**DISCLOSURE NOTICE OF
TERRORISM INSURANCE COVERAGE**

After the September 11, 2001 collapse of the World Trade Center, some insurance and reinsurance companies excluded coverage for terrorist events from their policies. The economy was affected, to the extent that \$15 billion dollars of new construction was cancelled or delayed. As an economic aid, the Federal Government has enacted the Terrorism Risk Insurance Act of 2002. As part of the act, we are required to notify you that subject to the terms and conditions as stated in your applicable bond forms, coverage for losses sustained by acts of terrorism is already included in your current bond. Effective November 26, 2002, under your existing bond, losses caused by certified acts of terrorism as defined in the Terrorism Risk Insurance Act of 2002 would be partially reimbursed by the Federal Government under a formula established by federal law. Under this formula, the Federal Government pay 90% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage.

Under the current bond, that portion of your premium that is attributable to coverage for acts of terrorism is \$0.

We strongly urge you to contact your independent insurance agent if you have any questions regarding this matter.
