The Undersigned, Helen Wein, as Trustee under written Trust Agreement dated October 5, 1988, for and in consideration of the sum of Ten thousand + no/100 Dollars (\$ 10,000 .00) and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in further consideration of a certain RIGHT OF WAY and EASEMENT GRANT dated November 3, 1998 which is recorded in the Office of County Recorder, Lake County, Illinois as Document No. 98092185, where-under VECTOR PIPELINE L.P., a Delaware limited partnership of 21 W. Superior Street, Duluth, Minnesota 55802-2067, was granted a right-of-way and easement for the purpose of constructing, installing, operating, monitoring, maintaining, altering, repairing, inspecting, patrolling (including aerial patrol), abandoning in place, replacing or removing, in whole or in part, a pipeline together with the necessary fixtures, equipment and appurtenances as may be necessary for the purpose of transporting natural gas and associated by-products, crude petroleum, and any product, by-product and derivatives thereof, whether liquid or gaseous, or any material or substance which can be conveyed through a pipeline on, over, under and across a strip of land as described in "Exhibit A", attached hereto, do hereby acknowledge that Vector Pipeline L.P., its successors, agents and assigns, is authorized to install, operate and maintain above ground control valves and auxiliary facilities including valve controls, power and communication equipment with cables, protective posts, equipment building, security fencing and driveway area pursuant to the said RIGHT OF WAY and EASEMENT GRANT on the land described in "Exhibit A." Said control valve shall be located approximately 125 feet from the edge of Blaine Street and shall consist of a 50x100 foot rectangle of land.

The undersigned further acknowledge and agree that the consideration so received shall constitute not only consideration for this acknowledgement but shall also constitute full payment for all damages, of whatsoever nature and kind which might arise by reason of the installation of said control valve facility, except for damage to the land outside the easement.

This instrument shall be binding upon the heirs, executors, administrators, successors and assigns of the parties hereto.
