property found to be unfit or unnecessary for use, shall be conclusive in favor of the Trustee as to the truth of the matters therein recited.

Section 8.04. If, when the bonds secured hereby shall have become due and payable in accordance with their terms or shall have been duly called for redemption or irrevocable instructions to call the bonds for redemption shall have been given by the Corporation to the Trustee, and the

whole amount of the principal and the interest and the premium, if any, so due and payable upon all of the bonds then outstanding shall be paid or (i) sufficient moneys, or (ii) direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America the principal of and the interest on which when due will provide sufficient moneys, shall be held by the Trustee (or the Paying Agents) for such purpose under the provisions of this Indenture, and provision shall also be made for paying all Trustee's and Paying Agents' fees and expenses and other sums payable hereunder by the Corporation, then and in that case the right, title and interest of the Trustee shall thereupon cease, determine and become void. Upon any such termination of the Trustee's title, on demand of the Corporation, the Trustee shall release this Indenture and shall execute such documents to evidence such release as may be reasonably required by the Corporation, and shall turn over to the Corporation or to such officer, board or body as may then be entitled by law to receive the same any surplus in the Sinking Fund and in the Operation and Reserve Fund and all balances remaining in any other fund or accounts other than moneys and obligations held for the redemption or payment of bonds; provided, however, that in the event direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America shall be deposited with and held by the Trustee (or the Paying Agents) as hereinabove provided, and in addition to the requirements set forth in Article IV of this Indenture, the Trustee shall within thirty (30) days after such obligations shall have been deposited with it, cause a notice signed by the Trustee to be published once in a daily newspaper of general circulation or a financial journal published in the City of Indianapolis, Indiana, setting forth (a) the date designated for the redemption of the bonds, (b) a description of the obligations so held by it, and (c) that this Indenture has been released in accordance with the provisions of this Section.

If (i) sufficient moneys, or (ii) direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America, the principal of and interest on which when due will provide sufficient moneys, shall be held by the Trustee in trust for the payment of the whole amount of the principal and the interest upon this bond under the provisions of the Indenture, and provision shall also be made for paying all Trustee's fees and expenses related thereto and other sums payable under the provisions of the Indenture by the Corporation, the bonds shall not be outstanding, and the registered owners of the bonds shall be entitled to payment of any principal or interest from such funds and income of such securities held by Trustee and not from the Sinking Fund or Corporation.

All moneys and obligations held by the Trustee (or the Paying Agents) pursuant to this Section shall be held in trust and said moneys and the principal and interest of said obligations when received, applied to the payment, when due, of the principal and the interest and the premium, if any, of the bonds so called for redemption.

Notwithstanding anything herein to the contrary, in the event that the principal and/or interest due on the bonds shall be paid by Ambac Assurance pursuant to the Municipal Bond Insurance Policy, the bonds shall remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Corporation, and the assignment and pledge of the trust estate and all covenants, agreements and other obligations of the Corporation to the registered owners shall

continue to exist and shall run to the benefit of Ambac Assurance, and Ambac Assurance shall be subrogated to the rights of such registered owners.

Section 8.05. Any bond not presented at the proper time and place for payment shall, within the meaning of this Indenture, be deemed to be fully paid when due if the money necessary to discharge the principal amount thereof and all interest then accrued and unpaid thereon (and the premium required in case of redemption before maturity) is held by the Trustee or any Paying Agent when or before the same become due. The owner of any such bond shall not be entitled to any interest thereon after the maturity thereof nor to any interest upon money so held by the Trustee or any Paying Agent.

ARTICLE IX.

Merger, Consolidation or Sale

Section 9.01. Nothing in this Indenture contained shall prevent any consolidation or merger of the Corporation with or into, or any conveyance or transfer subject to this Indenture of all the mortgaged property as an entirety to, any other corporation; provided, however, that such consolidation, merger, conveyance or transfer shall be upon such terms as in no respect to impair the lien of this Indenture or any of the rights or powers of the Trustee or the bondholders hereunder; and provided further, that upon any such consolidation, merger, conveyance or transfer, the due and punctual payment of the principal of and interest on all such bonds, according to their tenor, and the due and punctual performance and observance of all the terms and covenants and conditions of this Indenture and of the Lease, to be kept or performed by the Corporation shall be assumed by the corporation formed by such consolidation or into which such merger shall have been made, or to which such mortgaged property shall have been so conveyed and transferred; and such corporation shall also, forthwith, execute and deliver to the Trustee and record a proper instrument whereby such corporation shall assume the due and punctual payment of the principal of and interest on the bonds secured hereby, and the performance of all the covenants and conditions to be performed by the Corporation under this Indenture and the Lease.

Section 9.02. Any reorganization or liquidation plan with respect to the Corporation must be acceptable to Ambac Assurance. In the event of any reorganization or liquidation, Ambac Assurance shall have the right to vote on behalf of all bondholders who hold Ambac Assurance-insured bonds absent a default by Ambac Assurance under the applicable Municipal Bond Insurance Policy insuring such Bonds.

ARTICLE X.

Concerning the Trustee

Section 10.01. The Trustee hereby accepts the trusts of this Indenture upon the following terms and conditions, to which the parties and the registered owners of said bonds agree;

(a) The Trustee, prior to the occurrence of an event of default and after the curing of all events of default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this, and no implied covenants or obligations should be read into this Indenture against the Trustee. If any event of default under this Indenture shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and shall use the same degree of care as a prudent person would exercise or use in the circumstances in the conduct of such prudent person's own affairs. The Trustee agrees to perform such trusts only upon and subject to the terms and conditions set forth in this Article X.

(b) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers, or employees and shall not be answerable for the conduct of the same if appointed with due care hereunder, and shall be entitled to advice of counsel concerning all matters of trusts hereof and duties hereunder, and may in all cases pay such reasonable compensation to any attorney, agent, receiver or employee retained or employed by it in connection herewith. The Trustee may act upon the opinion or advice of an attorney, surveyor, engineer or accountant selected by it in the exercise of reasonable care or, if selected or retained by the Corporation, approved by the Trustee in the exercise of such care. The Trustee shall not be responsible for any loss or damage resulting from any action or nonaction based on its good faith reliance upon such opinion or advice.

(c) The Trustee shall annually prepare a financial report covering all funds of the Corporation and shall furnish a copy of the Corporation and to the Original Purchasers of the bonds.

(d) The Trustee shall be under no obligation to see to the filing or recording of this Indenture or any indenture supplemental hereto, or for the filing of financing or continuation statements and may authenticate and deliver the bonds in accordance with the provisions hereof prior to the filing or recording of this Indenture.

(e) The Trustee shall be entitled to reasonable compensation for all services rendered in the execution of the trusts hereby created, and may employ agents, attorneys and counsel in the execution of such trusts; and the compensation of the Trustee, as well as the reasonable compensation of its attorneys and counsel and of such persons as it may employ

in the administration or management of the trusts hereunder, and all other reasonable expenses necessarily incurred or actually disbursed hereunder, the Corporation agrees to pay to the Trustee on demand. In the event of a default in the payment of principal or interest on the bonds, the Trustee shall have a lien on the mortgaged property and on all funds in the hands of the Trustee not held in trust for any specific purpose in priority to the rights and claims of the registered owners of said bonds.

(f) The Trustee shall not be responsible in any manner for:

(1) The validity, execution, acknowledgment, filing or recording of this Indenture or any indenture supplemental hereto, or the refiling or rerecording thereof;

(2) For any recitals, covenants or agreements of the Corporation in said bonds or herein contained, except to pay from the Operation and Reserve Fund expenses incurred by the Corporation to enable it to comply with its covenants contained herein;

(3) For the amount, value or description of the mortgaged property, or the fixing or continuance thereof of the lien hereof;

(4) For the default or misconduct of any agent or employee appointed by it, if such agent or employee shall have been selected with reasonable care, or for anything done by it in connection with this trust, except for its willful misconduct or gross negligence;

(5) For the consequence of any act done in good faith;

(6) For any actions taken by the Trustee in accordance with the opinion of counsel employed by the Trustee; or

(7) For the loss of any money caused by the insolvency, act, default or omission of any Paying Agent.

(g) The Trustee shall be under no obligation to keep advised or informed as to whether the Corporation is in default under any of the terms or covenants of this Indenture; and unless and until the Trustee shall have received written notice to the contrary from the owners of at least five percent (5%) in principal amount of the bonds then outstanding hereunder, the Trustee may, for all purposes of this Indenture, assume that the Corporation is not in default hereunder and that none of the events hereinbefore defined as "events of default" has happened.

(h) The Trustee shall not be required to appear in or defend any suit which may be brought against it respecting the mortgaged property, or by reason of being Trustee

hereunder, or to institute any suit or proceeding to enforce any covenant or remedy herein provided, or to take any action toward the execution or enforcement of the trusts hereby created, which, in the opinion of the Trustee, will be likely to involve the Trustee in expense or liability, or to foreclose this Indenture, unless the owners of said bonds or some part thereof shall furnish the Trustee with reasonable security and indemnity against such expense or liability.

(i) The Trustee shall be fully protected in acting upon or in accordance with any notice or request, consent, certificate, demand, resolution or other instrument or document believed by the Trustee to be genuine and to have been signed, authorized, executed, certified or sealed by the proper person or persons; and the Trustee is authorized to accept the certificate of the Secretary of the Corporation, under its corporate seal, to any resolution of the board of directors or stockholders of the Corporation as conclusive evidence that such resolution was duly and lawfully adopted and is binding upon the Corporation.

(j) The Trustee, or any officer or director of the Trustee, may acquire and hold bonds issued hereunder or may engage in or be interested in any financial or other transaction in which the Corporation may be interested, and the Trustee may be depository, trustee, transfer agent, registrar or agent of the Corporation, or for any committee or other body in respect to the stock, bonds, notes, debentures, obligations or securities of the Corporation, whether or not issued pursuant hereto.

(k) The Trustee may, in relation to any powers or duties imposed upon it by this Indenture, act upon the opinion or advice of the attorney, surveyor, engineer or accountant, whether retained by the Trustee or by the Corporation, and shall not be responsible for any loss resulting from any action or non-action in accordance with any such opinion or advice.

(l) The Trustee is relieved from filing any inventory, or qualifying under the jurisdiction of any court, or otherwise complying with the provisions of the Uniform Trustees' Accounting Act of 1945, or with any laws amendatory thereof or supplemental thereto, and the provisions of said law are hereby waived.

(m) the permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty.

Section 10.02. The Trustee agrees to invest funds (subject to Section 5.14) from time to time held by it as Trustee under this Indenture, and apply the interest earned thereon as provided in Articles II and III, but shall not be under any duty or obligation to pay interest on any funds held by it which cannot practicably be so invested either to the Corporation or to the owner of any bond, or to any other person; any and all such liability for the payment of such interest being hereby expressly waived.

Section 10.03. In the event that the Trustee, or any successor trustee, shall become legally consolidated or merge with another banking association or corporation, the banking association or corporation resulting from such consolidation or merger shall thereupon become and be the Trustee hereunder with the same titles, rights, powers, benefits, duties and limitations, without the execution or filing or recording of any instrument, and without any action on the part of the Corporation or the owners of bonds hereunder. A purchase of the assets and assumption of the liabilities of the Trustee by another banking association or corporation shall be deemed to be consolidation or merger for the purposes of this section. If the office location at which principal is payable shall change, whether by merger, consolidation or purchase or for any other reason, the Trustee shall give notice of such change by first-class mail to registered bondholders and Original Purchasers at least fifteen days prior to the first principal payment date following the date of such change in location.

Section 10.04. The Trustee, or any successor trustee, may be removed at any time by an instrument or concurrent instruments in writing filed with the Trustee and signed by the owners of a majority in principal amount of the bonds then outstanding hereunder, or by their attorneys-in-fact thereunto duly authorized.

Section 10.05. The Trustee, or any successor trustee, may resign the trust created by this Indenture upon first giving notice of such proposed resignation and specifying the date when such resignation shall take effect, which notice shall be given to the Corporation in writing at least twenty (20) days prior to the date when such resignation shall take effect, and shall be given to the registered owners by mail at least twenty (20) days prior to the date when such resignation shall take effect. Such resignation shall take effect on the day so designated in such notice, unless previously a successor trustee shall be appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor trustee.

Section 10.06. In case at any time the Trustee shall become incapable of acting, shall resign or shall be removed, a successor trustee may be appointed by the owners of at least a majority in principal amount of the bonds hereby secured and then outstanding, by an instrument or instruments in writing signed by such bondholders or by their duly constituted attorneys-in-fact; but until a new trustee shall be so appointed by the bondholders, the Corporation, by an instrument executed by order of its board of directors, may appoint a trustee to fill such vacancy until a new trustee shall be appointed by the bondholders as aforesaid, and when any such new trustee shall be appointed by the bondholders, any trustee theretofore appointed by the Corporation shall thereupon and thereby be superseded and retired. Each such successor trustee appointed by any of such methods shall be a bank or trust company authorized by law so to act, and having a capital and surplus of not less than Fifty Million Dollars (\$50,000,000) and acceptable to Ambac Assurance.

Section 10.07. Any successor trustee appointed hereunder shall execute, acknowledge and deliver to the Corporation, and to its predecessor, an instrument accepting such appointment; and thereupon, upon the execution and filing for record of the same in the public recording office where this Indenture shall have been recorded, such successor trustee, without any further act or instruments or deeds of conveyance, shall become vested with all of the assets, powers, rights, duties, trusts and

obligations of its predecessor in trust hereunder with like effect as if originally named as trustee herein; but nevertheless, on the written request of the successor trustee, the trustee ceasing to act shall execute and deliver to such successor trustee all conveyances and instruments proper to evidence the vesting in the new trustee of the interest and title of the retiring trustee in the mortgaged property and in the trustee hereby created, subject, however, to any lien which the retiring trustee may have pursuant to any provision hereof, and upon request in writing of any successor trustee, the Corporation covenants to make, execute, acknowledge and deliver any and all deeds, conveyances, assignments, or instruments in writing for the more fully and certainly vesting in and confirming to such successor trustee all such assets, property, rights, powers and trusts.

Section 10.08. Notwithstanding any other provision of this Indenture, the Trustee agrees that upon any failure of Lessee to pay lease rental as required by the Lease, the Trustee will, without any direction, security or indemnity file a claim with the Treasurer of the State of Indiana for an amount equal to such lease rental in default and consents to the filing of any such claim by a bondholder in the name of the Trustee for deposit with the Trustee.

Section 10.09. Ambac Assurance shall receive prior written notice of any Trustee resignation. Notwithstanding any other provision of this Indenture, no removal, resignation or termination of the Trustee shall take effect until a successor, acceptable to Ambac, shall be appointed.

Section 10.10. Notwithstanding any other provision of this Indenture, in determining whether the rights of the bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Indenture, the Trustee shall consider the effect on the bondholders as if there were no Municipal Bond Insurance Policy.

ARTICLE XI.

Supplemental Indentures

Section 11.01. The Corporation and the Trustee, may, from time to time and at any time, enter into such indentures supplemental hereto as shall not be inconsistent with the terms and provisions hereof (which supplemental indentures shall thereafter form a part hereof):

- (a) To cure any ambiguity or formal defect or omission in this Indenture, or in any supplemental indenture, which does not adversely affect the rights of the bondholders; or
- (b) To grant to or confer upon the Trustee, for the benefit of the bondholders, any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the bondholders or the Trustee; or
- (c) To provide for the issuance of additional bonds as permitted by Section 2.07.

Section 11.02. Subject to the terms and provisions contained in this section, and not otherwise, the owners of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the bonds then outstanding shall have the right from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the Corporation and the Trustee of such indenture or indentures supplemental hereto as shall be deemed necessary or desirable by the Corporation for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture; provided, however, that nothing herein contained shall permit or be construed as permitting:

- (a) extension of the maturity of the principal or interest on any bond issued hereunder; or
- (b) a reduction in the principal amount of any bond or the redemption premium or the rate of interest thereon; or
- (c) the creation of a lien upon the mortgaged property ranking prior to or on a parity with the lien created by this Indenture; or
- (d) a preference or priority of any bond or bonds over any other bond or bonds; or
- (e) a reduction in the aggregate principal amount of the bonds required for consent to such supplemental indenture.

Nothing herein contained, however, shall be construed as making necessary the approval by the bondholders of the execution of any supplemental indenture or indentures as authorized in Section 11.01 of this Article.

If at any time the Corporation shall request the Trustee to enter into any supplemental indenture for any of the purposes of this section, the Trustee shall, at the expense of the Corporation, give notice by mail, postage prepaid, to all registered owners of bonds. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that a copy thereof is on file at the office of the Trustee for inspection by all bondholders. The Trustee shall not, however, be subject to any liability to any bondholder by reason of its failure to mail the notice required by this section, and any such failure shall not affect the validity of such supplemental indenture when consented to and approved as provided in this section.

Whenever, at any time within one (1) year after mailing of such notice, the Corporation shall deliver to the Trustee an instrument or instruments purporting to be executed by the owners of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the bonds then outstanding, which instrument or instruments shall refer to the proposed supplemental indenture described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice as on file with the Trustee; thereupon, but not otherwise, the Trustee may execute such supplemental indenture in substantially such form, without liability or responsibility to any owner of any bond, whether or not such owner shall have consented thereto.

If the owners of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the bonds outstanding at the time of the execution of such supplemental indenture shall have consented to and approved the execution thereof as herein provided, no owner of any bond shall have any right to object to the execution of such supplemental indenture or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Corporation from executing the same, or from taking any action pursuant to the provisions thereof.

Upon the execution of any supplemental indenture pursuant to the provisions of this section, the Indenture shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Corporation, the Trustee, and all owners of bonds then outstanding shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments.

Section 11.03. The Trustee is authorized to join with the Corporation in the execution of any such supplemental indenture and to make the further agreements and stipulations which may be contained therein. Any supplemental indenture executed in accordance with the provisions of this Article shall thereafter form a part of this Indenture, and all the terms and conditions contained in any such supplemental indenture as to any provision authorized to be contained therein shall be, and shall be deemed to be, part of the terms and conditions of this Indenture for any and all purposes.

Section 11.04. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, the opinion of any counsel approved by it who may be counsel for the Corporation, as conclusive evidence that any such proposed supplemental indenture complies with the provisions of this Indenture, and that it is proper for the Trustee, under the provisions of this Article, to join in the execution of such supplemental indenture.

Section 11.05. Notwithstanding anything contained in the foregoing provisions of this Indenture, the rights and obligations of the Corporation and of the owners of the bonds, and the terms and provisions of the bonds and this Indenture, or any supplemental indenture, may be modified or altered in any respect with the consent of the Corporation and the consent of the owners of all the bonds then outstanding.

ARTICLE XII.

Unless otherwise provided in this Section, Ambac Assurance's consent shall be required in addition to bondholder consent, when required, for the following purposes: (i) execution and delivery of any supplemental indenture or any amendment, supplement or change to or modification of the Lease; (ii) removal of the Trustee or Paying Agent and selection and appointment of any successor Trustee or Paying Agent; and (iii) initiation or approval of any action not described in (i) or (ii) above which requires bondholder consent.

Section 12.07. While the Municipal Bond Insurance Policy is in effect, the Trustee shall furnish to Ambac Assurance:

- (a) as soon as practicable after the filing thereof, a copy of any financial statement of the Corporation and a copy of any audit and annual report of the Corporation;
- (b) a copy of any notice to be given to the registered owners of the bonds, including, without limitation, notice of any redemption of or defeasance of bonds, and any certificate rendered pursuant to this Indenture relating to the security for the bonds; and
- (c) such additional information as it may reasonably request.

The Trustee shall notify Ambac Assurance of any failure of the Corporation to provide relevant notices, certificates, etc.

The Corporation will permit Ambac Assurance to discuss the affairs, finances and accounts of the Corporation or any information Ambac Assurance may reasonably request regarding the security for the bonds with appropriate officers of the Corporation. The Trustee or Corporation, as appropriate, will permit Ambac Assurance to have access to the leased premises described in Exhibit A and have access to and to make copies of all books and records relating to the bonds at any reasonable time.

Ambac Assurance shall have the right to direct an accounting at the Corporation's expense, and the Corporation's failure to comply with such direction within thirty (30) days after receipt of written notice of the direction from Ambac Assurance shall be deemed a default hereunder; provided, however, that if compliance cannot occur within such period, then such period will be extended so

long as compliance is begun within such period and diligently pursued, but only if such extension would not materially adversely affect the interests of any registered owner of the bonds.

Notwithstanding any other provision of this Indenture, the Trustee shall immediately notify Ambac Assurance if at any time there are insufficient moneys to make any payments of principal and/or interest as required and immediately upon the occurrence of any event of default hereunder.

Section 12.08. To the extent that this Indenture confers upon or gives or grants to Ambac Assurance any right, remedy or claim under or by reason of this Indenture, Ambac Assurance is hereby explicitly recognized as being a third-party beneficiary hereunder and may enforce any such right, remedy or claim conferred, given or granted hereunder.

Section 12.09. Nothing in this Indenture expressed or implied is intended or shall be construed to confer upon, or to give to, any person or entity, other than the Corporation, the Trustee, Ambac Assurance, the Paying Agent, if any, and the registered owners of the bonds, any right, remedy or claim under or by reason of this Indenture or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Indenture contained by and on behalf of the Corporation shall be for the sole and exclusive benefit of the Corporation, the Trustee, Ambac Assurance, the Paying Agent, if any, and the registered owners of the bonds.
