CLERK LAKE CIRCUIT COURT

This matter came before the Court by way of Plaintiff's Motion for Default Judgment against the Defendants herein, and the Court being duly advised in the premises now finds that the Defendants were duly served with process as provided by law, namely summons by certified mail and summons by publication.

The Court finds that the Defendants have failed to appear, either in person or by counsel, and have failed to file an answer or other responsive pleadings in this matter, and that thirty (30) days have elapsed since the last date of publication of the Notice of Suit, and that the Defendants are in default. The Court further finds that it has jurisdiction over the subject matter and the parties of this action. The Court therefore finds that the Plaintiff's Motion for Default Judgment should be granted and that judgment should be entered in favor of the Plaintiff and against the Defendants.

The Court has heard proof of the allegations of said Complaint and Plaintiff has filed an affidavit respecting ownership and possession of the real property described in the Complaint, which affidavit is attached to the Motion for Default Judgment, and the Court is satisfied that the
