2004 MAY 27

I, REGINA E. Aldridge, of the City of GARY, County of LAKE, State of Indiana, being at least eighteen years of age, and of sound mind, willfully and voluntarily make known my desires that my dying shall not be artificially prolonged under the circumstances set forth below; and I declare:

If at any time my attending physician certifies in writing that: (1) I have an incurable injury, disease, or illness; (2) my death will occur within a short time; and (3) the use of life prolonging procedures would serve only to artificially prolong the dying process, I direct that such procedures be withheld or withdrawn, and that I be permitted to die naturally with only the performance or provision of any medical procedure or medication necessary to provide me with comfort care or to alleviate pain, and, if I have so indicated below, the provision of artificially supplied nutrition and hydration. [Indicate your choice by initialing or making your mark before signing this Declaration.]:

 I wish to receive artificially supplied nutrition and hydration, even if the effort to sustain life is futile or excessively burdensome to me.

REA I do not wish to receive artificially supplied nutrition and hydration, if the effort to sustain life is futile or excessively burdensome to me.

 I intentionally make no decision concerning artificially supplied nutrition and hydration, leaving the decision to my Health Care Representative appointed under I.C. 16-36-1-7 or my attorney in fact with health care powers under I.C. 30-5-5.

In the absence of my ability to give directions regarding the use of life prolong procedures, it is my intention that this Declaration be honored by my family and physician(s) as the final expression of my legal right to refuse medical or surgical treatment and accept the consequences of refusal.

I understand the full import of this Declaration.
