TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property." Borrower understands and agrees that MERS holds only legal title to the interests granted by Borrower in this Security Instrument, but, if necessary to comply with law or custom, MERS (as nominee for Lender and Lender's successors and assigns) has the right: to exercise any or all of those interests, including, but not limited to, the right to foreclose and sell the Property; and to take any action required of Lender including, but not limited to, releasing and canceling this Security Instrument.

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Lender will not be impacted by the loan assumption and that the risk of any covenant or loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security submitted to Lender in connection with this option shall not exercise this option if: (a) Borrower causes to be prohibited by Applicable Law, Lender also shall not be exercised by Lender if such exercise is prohibited by Applicable Law. However, this option shall not be exercised by Lender if such sums secured by this Security Instrument, Lender may require immediate payment in full of all sums secured by Lender's prior written consent, Lender may require immediate payment in full or transferred) without Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred (or if

Borrower is any part of the Property or any interest in the Property is sold or transferred to a purchaser.

"Transfer of the Property or a Beneficial Interest in Borrower." As used in this Section 18, "Transfer" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

Uniform Covenant 18 of the Security Instrument is amended to read as follows:

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice. The notice will include the amount of my monthly payment on the first monthly payment date after the Change Date until the new monthly payment begins on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again. My interest rate will never be greater than 15.7100 %, or less than 9.7100 %. The interest rate I am required to pay at the first Change Date will never be greater than 12.7100 % or less than 9.7100 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than ONE percentage point (1.00 %) from the rate of interest I have been paying for the preceding 6 months. My interest rate will never be greater than 15.7100 %, or less than 9.7100 %.

(D) Limits on Interest Rate Changes

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

ADJUSTABLE RATE RIDER
(LIBOR Six-Month Index (As Published In The Wall Street Journal)—Rate Caps)

THIS ADJUSTABLE RATE RIDER is made this 30th day of July, 2002, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to AEGIS MORTGAGE CORPORATION ("Lender") of the same date and covering the property described in the Security Instrument and located at:

647 NEW JERSEY ST.
GARY, INDIANA 46403
[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 9.710 %. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of August, 2004, and on that day every 6th month thereafter. Each date on which my interest rate could change is called a "Change Date."

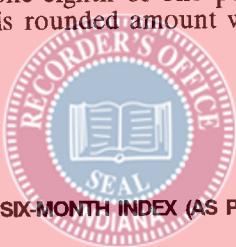

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the average of interbank offered rates for six month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in The Wall Street Journal. The most recent Index figure available as of the first business day of the month immediately preceding the month in which the Change Date occurs is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding **EIGHT and 74/100** percentage points (**8.740 %**) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and conditions contained in this Security Instrument and in any Rider executed by Borrower and recorded with it.

BY SIGNING BELOW, Borrower agrees to waive any rights to trial by jury of ANY AND ALL CLAIMS.

BORROWER AND LENDER AGREE TO WAIVE ANY RIGHTS TO TRIAL BY JURY OF ANY BORROWER.

No Other Arbitration Agreements. This Agreement is the only agreement between Lender and Borrower regarding alternative dispute resolution, and supersedes any prior agreements to mediate or arbitrate Claims. This Agreement may only be modified by a written agreement between Lender and Borrower.

Effect of Rescission. If Borrower has the right to rescind this Transaction, rescinding it will not rescind this Agreement.

Effect of Counterclaim

Claim asserted as a counterclaim in a lawsuit brought under this section.

Enforcement of this Section

Enforcement of this section will not waive the right to arbitrate any other Claim, including a Claim on which relief could be granted by the small claims court in Borrower's jurisdiction, or (d) any Claim on which relief because of Borrower's default under the terms of a Transaction, or other damages or other relief because of Borrower's proceedings; (c) any Claim where Lender seeks damages or other relief through the institution of appropriate proceedings; (e) any Claim application for the relief of debtors, through the institution of applicable laws or general application for relief under the federal bankruptcy laws or any other similar laws of a receiver, upon default by the Borrower on the Transaction; (b) an application by or on behalf of the Borrower for relief under the federal bankruptcy laws or any other similar laws of a receiver, upon default by the Borrower on the Transaction; (a) any assignment of rents or appointment of a holder may acquire title to or possession of any property which is security for this Transaction and any related personal property (including an assignment of rents or appointment of a receiver), upon default by the Borrower on the Transaction.

Transaction to which a lien holder may acquire title to or possession of any property which is security for this Transaction and any related personal property (including an assignment of rents or appointment of a receiver), upon default by the Borrower on the Transaction.

Lender seeks a deficiency judgment, or any comparable procedure allowed under Applicable Law pursuant to judicial action, power of sale, assent to a decree or otherwise, proceedings pursuant to which Lender seeks a deficiency judgment, or any comparable procedure allowed under Applicable Law pursuant to judicial action, power of sale, assent to a decree or otherwise, proceedings pursuant to which Lender can require the other to mediate or arbitrate: (a) foreclosure proceedings, whether Borrower nor Lender can render the award rendered by the arbitrator shall be final, non-appealable and judgment may be entered upon it in accordance with Applicable Law in any court having jurisdiction thereof.

Claims Excluded from Mediation and Arbitration. Notwithstanding the foregoing, neither Lender nor Borrower can render the award rendered by the arbitrator shall be final, non-appealable and judgment may be entered upon it in accordance with Applicable Law in any court having jurisdiction thereof.

Confidentiality. The award rendered by the arbitrator shall be final, non-appealable and judgment may be entered upon it in accordance with Applicable Law in any court having jurisdiction thereof.

Judgment. The award rendered by the arbitrator shall be final, non-appealable and judgment may be entered upon it in accordance with Applicable Law in any court having jurisdiction thereof.

Exclusivity of Trial. Lender shall not commence any action, suit, proceeding, or other legal proceeding against Borrower or any other party in respect of any claim arising out of or relating to this Transaction, except as provided in this Agreement.

Limitation of Liability. Lender shall not be liable for any damages suffered by Borrower or any other party in respect of any claim arising out of or relating to this Transaction, except as provided in this Agreement.

Waiver of Jury Trial. Lender and Borrower agree that the mediation and arbitration should be conducted on an individual basis, and not as part of a class action. It is expressly acknowledged and agreed by Lender that any individual common issues of law or fact shall be resolved on such an individual basis. If the appointed arbitrator should award any damages, such damages shall be limited to actual and direct damages and shall not exceed the amount of damages suffered by Lender in respect of this Transaction. It is also agreed that any damages suffered by Lender in respect of this Transaction shall not exceed the amount of damages suffered by Borrower in respect of this Transaction.

Class Action. Lender and Borrower acknowledge and agree that if a class action is filed against Lender before a judge or a court of any jurisdiction, any such arbitration shall be conducted on an individual basis, and not as part of a class action. Any damages suffered by Lender in respect of this Transaction shall not exceed the amount of damages suffered by Borrower in respect of this Transaction.

No Class Actions; No Joiner of Parties; Waiver of Right to Jury Trial.

25. Agreement to Mediate or Arbitrate. READ THIS AGREEMENT CAREFULLY. IT LIMITS CERTAIN OF YOUR RIGHTS, INCLUDING YOUR RIGHT TO GO TO COURT. In this agreement to mediate or arbitrate (this "Agreement"), (a) "Transaction" means any: (1) payment of money; (2) transfer or exchange of property or any other thing of value; (3) any one or more past, present, or future extensions of, advertisement, solicitation, applications for, or inquiries about, credit, or forbearance of payment, such as a loan, a credit sale, or otherwise, from Lender to Borrower, including this Transaction; (4) gift; or (5) promise to enter into a Transaction; and (b) "Claim" means any case, controversy, dispute, tort, disagreement, lawsuit, claim, or counterclaim, and other matters in question now or hereafter existing between Lender and Borrower. A Claim includes, without limitation, anything arising out of, in connection with, or relating to: (1) this Agreement; (2) to the advertisement, solicitation, application, processing, closing or servicing of this Transaction or any instruments executed in conjunction with it (collectively the "Loan Agreements" including but not limited to the terms of the Loan, representations, promises, undertakings or covenants made relating to the Loan, or Loan Agreements executed in conjunction with the Note and this Security Instrument, services provided under the Loan Agreements, and the validity and construction of the Loan Agreements); (3) any Transaction; (4) the construction, manufacture, advertisement, sale, installation or servicing of any real or personal property which secures this Transaction; (5) any past, present, or future insurance, service, or product that is offered or sold in connection with a Transaction; (6) any documents or instruments that contain information about or document any Transaction, insurance, service, or product; and (7) any act or omission by Lender regarding any Claim.

Mediation. Except as set forth below, all Claims, shall be MEDIATED prior to the filing of any legal proceeding related to any dispute relating to this Transaction. If Borrower and Lender cannot agree on the selection of a mediator for a dispute, the mediator shall be selected as follows: within 5 business days of the notice that either Borrower or Lender has decided to mediate, Borrower and Lender shall each name a mediator and notify that mediator and the other party of the selection. Within 5 business days of their selection the mediators shall jointly select an independent mediator to mediate the dispute. The mediation shall occur not later than 30 days after the final mediator is selected at a time and place mutually convenient to all parties within a fifty-mile radius of Borrower's residence.

Borrower and Lender agree to participate in the mediation in good faith with the intention of resolving the dispute, if possible. Legal counsel may, but is not required to, represent Borrower or Lender at the mediation. All mediation sessions will be private and all information disclosed during the mediation will be confidential. The mediator may prescribe other rules for the mediation. Expenses of the mediation including the mediator's fee shall be shared equally between Lender and Borrower. Attorneys' fees and related expenses are each party's responsibility.

This Agreement to mediate is specifically enforceable.

If for any reason the mediation is not completed within 45 days after the final mediator is selected, or if after the mediation, any Claim is still unresolved, such Claim shall be resolved solely and exclusively by arbitration in accordance with this Agreement.

Arbitration. To the extent allowed by Applicable Law, any Claim, except those set forth below, shall be resolved by binding arbitration in accordance with: (a) the Federal Arbitration Act, 9 U.S.C. §§ 1-16; (b) the Expedited Procedures of the Commercial Arbitration Rules of the American Arbitration Association ("Arbitration Rules") then in effect; and (c) this Agreement. If the terms of this Agreement and the Arbitration Rules are inconsistent, the terms of this Agreement shall control. A copy of the Arbitration Rules, free of charge, may be obtained by calling (800) 778-7879. The laws applicable to the arbitration proceeding shall be the laws of the state in which the property which secures the Transaction is located. The parties agree that the arbitrator shall have all powers provided by law, this Agreement, and the Loan Agreements. However, the arbitrator shall have no power to vary or modify any of the provisions of the Loan Agreements. Any party to this Agreement may bring an action in any court having jurisdiction, including a summary or expedited proceeding, to specifically enforce this Agreement, or to compel arbitration of any Claim. An action to specifically enforce this Agreement, or a motion to compel arbitration may be brought at any time, even after a Claim has been raised in a court of law or a Transaction has been completed, discharged, or paid in full.

Place of Arbitration. The arbitration shall be conducted in the county of Borrower's residence, or at any other place mutually acceptable to Lender and Borrower.

Timing of Hearing. The arbitration hearing shall commence within forty-five (45) days of the demand for arbitration.

10

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph.

21. **Hazardous Substances.** As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances; gaseous, volatile solvents, materials containing asbestos or toxic petroleum products, toxic pesticides and herbicides, other flammable, or wastes by Environmental Law and the following substances: pollutants, or wastes by Environmental Law and other substances defined as toxic or hazardous substances, or release of any Hazardous Substances, or release of any Hazardous Substances, or treaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any government agency or private party involving the Property and any Hazardous Substances in connection with Environmental Law or any other cause of action under any Environmental Condition, including but not limited to, any spillage, leaking, discharge, release or threat of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any government authority or private party, that any removal or other remediation of any Hazardous Substance is necessary or imminent, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Clean-up.

22. **Acceleration;** Remedies. Following Borrower's breach of any covenant or agreement in this Security Instrument, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

23. **Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

24. **Waiver of Valuation and Appraisal.** Borrower waives all right of valuation and appraisal.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to Section 22 of this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.
