## Policyholder and/or Bondholder Disclosure: NOTICE OF TERRORISM INSURANCE COVERAGE

On November 26, 2002, President Bush signed into law the Terrorism Risk Insurance Act of 2002 (the "Act"). The Act became effective immediately and establishes a temporary Federal program that provides for a system of shared public and private compensation for an "insured loss" resulting from certified acts of foreign "terrorism", as defined under the Act. The Act further requires that all in-force exclusions for acts of terrorism, as defined in the Act, already contained in a policy/bond or included as an endorsement in a policy/bond, become nullified as of November 26, 2002.

Coverage for acts of terrorism is included in your current policy/bond and/or in any policy/bond quoted for you. You should know that, effective November 26, 2002, under your existing coverage, any losses caused by certified acts of terrorism would be partially reimbursed by the United States under a formula established by federal law. Under this formula, the United States pays 90% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage.

The actual coverage provided by your policy/bond for acts of terrorism, as is true for all coverages, is limited by the terms, conditions, exclusions, limits, other provisions of your policy/bond, any endorsements to the policy/bond and generally applicable rules of law.

During your current policy/bond period, the portion of your premium that is attributable to coverage for acts of terrorism is \$0.00. If it becomes necessary to include a premium for terrorism coverage in a future renewal of your policy/bond, you will receive notification of that premium through a separate line in your policy/bond.

Should you have any question regarding this notice, please contact your insurance agent.
