INTEREST RATE AND MONTHLY PAYMENT CHANGES

The interest rate I will pay may change on the first day of October and on that day every sixth month thereafter. Each date on which my interest rate could change ir called a "Change Date."

(II) The Index

**Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the interbank offered rates for six-numit U.S. dollar-denominated deposits in the Landon market as published in The Wall Street Journal. The most recent index figure available as of the first of the month immediately preceding the month in which the Change Date occurs is called the "Curren:

The result of this calculation will be the new amount of my monthly payment

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than

be increased or decreased on any single Change Date by more than one percentage point (1.0%) from the rate of interest I have been paying for the preceding six months. In no event will my interest rate be greater 15.2501 or less than 9.2501

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my

monthly payment changes again. (F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change.
