NON-UNIFORM COVENANTS. Borrower and Lender futher covenant and agree as follows:

17. Acceleration. Except as provided in paragraph 16 hereof, upon Borrower's breach of any covenant or agreement of Borrower in this Mortgage or the Contract, including the covenants to pay when due any sum secured by this Mortgage, Lender may accelerate all sums due by giving notice to Borrower as provided in paragraph 12 hereof and without further demand may foreclose this Mortgage by judicial proceeding. Lender shall be entitled to collect at such proceeding all expenses of foreclosure, including, but not limited to, reasonable attorneys fees and costs of documentary

evidence, abstracts and title reports.

18. Assignment of Rents; Appointment of Receiver. As additional security hereunder, Borrower hereby assigns to Lender the rents of the Property, provided that Borrower shall, prior to acceleration under paragraph 17 hereof or abandonment of the Property, have the right to collect and

retain such rents as they become due and payable.

Upon acceleration under paragraph 17 hereof or abandonment of the Property, Lender shall be entitled to either take possession or have a receiver appointed by a court to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. All rents collected by the receiver shall be applied first to payment of the costs of management of the Property and collections of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Mortgage. The receiver shall be liable to account only for those rents actually received.
