(xv) If Grantor is a limited partnership or a limited liability company, the General Partner shall be a corporation or limited liability company whose sole asset is its interest in Grantor and the General Partner will at all times comply, and will cause Grantor to comply, with each of the representations, warranties, and covenants contained in this Section 2.02(g) as if such representation, warranty or covenant was made directly by such General Partner.

(xviii) Grantor and, if applicable, each General Partner has paid and shall pay the salaries of their own employees and has maintained and shall maintain a sufficient number of employees in light of their contemplated business operations.

(j) Investment Company Act Status, etc. Grantor is not (i) an "investment company," or a company "controlled" by an "investment company," as such terms are defined in the Investment Company Act of 1940, as amended, (ii) a "holding company" or a "subsidiary company" of a "holding company" or an "affiliate" of either a "holding company" or a "subsidiary company" within the meaning of the Public Utility Holding Company Act of 1935, as amended, or (iii) subject to any other federal or state law or regulation which purports to restrict or regulate its ability to borrow money.

(k) Compliance with Law. Grantor hereby agrees to indemnify and hold Lender harmless for, from and against any and all claims, liabilities, costs and expenses of any kind in any way relating to or arising from (i) a claim by any Person that such Person acted on behalf of Grantor in connection with the transactions contemplated herein or (ii) any breach of the foregoing representation. The provisions of this subsection (m) shall survive the repayment of the Debt.

(n) Federal Reserve Regulations. No part of the proceeds of the Loan will be used for the purpose of "purchasing" or "carrying" any "margin stock" within the meaning of Regulations T, U or X of the Board of Governors of the Federal Reserve System or for any other purpose which would be inconsistent with such Regulations T, U or X or any other Regulations of such Board of Governors, or for any purposes prohibited by Legal Requirements or by the terms and conditions of the Loan Documents.

(o) Pending Litigation. None of the transactions contemplated hereby will be or have been made with an intent to hinder, delay or defraud any present or future creditors of Grantor and Grantor has received reasonably equivalent value in exchange for its obligations under the Loan Documents. Grantor's assets do not, and immediately upon consummation of the transaction contemplated in the Loan Documents will not, constitute unreasonably small capital to carry out its business as presently conducted or as proposed to be conducted. Grantor does not intend to, nor does it believe that it will, incur debts and liabilities beyond its ability to pay such debts as they may mature.

Grantor and said General Partner, if any, for the periods covered thereby, subject only to reasonable adjustments required by the Internal Revenue Service or other applicable tax authority upon audit.

(s) Not Foreign Person. Grantor is not a “foreign person” within the meaning of §1445(f)(3) of the Code.

Other than an application for a favorable determination letter with respect to a Plan, there are no pending issues or claims before the Internal Revenue Service, the United States Department of Labor or any court of competent jurisdiction related to any Plan or Welfare Plan under which Grantor, Guarantor or any ERISA Affiliate, directly or indirectly (through an indemnification agreement or otherwise), could be subject to any material risk of liability under Section 409 or 502(i) of ERISA or Section 4975 of the Code. No Welfare Plan provides or will provide benefits, including, without limitation, death or medical benefits (whether or not insured) with respect to any current or former employee of Grantor, Guarantor or any ERISA Affiliate beyond his or her retirement or other termination of service other than (A) coverage mandated by applicable law, (B) death or disability benefits that have been fully provided for by fully paid up insurance or (C) severance benefits.

(A) any reportable event, as defined in Section 4043 of ERISA and the regulations issued thereunder, with respect to a Plan, as to which PBGC has not by regulation waived the requirement of Section 4043(a) of ERISA that it be notified within thirty (30) days of the occurrence of such event (provided that a failure to meet the minimum funding standard of Section 412 of the Code and of Section 302 of ERISA, including, without limitation, the failure to make on or before its due date a required installment under Section 412(m) of the Code and of Section 302(e) of ERISA, shall be a reportable event regardless of the issuance of any waivers in accordance with Section 412(d) of the Code), and any request for a waiver under Section 412(d) of the Code for any Plan;

(C) the institution by PBGC of proceedings under Section 4042 of ERISA for the termination of, or the appointment of a trustee to administer, any Plan, or the receipt by Grantor or any ERISA Affiliate of a notice from a Multiemployer Plan that such action has been taken by PBGC with respect to such Multiemployer Plan;

(D) the complete or partial withdrawal from a Multiemployer Plan by Grantor or any ERISA Affiliate that results in liability under Section 4201 or 4204 of ERISA (including the

obligation to satisfy secondary liability as a result of a purchaser default) or the receipt by Grantor or any ERISA Affiliate of notice from a Multiemployer Plan that it is in reorganization or insolvency pursuant to Section 4241 or 4245 of ERISA or that it intends to terminate or has terminated under Section 4041A of ERISA;

(E) the institution of a proceeding by a fiduciary of any Multiemployer Plan against Grantor or any ERISA Affiliate to enforce Section 515 of ERISA, which proceeding is not dismissed within thirty (30) days;

(F) the adoption of an amendment to any Plan that, pursuant to Section 401(a)(29) of the Code or Section 307 of ERISA, would result in the loss of tax-exempt status of the trust of which such Plan is a part if Grantor or an ERISA Affiliate fails to timely provide security to the Plan in accordance with the provisions of said Sections; or

(G) the imposition of a lien or a security interest in connection with a Plan.

(iii) Grantor shall not knowingly engage in or permit any transaction in connection with which Grantor, Guarantor or any ERISA Affiliate could be subject to either a civil penalty or tax assessed pursuant to Section 502(i) or 502(l) of ERISA or Section 4975 of the Code, permit any Welfare Plan to provide benefits, including without limitation, medical benefits (whether or not insured), with respect to any current or former employee of Grantor, Guarantor or any ERISA Affiliate beyond his or her retirement or other termination of service other than (A) coverage mandated by applicable law, (B) death or disability benefits that have been fully provided for by paid up insurance or otherwise or (C) severance benefits, permit the assets of Grantor or Guarantor to become "plan assets", whether by operation of law or under regulations promulgated under ERISA or adopt, amend (except as may be required by applicable law) or increase the amount of any benefit or amount payable under, or permit any ERISA Affiliate to adopt, amend (except as may be required by applicable law) or increase the amount of any benefit or amount payable under, any employee benefit plan (including, without limitation, any employee welfare benefit plan) or other plan, policy or arrangement, except for normal increases in the ordinary course of business consistent with past practice that, in the aggregate, do not result in a material increase in benefits expense to Grantor, Guarantor or any ERISA Affiliate.

(u) Labor Matters. No organized work stoppage or labor strike is pending or threatened by employees or other laborers at the Property and neither Grantor nor Manager (i) is involved in or threatened with any labor dispute, grievance or litigation relating to labor matters involving any employees and other laborers at the Property, including, without limitation, violation of any federal, state or local labor, safety or employment laws (domestic or foreign) and/or charges of unfair labor practices or discrimination complaints; (ii) has engaged in any unfair labor practices within the meaning of the National Labor Relations Act or the Railway Labor Act; or (iii) is a party to, or bound by, any collective bargaining agreement or union contract with respect to employees and other laborers at the Property and no such agreement or contract is currently being negotiated by Grantor, Manager or any of their Affiliates.

(v) Grantor's Legal Status. Grantor's exact legal name, as is indicated on the signature page hereto, organizational identification number and place of business or, if more than one, its chief executive office, as well as Grantor's mailing address, if different, as identified by Grantor to Lender and contained in this Security Instrument, are true, accurate and complete. Grantor (i) will not change its name, its place of business or, if more than one place of business, its chief executive office, or its mailing address or organizational identification number if it has one without giving Lender at least thirty (30) days prior written notice of such change, (ii) if Grantor does not have an organizational identification number and later obtains one, Grantor shall promptly notify Lender of such organizational identification number and (iii) Grantor will not change its type of organization, jurisdiction of organization or other legal structure.

No tenant at the Property currently is identified on the OFAC List or otherwise qualifies as a Prohibited Person, and, to the best of Grantor's knowledge, no tenant at the Property is owned or Controlled by a Prohibited Person. Grantor has determined that Manager has implemented procedures, approved by Grantor, to ensure that no tenant at the Property is a Prohibited Person or owned or Controlled by a Prohibited Person.

Upon (a) receipt of an affidavit of an officer of Lender as to the loss, theft, destruction or mutilation of the Note or any other Loan Document which is not of public record, (b) receipt of an indemnity of Lender related to losses resulting solely from the issuance of a replacement note or other applicable Loan Document and (c) in the case of any such mutilation, upon surrender and cancellation of such Note or other applicable Loan Document, Grantor will issue, in lieu thereof, a replacement Note or other applicable Loan Document, dated the date of such lost, stolen, destroyed or mutilated Note or other Loan Document in the same principal amount thereof and otherwise of like tenor.

Section 2.04. Section 2.05. Representations, Warranties and Covenants Relating to the Property. Grantor represents and warrants to and covenants with Lender with respect to the Property as follows:

(a) Lien Priority. This Security Instrument is a valid and enforceable first lien on the Property, free and clear of all encumbrances and liens having priority over the lien of this Security Instrument, except for the items set forth as exceptions to or subordinate matters in the title insurance policy insuring the lien of this Security Instrument, none of which, individually or in the aggregate, materially interfere with the benefits of the security intended to be provided by this Security Instrument, materially affect the value or marketability of the Property, impair the use or operation of the Property for the use currently being made thereof or impair Grantor's ability to pay its obligations in a timely manner (such items being the "Permitted Encumbrances").

(b) Title. Grantor has, subject only to the Permitted Encumbrances, good, insurable and marketable fee simple title to the Premises, Improvements and Fixtures (collectively, the "Realty") and to all easements and rights benefiting the Realty and has the right, power and authority to mortgage, encumber, give, grant, bargain, sell, alien, enfeoff, convey, confirm, pledge, assign, and hypothecate the Property. Grantor will preserve its interest in and title to the Property and will forever warrant and defend the same to Lender against any and all claims made by, through or under Grantor and will forever warrant and defend the validity and priority of the lien and security interest created herein against the claims of all Persons whomsoever claiming by, through or under Grantor. The foregoing warranty of title shall survive the foreclosure of this Security Instrument and shall inure to the benefit of and be enforceable by Lender in the event Lender acquires title to the Property pursuant to any foreclosure. In addition, there are no outstanding options or rights of first refusal to purchase the Property or Grantor's ownership thereof.

(c) Taxes and Impositions. All taxes and other Impositions and governmental assessments due and owing in respect of, and affecting, the Property have been paid. Grantor has paid all Impositions which constitute special governmental assessments in full, except for those assessments which are permitted by applicable Legal Requirements to be paid in installments, in which case all installments which are due and payable have been paid in full. There are no pending, or to Grantor's best knowledge, proposed special or other assessments for public improvements or otherwise affecting the Property, nor are there any contemplated improvements to the Property that may result in such special or other assessments.

(d) Casualty; Flood Zone. The Realty is in good repair and free and clear of any damage, destruction or casualty (whether or not covered by insurance) that would materially affect the value of the Realty or the use for which the Realty was intended, there exists no structural or other material defects or damages in or to the Property and Grantor has not received any written notice from any insurance company or bonding company of any material defect or inadequacies in the Property, or any part thereof, which would materially and adversely affect the insurability of the same or cause the imposition of extraordinary premiums or charges thereon or of any termination or threatened termination of any policy of insurance or bond. No portion of the Premises is located in an "area of special flood hazard," as that term is defined in the regulations of the Federal Insurance Administration, Department of Housing and Urban Development, under the National Flood Insurance Act of 1968, as amended (24 CFR § 1909.1) or Grantor has obtained the flood insurance required by Section 3.01(a)(vi) hereof. The Premises either does not lie in a 100 year flood plain that has been identified by the Secretary of Housing and Urban Development or any other Governmental Authority or, if it does, Grantor has obtained the flood insurance required by Section 3.01(a)(vi) hereof.

(e) Completion; Encroachment. To the best of Grantor's knowledge, all Improvements necessary for the efficient use and operation of the Premises, including, without limitation, all Improvements which were included for purposes of determining the appraised value of the Property in the Appraisal, have been completed and, except as set forth in the title insurance policy insuring the lien of this Security Instrument or the survey delivered to Lender in connection with the origination of the Loan, none of said Improvements lie outside the boundaries and building restriction lines of the Premises. Except as set forth in the title insurance policy insuring the lien of this Security Instrument, no improvements on adjoining properties encroach upon the Premises.

(f) Separate Lot. The Premises are taxed separately without regard to any other real estate and constitute a legally subdivided lot under all applicable Legal Requirements (or, if not subdivided, no subdivision or platting of the Premises is required under applicable Legal Requirements), and for all purposes may be mortgaged, encumbered, conveyed or otherwise dealt with as an independent parcel. The Property does not benefit from any tax abatement or exemption.

(g) Use. The existence of all Improvements, the present use and operation thereof and the access of the Premises and the Improvements to all of the utilities and other items referred to in paragraph (k) below are in compliance in all material respects with all Leases affecting the Property and all applicable Legal Requirements, including, without limitation, Environmental Statutes, Development Laws and Use Requirements. Grantor has not received any notice from any Governmental Authority alleging any uncured violation relating to the Property of any applicable Legal Requirements.

(h) Licenses and Permits. Grantor currently holds and will continue to hold all certificates of occupancy, licenses, registrations, permits, consents, franchises and approvals of any Governmental Authority or any other Person which are material for the lawful occupancy and operation of the Realty or which are material to the ownership or operation of the Property or the conduct of Grantor's business. All such certificates of occupancy, licenses, registrations, permits, consents, franchises and approvals are current and in full force and effect.

(i) Environmental Matters. Grantor has received and reviewed the Environmental Report and has no reason to believe that the Environmental Report contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements contained therein or herein, in light of the circumstances under which such statements were made, not misleading.

(j) Property Proceedings. There are no actions, suits or proceedings pending or threatened in any court or before any Governmental Authority or arbitration board or tribunal (i) relating to (A) the zoning of the Premises or any part thereof, (B) any certificates of occupancy, licenses, registrations, permits, consents or approvals issued with respect to the Property or any part thereof, (C) the condemnation of the Property or any part thereof, or (D) the condemnation or relocation of any roadways abutting the Premises required for access to the Premises, (ii) asserting that (A) any such zoning, certificates of occupancy, licenses, registrations, permits, consents and/or approvals do not permit the operation of any material portion of the Realty as presently being conducted, (B) any material improvements located on the Property or any part thereof cannot be located thereon or operated with their intended use or (C) the operation of the Property or any part thereof is in violation in any material respect of any Environmental Statutes, Development Laws or other Legal Requirements or Space Leases or Property Agreements or (iii) which might (A) affect the validity or priority of any Loan Document or (B) have a Material Adverse Effect. Grantor is not aware of any facts or circumstances which may give rise to any actions, suits or proceedings described in the preceding sentence.

(k) Utilities. The Premises has all necessary legal access to water, gas and electrical supply, storm and sanitary sewerage facilities, other required public utilities (with respect to each of the aforementioned items, by means of either a direct connection to the source of such utilities or through connections available on publicly dedicated roadways directly abutting the Premises or through permanent insurable easements benefiting the Premises), fire and police protection, parking, and means of direct access between the Premises and public highways over recognized curb cuts (or such access to public highways is through private roadways which may be used for ingress and egress pursuant to permanent insurable easements).

(l) Mechanics' Liens. The Property is free and clear of any mechanics' liens or liens in the nature thereof, and no rights are outstanding that under law could give rise to any such liens, any of which liens are or may be prior to, or equal with, the lien of this Security Instrument, except those which are insured against by the title insurance policy insuring the lien of this Security Instrument.

(m) Intentionally Omitted.

(n) Insurance. The Property is insured in accordance with the requirements set forth in Article III hereof.

(o) Space Leases.

(i) Grantor has delivered a true, correct and complete schedule of all Space Leases as of the date hereof, which accurately and completely sets forth in all material respects, for each such Space Lease, the following (collectively, the "Rent Roll"): the name and address of the tenant with the name, title and telephone number of the contact person of such tenant; the lease expiration date, extension and renewal provisions; the base rent and percentage rent payable; all additional rent and pass-through obligations; and the security deposit held thereunder and the location of such deposit.

(ii) Each Space Lease constitutes the legal, valid and binding obligation of Grantor and, to the knowledge of Grantor, is enforceable against the tenant thereof. No default exists, or with the passing of time or the giving of notice would exist, (A) under any Major Space Lease or (B) under any other Space Leases which would, in the aggregate, have a Material Adverse Effect.

(iii) No tenant under any Space Lease has, as of the date hereof, paid Rent more than thirty (30) days in advance, and the Rents under such Space Leases have not been waived, released, or otherwise discharged or compromised.

(iv) All work to be performed by Grantor under the Space Leases has been substantially performed, all contributions to be made by Grantor to the tenants thereunder have been made except for any held-back amounts, and all other conditions precedent to each such tenant's obligations thereunder have been satisfied.

(v) Except as previously disclosed to Lender in writing, there are no options to terminate any Space Lease.

(vi) Each tenant under a Space Lease or such tenant's authorized subtenant is currently occupying the space demised by such Space Lease.

(vii) Grantor has delivered to Lender true, correct and complete copies of all Space Leases described in the Rent Roll.

(viii) Each Space Lease is in full force and effect and (except as disclosed on the Rent Roll) has not been assigned, modified, supplemented or amended in any way.

(ix) Each tenant under each Space Lease is free from bankruptcy, reorganization or arrangement proceedings or a general assignment for the benefit of creditors.

(x) No Space Lease provides any party with the right to obtain a lien or encumbrance upon the Property superior to the lien of this Security Instrument.

(p) Property Agreements.

(i) Grantor has delivered to Lender true, correct and complete copies of all Property Agreements.

(ii) No Property Agreement provides any party with the right to obtain a lien or encumbrance upon the Property superior to the lien of this Security Instrument.

(iii) No default exists or with the passing of time or the giving of notice or both would exist under any Property Agreement which would, individually or in the aggregate, have a Material Adverse Effect.

(iv) Grantor has not received or given any written communication which alleges that a default exists or, with the giving of notice or the lapse of time, or both, would exist under the provisions of any Property Agreement.

(v) No condition exists whereby Grantor or any future owner of the Property may be required to purchase any other parcel of land which is subject to any Property Agreement or which gives any Person a right to purchase, or right of first refusal with respect to, the Property.

(vi) To the best knowledge of Grantor, no offset or any right of offset exists respecting continued contributions to be made by any party to any Property Agreement except as expressly set forth therein. Except as previously disclosed to Lender in writing, no material exclusions or restrictions on the utilization, leasing or improvement of the Property (including non-compete agreements) exists in any Property Agreement.

(vii) All "pre-opening" requirements contained in all Property Agreements (including, but not limited to, all off-site and on-site construction requirements), if any, have been fulfilled, and, to the best of Grantor's knowledge, no condition now exists whereby any party to any such Property Agreement could refuse to honor its obligations thereunder.

(r) Leasing Brokerage and Management Fees. Except as previously disclosed to Lender in writing, there are no brokerage fees or commissions payable by Grantor with respect to the leasing of space at the Property and there are no management fees payable by Grantor with respect to the management of the Property.

(s) Security Deposits. All security deposits with respect to the Property on the date hereof have been transferred to the Security Deposit Account on the date hereof, and Grantor is in compliance with all Legal Requirements relating to such security deposits as to which failure to comply might, individually or in the aggregate, have a Material Adverse Effect.

(t) Appraisal. Grantor has no knowledge that any of the facts or assumptions on which the Appraisal was based are false or incomplete in any material respect and has no information that would reasonably suggest that the fair market value determined in the Appraisal does not reflect the actual fair market value of the Property.

(u) Representations Generally. The representations and warranties contained in this Security Instrument, and the review and inquiry made on behalf of Grantor therefor, have all been made by Persons having the requisite expertise and knowledge to provide such representations and warranties. No representation, warranty or statement of fact made by or on behalf of Grantor in this Security Instrument or in any certificate, document or schedule furnished to Lender pursuant hereto, contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained therein or herein not misleading (which may be to Grantor's best knowledge where so provided herein). Grantor shall, within fifteen (15) days following notice of the filing thereof, promptly discharge of record, by bond or otherwise, any such liens and, promptly upon request by Lender, shall deliver to Lender evidence reasonably satisfactory to Lender of the discharge thereof.

(b) Without limitation to the provisions of Section 2.06(a) hereof, Grantor shall (i) pay, from time to time when the same shall become due, all claims and demands of mechanics, materialmen, laborers, and others which, if unpaid, might result in, or permit the creation of, a lien on the Property or any part thereof, (ii) cause to be removed of record (by payment or posting of bond or settlement or otherwise) any mechanics', materialmen's, laborers' or other lien on the Property, or any part thereof, or on the revenues, rents, issues, income or profit arising therefrom, and (iii) in general, do or cause to be done, without expense to Lender, everything reasonably necessary to preserve in full the lien of this Security Instrument. Section 2.08. Use of the Property. Grantor will use, or cause to be used, the Property for such use as is permitted pursuant to applicable Legal Requirements including, without limitation, under the certificate of occupancy applicable to the Property, and which is required by the Loan Documents. Grantor shall not suffer or permit the Property or any portion thereof to be used by the public, any tenant, or any Person not subject to a Lease, in a manner reasonably likely to impair Grantor's title to the Property, or in such manner as may give rise to a claim or claims of adverse usage or adverse possession by the public, or of implied dedication of the Property or any part thereof.

Section 2.09. Financial Reports. (a) Grantor will keep and maintain or will cause to be kept and maintained on a Fiscal Year basis, in accordance with GAAP and the Uniform System of Accounts (or such other accounting basis reasonably acceptable to Lender) consistently applied, proper and accurate books, tax returns, records and accounts reflecting (i) all of the financial affairs of Grantor and Guarantor and (ii) all items of income and expense in connection with the operation of the Property or in connection with any services, equipment or furnishings provided in connection with the operation thereof, whether such income or expense may be realized by Grantor or by any other Person whatsoever, excepting lessees unrelated to and unaffiliated with Grantor who have leased from Grantor portions of the Premises for the purpose of occupying the same. Lender shall have the right from time to time at all times during normal business hours upon reasonable notice to examine such books, tax returns, records and accounts at the office of Grantor or other Person maintaining such books, tax returns, records and accounts and to make such copies or extracts thereof as Lender shall desire. Lender shall have the right from time to time at all times during normal business hours upon reasonable notice to examine such books, records and accounts at the office of Manager or other Person maintaining such books, records and accounts and to make such copies or extracts thereof as Lender shall desire. At any time during the continuance of an Event of Default, and during the continuance of an O&M Operative Period, Grantor shall submit to Lender for Lender's written approval an Annual Budget not later than January 31 of each year, in form satisfactory to Lender setting forth in reasonable detail budgeted monthly operating income and monthly operating capital and other expenses for the Property. In the event that Lender has the right to approve the Annual Budget pursuant to the preceding sentence, (a) such approval shall not be unreasonably withheld, and in the event that Lender objects to the proposed Annual Budget submitted by Grantor, Lender shall advise Grantor of such objections within fifteen (15) days after receipt thereof (and deliver to Grantor a reasonably detailed description of such objections) and Grantor shall, within ten (10) days after receipt of notice of any such objections, revise such Annual Budget and resubmit the same to Lender, (b) Lender shall advise Grantor of any objections to such revised Annual Budget within ten (10) days after receipt thereof (and deliver to Grantor a reasonably detailed description of such objections) and Grantor shall revise the same in accordance with the process described herein until Lender approves an Annual Budget, provided, however, that if Lender shall not advise Grantor of its objections to any proposed Annual Budget within the applicable time period set forth in this Section, then such proposed Annual Budget shall be deemed approved by Lender, (c) until such time that Lender approves a proposed Annual Budget, the most recently Approved Annual Budget shall apply; provided that, such Approved Annual Budget shall be adjusted to reflect actual increases in Basic Carrying Costs and utilities expenses and to delete any non-recurring expenses and (d) in the event that Grantor must incur an Extraordinary Expense, then Grantor shall promptly deliver to Lender a reasonably detailed explanation of such proposed Extraordinary Expense for Lender's approval, which approval may be granted or denied in Lender's sole and absolute discretion.

(m) In the event that Grantor fails to deliver any of the financial statements, reports or other information required to be delivered to Lender pursuant to this Section 2.09 on or prior to their due dates, if any such failure shall continue for thirty (30) days following notice thereof from Lender, Grantor shall pay to Lender an administrative fee in the amount of Five Hundred Dollars (\$500) for each due date with respect to which such a failure occurs (and not on a per-item basis). Grantor agrees that such administrative fee (i) is a fair and reasonable fee necessary to compensate Lender for its additional administrative costs and increased costs relating to Grantor's failure to deliver the aforementioned statements, reports or other items as and when required hereunder and (ii) is not a penalty.

Section 2.11. Updates of Representations. Grantor shall deliver to Lender within fifteen (15) Business Days of the request of Lender an Officer's Certificate updating all of the representations and warranties contained in this Security Instrument and the other Loan Documents and certifying that all of the representations and warranties contained in this Security Instrument and the other Loan Documents, as updated pursuant to such Officer's Certificate, are true, accurate and complete as of the date of such Officer's Certificate or shall set forth the exceptions to representations and/or warranties in reasonable detail, as applicable, and, upon Lender's request for further information with respect to such exceptions, shall provide Lender such additional information as Lender may reasonably request. Notwithstanding the foregoing, provided that no Event of Default has occurred and is continuing, Grantor shall not be required to deliver the foregoing Officer's Certificate more than three (3) times during the term of the Loan.

ARTICLE III: INSURANCE AND CASUALTY RESTORATION

Section 3.01. Insurance Coverage. Grantor shall, at its expense, maintain the following insurance coverages with respect to the Property during the term of this Security Instrument:

(a) (i) Insurance against loss or damage by fire, casualty and other hazards included in an "all-risk" coverage endorsement or its equivalent (which, in the case of insurance during the time of any construction work being financed with the proceeds of the Loan ("Construction") shall be in "builder's risk completed value non-reporting form" together with rents, earnings and extra expense insurance covering loss due to delay in completion of the Improvements), with such endorsements as Lender may from time to time reasonably require and which are customarily required by Institutional Lenders of similar properties similarly situated, including, without limitation, if the Property constitutes a legal non-conforming use, an ordinance of law coverage endorsement which contains "Demolition Cost", "Loss Due to Operation of Law" and "Increased Cost of Construction" coverages, covering the Property in an amount not less than the greater of (A) 100% of the insurable replacement value of the Property (exclusive of the Premises and footings and foundations) and (B) such other amount as is necessary to prevent any reduction in such policy by reason of and to prevent Grantor, Lender or any other insured thereunder from being deemed to be a co-insurer. Not less frequently than once every three (3) years, Grantor, at its option, shall either (A) have the Appraisal updated or obtain a new appraisal of the Property, (B) have a valuation of the Property made by or for its insurance carrier conducted by an appraiser experienced in valuing properties of similar type to that of the Property which are in the geographical area in which the Property is located or (C) provide such other evidence as will, in Lender's sole judgment, enable Lender to determine whether there shall have been an increase in the insurable value of the Property and Grantor shall deliver such updated Appraisal, new appraisal, insurance valuation or other evidence acceptable to Lender, as the case may be, and, if such updated Appraisal, new appraisal, insurance valuation, or other evidence acceptable to Lender reflects an increase in the insurable value of the Property, the amount of insurance required hereunder shall be increased accordingly and Grantor shall deliver evidence satisfactory to Lender that such policy has been so increased.

(ii) Commercial general liability insurance against claims for personal and bodily injury and/or death to one or more persons or property damage, occurring on, in or about the Property (including the adjoining streets, sidewalks and passageways therein) in such amounts as Lender may from time to time reasonably require (but in no event shall Lender's requirements be increased more frequently than once during each twelve (12) month period) and which are customarily required by Institutional Lenders for similar properties similarly situated, but not less than \$1,000,000 per occurrence and \$2,000,000 general aggregate on a per location basis and, in addition thereto, not less than \$75,000,000 excess and/or umbrella liability insurance shall be maintained for any and all claims.

(iii) Business interruption, rent loss or other similar insurance (A) with loss payable to Lender, (B) covering all risks required to be covered by the insurance provided for in Section 3.01(a)(i) hereof and (C) in an amount not less than 100% of the projected total revenues derived from the Property for the succeeding twenty-four (24) month period based on an occupancy rate taking into account historical and projected occupancy. The amount of such insurance shall be determined upon the execution of this Security Instrument, and not more frequently than once each calendar year thereafter based on Grantor's reasonable estimate of projected total revenues derived from the Property for the next succeeding twenty-four (24) months together with a six (6) month extended period of indemnity. In the event the Property shall be damaged or destroyed, Grantor shall and hereby does assign to Lender all payment of claims under the policies of such insurance, and all amounts payable thereunder, and all net amounts, shall be collected by Lender under such policies and shall be applied in accordance with this Security Instrument; provided, however, that nothing herein contained shall be deemed to relieve Grantor of its obligations to timely pay all amounts due under the Loan Documents.

(iv) War risk insurance when such insurance is obtainable from the United States of America or any agency or instrumentality thereof at reasonable rates (for the maximum amount of insurance obtainable) and if requested by Lender, and such insurance is then customarily required by Institutional Lenders of similar properties similarly situated.

(v) Insurance against loss or damages from (A) leakage of sprinkler systems and (B) explosion of steam boilers, air conditioning equipment, pressure vessels or similar apparatus now or

hereafter installed at the Property, in such amounts as Lender may from time to time reasonably require and which are then customarily required by Institutional Lenders of similar properties similarly situated, but in no event less than \$25,000,000.

(vi) Flood insurance in an amount equal to the full insurable value of the Property or the maximum amount available, whichever is less, if the Improvements are located in an area designated by the Secretary of Housing and Urban Development as being "an area of special flood hazard" under the National Flood Insurance Program (i.e., having a one percent or greater chance of flooding), and if flood insurance is available under the National Flood Insurance Act.

(vii) Worker's compensation insurance or other similar insurance which may be required by Governmental Authorities or Legal Requirements.

(viii) Insurance against loss resulting from mold, spores or fungus on or about the Premises.

(ix) Insurance against damage resulting from acts of terrorism, or an insurance policy without an exclusion for damages resulting from terrorism, on terms consistent with the commercial property insurance policy required under subsections (i) (ii) and (iii) above.

(x) At all times during Construction, contractor's liability insurance to a limit of not less than \$25,000,000 on a per occurrence basis covering each contractor's construction operation at the Premises.

(xi) Such other insurance as may from time to time be required by Lender and which is then customarily required by Institutional Lenders for similar properties similarly situated, against other insurable hazards, including, but not limited to, malicious mischief, vandalism, sinkhole and mine subsidence, acts of terrorism, windstorm and/or earthquake, due regard to be given to the size and type of the Premises, Improvements, Fixtures and Equipment and their location, construction and use. Additionally, Grantor shall carry such insurance coverage as Lender may from time to time require if the failure to carry such insurance may result in a downgrade, qualification or withdrawal of any class of securities issued in connection with a Securitization or, if the Loan is not yet part of a Securitization, would result in an increase in the subordination levels of any class of securities anticipated to be issued in connection with a proposed Securitization.

(xii) If Grantor, any of its Affiliates or Manager holds a liquor license for the Premises, liquor liability insurance in the amount of no less than \$10,000,000.

(xiii) Automobile liability insurance covering owned, hired and not owned vehicles in an amount of not less than \$1,000,000 per accident.

(b) Grantor shall cause any Manager of the Property to maintain fidelity insurance in an amount equal to or greater than the Operating Income of the Property for the six (6) month period immediately preceding the date on which the premium for such insurance is due and payable or such lesser amount as Lender shall approve but not to exceed \$1,000,000.

Section 3.02. Policy Terms. (a) All insurance required by this Article III shall be in the form (other than with respect to Sections 3.01(a)(vi) and (vii) above when insurance in those two sub-sections is placed with a governmental agency or instrumentality on such agency's forms) and amount and with deductibles as, from time to time, shall be reasonably acceptable to Lender, under valid and enforceable policies issued by financially responsible insurers authorized to do business in the State where the Property is located, with a general policyholder's service rating of not less than A and a financial rating of not less than VIII as rated in the most currently available Best's Insurance Reports (or the equivalent, if such rating system shall hereafter be altered or replaced) and shall have a claims paying ability rating and/or financial strength rating, as applicable, of not less than "A" (or its equivalent), or such lower claims paying ability rating and/or financial strength rating, as applicable, as Lender shall, in its sole and absolute discretion, consent to, from a Rating Agency (one of which after a

Securitization in which Standard & Poor's rates any securities issued in connection with such Securitization, shall be Standard & Poor's). Originals or certified copies of all insurance policies shall be delivered to and held by Lender. All such policies (except policies for worker's compensation) shall name Lender, its successors and/or assigns as an additional named insured, with respect to the insurance required pursuant to Section 3.01(a)(iii) above, shall provide for loss payable to Lender, its successors and/or assigns and shall contain (or have attached): (i) standard "non-contributory mortgagee" endorsement or its equivalent relating, inter alia, to recovery by Lender notwithstanding the negligent or willful acts or omissions of Grantor; (ii) a waiver of subrogation endorsement as to Lender; (iii) an endorsement indicating that neither Lender nor Grantor shall be or be deemed to be a co-insurer with respect to any casualty risk insured by such policies and shall provide for a deductible per loss of an amount not more than \$25,000 and (iv) a provision that such policies shall not be canceled, terminated, denied renewal or amended, including, without limitation, any amendment reducing the scope or limits of coverage, without at least thirty (30) days' prior written notice to Lender in each instance. Not less than thirty (30) days prior to the expiration dates of the insurance policies obtained pursuant to this Security Instrument, originals or certified copies of renewals of such policies (or certificates evidencing such renewals) bearing notations evidencing the payment of premiums or accompanied by other reasonable evidence of such payment (which premiums shall not be paid by Grantor through or by any financing arrangement which would entitle an insurer to terminate a policy) shall be delivered by Grantor to Lender. Grantor shall not carry separate insurance, concurrent in kind or form or contributing in the event of loss, with any insurance required under this Article III.

(b) If Grantor fails to maintain and deliver to Lender the original policies or certificates of insurance required by this Security Instrument, or if there are insufficient funds in the Basic Carrying Costs Escrow Account to pay the premiums for same, Lender may, at its option, procure such insurance, and Grantor shall pay, or as the case may be, reimburse Lender for, all premiums thereon promptly, upon demand by Lender, with interest thereon at the Default Rate from the date paid by Lender to the date of repayment and such sum shall constitute a part of the Debt.

(c) Grantor shall notify Lender of the renewal premium of each insurance policy and Lender shall be entitled to pay such amount on behalf of Grantor from the Basic Carrying Costs Escrow Account.

(d) The insurance required by this Security Instrument may, at the option of Grantor, be effected by blanket and/or umbrella policies issued to Grantor covering the Property provided that, in each case, the policies otherwise comply with the provisions of this Security Instrument and allocate to the Property, from time to time (but in no event less than once a year), the coverage specified by this Security Instrument, without possibility of reduction or coinsurance by reason of, or damage to, any other property (real or personal) named therein. If the insurance required by this Security Instrument shall be effected by any such blanket or umbrella policies, Grantor shall furnish to Lender (i) original policies or certified copies thereof, or an original certificate of insurance together with reasonable access to the original of such policy to review such policy's coverage of the Property, with schedules attached thereto showing the amount of the insurance provided under such policies applicable to the Property and (ii) an Officer's Certificate setting forth (A) the number of properties covered by such policy, (B) the location by city (if available, otherwise, county) and state of the properties, (C) the average square footage of the properties, (D) a brief description of the typical construction type included in the blanket policy and (E) such other information as Lender may reasonably request.

Section 3.03. Assignment of Policies. (a) Grantor hereby assigns to Lender the proceeds of all insurance (other than worker's compensation and liability insurance) obtained pursuant to this Security Instrument, all of which proceeds shall be payable to Lender as collateral and further security for the payment of the Debt and the performance of Grantor's obligations hereunder and under the other Loan Documents, and Grantor hereby authorizes and directs the issuer of any such insurance to make payment of such proceeds directly to Lender. Except as otherwise expressly provided in Section 3.04 or elsewhere in this Article III, Lender shall have the option, in its discretion, and without regard to the adequacy of its security, to apply all or any part of the proceeds it may receive pursuant to this Article in such manner as Lender may elect to any one or more of the following: (i) the payment of the Debt, whether or not then due, in any proportion or priority as Lender, in its discretion, may elect, (ii) the repair or restoration of the Property, (iii) the cure of any Default or (iv) the reimbursement of the costs and expenses of Lender incurred pursuant to the terms hereof in connection with the recovery of the Insurance Proceeds. Nothing herein contained shall be deemed to excuse Grantor from repairing or maintaining the Property as provided in this

Security Instrument or restoring all damage or destruction to the Property, regardless of the sufficiency of the Insurance Proceeds, and the application or release by Lender of any Insurance Proceeds shall not cure or waive any Default or notice of Default.

(b) In the event of the foreclosure of this Security Instrument or any other transfer of title or assignment of all or any part of the Property in extinguishment, in whole or in part, of the Debt, all right, title and interest of Grantor in and to all policies of insurance required by this Security Instrument shall inure to the benefit of the successor in interest to Grantor or the purchaser of the Property. If, prior to the receipt by Lender of any proceeds, the Property or any portion thereof shall have been sold on foreclosure of this Security Instrument or by deed in lieu thereof or otherwise, or any claim under such insurance policy arising during the term of this Security Instrument is not paid until after the extinguishment of the Debt, and Lender shall not have received the entire amount of the Debt outstanding at the time of such extinguishment, whether or not a deficiency judgment on this Security Instrument shall have been sought or recovered or denied, then, the proceeds of any such insurance to the extent of the amount of the Debt not so received, shall be paid to and be the property of Lender, together with interest thereon at the Default Rate, and the reasonable attorney's fees, costs and disbursements incurred by Lender in connection with the collection of the proceeds which shall be paid to Lender and Grantor hereby assigns, transfers and sets over to Lender all of Grantor's right, title and interest in and to such proceeds. Notwithstanding any provisions of this Security Instrument to the contrary, Lender shall not be deemed to be a trustee or other fiduciary with respect to its receipt of any such proceeds, which may be commingled with any other monies of Lender; provided, however, that Lender shall use such proceeds for the purposes and in the manner permitted by this Security Instrument. Any proceeds deposited with Lender shall be held by Lender in an interest-bearing account, but Lender makes no representation or warranty as to the rate or amount of interest, if any, which may accrue on such deposit and shall have no liability in connection therewith. Interest accrued, if any, on the proceeds shall be deemed to constitute a part of the proceeds for purposes of this Security Instrument. The provisions of this Section 3.03(b) shall survive the termination of this Security Instrument by foreclosure, deed in lieu thereof or otherwise as a consequence of the exercise of the rights and remedies of Lender hereunder after a Default.

Section 3.04. Casualty Restoration. (a) (i) In the event of any damage to or destruction of the Property, Grantor shall give prompt written notice to Lender (which notice shall set forth Grantor's good faith estimate of the cost of repairing or restoring such damage or destruction, or, if Grantor cannot reasonably estimate the anticipated cost of restoration, Grantor shall nonetheless give Lender prompt notice of the occurrence of such damage or destruction, and will diligently proceed to obtain estimates to enable Grantor to quantify the anticipated cost and time required for such restoration, whereupon Grantor shall promptly notify Lender of such good faith estimate) and, provided that restoration does not violate any Legal Requirements, Grantor shall promptly commence and diligently prosecute to completion the repair, restoration or rebuilding of the Property so damaged or destroyed to a condition such that the Property shall be at least equal in value to that immediately prior to the damage to the extent practicable, in full compliance with all Legal Requirements and the provisions of all Leases, and in accordance with Section 3.04(b) below. Such repair, restoration or rebuilding of the Property are sometimes hereinafter collectively referred to as the "Work".

(ii) Grantor shall not adjust, compromise or settle any claim for Insurance Proceeds without the prior written consent of Lender, which shall not be unreasonably withheld or delayed and Lender shall have the right, at Grantor's sole cost and expense, to participate in any settlement or adjustment of Insurance Proceeds; provided, however, that, except during the continuance of an Event of Default, Lender's consent shall not be required with respect to the adjustment, compromising or settlement of any claim for Insurance Proceeds in an amount less than \$100,000.

(iii) Subject to Section 3.04(a)(iv), Lender shall apply any Insurance Proceeds which it may receive towards the Work in accordance with Section 3.04(b) and the other applicable sections of this Article III.

(iv) If (A) a Default shall have occurred, (B) Lender is not reasonably satisfied that the Debt Service Coverage, after substantial completion of the Work, will be at least equal to the Required Debt Service Coverage, (C) more than thirty percent (30%) of the reasonably estimated fair market value of the

Property is damaged or destroyed, (D) Lender is not reasonably satisfied that the Work can be completed six (6) months prior to Maturity or (E) Lender is not reasonably satisfied that the Work can be completed within twelve (12) months of the damage to or destruction of the Property (each, a "Substantial Casualty"), Lender shall have the option, in its sole discretion to apply any Insurance Proceeds it may receive pursuant to this Security Instrument (less any cost to Lender of recovering and paying out such proceeds incurred pursuant to the terms hereof and not otherwise reimbursed to Lender, including, without limitation, reasonable attorneys' fees and expenses) to the payment of the Debt, without any prepayment fee or charge of any kind, or to allow such proceeds to be used for the Work pursuant to the terms and subject to the conditions of Section 3.04(b) hereof and the other applicable sections of this Article III.

(v) In the event that Lender elects or is obligated hereunder to allow Insurance Proceeds to be used for the Work, any excess proceeds remaining after completion of such Work shall be applied to the payment of the Debt without any prepayment fee or charge of any kind.

(b) If any Condemnation Proceeds in accordance with Section 6.01(a), or any Insurance Proceeds in accordance with Section 3.04(a), are to be applied to the repair, restoration or rebuilding of the Property, then such proceeds shall be deposited into a segregated interest-bearing bank account at the Bank, which shall be an Eligible Account, held by Lender and shall be paid out from time to time to Grantor as the Work progresses (less any cost to Lender of recovering and paying out such proceeds, including, without limitation, reasonable attorneys' fees and costs allocable to inspecting the Work and the plans and specifications therefor) subject to Section 5.13 hereof and to all of the following conditions:

(i) An Independent architect or engineer selected by Grantor and reasonably acceptable to Lender (an "Architect" or "Engineer") or a Person otherwise reasonably acceptable to Lender, shall have delivered to Lender a certificate estimating the cost of completing the Work, and, if the amount set forth therein is more than the sum of the amount of Insurance Proceeds then being held by Lender in connection with a casualty and amounts agreed to be paid as part of a final settlement under the insurance policy upon or before completion of the Work, Grantor shall have delivered to Lender (A) cash collateral in an amount equal to such excess, (B) an unconditional, irrevocable, clean sight draft letter of credit, in form, substance and issued by a bank reasonably acceptable to Lender, in the amount of such excess and draws on such letter of credit shall be made by Lender to make payments pursuant to this Article III following exhaustion of the Insurance Proceeds therefor or (C) a completion bond in form, substance and issued by a surety company reasonably acceptable to Lender.

(ii) If the cost of the Work is reasonably estimated by an Architect or Engineer in a certification reasonably acceptable to Lender to be equal to or exceed five percent (5%) of the Loan Amount, such Work shall be performed under the supervision of an Architect or Engineer, it being understood that the plans and specifications with respect thereto shall provide for Work so that, upon completion thereof, the Property shall be at least equal in replacement value and general utility to the Property prior to the damage or destruction.

(iii) Each request for payment shall be made on not less than ten (10) days' prior notice to Lender and shall be accompanied by a certificate of an Architect or Engineer, or, if the Work is not required to be supervised by an Architect or Engineer, by an Officer's Certificate stating (A) that payment is for Work completed in compliance with the plans and specifications, if required under clause (ii) above, (B) that the sum requested is required to reimburse Grantor for payments by Grantor to date, or is due to the contractors, subcontractors, materialmen, laborers, engineers, architects or other Persons rendering services or materials for the Work (giving a brief description of such services and materials), and that when added to all sums previously paid out by Lender does not exceed the value of the Work done to the date of such certificate, (C) if the sum requested is to cover payment relating to repair and restoration of personal property required or relating to the Property, that title to the personal property items covered by the request for payment is vested in Grantor (unless Grantor is lessee of such personal property), and (D) that the Insurance Proceeds and other amounts deposited by Grantor held by Lender after such payment is more than the estimated remaining cost to complete such Work; provided, however, that if such certificate is

given by an Architect or Engineer, such Architect or Engineer shall certify as to clause (A) above, and such Officer's Certificate shall certify as to the remaining clauses above, and provided, further, that Lender shall not be obligated to disburse such funds if Lender determines, in Lender's reasonable discretion, that Grantor shall not be in compliance with this Section 3.04(b). Additionally, each request for payment shall contain a statement signed by Grantor stating that the requested payment is for Work satisfactorily done to date.

(iv) Each request for payment shall be accompanied by waivers of lien, in customary form and substance, covering that part of the Work for which payment or reimbursement is being requested and, if required by Lender, a search prepared by a title company or licensed abstractor, or by other evidence reasonably satisfactory to Lender that there has not been filed with respect to the Property any mechanic's or other lien or instrument for retention of title relating to any part of the Work not discharged of record. Additionally, as to any personal property covered by the request for payment, Lender shall be furnished with evidence of Grantor having incurred a payment obligation therefor and such further evidence reasonably satisfactory to assure Lender that UCC filings therefor provide a valid first lien on the personal property.

(v) Lender shall have the right to inspect the Work at all reasonable times upon reasonable prior notice and may condition any disbursement of Insurance Proceeds upon satisfactory compliance by Grantor with the provisions hereof. Neither the approval by Lender of any required plans and specifications for the Work nor the inspection by Lender of the Work shall make Lender responsible for the preparation of such plans and specifications, or the compliance of such plans and specifications of the Work, with any applicable law, regulation, ordinance, covenant or agreement.

(vi) Insurance Proceeds shall not be disbursed more frequently than once every thirty (30) days.

(vii) Until such time as the Work has been substantially completed, Lender shall not be obligated to disburse up to ten percent (10%) of the cost of the Work (the "Retention Amount") to Grantor. Upon substantial completion of the Work, Grantor shall send notice thereof to Lender and, subject to the conditions of Section 3.04(b)(i)-(iv), Lender shall disburse one-half of the Retention Amount to Grantor; provided, however, that the remaining one-half of the Retention Amount shall be disbursed to Grantor when Lender shall have received copies of any and all final certificates of occupancy or other certificates, licenses and permits required for the ownership, occupancy and operation of the Property in accordance with all Legal Requirements. Grantor hereby covenants to diligently seek to obtain any such certificates, licenses and permits.

(viii) Upon failure on the part of Grantor promptly to commence the Work or to proceed diligently and continuously to completion of the Work, which failure shall continue after notice for thirty (30) days, Lender may apply any Insurance Proceeds or Condemnation Proceeds it then or thereafter holds to the payment of the Debt in accordance with the provisions of the Note; provided, however, that Lender shall be entitled to apply at any time all or any portion of the Insurance Proceeds or Condemnation Proceeds it then holds to the extent necessary to cure any Event of Default.

(c) If Grantor (i) within ninety (90) days after the occurrence of any damage to the Property or any portion thereof (or such shorter period as may be required under any Major Space Lease) shall fail to submit to Lender for approval plans and specifications for the Work (approved by the Architect and by all Governmental Authorities whose approval is required), (ii) after any such plans and specifications are approved by all Governmental Authorities, the Architect and Lender, shall fail to promptly commence such Work or (iii) shall fail to diligently prosecute such Work to completion, then, in addition to all other rights available hereunder, at law or in equity, Lender, or any receiver of the Property or any portion thereof, upon five (5) days' prior notice to Grantor (except in the event of emergency in which case no notice shall be required), may (but shall have no obligation to) perform or cause to be performed such Work, and may take such other steps as it reasonably deems advisable. Grantor hereby waives, for Grantor, any claim, other than for gross negligence or willful misconduct, against Lender

and any receiver arising out of any act or omission of Lender or such receiver pursuant hereto, and Lender may apply all or any portion of the Insurance Proceeds (without the need to fulfill any other requirements of this Section 3.04) to reimburse Lender and such receiver, for all costs not reimbursed to Lender or such receiver upon demand together with interest thereon at the Default Rate from the date such amounts are advanced until the same are paid to Lender or the receiver.

(d) Grantor hereby irrevocably appoints Lender as its attorney-in-fact, coupled with an interest, to collect and receive any Insurance Proceeds paid with respect to any portion of the Property or the insurance policies required to be maintained hereunder, and to endorse any checks, drafts or other instruments representing any Insurance Proceeds whether payable by reason of loss thereunder or otherwise.

Section 3.05. Compliance with Insurance Requirements. Grantor promptly shall comply with, and shall cause the Property to comply with, all Insurance Requirements, even if such compliance requires structural changes or improvements or would result in interference with the use or enjoyment of the Property or any portion thereof provided Grantor shall have a right to contest in good faith and with diligence such Insurance Requirements provided (a) no Default shall exist during such contest and such contest shall not subject the Property or any portion thereof to any lien or affect the priority of the lien of this Security Instrument, (b) failure to comply with such Insurance Requirements will not subject Lender or any of its agents, employees, officers or directors to any civil or criminal liability, (c) such contest will not cause any reduction in insurance coverage, (d) such contest shall not affect the ownership, use or occupancy of the Property, (e) the Property or any part thereof or any interest therein shall not be in any danger of being sold, forfeited or lost by reason of such contest by Grantor, (f) Grantor has given Lender prompt notice of such contest and, upon request by Lender from time to time, notice of the status of such contest by Grantor and/or information of the continuing satisfaction of the conditions set forth in clauses (a) through (e) of this Section 3.05, (g) upon a final determination of such contest, Grantor shall promptly comply with the requirements thereof, and (h) prior to and during such contest, Grantor shall furnish to Lender security satisfactory to Lender, in its reasonable discretion, against loss or injury by reason of such contest or the non-compliance with such Insurance Requirement (and if such security is cash, Lender shall deposit the same in an interest-bearing account and interest accrued thereon, if any, shall be deemed to constitute a part of such security for purposes of this Security Instrument, but Lender (i) makes no representation or warranty as to the rate or amount of interest, if any, which may accrue thereon and shall have no liability in connection therewith and (ii) shall not be deemed to be a trustee or fiduciary with respect to its receipt of any such security and any such security may be commingled with other monies of Lender). If Grantor shall use the Property or any portion thereof in any manner which could permit the insurer to cancel any insurance required to be provided hereunder, Grantor immediately shall obtain a substitute policy which shall satisfy the requirements of this Security Instrument and which shall be effective on or prior to the date on which any such other insurance policy shall be canceled. Grantor shall not by any action or omission invalidate any insurance policy required to be carried hereunder unless such policy is replaced as aforesaid, or materially increase the premiums on any such policy above the normal premium charged for such policy. Grantor shall cooperate with Lender in obtaining for Lender the benefits of any Insurance Proceeds lawfully or equitably payable to Lender in connection with the transaction contemplated hereby.

Section 3.06. Event of Default During Restoration. Notwithstanding anything to the contrary contained in this Security Instrument including, without limitation, the provisions of this Article III, if, at the time of any casualty affecting the Property or any part thereof, or at any time during any Work, or at any time that Lender is holding or is entitled to receive any Insurance Proceeds pursuant to this Security Instrument, a Default exists and is continuing (whether or not it constitutes an Event of Default), Lender shall then have no obligation to make such proceeds available for Work and Lender shall have the right and option, to be exercised in its sole and absolute discretion and election, with respect to the Insurance Proceeds, either to retain and apply such proceeds in reimbursement for the actual costs, fees and expenses incurred by Lender in accordance with the terms hereof in connection with the adjustment of the loss and any balance toward payment of the Debt in such priority and proportions as Lender, in its sole discretion, shall deem proper, or towards the Work, upon such terms and conditions as Lender shall determine, or to cure such Default, or to any one or more of the foregoing as Lender, in its sole and absolute discretion, may determine. If Lender shall receive and retain such Insurance Proceeds, the lien of this Security Instrument shall be reduced only by the amount thereof received, after reimbursement to Lender of expenses of collection, and actually applied by Lender in reduction of the principal sum payable under the Note in accordance with the Note.

Section 3.07. Application of Proceeds to Debt Reduction. (a) No damage to the Property, or any part thereof, by fire or other casualty whatsoever, whether such damage be partial or total, shall relieve Grantor from its liability to pay in full the Debt and to perform its obligations under this Security Instrument and the other Loan Documents.

(b) If any Insurance Proceeds are applied to reduce the Debt, Lender shall apply the same in accordance with the provisions of the Note.

ARTICLE IV: IMPOSITIONS

Section 4.01. Payment of Impositions, Utilities and Taxes, etc. (a) Grantor shall pay or cause to be paid all Impositions at least five (5) days prior to the date upon which any fine, penalty, interest or cost for nonpayment is imposed, and furnish to Lender, upon request, receipted bills of the appropriate taxing authority or other documentation reasonably satisfactory to Lender evidencing the payment thereof. If Grantor shall fail to pay any Imposition in accordance with this Section and is not contesting or causing a contesting of such Imposition in accordance with Section 4.04 hereof, or if there are insufficient funds in the Basic Carrying Costs Escrow Account to pay any Imposition, Lender shall have the right, but shall not be obligated, to pay that Imposition, and Grantor shall repay to Lender, on demand, any amount paid by Lender, with interest thereon at the Default Rate from the date of the advance thereof to the date of repayment, and such amount shall constitute a portion of the Debt secured by this Security Instrument.

(b) Grantor shall, prior to the date upon which any fine, penalty, interest or cost for the nonpayment is imposed, pay or cause to be paid all charges for electricity, power, gas, water and other services and utilities in connection with the Property, and shall, upon request, deliver to Lender receipts or other documentation reasonably satisfactory to Lender evidencing payment thereof. If Grantor shall fail to pay any amount required to be paid by Grantor pursuant to this Section 4.01 and is not contesting such charges in accordance with Section 4.04 hereof, Lender shall have the right, but shall not be obligated, to pay that amount, and Grantor will repay to Lender, on demand, any amount paid by Lender with interest thereon at the Default Rate from the date of the advance thereof to the date of repayment, and such amount shall constitute a portion of the Debt secured by this Security Instrument.

(c) Grantor shall pay all taxes, charges, filing, registration and recording fees, excises and levies imposed upon Lender by reason of or in connection with its ownership of any Loan Document or any other instrument related thereto, or resulting from the execution, delivery and recording of, or the lien created by, or the obligation evidenced by, any of them, other than income, franchise and other similar taxes imposed on Lender and shall pay all corporate stamp taxes, if any, and other taxes, required to be paid on the Loan Documents. If Grantor shall fail to make any such payment within ten (10) days after written notice thereof from Lender, Lender shall have the right, but shall not be obligated, to pay the amount due, and Grantor shall reimburse Lender therefor, on demand, with interest thereon at the Default Rate from the date of the advance thereof to the date of repayment, and such amount shall constitute a portion of the Debt secured by this Security Instrument.

Section 4.02. Deduction from Value. In the event of the passage after the date of this Security Instrument of any Legal Requirement deducting from the value of the Property for the purpose of taxation, any lien thereon or changing in any way the Legal Requirements now in force for the taxation of this Security Instrument and/or the Debt for federal, state or local purposes, or the manner of the operation of any such taxes so as to adversely affect the interest of Lender, or imposing any tax or other charge on any Loan Document, then Grantor will pay such tax, with interest and penalties thereon, if any, within the statutory period. In the event the payment of such tax or interest and penalties by Grantor would be unlawful, or taxable to Lender or unenforceable or provide the basis for a defense of usury, then in any such event, Lender shall have the option, by written notice of not less than thirty (30) days, to declare the Debt immediately due and payable, with no prepayment fee or charge of any kind.

Section 4.03. No Joint Assessment. Grantor shall not consent to or initiate the joint assessment of the Premises or the Improvements (a) with any other real property constituting a separate tax lot and Grantor represents and covenants that the Premises and the Improvements are and shall remain a separate tax lot or (b) with any portion

of the Property which may be deemed to constitute personal property, or any other procedure whereby the lien of any taxes which may be levied against such personal property shall be assessed or levied or charged to the Property as a single lien.

Section 4.04. Right to Contest. Grantor shall have the right, after prior notice to Lender, at its sole expense, to contest by appropriate legal proceedings diligently conducted in good faith, without cost or expense to Lender or any of its agents, employees, officers or directors, the validity, amount or application of any Imposition or any charge described in Section 4.01(b), provided that (a) no Default or Event of Default shall exist during such proceedings and such contest shall not (unless Grantor shall comply with clause (d) of this Section 4.04) subject the Property or any portion thereof to any lien or affect the priority of the lien of this Security Instrument, (b) failure to pay such Imposition or charge will not subject Lender or any of its agents, employees, officers or directors to any civil or criminal liability, (c) the contest suspends enforcement of the Imposition or charge (unless Grantor first pays the Imposition or charge), (d) prior to and during such contest, Grantor shall furnish to Lender security satisfactory to Lender, in its reasonable discretion, against loss or injury by reason of such contest or the non-payment of such Imposition or charge (and if such security is cash, Lender may deposit the same in an interest-bearing account and interest accrued thereon, if any, shall be deemed to constitute a part of such security for purposes of this Security Instrument, but Lender (i) makes no representation or warranty as to the rate or amount of interest, if any, which may accrue thereon and shall have no liability in connection therewith and (ii) shall not be deemed to be a trustee or fiduciary with respect to its receipt of any such security and any such security may be commingled with other monies of Lender), (e) such contest shall not affect the ownership, use or occupancy of the Property, (f) the Property or any part thereof or any interest therein shall not be in any danger of being sold, forfeited or lost by reason of such contest by Grantor, (g) Grantor has given Lender notice of the commencement of such contest and upon request by Lender, from time to time, notice of the status of such contest by Grantor and/or confirmation of the continuing satisfaction of clauses (a) through (f) of this Section 4.04, and (h) upon a final determination of such contest, Grantor shall promptly comply with the requirements thereof. Upon completion of any contest, Grantor shall immediately pay the amount due, if any, and deliver to Lender proof of the completion of the contest and payment of the amount due, if any, following which Lender shall return the security, if any, deposited with Lender pursuant to clause (d) of this Section 4.04. Grantor shall not pay any Imposition in installments unless permitted by applicable Legal Requirements, and shall, upon the request of Lender, deliver copies of all notices and bills relating to any Imposition or other charge covered by this Article IV to Lender.

Section 4.05. No Credits on Account of the Debt. Grantor will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Impositions assessed against the Property or any part thereof and no deduction shall otherwise be made or claimed from the taxable value of the Property, or any part thereof, by reason of this Security Instrument or the Debt. In the event such claim, credit or deduction shall be required by Legal Requirements, Lender shall have the option, by written notice of not less than thirty (30) days, to declare the Debt immediately due and payable, and Grantor hereby agrees to pay such amounts not later than thirty (30) days after such notice.

Section 4.06. Documentary Stamps. If, at any time, the United States of America, any State or Commonwealth thereof or any subdivision of any such State shall require revenue or other stamps to be affixed to the Note, this Security Instrument or any other Loan Document, or impose any other tax or charges on the same, Grantor will pay the same, with interest and penalties thereon, if any.

ARTICLE V: CENTRAL CASH MANAGEMENT

Section 5.01. Cash Flow. Grantor hereby acknowledges and agrees that the Rents (which for the purposes of this Section 5.01 shall not include security deposits from tenants under Leases held by Grantor and not applied towards Rent) derived from the Property and Loss Proceeds shall be utilized to fund the Sub-Accounts. Grantor shall cause Manager to collect all security deposits from tenants under valid Leases, which shall be held by Manager, as agent for Grantor, in accordance with applicable law and in a segregated demand deposit bank account at such commercial or savings bank or banks as may be reasonably satisfactory to Lender (the "Security Deposit Account"). Grantor shall notify Lender of any security deposits held as letters of credit and, upon Lender's request, such letters of credit shall be promptly delivered to Lender. Grantor shall have no right to withdraw funds from the Security

Deposit Account; provided that, prior to the occurrence of an Event of Default, Grantor may withdraw funds from the Security Deposit Account to refund or apply security deposits as required by the Leases or by applicable Legal Requirements. After the occurrence of an Event of Default, all withdrawals from the Security Deposit Account must be approved by Lender. All payments constituting Rent shall be delivered to Manager. Manager shall collect all Rent (other than Rent paid by each Credit Card Company directly to the Rent Account as provided below and Rent paid by tenants under Space Leases which shall be paid directly to the Rent Account pursuant to irrevocable direction letters in the form of Exhibit E attached hereto which Grantor shall give each tenant under a Space Lease, a copy of which shall be delivered to Lender promptly upon request therefor) and shall, within seven (7) days of the receipt thereof, deposit in the Rent Account, the name and address of the bank in which such account is located and the account number of which are to be identified in writing by Grantor to Lender, all Rent. Pursuant to the Rent Account Agreement of even date herewith, the bank in which the Rent Account is located has been instructed that (a) prior to receipt of a notice from Lender (a "Sweep Notice") that an O&M Operative Period has commenced or an Event of Default exists, all funds in the Rent Account shall be transferred to the Grantor Account on a daily basis and (b) from and after the receipt of a Sweep Notice from Lender, (i) all funds deposited in the Rent Account other than Property Available Cash, or, (ii) if an Event of Default exists, all funds deposited into the Rent Account, shall be automatically transferred through automated clearing house funds ("ACH") or by Federal wire to the Central Account prior to 2:00 p.m. (New York City time) on a daily basis until receipt by such bank of a written notice from Lender revoking the Sweep Notice. Additionally, Grantor shall, or shall cause Manager to send to each respective credit card company or credit card clearing bank with which Grantor or Manager has entered into merchant's agreements (each, a "Credit Card Company") a direction letter in the form of Exhibit G annexed hereto and made a part hereof (the "Credit Card Payment Direction Letter") directing such Credit Card Company to make all payments due in connection with goods or services furnished at or in connection with the Property by Federal wire or through ACH directly to the Rent Account. Without the prior written consent of Lender, neither Grantor nor Manager shall (i) terminate, amend, revoke or modify any Credit Card Payment Direction Letter in any manner or (ii) direct or cause any Credit Card Company to pay any amount in any manner other than as specifically provided in the related Credit Card Payment Direction Letter. Lender may elect to change the financial institution in which the Central Account shall be maintained; however, Lender shall give Grantor and the bank in which the Rent Account is located not fewer than five (5) Business Days' prior notice of such change. Neither Grantor nor Manager shall change such bank or the Rent Account without the prior written consent of Lender. All fees and charges of the bank(s) in which the Rent Account and the Central Account are located shall be paid by Grantor.

Section 5.02. Establishment of Accounts. Lender has established the Escrow Accounts and the Central Account in the name of Lender and the Rent Account in the joint name of Grantor, Manager and Lender, as secured party. The Escrow Accounts, the Rent Account and the Central Account shall be under the sole dominion and control of Lender and funds held therein shall not constitute trust funds. Grantor hereby irrevocably directs and authorizes Lender to withdraw funds from the Rent Account, and to deposit into and withdraw funds from the Central Account and the Escrow Accounts, all in accordance with the terms and conditions of this Security Instrument. Grantor shall have no right of withdrawal in respect of the Rent Account, the Central Account or the Escrow Accounts except as specifically provided herein. Each transfer of funds to be made hereunder shall be made only to the extent that funds are on deposit in the Rent Account, the Central Account or the affected Sub-Account or Escrow Account, and Lender shall have no responsibility to make additional funds available in the event that funds on deposit are insufficient. The Central Account shall contain the Basic Carrying Costs Sub-Account, the Debt Service Payment Sub-Account, the Recurring Replacement Reserve Sub-Account, the Operation and Maintenance Expense Sub-Account and the Curtailment Reserve Sub-Account, each of which accounts shall be Eligible Accounts or book-entry sub-accounts of an Eligible Account (each a "Sub-Account" and collectively, the "Sub-Accounts") to which certain funds shall be allocated and from which disbursements shall be made pursuant to the terms of this Security Instrument. Sums held in the Escrow Accounts may be commingled with other monies held by Lender.

Section 5.03. Permitted Investments. All sums deposited into the Basic Carrying Costs Escrow Account, Recurring Replacement Reserve Escrow Account and the Engineering Escrow Account shall be held in an interest bearing account but Grantor acknowledges that Lender makes no representation or warranty as to the rate of return. Lender shall not have any liability for any loss in investments of funds in the Basic Carrying Costs Escrow Account, Recurring Replacement Reserve Escrow Account or the Engineering Escrow Account and no such loss shall affect Grantor's obligation to fund, or liability for funding, the Central Account and each Sub-Account and Escrow

Account, as the case may be. Grantor agrees that Lender shall include all such earnings on the Basic Carrying Costs Escrow Account, Recurring Replacement Reserve Escrow Account and the Engineering Escrow Account as income of Grantor (and, if Grantor is a partnership, limited liability company or other pass-through entity, the partners, members or beneficiaries of Grantor, as the case may be) for federal and applicable state and local tax purposes. All interest paid or other earnings on funds deposited into the Basic Carrying Costs Escrow Account, Recurring Replacement Reserve Escrow Account and the Engineering Escrow Account made hereunder shall be deposited into the Central Account and shall be allocated to the Basic Carrying Costs Escrow Account, Recurring Replacement Reserve Escrow Account or the Engineering Escrow Account, as applicable. Grantor shall pay all costs, fees and expenses incurred in connection with the establishment and maintenance of, or the disbursement from, the Basic Carrying Costs Escrow Account, Recurring Replacement Reserve Escrow Account and the Engineering Escrow Account, which sums shall be due and payable by Grantor upon demand and may be deducted by Lender from amounts on deposit in the Central Account or the Escrow Accounts.

Section 5.04. Servicing Fees. At the option of Lender, the Loan may be serviced by a servicer (the "Servicer") selected by Lender and Lender may delegate all or any portion of its responsibilities under this Security Instrument to the Servicer. Grantor shall pay all servicing fees of Servicer, if any, charged in connection with any disbursement of funds from the Escrow Accounts pursuant to the Servicer's then standard conditions and rates.

Section 5.05. Monthly Funding of Sub-Accounts and Escrow Accounts. (a) On or before each Payment Date during the term of the Loan, commencing on the first (1st) Payment Date occurring after the month in which the Loan is initially funded, Grantor shall pay or cause to be paid to the Central Account all sums required to be deposited in the Sub-Accounts pursuant to this Section 5.05(a) and all funds transferred or deposited into the Central Account shall be allocated among the Sub-Accounts as follows and in the following priority:

- (i) first, to the Basic Carrying Costs Sub-Account, until an amount equal to the Basic Carrying Costs Monthly Installment for such Payment Date has been allocated to the Basic Carrying Costs Sub-Account;
- (ii) second, to the Debt Service Payment Sub-Account, until an amount equal to the Required Debt Service Payment for such Payment Date has been allocated to the Debt Service Payment Sub-Account;
- (iii) third, to the Recurring Replacement Reserve Sub-Account, until an amount equal to the Recurring Replacement Reserve Monthly Installment for such Payment Date has been allocated to the Recurring Replacement Reserve Sub-Account;
- (iv) fourth, but only if an Event of Default exists, to the Operation and Maintenance Expense Sub-Account until an amount equal to the Cash Expenses, other than management fees payable to Affiliates of Grantor, for the Interest Accrual Period ending immediately prior to such Payment Date pursuant to the related Approved Annual Budget;
- (v) fifth, but only if an Event of Default exists, to the Operation and Maintenance Expense Sub-Account until an amount equal to the amount, if any, of the Net Capital Expenditures for the Interest Accrual Period ending immediately prior to the Payment Date pursuant to the related Approved Annual Budget;
- (vi) sixth, but only during an O&M Operative Period, to the Operation and Maintenance Expense Sub-Account until an amount equal to the amount, if any, of the Extraordinary Expenses approved by Lender for the Interest Accrual Period ending immediately prior to such Payment Date; and
- (vii) seventh, but only during an O&M Operative Period, the balance, if any, to the Curtailment Reserve Sub-Account.

Provided that (I) no Event of Default has occurred and is continuing and (II) Lender has received the Manager Certification referred to in Section 2.09(d) hereof for the most recent period for which the same is due, Lender agrees that in each Interest Accrual Period any amounts deposited into or remaining in the Central Account after the Sub-Accounts have been funded as set forth in this Section 5.05(a) with respect to such Interest Accrual Period and any periods prior thereto, shall be disbursed by Lender to Grantor on each Payment Date applicable to such Interest Accrual Period. The balance of the funds distributed to Grantor after payment of all Operating Expenses by or on behalf of Grantor may be retained by Grantor. After the occurrence, and during the continuance, of an Event of Default, no funds held in the Central Account shall be distributed to, or withdrawn by, Grantor, and Lender shall have the right to apply all or any portion of the funds held in the Central Account or any Sub-Account or any Escrow Account to the Debt in Lender's sole discretion.

(b) On each Payment Date, (i) sums held in the Basic Carrying Costs Sub-Account shall be transferred to the Basic Carrying Costs Escrow Account, (ii) sums held in the Debt Service Payment Sub-Account, together with any amounts deposited into the Central Account that are either (x) Loss Proceeds that Lender has elected to apply to reduce the Debt in accordance with the terms of Article III hereof or (y) excess Loss Proceeds remaining after the completion of any restoration required hereunder, shall be transferred to Lender to be applied towards the Required Debt Service Payment, (iii) sums held in the Recurring Replacement Reserve Sub-Account shall be transferred to the Recurring Replacement Reserve Escrow Account, (iv) sums held in the Operation and Maintenance Expense Sub-Account shall be transferred to the Operation and Maintenance Expense Escrow Account and (v) sums held in the Curtailment Reserve Sub-Account shall be transferred to the Curtailment Reserve Escrow Account.

Section 5.06. Payment of Basic Carrying Costs. Grantor hereby agrees to pay all Basic Carrying Costs (without regard to the amount of money in the Basic Carrying Costs Sub-Account or the Basic Carrying Costs Escrow Account). At least ten (10) Business Days prior to the due date of any Basic Carrying Costs, and not more frequently than once each month, Grantor may notify Lender in writing and request that Lender pay such Basic Carrying Costs on behalf of Grantor on or prior to the due date thereof, and, provided that no Event of Default has occurred and that there are sufficient funds available in the Basic Carrying Costs Escrow Account, Lender shall make such payments out of the Basic Carrying Costs Escrow Account before same shall be delinquent. Together with each such request, Grantor shall furnish Lender with bills and all other documents necessary, as reasonably determined by Lender, for the payment of the Basic Carrying Costs which are the subject of such request. Grantor's obligation to pay (or cause Lender to pay) Basic Carrying Costs pursuant to this Security Instrument shall include, to the extent permitted by applicable law, Impositions resulting from future changes in law which impose upon Lender an obligation to pay any property taxes or other Impositions or which otherwise adversely affect Lender's interests. Notwithstanding the foregoing, provided that no Event of Default has occurred and is continuing, in the event that Lender receives a tax bill directly from a Governmental Authority relating to any Real Estate Taxes, to the extent sums are then on deposit in the Basic Carrying Costs Escrow Account relating to the Real Estate Taxes billed in such tax bill, Lender shall apply such amounts contained in the Basic Carrying Costs Escrow Account to pay all sums due thereunder prior to the date such Real Estate Taxes would accrue late charges or interest thereon or within ten (10) Business Days of the receipt of such tax bill, whichever is later. In making any payment of Real Estate Taxes, Lender may rely on any bill, statement or estimate obtained from the applicable Governmental Authority without inquiry into the accuracy of such bill, statement or estimate or into the validity of any Imposition or claim with respect thereto.

Provided that no Event of Default shall have occurred, all funds deposited into the Basic Carrying Costs Escrow Account shall be held by Lender pursuant to the provisions of this Security Instrument and shall be applied in payment of Basic Carrying Costs in accordance with the terms hereof. Should an Event of Default occur, the sums on deposit in the Basic Carrying Costs Sub-Account and the Basic Carrying Costs Escrow Account may be applied by Lender in payment of any Basic Carrying Costs or may be applied to the payment of the Debt or any other charges affecting all or any portion of the Property as Lender in its sole discretion may determine; provided, however, that no such application shall be deemed to have been made by operation of law or otherwise until actually made by Lender as herein provided.

Section 5.07. Intentionally Omitted.

Section 5.08. Recurring Replacement Reserve Escrow Account. Grantor hereby agrees to pay all Recurring Replacement Expenditures with respect to the Property (without regard to the amount of money then available in the Recurring Replacement Reserve Sub-Account or the Recurring Replacement Reserve Escrow Account). Provided that Lender has received written notice from Grantor at least five (5) Business Days prior to the due date of any payment relating to Recurring Replacement Expenditures and not more frequently than once each month, and further provided that no Event of Default has occurred, that there are sufficient funds available in the Recurring Replacement Reserve Escrow Account and that Grantor shall have theretofore furnished Lender with lien waivers, copies of bills, invoices and other reasonable documentation as may be required by Lender to establish that the Recurring Replacement Expenditures which are the subject of such request represent amounts due for completed or partially completed capital work and improvements performed at the Property, Lender shall make such payments out of the Recurring Replacement Reserve Escrow Account.

Provided that no Event of Default shall have occurred, all funds deposited into the Recurring Replacement Reserve Escrow Account shall be held by Lender pursuant to the provisions of this Security Instrument and shall be applied in payment of Recurring Replacement Expenditures. Should an Event of Default occur, the sums on deposit in the Recurring Replacement Reserve Sub-Account and the Recurring Replacement Reserve Escrow Account may be applied by Lender in payment of any Recurring Replacement Expenditures or may be applied to the payment of the Debt or any other charges affecting all or any portion of the Property, as Lender in its sole discretion may determine; provided, however, that no such application shall be deemed to have been made by operation of law or otherwise until actually made by Lender as herein provided.

Section 5.09. Operation and Maintenance Expense Escrow Account. Grantor hereby agrees to pay all Operating Expenses with respect to the Property (without regard to the amount of money then available in the Operation and Maintenance Expense Sub-Account or the Operation and Maintenance Expense Escrow Account). All funds allocated to the Operation and Maintenance Expense Escrow Account shall be held by Lender pursuant to the provisions of this Security Instrument. Any sums held in the Operation and Maintenance Expense Escrow Account shall be disbursed to Grantor within five (5) Business Days of receipt by Lender from Grantor of (a) a written request for such disbursement which shall indicate the Operating Expenses (exclusive of Basic Carrying Costs and any management fees payable to Grantor, or to any Affiliate of Grantor) for which the requested disbursement is to pay and (b) an Officer's Certificate stating that no Operating Expenses with respect to the Property are more than sixty (60) days past due; provided, however, in the event that Grantor legitimately disputes any invoice for an Operating Expense, and (i) no Event of Default has occurred and is continuing hereunder, (ii) Grantor shall have set aside adequate reserves for the payment of such disputed sums together with all interest and late fees thereon, (iii) Grantor has complied with all the requirements of this Security Instrument relating thereto, and (iv) the contesting of such sums shall not constitute a default under any other instrument, agreement, or document to which Grantor is a party, then Grantor may, after certifying to Lender as to items (i) through (iv) hereof, contest such invoice. Together with each such request, Grantor shall furnish Lender with bills and all other documents necessary for the payment of the Operating Expenses which are the subject of such request. Grantor may request a disbursement from the Operation and Maintenance Expense Escrow Account no more than one (1) time per calendar month. Should an Event of Default occur and be continuing, the sums on deposit in the Operation and Maintenance Expense Sub-Account or the Operation and Maintenance Expense Escrow Account may be applied by Lender in payment of any Operating Expenses for the Property or may be applied to the payment of the Debt or any other charges affecting all or any portion of the Property as Lender, in its sole discretion, may determine; provided, however, that no such application shall be deemed to have been made by operation of law or otherwise until actually made by Lender as herein provided.

Section 5.10. Intentionally Omitted.

Section 5.11. Curtailment Reserve Escrow Account. Funds deposited into the Curtailment Reserve Escrow Account shall be held by Lender in the Curtailment Reserve Escrow Account as additional security for the Loan until the Loan has been paid in full unless released by Lender to Grantor earlier as provided below. Lender may, in its sole and absolute discretion, after giving notice to Grantor, apply any funds on deposit in the Curtailment Reserve Escrow Account towards the Debt. All sums in the Curtailment Reserve Escrow Account which are applied to the payment of the Loan shall be applied only on a Payment Date. Additionally, provided that no Event of Default has

occurred and is continuing, and no O&M Operative Period has existed for two (2) consecutive calendar quarters, Lender shall, upon written request from Grantor, release all sums contained in the Curtailment Reserve Escrow Account to Grantor. Should an Event of Default occur, the sums on deposit in the Curtailment Reserve Sub-Account and the Curtailment Reserve Escrow Account may be applied by Lender to the payment of the Debt or other charges affecting all or any portion of the Property, as Lender, in its sole discretion, may determine; provided, however, that no such application shall be deemed to have been made by operation of law or otherwise until actually made by Lender as herein provided.

Section 5.12. Performance of Engineering Work. (a) Grantor shall promptly commence and diligently thereafter pursue to completion the Required Engineering Work. In the event the Required Engineering Work is not completed prior to the date set forth in that certain Conversion and PIP Work Escrow Agreement of even date herewith among Commonwealth Land Title Insurance Company, Operating Tenant, the Person from which Borrower acquired title to the Property and White Lodging Services Corporation (the "CAP Escrow Agreement"), any sums released to Grantor or its Affiliates pursuant to the CAP Escrow Agreement shall be paid over to Lender and deposited into the Engineering Escrow Account. In the event the Required Engineering Work is not completed prior to the first (1st) anniversary of the Closing Date or if Lender does not have a perfected first priority lien over sums held pursuant to the CAP Escrow Agreement, Grantor shall deliver to Lender an amount to be deposited into the Engineering Escrow Account equal to one hundred twenty percent (120%) of the amount estimated by Lender, in its reasonable discretion, necessary to complete the Required Engineering Work less any sums then on deposit in the Engineering Escrow Account. After Grantor completes an item of Required Engineering Work, Grantor may submit to Lender an invoice therefor with lien waivers and a statement from the Engineer, reasonably acceptable to Lender, indicating that the portion of the Required Engineering Work in question has been completed in compliance with all Legal Requirements, and Lender shall, within twenty (20) days thereafter, although in no event more frequently than once each month, reimburse such amount to Grantor from the Engineering Escrow Account; provided, however, that Grantor shall not be reimbursed more than the amount set forth on Exhibit D hereto as the amount allocated to the portion of the Required Engineering Work for which reimbursement is sought or for any Required Engineering Work with respect to which sums are held under the CAP Escrow Agreement.

(b) From and after the date all of the Required Engineering Work is completed, Grantor may submit a written request, which request shall be delivered together with final lien waivers and a statement from the Engineer, as the case may be, reasonably acceptable to Lender, indicating that all of the Required Engineering Work has been completed in compliance with all Legal Requirements, and Lender shall, within twenty (20) days thereafter, disburse any balance of the Engineering Escrow Account to Grantor. Should an Event of Default occur, the sums on deposit in the Engineering Escrow Account may be applied by Lender in payment of any Required Engineering Work or may be applied to the payment of the Debt or any other charges affecting all or any portion of the Property, as Lender in its sole discretion may determine; provided, however, that no such application shall be deemed to have been made by operation of law or otherwise until actually made by Lender as herein provided.

Section 5.13. Loss Proceeds. In the event of a casualty to the Property, unless Lender elects, or is required pursuant to Article III hereof to make all of the Insurance Proceeds available to Grantor for restoration, Lender and Grantor shall cause all such Insurance Proceeds to be paid by the insurer directly to the Central Account, whereupon Lender shall, after deducting Lender's costs of recovering and paying out such Insurance Proceeds, including without limitation, reasonable attorneys' fees, apply same to reduce the Debt in accordance with the terms of the Note; provided, however, that if Lender elects, or is deemed to have elected, to make the Insurance Proceeds available for restoration, all Insurance Proceeds in respect of rent loss, business interruption or similar coverage shall be deposited into the Rent Account, to be applied by Lender in the same manner as Rent received with respect to the operation of the Property; provided, further, however, that in the event that the Insurance Proceeds with respect to such rent loss, business interruption or similar insurance policy are paid in a lump sum in advance, Lender shall hold such Insurance Proceeds in a segregated interest-bearing escrow account, which shall be an Eligible Account, shall estimate, in Lender's reasonable discretion, the number of months required for Grantor to restore the damage caused by the casualty, shall divide the aggregate rent loss, business interruption or similar Insurance Proceeds by such number of months, and shall disburse from such bank account into the Rent Account each month during the performance of such restoration such monthly installment of said Insurance Proceeds. In the event that Insurance Proceeds are to be applied toward restoration, Lender shall hold such funds in a segregated bank account

at the Bank, which shall be an Eligible Account, and shall disburse same in accordance with the provisions of Section 3.04 hereof. Unless Lender elects, or is required pursuant to Section 6.01 hereof to make all of the Condemnation Proceeds available to Grantor for restoration, Lender and Grantor shall cause all such Condemnation Proceeds to be paid to the Central Account, whereupon Lender shall, after deducting Lender's costs of recovering and paying out such Condemnation Proceeds, including without limitation, reasonable attorneys' fees, apply same to reduce the Debt in accordance with the terms of the Note; provided, however, that any Condemnation Proceeds received in connection with a temporary Taking shall be deposited into the Rent Account, to be applied by Lender in the same manner as Rent received with respect to the operation of the Property; provided, further, however, that in the event that the Condemnation Proceeds of any such temporary Taking are paid in a lump sum in advance, Lender shall hold such Condemnation Proceeds in a segregated interest-bearing bank account, which shall be an Eligible Account, shall estimate, in Lender's reasonable discretion, the number of months that the Property shall be affected by such temporary Taking, shall divide the aggregate Condemnation Proceeds in connection with such temporary Taking by such number of months, and shall disburse from such bank account into the Rent Account each month during the pendency of such temporary Taking such monthly installment of said Condemnation Proceeds. In the event that Condemnation Proceeds are to be applied toward restoration, Lender shall hold such funds in a segregated bank account at the Bank, which shall be an Eligible Account, and shall disburse same in accordance with the provisions of Section 3.04 hereof. If any Loss Proceeds are received by Grantor, such Loss Proceeds shall be received in trust for Lender, shall be segregated from other funds of Grantor, and shall be forthwith paid into the Central Account, or paid to Lender to hold in a segregated bank account at the Bank, in each case to be applied or disbursed in accordance with the foregoing. Any Loss Proceeds made available to Grantor for restoration in accordance herewith, to the extent not used by Grantor in connection with, or to the extent they exceed the cost of, such restoration, shall be deposited into the Central Account, whereupon Lender shall apply the same to reduce the Debt in accordance with the terms of the Note.

ARTICLE VI: CONDEMNATION

Section 6.01. Condemnation. (a) Grantor shall notify Lender promptly of the commencement or threat of any Taking of the Property or any portion thereof. Lender is hereby irrevocably appointed as Grantor's attorney-in-fact, coupled with an interest, with exclusive power to collect, receive and retain the proceeds of any such Taking and to make any compromise or settlement in connection with such proceedings (subject to Grantor's reasonable approval, except after the occurrence of an Event of Default, in which event Grantor's approval shall not be required), subject to the provisions of this Security Instrument; provided, however, that Grantor may participate in any such proceedings and shall be authorized and entitled to compromise or settle any such proceeding with respect to Condemnation Proceeds in an amount less than five percent (5%) of the Loan Amount. Grantor shall execute and deliver to Lender any and all instruments reasonably required in connection with any such proceeding promptly after request therefor by Lender. Except as set forth above, Grantor shall not adjust, compromise, settle or enter into any agreement with respect to such proceedings without the prior consent of Lender. All Condemnation Proceeds are hereby assigned to and shall be paid to Lender to be applied in accordance with the terms hereof. With respect to Condemnation Proceeds in an amount in excess of five percent (5%) of the Loan Amount, Grantor hereby authorizes Lender to compromise, settle, collect and receive such Condemnation Proceeds, and to give proper receipts and acquittance therefor. Subject to the provisions of this Article VI, Lender may apply such Condemnation Proceeds (less any cost to Lender of recovering and paying out such proceeds, including, without limitation, reasonable attorneys' fees and disbursements and costs allocable to inspecting any repair, restoration or rebuilding work and the plans and specifications therefor) toward the payment of the Debt or to allow such proceeds to be used for the Work.

(b) "Substantial Taking" shall mean (i) a Taking of such portion of the Property that would, in Lender's reasonable discretion, leave remaining a balance of the Property which would not under then current economic conditions, applicable Development Laws and other applicable Legal Requirements, permit the restoration of the Property so as to constitute a complete, rentable facility of the same sort as existed prior to the Taking, having adequate ingress and egress to the Property, capable of producing a projected Net Operating Income (as reasonably determined by Lender) yielding a projected Debt Service Coverage therefrom for the next two (2) years of not less than the Required Debt Service Coverage, (ii) a Taking which occurs less than two (2) years prior to the Maturity Date, (iii) a Taking which Lender is not reasonably satisfied could be restored within twelve (12) months and at least

six (6) months prior to the Maturity Date or (iv) a Taking of more than fifteen percent (15%) of the reasonably estimated fair market value of the Property.

(c) In the case of a Substantial Taking, Condemnation Proceeds shall be payable to Lender in reduction of the Debt but without any prepayment fee or charge of any kind and, if Grantor elects to apply any Condemnation Proceeds it may receive pursuant to this Security Instrument to the payment of the Debt, Grantor may prepay the balance of the Debt without any prepayment fee or charge of any kind.

(d) In the event of a Taking which is less than a Substantial Taking, Grantor at its sole cost and expense (whether or not the award shall have been received or shall be sufficient for restoration) shall proceed diligently to restore, or cause the restoration of, the remaining Improvements not so taken, to maintain a complete, rentable, self-contained fully operational facility of the same sort as existed prior to the Taking in as good a condition as is reasonably possible. In the event of such a Taking, Lender shall receive the Condemnation Proceeds and shall pay over the same:

(i) first, provided no Default shall have occurred, to Grantor to the extent of any portion of the award as may be necessary to pay the reasonable cost of restoration of the Improvements remaining, and

(ii) second, to Lender, in reduction of the Debt without any prepayment premium or charge of any kind.

If one or more Takings in the aggregate create a Substantial Taking, then, in such event, the sections of this Article VI above applicable to Substantial Takings shall apply.

(e) In the event Lender is obligated to or elects to make Condemnation Proceeds available for the restoration or rebuilding of the Property, such proceeds shall be disbursed in the manner and subject to the conditions set forth in Section 3.04(b) hereof. If, in accordance with this Article VI, any Condemnation Proceeds are used to reduce the Debt, they shall be applied in accordance with the provisions of the Note. Grantor shall promptly execute and deliver all instruments requested by Lender for the purpose of confirming the assignment of the Condemnation Proceeds to Lender. Application of all or any part of the Condemnation Proceeds to the Debt shall be made in accordance with the provisions of Sections 3.06 and 3.07 hereof. No application of the Condemnation Proceeds to the reduction of the Debt shall have the effect of releasing the lien of this Security Instrument until the remainder of the Debt has been paid in full. In the case of any Taking, Lender, to the extent that Lender has not been reimbursed by Grantor, shall be entitled, as a first priority out of any Condemnation Proceeds, to reimbursement for all costs, fees and expenses reasonably incurred in the determination and collection of any Condemnation Proceeds. All Condemnation Proceeds deposited with Lender pursuant to this Section, until expended or applied as provided herein, shall be held in accordance with Section 3.04(b) hereof and shall constitute additional security for the payment of the Debt and the payment and performance of Grantor's obligations, but Lender shall not be deemed a trustee or other fiduciary with respect to its receipt of such Condemnation Proceeds or any part thereof. All awards so deposited with Lender shall be held by Lender in an Eligible Account, but Lender makes no representation or warranty as to the rate or amount of interest, if any, which may accrue on any such deposit and shall have no liability in connection therewith. For purposes hereof, any reference to the award shall be deemed to include interest, if any, which has accrued thereon.

ARTICLE VII: LEASES AND RENTS

Section 7.01. Assignment. (a) Grantor does hereby bargain, sell, assign and set over unto Lender, all of Grantor's interest in the Leases and Rents. The assignment of Leases and Rents in this Section 7.01 is an absolute, unconditional and present assignment from Grantor to Lender and not an assignment for security and the existence or exercise of Grantor's revocable license to collect Rent shall not operate to subordinate this assignment to any subsequent assignment. The exercise by Lender of any of its rights or remedies pursuant to this Section 7.01 shall not be deemed to make Lender a mortgagee-in-possession. In addition to the provisions of this Article VII, Grantor shall comply with all terms, provisions and conditions of the Assignment.

(b) So long as there shall exist and be continuing no Event of Default, Grantor shall have a revocable license to take all actions with respect to all Leases and Rents, present and future, including the right to collect and use the Rents, subject to the terms of this Security Instrument and the Assignment.

(c) In a separate instrument Grantor shall, as requested from time to time by Lender, assign to Lender or its nominee by specific or general assignment, any and all Leases, such assignments to be in form and content reasonably acceptable to Lender, but subject to the provisions of Section 7.01(b) hereof. Grantor agrees to deliver to Lender, within thirty (30) days after Lender's request, a true and complete copy of every Lease.

(d) The rights of Lender contained in this Article VII, the Assignment or any other assignment of any Lease shall not result in any obligation or liability of Lender to Grantor or any lessee under a Lease or any party claiming through any such lessee.

(e) At any time after an Event of Default, the license granted hereinabove may be revoked by Lender, and Lender or a receiver appointed in accordance with this Security Instrument may enter upon the Property, and collect, retain and apply the Rents toward payment of the Debt in such priority and proportions as Lender in its sole discretion shall deem proper.

(f) In addition to the rights which Lender may have herein, upon the occurrence of any Event of Default, Lender, at its option, may require Grantor to pay monthly in advance to Lender, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of such part of the Property as may be used and occupied by Grantor and may require Grantor to vacate and surrender possession of the Property to Lender or to such receiver and, in default thereof, Grantor may be evicted by summary proceedings or otherwise.

Section 7.02. Management of Property. (a) Grantor shall manage the Property or cause the Property to be managed in a manner which is consistent with the Approved Manager Standard. All Space Leases shall provide for rental rates comparable to then existing local market rates and terms and conditions which constitute good and prudent business practice and are consistent with prevailing market terms and conditions, and shall be arms-length transactions. All Leases shall be on a form previously approved by Lender and shall provide that they are subordinate to this Security Instrument and that the lessees thereunder attorn to Lender. Grantor shall deliver copies of all Leases, amendments, modifications and renewals thereof to Lender. All proposed Leases for the Property shall be subject to the prior written approval of Lender, provided, however that Grantor may enter into new leases with unrelated third parties without obtaining the prior consent of Lender provided that: (i) the proposed leases conform with the requirements of this Section 7.02; (ii) the space to be leased pursuant to such proposed lease together with any space leased or to be leased to an Affiliate of the tenant thereunder does not exceed 5,000 square feet; and (iii) the term of the proposed lease inclusive of all extensions and renewals, does not exceed five (5) years.

(b) Grantor (i) shall observe and perform all of its material obligations under the Leases pursuant to applicable Legal Requirements and shall not do or permit to be done anything to impair the value of the Leases as security for the Debt; (ii) shall promptly send copies to Lender of all notices of default which Grantor shall receive under the Leases; (iii) shall, consistent with the Approved Manager Standard, enforce all of the terms, covenants and conditions contained in the Leases to be observed or performed; (iv) shall not collect any of the Rents under the Leases more than one (1) month in advance (except that Grantor may collect in advance such security deposits as are permitted pursuant to applicable Legal Requirements and are commercially reasonable in the prevailing market); (v) shall not execute any other assignment of lessor's interest in the Leases or the Rents except as otherwise expressly permitted pursuant to this Security Instrument; (vi) shall not cancel or terminate any of the Leases or accept a surrender thereof in any manner inconsistent with the Approved Manager Standard; (vii) shall not convey, transfer or suffer or permit a conveyance or transfer of all or any part of the Premises or the Improvements or of any interest therein so as to effect a merger of the estates and rights of, or a termination or diminution of the obligations of, lessees thereunder; (viii) shall not alter, modify or change the terms of any guaranty of any Major Space Lease or cancel or terminate any such guaranty; (ix) shall, in accordance with the Approved Manager Standard, make all reasonable efforts to seek lessees for space as it becomes vacant and enter into Leases in accordance with the terms hereof; (x) shall not materially modify, alter or amend any Major Space Lease or Property Agreement without Lender's consent, which consent will not be unreasonably withheld or delayed; (xi) shall notify Lender promptly if

any Pad Owner shall cease business operations or of the occurrence of any event of which it becomes aware affecting a Pad Owner or its property which might have any material effect on the Property; and (xii) shall, without limitation to any other provision hereof, execute and deliver at the request of Lender all such further assurances, confirmations and assignments in connection with the Property as are required herein and as Lender shall from time to time reasonably require.

(c) All security deposits of lessees, whether held in cash or any other form, shall be treated by Grantor as trust funds, shall not be commingled with any other funds of Grantor and, if cash, shall be deposited by Grantor in the Security Deposit Account. Any bond or other instrument which Grantor is permitted to hold in lieu of cash security deposits under applicable Legal Requirements shall be maintained in full force and effect unless replaced by cash deposits as hereinabove described, shall be issued by a Person reasonably satisfactory to Lender, shall, if permitted pursuant to Legal Requirements, at Lender's option, name Lender as payee or mortgagee thereunder or be fully assignable to Lender and shall, in all respects, comply with applicable Legal Requirements and otherwise be reasonably satisfactory to Lender. Grantor shall, upon request, provide Lender with evidence reasonably satisfactory to Lender of Grantor's compliance with the foregoing. Following the occurrence and during the continuance of any Event of Default, Grantor shall, upon Lender's request, if permitted by applicable Legal Requirements, turn over the security deposits (and any interest thereon) to Lender to be held by Lender in accordance with the terms of the Leases and all Legal Requirements.

(d) If requested by Lender, Grantor shall furnish, or shall cause the applicable lessee to furnish, to Lender financial data and/or financial statements in accordance with Regulation AB for any lessee of the Property if, in connection with a Securitization, Lender expects there to be, with respect to such lessee or any group of affiliated lessees, a concentration within all of the mortgage loans included or expected to be included, as applicable, in such Securitization such that such lessee or group of affiliated lessees would constitute a Significant Obligor; provided, however, that in the event the related Space Lease does not require the related lessee to provide the foregoing information, Grantor shall use commercially reasonable efforts to cause the applicable lessee to furnish such information.

(e) Grantor covenants and agrees with Lender that (i) the Property will be managed at all times by Manager pursuant to the management agreement in the form approved by Lender (the "Management Agreement"), (ii) after Grantor has knowledge of a fifty percent (50%) or more change in control of the ownership of Manager, Grantor will promptly give Lender notice thereof (a "Manager Control Notice") and (iii) the Management Agreement may be terminated by Lender at any time for cause (including, but not limited to, Manager's gross negligence, misappropriation of funds, willful misconduct or fraud) or at any time following (A) the occurrence of an Event of Default, or (B) the receipt of a Manager Control Notice and a substitute managing agent shall be appointed by Grantor, subject to Lender's prior written approval, which may be given or withheld in Lender's sole discretion and which may be conditioned on, inter alia, a letter from each Rating Agency confirming that any rating issued by the Rating Agency in connection with a Securitization will not, as a result of the proposed change of Manager, be downgraded from the then current ratings thereof, qualified or withdrawn. Grantor may from time to time appoint a successor manager to manage the Property with Lender's prior written consent which consent shall not be unreasonably withheld or delayed, provided that any such successor manager shall be a reputable management company with experience in managing properties similar to the Property and acceptable to the franchisor under the Franchise Agreement in its reasonable discretion which meets the Approved Manager Standard and each Rating Agency shall have confirmed in writing that any rating issued by the Rating Agency in connection with a Securitization will not, as a result of the proposed change of Manager, be downgraded from the then current ratings thereof, qualified or withdrawn. Grantor further covenants and agrees that Grantor shall require Manager (or any successor managers) to maintain at all times during the term of the Loan worker's compensation insurance as required by Governmental Authorities.

(f) The Franchise Agreement, pursuant to which Grantor has the right to operate the hotel located on the Premises under a name and/or hotel system controlled by such franchisor, is in full force and effect and there is no default, breach or violation existing thereunder by any party thereto and no event has occurred (other than payments due but not yet delinquent) that, with the passage of time or the giving of notice, or both, would constitute a default, breach or violation by any party thereunder. Grantor shall (i) pay or shall cause to be paid all sums

required to be paid by Grantor under the Franchise Agreement and Operating Lease, (ii) diligently perform and observe all of the terms, covenants and conditions of the Franchise Agreement on the part of Grantor to be performed and observed to the end that all things shall be done which are necessary to keep unimpaired the rights of Grantor under the Franchise Agreement and Operating Lease, (iii) promptly notify Lender of the giving of any notice to Grantor of any default by Grantor in the performance or observance of any of the terms, covenants or conditions of the Franchise Agreement or Operating Lease on the part of Grantor to be performed and observed and deliver to Lender a true copy of each such notice, and (iv) promptly deliver to Lender a copy of each financial statement, business plan, capital expenditures plan, notice, report and estimate received by it under the Franchise Agreement or the Management Agreement or the Operating Lease. Grantor shall not, without the prior consent of the Lender, surrender the Franchise Agreement or Operating Lease or terminate or cancel the Franchise Agreement or modify, change, supplement, alter or amend the Franchise Agreement or Operating Lease, in any respect, either orally or in writing, and Grantor hereby assigns to Lender as further security for the payment of the Debt and for the performance and observance of the terms, covenants and conditions of this Security Instrument, all the rights, privileges and prerogatives of Grantor to surrender the Franchise Agreement or Operating Lease or to terminate, cancel, modify, change, supplement, alter or amend the Franchise Agreement or Operating Lease in any respect, and any such surrender of the Franchise Agreement or termination, cancellation, modification, change, supplement, alteration or amendment of the Franchise Agreement or Operating Lease without the prior consent of Lender shall be void and of no force and effect. If Grantor shall default in the performance or observance of any material term, covenant or condition of the Franchise Agreement or Operating Lease on the part of Grantor to be performed or observed, then, without limiting the generality of the other provisions of this Security Instrument, and without waiving or releasing Grantor from any of its obligations hereunder, Lender shall have the right, but shall be under no obligation, to pay any sums and to perform any act or take any action as may be appropriate to cause all the terms, covenants and conditions of the Franchise Agreement or Operating Lease on the part of Grantor to be performed or observed to be promptly performed or observed on behalf of Grantor, to the end that the rights of Grantor in, to and under the Franchise Agreement and Operating Lease shall be kept unimpaired and free from default. Lender and any Person designated by Lender shall have, and are hereby granted, the right to enter upon the Property at any time and from time to time for the purpose of taking any such action. If the franchisor under the Franchise Agreement or lessee under an Operating Lease shall deliver to Lender a copy of any notice sent to Grantor of default under the Franchise Agreement or Operating Lease, as applicable, such notice shall constitute full protection to Lender for any action to be taken by Lender in good faith, in reliance thereon. Grantor shall, from time to time, use its best efforts to obtain from the franchisor under the Franchise Agreement such certificates of estoppel with respect to compliance by Grantor with the terms of the Franchise Agreement as may be requested by Lender. Grantor shall exercise each individual option, if any, to extend or renew the term of the Franchise Agreement within four (4) months of the last day upon which any such option may be exercised, unless Lender consents to the non-renewal of such Franchise Agreement in writing, and Grantor hereby expressly authorizes and appoints Lender its attorney-in-fact to exercise any such option in the name of and upon behalf of Grantor, which power of attorney shall be irrevocable and shall be deemed to be coupled with an interest.

(g) Except in the ordinary course of Grantor's operations, Grantor covenants that it shall not, nor permit Manager, to sell or deliver rooms or suites and accept payment therefor for more than thirty (30) days in advance of delivery. Notwithstanding the foregoing and provided no Event of Default has occurred, payments more than (30) days in advance of delivery ("Lump Sum Advance Payments") may be accepted by Grantor or Manager, so long as Grantor shall or shall cause Manager to deposit such payments, in the Rent Account as provided in Section 5.01 hereof. Lender shall disburse from the Rent Account into the Central Account each month that portion of the Lump Sum Advance Payments on deposit in the Rent Account equal to the aggregate of Lump Sum Advance Payments divided by the number of months for which such payments were accepted by Grantor or Manager.

(h) Grantor shall fund and operate and shall cause Manager to operate, the Property in a manner consistent with a hotel of the same type and category as the Property and in compliance with any Franchise Agreement.

(i) Grantor shall maintain or cause Manager to maintain Inventory in kind and amount sufficient to meet hotel industry standards for hotels comparable to the hotel located at the Premises and at levels sufficient for the operation of the hotel located at the Premises at historic occupancy levels.

(j) Grantor shall deliver to Lender all notices of default or termination received by Grantor or Manager with respect to any licenses and permits, contracts, Property Agreements, Leases or insurance policies within three (3) Business Days of receipt of the same.

(k) Grantor shall not permit any Equipment or other personal property to be removed from the Property unless the removed item is consumed or sold in the ordinary course of business, removed temporarily for maintenance and repair, or, if removed permanently, replaced by an article of equivalent suitability and not materially less value, owned by Grantor free and clear of any lien.

ARTICLE VIII: MAINTENANCE AND REPAIR

Section 8.01. Maintenance and Repair of the Property; Alterations; Replacement of Equipment. Grantor hereby covenants and agrees:

(a) Grantor shall not (i) desert or abandon the Property, (ii) change the use of the Property or cause or permit the use or occupancy of any part of the Property to be discontinued if such discontinuance or use change would violate any zoning or other law, ordinance or regulation; (iii) consent to or seek any lowering of the zoning classification, or greater zoning restriction affecting the Property; or (iv) take any steps whatsoever to convert the Property, or any portion thereof, to a condominium or cooperative form of ownership.

All repairs made by Grantor shall be made with first-class materials, in a good and workmanlike manner, shall be equal or better in quality and class to the original work and shall comply with all applicable Legal Requirements and Insurance Requirements. To the extent any of the above obligations are obligations of tenants under Space Leases or Pad Owners or other Persons under Property Agreements, Grantor may fulfill its obligations hereunder by causing such tenants, Pad Owners or other Persons, as the case may be, to perform their obligations thereunder. As used herein, the terms "repair" and "repairs" shall be deemed to include all necessary replacements.

(c) Grantor shall not demolish, remove, construct, or, except as otherwise expressly provided herein, restore, or alter the Property or any portion thereof; nor consent to or permit any such demolition, removal, construction, restoration, addition or alteration which would diminish the value of the Property without Lender's prior written consent in each instance (it being acknowledged that the work set forth in the CAP Escrow Agreement is consented to by Lender), which consent shall not be unreasonably withheld or delayed.

(d) Grantor represents and warrants to Lender that (i) there are no fixtures, machinery, apparatus, tools, equipment or articles of personal property attached or appurtenant to, or located on, or used in connection with the management, operation or maintenance of the Property, except for the Equipment and equipment leased by Grantor for the management, operation or maintenance of the Property in accordance with the Loan Documents; (ii) the Equipment and the leased equipment constitute all of the fixtures, machinery, apparatus, tools, equipment and articles of personal property necessary to the proper operation and maintenance of the Property; and (iii) all of the Equipment is free and clear of all liens, except for the lien of this Security Instrument and the Permitted Encumbrances. All right, title and interest of Grantor in and to all extensions, improvements, betterments, renewals and appurtenances to the Property hereafter acquired by, or released to, Grantor or constructed, assembled or placed by Grantor in the Property, and all changes and substitutions of the security constituted thereby, shall be and, in each such case, without any further mortgage, encumbrance, conveyance, assignment or other act by Lender or Grantor, shall become subject to the lien and security interest of this Security Instrument as fully and completely, and with the same effect, as though now owned by Grantor and specifically described in this Security Instrument, but at any

and all times Grantor shall execute and deliver to Lender any documents Lender may reasonably deem necessary or appropriate for the purpose of specifically subjecting the same to the lien and security interest of this Security Instrument.

(e) Notwithstanding the provisions of this Security Instrument to the contrary, Grantor shall have the right, at any time and from time to time, to remove and dispose of Equipment which may have become obsolete or unfit for use or which is no longer useful in the management, operation or maintenance of the Property. Grantor shall promptly replace any such Equipment so disposed of or removed with other Equipment of equal value and utility, free of any security interest or superior title, liens or claims; except that, if by reason of technological or other developments, replacement of the Equipment so removed or disposed of is not necessary or desirable for the proper management, operation or maintenance of the Property, Grantor shall not be required to replace the same. All such replacements or additional equipment shall be deemed to constitute "Equipment" and shall be covered by the security interest herein granted.

ARTICLE IX: TRANSFER OR ENCUMBRANCE OF THE PROPERTY

Section 9.01. Other Encumbrances. Grantor shall not further encumber or permit the further encumbrance in any manner (whether by grant of a pledge, security interest or otherwise) of the Property or any part thereof or interest therein, including, without limitation, of the Rents therefrom. In addition, Grantor shall not further encumber and shall not permit the further encumbrance in any manner (whether by grant of a pledge, security interest or otherwise) of Grantor or any direct or indirect interest in Grantor except as expressly permitted pursuant to this Security Instrument other than a Mez Loan.

Grantor shall not Transfer, nor permit any Transfer, without the prior written consent of Lender, which consent Lender may withhold in its sole and absolute discretion, subject to the following provisions of this Article IX. Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon a Transfer without Lender's consent. This provision shall apply to every Transfer regardless of whether voluntary or not, or whether or not Lender has consented to any previous Transfer.

Section 9.03. Due on Sale. Lender may declare the Debt immediately due and payable upon any Transfer other than a Mez Loan or further encumbrance without Lender's consent without regard to whether any impairment of its security or any increased risk of default hereunder can be demonstrated. This provision shall apply to every Transfer or further encumbrance of the Property or any part thereof or interest in the Property or in Grantor regardless of whether voluntary or not, or whether or not Lender has consented to any previous Transfer or further encumbrance of the Property or interest in Grantor.

Notwithstanding the foregoing provisions of this Article IX, subsequent to the first (1st) anniversary of the Closing Date and prior to the date which is six (6) months prior to the Stated Maturity, a two time sale, conveyance or transfer of the Property in its entirety (hereinafter, "Sale") shall be permitted hereunder provided that each of the following terms and conditions are satisfied:

- (a) no Default is then continuing hereunder or under any of the other Loan Documents;
- (b) If the proposed Sale is to occur at any time after a Securitization, each Rating Agency shall have delivered written confirmation that any rating issued by such Rating Agency in connection with the Securitization will not, as a result of the proposed Sale, be downgraded from the then current ratings thereof, qualified or withdrawn; provided, however, that no request for consent to the Sale will be entertained by Lender if the proposed

(h) Grantor executes and delivers to Lender, without any cost or expense to Lender, a release of Lender, its officers, directors, employees and agents, from all claims and liability relating to the transactions evidenced by the Loan Documents, through and including the date of the closing of the Sale, which agreement shall be in form and substance satisfactory to Lender and shall be binding upon Buyer;

(i) subject to the provisions of Section 18.32 hereof, such Sale is not construed so as to relieve Grantor of any personal liability under the Note or any of the other Loan Documents for any acts or events occurring or obligations arising prior to or simultaneously with the closing of such Sale, and Grantor executes, without any cost or expense to Lender, such documents and agreements as Lender shall reasonably require to evidence and effectuate the ratification of said personal liability;

(j) such Sale is not construed so as to relieve any Guarantor of its obligations under any guaranty or indemnity agreement executed in connection with the Loan and each such Guarantor executes, without any cost or expense to Lender, such documents and agreements as Lender shall reasonably require to evidence and effectuate the ratification of each such guaranty agreement, provided that if Buyer or a party associated with Buyer approved by Lender in its reasonable discretion assumes the obligations of the current Guarantor under its guaranty and Buyer or such party associated with Buyer, as applicable, executes, without any cost or expense to Lender, a new guaranty in similar form and substance to the existing guaranty and otherwise satisfactory to Lender, then Lender shall release the current Guarantor from all obligations arising under its guaranty after the closing of such Sale; and

In addition, and without limitation, to any other provision of this Security Instrument or any other Loan Document, Grantor shall protect, indemnify and save harmless Lender and its successors and assigns, and each of their agents, employees, officers, directors, stockholders, partners and members (collectively, "Indemnified Parties") for, from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature, known or unknown, contingent or otherwise, whether incurred or imposed within or outside the judicial process, including, without limitation, reasonable attorneys' fees and disbursements imposed upon or incurred by or asserted against any of the Indemnified Parties by reason of (a) ownership of this Security Instrument, the Assignment, the Property or any part thereof or any interest therein or receipt of any Rents; (b) any accident, injury to or death of any person or loss of or damage to property occurring in, on or about the Property or any part thereof or on the adjoining sidewalks, curbs, parking areas, streets or ways; (c) any use, nonuse or condition in, on or about, or possession, alteration, repair, operation, maintenance or management of, the Property or any part thereof or on the adjoining sidewalks, curbs, parking areas, streets or ways; (d) any failure on the part of Grantor to perform or comply with any of the terms of this Security Instrument or the Assignment; (e) performance of any labor or services or the furnishing of any materials or other property in respect of the Property or any part thereof; (f) any claim by brokers, finders or similar Persons claiming to be entitled to a commission in connection with any Lease or other transaction involving the Property or any part thereof; (g) any Imposition including, without limitation, any Imposition attributable to the execution, delivery, filing, or recording of any Loan Document, Lease or memorandum thereof; (h) any lien or claim arising on or against the Property or any part thereof under any Legal Requirement or any liability asserted against any of the Indemnified Parties with respect thereto; (i) any claim arising out of or in any way relating to any tax or other imposition on the making and/or recording of this Security Instrument, the Note or any of the other Loan Documents; (j) a Default under Sections 2.02(f), 2.02(g), 2.02(k), 2.02(t) or 2.02(w) hereof, (k) the failure of any Person to file timely with the Internal Revenue Service an accurate Form 1099-B, Statement for Recipients of Proceeds from Real Estate, Broker and Barter Exchange Transactions, which may be required in connection with the Loan, or to supply a copy thereof in a timely fashion to the recipient of the proceeds of the Loan; (l) the claims of any lessee or any Person acting through or under any lessee or otherwise arising under or as a consequence of any Lease or (m) the failure to pay any insurance premiums. Notwithstanding the foregoing provisions of this Section 12.01 to the contrary, Grantor shall have no obligation to indemnify the Indemnified Parties pursuant to this Section 12.01 for liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses relative to the foregoing which result from an Indemnified Party's, and its successors' or assigns', willful misconduct or gross negligence. Any amounts payable to Lender by reason of the application of this Section 12.01 shall constitute a part of the Debt secured by this Security Instrument and the other Loan Documents and shall become immediately due and payable and shall bear interest at the Default Rate from the date the liability, obligation, claim, cost or expense is sustained by Lender, as applicable, until paid. The provisions of this Section 12.01 shall survive the termination of this Security Instrument whether by repayment of the Debt, foreclosure or delivery of a deed in lieu thereof, assignment or otherwise. In case any action, suit or proceeding is brought against any of the Indemnified Parties by reason of any occurrence of the type set forth in (a) through (m) above, Grantor shall, at Grantor's expense, resist and defend such action, suit or proceeding or will cause the same to be resisted and defended by counsel at Grantor's expense for the insurer of the liability or by counsel designated by Grantor (unless reasonably disapproved by Lender promptly after Lender has been notified of such counsel); provided, however, that nothing herein shall compromise the right of Lender (or any other Indemnified Party) to appoint its own counsel at Grantor's expense for its defense with respect to any action which, in the reasonable opinion of Lender or such other Indemnified Party, as applicable, presents a conflict or potential conflict between Lender or such other Indemnified Party that would make such separate representation advisable. Any Indemnified Party will give Grantor prompt notice after such Indemnified Party obtains actual knowledge of any potential claim by such Indemnified Party for indemnification hereunder. The Indemnified Parties shall not settle or compromise any action, proceeding or claim as to which it is indemnified hereunder without notice to Grantor.

ARTICLE XIII: DEFAULTS

Section 13.01. **Events of Default.** The Debt shall become immediately due at the option of Lender upon any one or more of the following events ("**Event of Default**"):

- (a) if the final payment or prepayment premium, if any, due under the Note shall not be paid on Maturity;
- (b) if any monthly payment of interest and/or principal due under the Note (other than the sums described in (a) above) shall not be fully paid within five (5) days of the date upon which the same is due and payable thereunder;
- (c) if payment of any sum (other than the sums described in (a) above or (b) above) required to be paid pursuant to the Note, this Security Instrument or any other Loan Document shall not be paid within five (5) days after Lender delivers written notice to Grantor that same is due and payable thereunder or hereunder;
- (d) if Grantor, Guarantor or, if Grantor or Guarantor is a partnership, any general partner of Grantor or Guarantor, or, if Grantor or Guarantor is a limited liability company, any member of Grantor or Guarantor, shall institute or cause to be instituted any proceeding for the termination or dissolution of Grantor, Guarantor or any such general partner or member;
- (e) if (i) Grantor fails to deliver to Lender the original insurance policies or certificates as herein provided (provided, however, that if the insurance policies required by this Security Instrument are maintained in full force and effect and Lender receives either a certificate or original policies required by this Security Instrument for each such insurance policy within the time periods specified in this Security Instrument, then Grantor shall have five (5) Business Days after notice from Lender of Grantor's failure to deliver the original policies or certificates (whichever has not been delivered as required) to deliver same to Lender before such failure becomes an Event of Default) or (ii) if the insurance policies required hereunder are not kept in full force and effect as herein provided (no notice or cure period applies to this item (ii));
- (f) if Grantor or Guarantor attempts to assign its rights under this Security Instrument or any other Loan Document or any interest herein or therein, or if any Transfer occurs other than in accordance with the provisions hereof;
- (g) if any representation or warranty of Grantor or Guarantor made herein or in any other Loan Document or in any certificate, report, financial statement or other instrument or agreement furnished to Lender shall prove false or misleading in any material respect as of the date made; provided, however, that if such representation or warranty which was false or misleading in any material respect is, by its nature, curable and is not reasonably likely to have a Material Adverse Effect, and such representation or warranty was not, to the best of Grantor's knowledge, false or misleading in any material respect when made, then the same shall not constitute an Event of Default unless Grantor has not cured the same within five (5) Business Days after receipt by Grantor of notice from Lender in writing of such breach;
- (h) if Grantor, Guarantor or any general partner of Grantor or Guarantor shall make an assignment for the benefit of creditors or shall admit in writing its inability to pay its debts generally as they become due;
- (i) if a receiver, liquidator or trustee of Grantor, Guarantor or any general partner of Grantor or Guarantor shall be appointed or if Grantor, Guarantor or their respective general partners shall be adjudicated a bankrupt or insolvent, or if any petition for bankruptcy, reorganization or arrangement pursuant to federal bankruptcy law, or any similar federal or state law, shall be filed by or against, consented to, or acquiesced in by, Grantor, Guarantor or their respective general partners or if any proceeding for the dissolution or liquidation of Grantor, Guarantor or their respective general partners shall be instituted; however, if such appointment, adjudication, petition or proceeding was involuntary and not consented to by Grantor, Guarantor or their respective

general partners, as applicable, upon the same not being discharged, stayed or dismissed within sixty (60) days or if Grantor, Guarantor or their respective general partners shall generally not be paying its debts as they become due;

(j) if Grantor shall be in default beyond any notice or grace period, if any, under any other mortgage or deed of trust or security agreement covering any part of the Property without regard to its priority relative to this Security Instrument; provided, however, this provision shall not be deemed a waiver of the provisions of Article IX prohibiting further encumbrances affecting the Property or any other provision of this Security Instrument;

(k) if the Property becomes subject (i) to any lien which is superior to the lien of this Security Instrument, other than a lien for real estate taxes and assessments not due and payable, or (ii) to any mechanic's, materialman's or other lien which is or is asserted to be superior to the lien of this Security Instrument, and such lien shall remain undischarged (by payment, bonding, or otherwise) for fifteen (15) days unless contested in accordance with the terms hereof;

(l) if Grantor discontinues the operation of the Property or any part thereof for reasons other than repair or restoration arising from a casualty or condemnation for ten (10) days or more;

(m) except as permitted in this Security Instrument, any material alteration, demolition or removal of any of the Improvements without the prior consent of Lender;

(n) if Grantor consummates a transaction which would cause this Security Instrument or Lender's rights under this Security Instrument, the Note or any other Loan Document to constitute a non-exempt prohibited transaction under ERISA or result in a violation of a state statute regulating government plans subjecting Lender to liability for a violation of ERISA or a state statute;

(o) if a default beyond applicable notice and grace periods, if any, occurs under the Franchise Agreement or Operating Lease, or if the Franchise Agreement or Operating Lease is terminated, or if, without Lender's prior written consent, there is a material change to the Franchise Agreement or Operating Lease; or

(p) if a default shall occur under any of the other terms, covenants or conditions of the Note, this Security Instrument or any other Loan Document, other than as set forth in (a) through (o) above, for ten (10) days after notice from Lender in the case of any default which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other default or an additional thirty (30) days if Grantor is diligently and continuously effectuating a cure of a curable non-monetary default, other than as set forth in (a) through (o) above.

Section 13.02. Remedies. (a) Upon the occurrence and during the continuance of any Event of Default, Lender may, in addition to any other rights or remedies available to it hereunder or under any other Loan Document, at law or in equity, take such action, without notice or demand, as it reasonably deems advisable to protect and enforce its rights against Grantor and in and to the Property including, but not limited to, the following actions, each of which may be pursued singly, concurrently or otherwise, at such time and in such order as Lender may determine, in its sole discretion, without impairing or otherwise affecting any other rights and remedies of Lender hereunder, at law or in equity: (i) declare all or any portion of the unpaid Debt to be immediately due and payable; provided, however, that upon the occurrence of any of the events specified in Section 13.01(i), the entire Debt will be immediately due and payable without notice or demand or any other declaration of the amounts due and payable; or (ii) bring an action to foreclose this Security Instrument and without applying for a receiver for the Rents, but subject to the rights of the tenants under the Leases, enter into or upon the Property or any part thereof, either personally or by its agents, nominees or attorneys, and dispossess Grantor and its agents and servants therefrom, and thereupon Lender may (A) use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Property and conduct the business thereat, (B) make alterations, additions, renewals, replacements and improvements to or on the Property or any part thereof, (C) exercise all rights and powers of Grantor with respect to the Property or any part thereof, whether in the name of Grantor or otherwise, including, without limitation, the right to make, cancel, enforce or modify Leases, obtain and evict tenants, and demand, sue for, collect and receive all earnings, revenues, rents, issues, profits and other income of the Property and every part

thereof, and (D) apply the receipts from the Property or any part thereof to the payment of the Debt, after deducting therefrom all expenses (including, without limitation, reasonable attorneys' fees and disbursements) reasonably incurred in connection with the aforesaid operations and all amounts necessary to pay the Impositions, insurance and other charges in connection with the Property or any part thereof, as well as just and reasonable compensation for the services of Lender's third-party agents; or (iii) have an appraisal or other valuation of the Property or any part thereof performed by an Appraiser (and Grantor covenants and agrees it shall cooperate in causing any such valuation or appraisal to be performed) and any cost or expense incurred by Lender in connection therewith shall constitute a portion of the Debt and be secured by this Security Instrument and shall be immediately due and payable to Lender with interest, at the Default Rate, until the date of receipt by Lender; or (iv) sell the Property or institute proceedings for the complete foreclosure of this Security Instrument, or take such other action as may be allowed pursuant to Legal Requirements, at law or in equity, for the enforcement of this Security Instrument in which case the Property or any part thereof may be sold for cash or credit in one or more parcels; or (v) with or without entry, and to the extent permitted and pursuant to the procedures provided by applicable Legal Requirements, institute proceedings for the partial foreclosure of this Security Instrument, or take such other action as may be allowed pursuant to Legal Requirements, at law or in equity, for the enforcement of this Security Instrument for the portion of the Debt then due and payable, subject to the lien of this Security Instrument continuing unimpaired and without loss of priority so as to secure the balance of the Debt not then due; or (vi) sell the Property or any part thereof and any or all estate, claim, demand, right, title and interest of Grantor therein and rights of redemption thereof, pursuant to power of sale or otherwise, at one or more sales, in whole or in parcels, in any order or manner, at such time and place, upon such terms and after such notice thereof as may be required or permitted by law, at the discretion of Lender, and in the event of a sale, by foreclosure or otherwise, of less than all of the Property, this Security Instrument shall continue as a lien on the remaining portion of the Property; or (vii) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained in the Loan Documents, or any of them; or (viii) recover judgment on the Note or any guaranty either before, during or after (or in lieu of) any proceedings for the enforcement of this Security Instrument; or (ix) apply, *ex parte*, for the appointment of a custodian, trustee, receiver, keeper, liquidator or conservator of the Property or any part thereof, irrespective of the adequacy of the security for the Debt and without regard to the solvency of Grantor or of any Person liable for the payment of the Debt, to which appointment Grantor does hereby consent and such receiver or other official shall have all rights and powers permitted by applicable law and such other rights and powers as the court making such appointment may confer, but the appointment of such receiver or other official shall not impair or in any manner prejudice the rights of Lender to receive the Rent with respect to any of the Property pursuant to this Security Instrument or the Assignment; or (x) require, at Lender's option, Grantor to pay monthly in advance to Lender, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of any portion of the Property occupied by Grantor and may require Grantor to vacate and surrender possession to Lender of the Property or to such receiver and Grantor may be evicted by summary proceedings or otherwise; or (xi) without notice to Grantor (A) apply all or any portion of the cash collateral in any Sub-Account and Escrow Account, including any interest and/or earnings therein, to carry out the obligations of Grantor under this Security Instrument and the other Loan Documents, to protect and preserve the Property and for any other purpose permitted under this Security Instrument and the other Loan Documents and/or (B) have all or any portion of such cash collateral immediately paid to Lender to be applied against the Debt in the order and priority set forth in the Note; or (xii) pursue any or all such other rights or remedies as Lender may have under applicable law or in equity; provided, however, that the provisions of this Section 13.02(a) shall not be construed to extend or modify any of the notice requirements or grace periods provided for hereunder or under any of the other Loan Documents. Grantor hereby waives, to the fullest extent permitted by Legal Requirements, any defense Grantor might otherwise raise or have by the failure to make any tenants parties defendant to a foreclosure proceeding and to foreclose their rights in any proceeding instituted by Lender.

(b) Any time after an Event of Default Lender shall have the power to sell the Property or any part thereof at public auction, in such manner, at such time and place, upon such terms and conditions, and upon such public notice as Lender may deem best for the interest of Lender, or as may be required or permitted by applicable law, consisting of advertisement in a newspaper of general circulation in the jurisdiction and for such period as applicable law may require and at such other times and by such other methods, if any, as may be required by law to convey the Property in fee simple by Lender's deed with special warranty of title to and at the cost of the purchaser, who shall not be liable to see to the application of the purchase money. The proceeds or avails of any sale made

under or by virtue of this Section 13.02, together with any other sums which then may be held by Lender under this Security Instrument, whether under the provisions of this Section 13.02 or otherwise, shall be applied as follows:

First: To the payment of the third-party costs and expenses reasonably incurred in connection with any such sale and to advances, fees and expenses, including, without limitation, reasonable fees and expenses of Lender's legal counsel as applicable, and of any judicial proceedings wherein the same may be made, and of all expenses, liabilities and advances reasonably made or incurred by Lender under this Security Instrument, together with interest as provided herein on all such advances made by Lender, and all Impositions, except any Impositions or other charges subject to which the Property shall have been sold;

Second: To the payment of the whole amount then due, owing and unpaid under the Note for principal and interest thereon, with interest on such unpaid principal at the Default Rate from the date of the occurrence of the earliest Event of Default that formed a basis for such sale until the same is paid;

Third: To the payment of any other portion of the Debt required to be paid by Grantor pursuant to any provision of this Security Instrument, the Note, or any of the other Loan Documents; and

Fourth: The surplus, if any, to Grantor unless otherwise required by Legal Requirements.

Lender and any receiver or custodian of the Property or any part thereof shall be liable to account for only those rents, issues, proceeds and profits actually received by it.

(c) Lender may adjourn from time to time any sale by it to be made under or by virtue of this Security Instrument by announcement at the time and place appointed for such sale or for such adjourned sale or sales and, except as otherwise provided by any applicable provision of Legal Requirements, Lender, without further notice or publication, may make such sale at the time and place to which the same shall be so adjourned.

(d) Upon the completion of any sale or sales made by Lender under or by virtue of this Section 13.02, Lender, or any officer of any court empowered to do so, shall execute and deliver to the accepted purchaser or purchasers a good and sufficient instrument, or good and sufficient instruments, granting, conveying, assigning and transferring all estate, right, title and interest in and to the property and rights sold. Lender is hereby irrevocably appointed the true and lawful attorney-in-fact of Grantor (coupled with an interest), in its name and stead, to make all necessary conveyances, assignments, transfers and deliveries of the property and rights so sold and for that purpose Lender may execute all necessary instruments of conveyance, assignment, transfer and delivery, and may substitute one or more Persons with like power, Grantor hereby ratifying and confirming all that its said attorney-in-fact or such substitute or substitutes shall lawfully do by virtue hereof. Nevertheless, Grantor, if so requested by Lender, shall ratify and confirm any such sale or sales by executing and delivering to Lender, or to such purchaser or purchasers all such instruments as may be advisable, in the sole judgement of Lender, for such purpose, and as may be designated in such request. Any such sale or sales made under or by virtue of this Section 13.02, whether made under the power of sale herein granted or under or by virtue of judicial proceedings or a judgment or decree of foreclosure and sale, shall operate to divest all the estate, right, title, interest, claim and demand whatsoever, whether at law or in equity, of Grantor in and to the property and rights so sold, and shall, to the fullest extent permitted under Legal Requirements, be a perpetual bar, both at law and in equity against Grantor and against any and all Persons claiming or who may claim the same, or any part thereof, from, through or under Grantor.

(e) In the event of any sale made under or by virtue of this Section 13.02 (whether made under the power of sale herein granted or under or by virtue of judicial proceedings or a judgment or decree of foreclosure and sale), the entire Debt immediately thereupon shall, anything in the Loan Documents to the contrary notwithstanding, become due and payable.

(f) Upon any sale made under or by virtue of this Section 13.02 (whether made under the power of sale herein granted or under or by virtue of judicial proceedings or a judgment or decree of foreclosure and sale), Lender may bid for and acquire the Property or any part thereof and in lieu of paying cash therefor may make

settlement for the purchase price by crediting upon the Debt the net sales price after deducting therefrom the expenses of the sale and the costs of the action.

(g) No recovery of any judgment by Lender and no levy of an execution under any judgment upon the Property or any part thereof or upon any other property of Grantor shall release the lien of this Security Instrument upon the Property or any part thereof, or any liens, rights, powers or remedies of Lender hereunder, but such liens, rights, powers and remedies of Lender shall continue unimpaired until all amounts due under the Note, this Security Instrument and the other Loan Documents are paid in full.

(h) Upon the exercise by Lender of any power, right, privilege, or remedy pursuant to this Security Instrument which requires any consent, approval, registration, qualification, or authorization of any Governmental Authority, Grantor agrees to execute and deliver, or will cause the execution and delivery of, all applications, certificates, instruments, assignments and other documents and papers that Lender or any purchaser of the Property may be required to obtain for such governmental consent, approval, registration, qualification, or authorization and Lender is hereby irrevocably appointed the true and lawful attorney-in-fact of Grantor (coupled with an interest), in its name and stead, to execute all such applications, certificates, instruments, assignments and other documents and papers.

Section 13.03. **Payment of Debt After Default.** If following the occurrence of any Event of Default, Grantor shall tender payment of an amount sufficient to satisfy the Debt in whole or in part at any time prior to a foreclosure sale of the Property, and if at the time of such tender prepayment of the principal balance of the Note is not permitted by the Note and this Security Instrument, Grantor shall, in addition to the entire Debt, also pay to Lender a sum equal to (a) all accrued interest on the Note and all other fees, charges and sums due and payable hereunder, (b) all costs and expenses in connection with the enforcement of Lender's rights hereunder, and (c) a prepayment charge (the "Prepayment Charge") equal to the greater of (i) 2% of the Principal Amount and (ii) the present value of a series of payments each equal to the Payment Differential (as hereinafter defined) and payable on each Payment Date over the remaining original term of the Note and on the Payment Date occurring two months prior to the Maturity Date, discounted at the Reinvestment Yield (as hereinafter defined) for the number of months remaining as of the date of such prepayment to each such Payment Date and the Payment Date occurring two months prior to the Maturity Date. The term "Payment Differential" shall mean an amount equal to (i) the Interest Rate less the Reinvestment Yield, divided by (ii) twelve (12) and multiplied by (iii) the Principal Amount after application of the constant monthly payment due under the Note on the date of such prepayment, provided that the Payment Differential shall in no event be less than zero. The term "Reinvestment Yield" shall mean an amount equal to the lesser of (i) the yield on the U.S. Treasury issue (primary issue) with a maturity date closest to the Payment Date occurring two months prior to the Maturity Date, or (ii) the yield on the U.S. Treasury issue (primary issue) with a term equal to the remaining average life of the indebtedness evidenced by the Note, with each such yield being based on the bid price for such issue as published in the Wall Street Journal on the date that is fourteen (14) days prior to the date of such prepayment set forth in the notice of prepayment (or, if such bid price is not published on that date, the next preceding date on which such bid price is so published) and converted to a monthly compounded nominal yield. In addition to the amounts described above, if, during the first (1st) Loan Year, Grantor shall tender payment of an amount sufficient to satisfy the Debt in whole or in part following the occurrence of any Event of Default, Grantor shall, in addition to the entire Debt, also pay to Lender a sum equal to three percent (3%) of the Principal Amount. Failure of Lender to require any of these payments shall not constitute a waiver of the right to require the same in the event of any subsequent default or to exercise any other remedy available to Lender hereunder, under any other Loan Document or at law or in equity. In the event that any prepayment charge is due hereunder, Lender shall deliver to Grantor a statement setting forth the amount and determination of the prepayment fee, and, provided that Lender shall have in good faith applied the formula described above, Grantor shall not have the right to challenge the calculation or the method of calculation set forth in any such statement in the absence of manifest error, which calculation may be made by Lender on any day during the fifteen (15) day period preceding the date of such prepayment. Lender shall not be obligated or required to have actually reinvested the prepaid principal balance at the Reinvestment Yield or otherwise as a condition to receiving the prepayment charge. If at the time of such tender, prepayment of the principal balance of the Note, as applicable, is permitted, such tender by Grantor shall be deemed to be a voluntary prepayment of the principal balance of the Note, as applicable, and

Grantor shall, in addition to the entire Debt, also pay to Lender the applicable prepayment consideration specified in the Note and this Security Instrument.

Section 13.04. Possession of the Property. Upon the occurrence of any Event of Default and the acceleration of the Debt or any portion thereof, Grantor, if an occupant of the Property or any part thereof, upon demand of Lender, shall immediately surrender possession of the Property (or the portion thereof so occupied) to Lender, and if Grantor is permitted to remain in possession, the possession shall be as a month-to-month tenant of Lender and, on demand, Grantor shall pay to Lender monthly, in advance, a reasonable rental for the space so occupied and in default thereof Grantor may be dispossessed. The covenants herein contained may be enforced by a receiver of the Property or any part thereof. Nothing in this Section 13.04 shall be deemed to be a waiver of the provisions of this Security Instrument making the Transfer of the Property or any part thereof without Lender's prior written consent an Event of Default.

Section 13.05. Interest After Default. If any amount due under the Note, this Security Instrument or any of the other Loan Documents is not paid within any applicable notice and grace period after same is due, whether such date is the stated due date, any accelerated due date or any other date or at any other time specified under any of the terms hereof or thereof, then, in such event, Grantor shall pay interest on the amount not so paid from and after the date on which such amount first becomes due at the Default Rate; and such interest shall be due and payable at such rate until the earlier of the cure of all Events of Default or the payment of the entire amount due to Lender, whether or not any action shall have been taken or proceeding commenced to recover the same or to foreclose this Security Instrument. All unpaid and accrued interest shall be secured by this Security Instrument as part of the Debt. Nothing in this Section 13.05 or in any other provision of this Security Instrument shall constitute an extension of the time for payment of the Debt.

Section 13.06. Grantor's Actions After Default. After the happening of any Event of Default and immediately upon the commencement of any action, suit or other legal proceedings by Lender to obtain judgment for the Debt, or of any other nature in aid of the enforcement of the Loan Documents, Grantor will (a) after receipt of notice of the institution of any such action, waive the issuance and service of process and enter its voluntary appearance in such action, suit or proceeding, and (b) if required by Lender, consent to the appointment of a receiver or receivers of the Property or any part thereof and of all the earnings, revenues, rents, issues, profits and income thereof.

Section 13.07. Control by Lender After Default. Notwithstanding the appointment of any custodian, receiver, liquidator or trustee of Grantor, or of any of its property, or of the Property or any part thereof, to the extent permitted by Legal Requirements, Lender shall be entitled to obtain possession and control of all property now and hereafter covered by this Security Instrument and the Assignment in accordance with the terms hereof.

Section 13.08. Right to Cure Defaults. (a) Upon the occurrence of any Event of Default, Lender or its agents may, but without any obligation to do so and without notice to or demand on Grantor and without releasing Grantor from any obligation hereunder, make or do the same in such manner and to such extent as Lender may deem necessary to protect the security hereof. Lender and its agents are authorized to enter upon the Property or any part thereof for such purposes, or appear in, defend, or bring any action or proceedings to protect Lender's interest in the Property or any part thereof or to foreclose this Security Instrument or collect the Debt, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 13.08, shall constitute a portion of the Debt and shall be immediately due and payable to Lender upon demand. All such costs and expenses incurred by Lender or its agents in remedying such Event of Default or in appearing in, defending, or bringing any such action or proceeding shall bear interest at the Default Rate, for the period from the date so demanded to the date of payment to Lender. All such costs and expenses incurred by Lender or its agents together with interest thereon calculated at the above rate shall be deemed to constitute a portion of the Debt and be secured by this Security Instrument.

(b) If Lender makes any payment or advance that Lender is authorized by this Security Instrument to make in the place and stead of Grantor (i) relating to the Impositions or tax liens asserted against the Property, Lender may do so according to any bill, statement or estimate procured from the appropriate public office without

inquiry into the accuracy of the bill, statement or estimate or into the validity of any of the Impositions or the tax liens or claims thereof; (ii) relating to any apparent or threatened adverse title, lien, claim of lien, encumbrance, claim or charge, Lender will be the sole judge of the legality or validity of same; or (iii) relating to any other purpose authorized by this Security Instrument but not enumerated in this Section 13.08, Lender may do so whenever, in its judgment and discretion, the payment or advance seems necessary or desirable to protect the Property and the full security interest intended to be created by this Security Instrument. In connection with any payment or advance made pursuant to this Section 13.08, Lender has the option and is authorized, but in no event shall be obligated, to obtain a continuation report of title prepared by a title insurance company. The payments and the advances made by Lender pursuant to this Section 13.08 and the cost and expenses of said title report will be due and payable by Grantor on demand, together with interest at the Default Rate, and will be secured by this Security Instrument.

Section 13.09. Late Payment Charge. If any portion of the Debt is not paid in full on or before the day on which it is due and payable hereunder, Grantor shall pay to Lender an amount equal to five percent (5%) of such unpaid portion of the Debt ("Late Charge") to defray the expense incurred by Lender in handling and processing such delinquent payment, and such amount shall constitute a part of the Debt.

Section 13.10. Recovery of Sums Required to Be Paid. Lender shall have the right from time to time to take action to recover any sum or sums which constitute a part of the Debt as the same become due and payable hereunder (after the expiration of any grace period or the giving of any notice herein provided, if any), without regard to whether or not the balance of the Debt shall be due, and without prejudice to the right of Lender thereafter to bring an action of foreclosure, or any other action, for a default or defaults by Grantor existing at the time such earlier action was commenced.

Section 13.11. Marshalling and Other Matters. Grantor hereby waives, to the fullest extent permitted by law, the benefit of all appraisal, valuation, stay, extension, reinstatement, redemption (both equitable and statutory) and homestead laws now or hereafter in force and all rights of marshalling in the event of any sale hereunder of the Property or any part thereof or any interest therein. Further, Grantor hereby expressly waives any and all rights of redemption from sale under any order or decree of foreclosure of this Security Instrument on behalf of Grantor, whether equitable or statutory and on behalf of each and every Person acquiring any interest in or title to the Property or any part thereof subsequent to the date of this Security Instrument and on behalf of all Persons to the fullest extent permitted by applicable law.

Section 13.12. Tax Reduction Proceedings. After an Event of Default, Grantor shall be deemed to have appointed Lender as its attorney-in-fact to seek a reduction or reductions in the assessed valuation of the Property for real property tax purposes or for any other purpose and to prosecute any action or proceeding in connection therewith. This power, being coupled with an interest, shall be irrevocable for so long as any part of the Debt remains unpaid and any Event of Default shall be continuing.

Section 13.13. General Provisions Regarding Remedies.

(a) Right to Terminate Proceedings. Lender may terminate or rescind any proceeding or other action brought in connection with its exercise of the remedies provided in Section 13.02 at any time before the conclusion thereof, as determined in Lender's sole discretion and without prejudice to Lender.

(b) No Waiver or Release. The failure of Lender to exercise any right, remedy or option provided in the Loan Documents shall not be deemed a waiver of such right, remedy or option or of any covenant or obligation contained in the Loan Documents. No acceptance by Lender of any payment after the occurrence of an Event of Default and no payment by Lender of any payment or obligation for which Grantor is liable hereunder shall be deemed to waive or cure any Event of Default. No sale of all or any portion of the Property, no forbearance on the part of Lender, and no extension of time for the payment of the whole or any portion of the Debt or any other indulgence given by Lender to Grantor or any other Person, shall operate to release or in any manner affect the interest of Lender in the Property or the liability of Grantor to pay the Debt. No waiver by Lender shall be effective unless it is in writing and then only to the extent specifically stated.

(c) No Impairment; No Releases. The interests and rights of Lender under the Loan Documents shall not be impaired by any indulgence, including (i) any renewal, extension or modification which Lender may grant with respect to any of the Debt; (ii) any surrender, compromise, release, renewal, extension, exchange or substitution which Lender may grant with respect to the Property or any portion thereof; or (iii) any release or indulgence granted to any maker, endorser, guarantor or surety of any of the Debt.

ARTICLE XIV: COMPLIANCE WITH REQUIREMENTS

Section 14.01. Compliance with Legal Requirements. (a) Grantor shall promptly comply with all present and future Legal Requirements, foreseen and unforeseen, ordinary and extraordinary, whether requiring structural or nonstructural repairs or alterations including, without limitation, all zoning, subdivision, building, safety and environmental protection, land use and development Legal Requirements, all Legal Requirements which may be applicable to the curbs adjoining the Property or to the use or manner of use thereof, and all rent control, rent stabilization and all other similar Legal Requirements relating to rents charged and/or collected in connection with the Leases. Grantor represents and warrants that the Property is in compliance in all respects with all Legal Requirements as of the date hereof, no notes or notices of violations of any Legal Requirements have been entered or received by Grantor and there is no basis for the entering of such notes or notices.

(b) Grantor shall have the right to contest by appropriate legal proceedings diligently conducted in good faith, without cost or expense to Lender, the validity or application of any Legal Requirement and to suspend compliance therewith if permitted under applicable Legal Requirements, provided (i) failure to comply therewith may not subject Lender to any civil or criminal liability, (ii) prior to and during such contest, Grantor shall furnish to Lender security reasonably satisfactory to Lender, in its discretion, against loss or injury by reason of such contest or non-compliance with such Legal Requirement, (iii) no Default or Event of Default shall exist during such proceedings and such contest shall not otherwise violate any of the provisions of any of the Loan Documents, (iv) such contest shall not, (unless Grantor shall comply with the provisions of clause (ii) of this Section 14.01(b)) subject the Property to any lien or encumbrance the enforcement of which is not suspended or otherwise affect the priority of the lien of this Security Instrument; (v) such contest shall not affect the ownership, use or occupancy of the Property; (vi) the Property or any part thereof or any interest therein shall not be in any danger of being sold, forfeited or lost by reason of such contest by Grantor; (vii) Grantor shall give Lender prompt notice of the commencement of such proceedings and, upon request by Lender, notice of the status of such proceedings and/or confirmation of the continuing satisfaction of the conditions set forth in clauses (i) - (vi) of this Section 14.01(b); and (viii) upon a final determination of such proceeding, Grantor shall take all steps necessary to comply with any requirements arising therefrom.

(c) Grantor shall at all times comply with all applicable Legal Requirements with respect to the construction, use and maintenance of any vaults adjacent to the Property. If by reason of the failure to pay taxes, assessments, charges, permit fees, franchise taxes or levies of any kind or nature, the continued use of the vaults adjacent to Property or any part thereof is discontinued, Grantor nevertheless shall, with respect to any vaults which may be necessary for the continued use of the Property, take such steps (including the making of any payment) to ensure the continued use of vaults or replacements.

Section 14.02. Compliance with Recorded Documents; No Future Grants. Grantor shall promptly perform and observe or cause to be performed and observed, all of the terms, covenants and conditions of all Property Agreements and all things necessary to preserve intact and unimpaired any and all appurtenances or other interests or rights affecting the Property.

(i) Lender shall have received from Grantor, not less than thirty (30) days', nor more than ninety (90) days', prior written notice specifying the date proposed for such defeasance and the amount which is to be defeased, which proposed date shall be as of a Payment Date.

(ii) Grantor shall also pay to Lender all interest due through and including the last day of the Interest Accrual Period ending on the day prior to the Payment Date in which such defeasance is being made, together with any and all other amounts due and owing pursuant to the terms of the Note, this Security Instrument or the other Loan Documents, including, without limitation, any costs incurred in connection with a defeasance.

(iii) No Event of Default shall have occurred and be continuing.

(iv) Grantor shall (A) pay the Defeasance Deposit and (B) deliver to Lender (1) a security agreement, in form and substance reasonably satisfactory to Lender, creating a first priority lien on the Defeasance Deposit and the Federal Obligations purchased on behalf of Grantor with the Defeasance Deposit in accordance with the terms of this Section 15.01(b)(iv) (the "Security Agreement"); (2) an Officer's Certificate certifying that the requirements set forth in this Section 15.01(b)(iv) have been satisfied; (3) an opinion of counsel for Grantor in form and substance reasonably satisfactory to Lender stating, among other things, that (x) Lender has a perfected security interest in the Defeasance Deposit and a first priority perfected security interest in the Federal Obligations purchased by Lender on behalf of Grantor, (y) the contemplated defeasance will not result in any deemed exchange pursuant to Section 1001 of the Code of the Note and will not adversely affect the Note's or, if applicable, the undefeased Note's status as indebtedness for Federal income tax purposes and (z) any trust formed as a "real estate mortgage investment conduit" within the meaning of Section 860D of the Code ("REMIC") in connection with a Securitization will not fail to maintain its status as a REMIC as a result of such defeasance; (4) in the event that only a portion of the Loan is being defeased, Grantor shall execute and deliver all necessary documents to split the Note into two substitute notes, one having a principal balance equal to the defeased portion of the Note (the "Defeased Note") and one note having a principal balance equal to the undefeased portion of the Note (the "Undefeased Note"), the amortization schedule for which notes shall be calculated, in the case of a Defeased Note, or recalculated, in the case of an Undefeased Note, to amortize the respective principal balances of each on the same schedule as the Note (including, without limitation, the payment of the Principal Amount due on the Maturity Date); (5) a certificate, in form and substance reasonably satisfactory to Lender from a nationally recognized Independent certified public accountant confirming that the requirements of this Section 15.01(b) have been satisfied; and (6) such other certificates, documents, opinions or instruments as Lender may reasonably request. (v) The Rating Agencies shall have confirmed in writing that any rating issued by the Rating Agencies in connection with the Securitization will not, as a result of the proposed defeasance, be downgraded, from the then current ratings thereof, qualified or withdrawn.

(vi) If the Loan is to be defeased and Grantor is requesting a release of the Property in connection with such defeasance, such defeasance shall be to facilitate the disposition of the Property or in connection with any other customary transaction within the meaning of Treas. Reg. 1.860G-(2)(a)(8)(iii).

(vii) In the event of a defeasance of the Loan in whole, but not in part, if Grantor shall continue to own any assets other than the Defeasance Deposit, Grantor shall establish or designate a special-purpose bankruptcy-remote successor entity acceptable to Lender (the "Successor Grantor"), with respect to which a substantive nonconsolidation opinion satisfactory in form and substance reasonably satisfactory to Lender has been delivered to Lender and Grantor shall transfer and assign to the Successor Grantor all obligations, rights and duties under the Note and the Security Agreement, together with the pledged Defeasance Deposit. The Successor Grantor shall assume the obligations of Grantor under the Note and the Security Agreement and Grantor shall be relieved of its obligations hereunder and thereunder. Grantor shall pay Ten and No/100 Dollars (\$10.00) to the Successor Grantor as consideration for assuming such Grantor obligations.

(viii) In the event the Loan is defeased in full in accordance with the terms hereof, Lender shall release all reserves, escrows and guaranties relating to the Loan to Grantor.

(c) At any time subsequent to the Payment Date occurring in July 2013 (the "Lockout Expiration Date"), Grantor may prepay the Loan, in whole, but not in part, as of the last day of an Interest Accrual Period, in accordance with the following provisions:

ARTICLE XVI: ENVIRONMENTAL COMPLIANCE

Section 16.01. Covenants, Representations and Warranties. (a) Grantor has not, at any time, and, to Grantor's best knowledge after due inquiry and investigation, except as set forth in the Environmental Report, no other Person has at any time, handled, buried, stored, retained, refined, transported, processed, manufactured, generated, produced, spilled, allowed to seep, leak, escape or leach, or pumped, poured, emitted, emptied, discharged, injected, dumped, transferred or otherwise disposed of or dealt with Hazardous Materials on, to or from the Premises or any other real property owned and/or occupied by Grantor, and Grantor does not intend to and shall not use the Property or any part thereof or any such other real property for the purpose of handling, burying, storing,

retaining, refining, transporting, processing, manufacturing, generating, producing, spilling, seeping, leaking, escaping, leaching, pumping, pouring, emitting, emptying, discharging, injecting, dumping, transferring or otherwise disposing of or dealing with Hazardous Materials, except for use and storage for use of heating oil, cleaning fluids, pesticides and other substances customarily used in the operation of properties that are being used for the same purposes as the Property is presently being used, provided such use and/or storage for use is in compliance with the requirements hereof and the other Loan Documents and does not give rise to liability under applicable Legal Requirements or Environmental Statutes or be the basis for a lien against the Property or any part thereof. In addition, without limitation to the foregoing provisions, Grantor represents and warrants that, to the best of its knowledge, after due inquiry and investigation, except as previously disclosed in writing to Lender, there is no asbestos in, on, over, or under all or any portion of the fire-proofing or any other portion of the Property.

(b) Grantor, after due inquiry and investigation, knows of no seepage, leak, escape, leach, discharge, injection, release, emission, spill, pumping, pouring, emptying or dumping of Hazardous Materials into waters on, under or adjacent to the Property or any part thereof or any other real property owned and/or occupied by Grantor, or onto lands from which such Hazardous Materials might seep, flow or drain into such waters, except as disclosed in the Environmental Report.

(c) Grantor shall not permit any Hazardous Materials to be handled, buried, stored, retained, refined, transported, processed, manufactured, generated, produced, spilled, allowed to seep, leak, escape or leach, or to be pumped, poured, emitted, emptied, discharged, injected, dumped, transferred or otherwise disposed of or dealt with on, under, to or from the Property or any portion thereof at any time, except for use and storage for use of heating oil, ordinary cleaning fluids, pesticides and other substances customarily used in the operation of properties that are being used for the same purposes as the Property is presently being used, provided such use and/or storage for use is in compliance with the requirements hereof and the other Loan Documents and does not give rise to liability under applicable Legal Requirements or be the basis for a lien against the Property or any part thereof.

(d) Grantor represents and warrants that no actions, suits, or proceedings have been commenced, or are pending, or to the best knowledge of Grantor, are threatened with respect to any Legal Requirement governing the use, manufacture, storage, treatment, transportation, or processing of Hazardous Materials with respect to the Property or any part thereof. Grantor has received no notice of, and, except as disclosed in the Environmental Report, after due inquiry, has no knowledge of any fact, condition, occurrence or circumstance which with notice or passage of time or both would give rise to a claim under or pursuant to any Environmental Statute pertaining to Hazardous Materials on, in, under or originating from the Property or any part thereof or any other real property owned or occupied by Grantor or arising out of the conduct of Grantor, including, without limitation, pursuant to any Environmental Statute.

(e) Grantor has not waived any Person's liability with regard to Hazardous Materials in, on, under or around the Property, nor has Grantor retained or assumed, contractually or by operation of law, any other Person's liability relative to Hazardous Materials or any claim, action or proceeding relating thereto.

(f) In the event that there shall be filed a lien against the Property or any part thereof pursuant to any Environmental Statute pertaining to Hazardous Materials, Grantor shall, within sixty (60) days or, in the event that the applicable Governmental Authority has commenced steps to cause the Premises or any part thereof to be sold pursuant to the lien, within fifteen (15) days, from the date that Grantor receives notice of such lien, either (i) pay the claim and remove the lien from the Property, or (ii) furnish (A) a bond satisfactory to Lender in the amount of the claim out of which the lien arises, (B) a cash deposit in the amount of the claim out of which the lien arises, or (C) other security reasonably satisfactory to Lender in an amount sufficient to discharge the claim out of which the lien arises.

(g) Grantor represents and warrants that (i) except as disclosed in the Environmental Report, Grantor has no knowledge of any violation of any Environmental Statute or any Environmental Problem in connection with the Property, nor has Grantor been requested or required by any Governmental Authority to perform any remedial activity or other responsive action in connection with any Environmental Problem and (ii) neither the Property nor any other property owned by Grantor is included or, to Grantor's best knowledge, after due inquiry and

investigation, proposed for inclusion on the National Priorities List issued pursuant to CERCLA by the United States Environmental Protection Agency (the "EPA") or on the inventory of other potential "Problem" sites issued by the EPA or has been identified by the EPA as a potential CERCLA site or included or, to Grantor's knowledge, after due inquiry and investigation, proposed for inclusion on any list or inventory issued pursuant to any other Environmental Statute, if any, or issued by any other Governmental Authority. Grantor covenants that Grantor will comply with all Environmental Statutes affecting or imposed upon Grantor or the Property.

(h) Grantor covenants that it shall promptly notify Lender of the presence and/or release of any Hazardous Materials and of any request for information or any inspection of the Property or any part thereof by any Governmental Authority with respect to any Hazardous Materials and provide Lender with copies of such request and any response to any such request or inspection. Grantor covenants that it shall, in compliance with applicable Legal Requirements, conduct and complete all investigations, studies, sampling and testing (and promptly shall provide Lender with copies of any such studies and the results of any such test) and all remedial, removal and other actions necessary to clean up and remove all Hazardous Materials in, on, over, under, from or affecting the Property or any part thereof in accordance with all such Legal Requirements applicable to the Property or any part thereof to the satisfaction of Lender.

(i) Following the occurrence of an Event of Default hereunder, and without regard to whether Lender shall have taken possession of the Property or a receiver has been requested or appointed or any other right or remedy of Lender has or may be exercised hereunder or under any other Loan Document, Lender shall have the right (but no obligation) to conduct such investigations, studies, sampling and/or testing of the Property or any part thereof as Lender may, in its discretion, determine to conduct, relative to Hazardous Materials. All costs and expenses incurred in connection therewith including, without limitation, consultants' fees and disbursements and laboratory fees, shall constitute a part of the Debt and shall, upon demand by Lender, be immediately due and payable and shall bear interest at the Default Rate from the date so demanded by Lender until reimbursed. Grantor shall, at its sole cost and expense, fully and expeditiously cooperate in all such investigations, studies, samplings and/or testings including, without limitation, providing all relevant information and making knowledgeable people available for interviews.

(j) Grantor represents and warrants that all paint and painted surfaces existing within the interior or on the exterior of the Improvements are not flaking, peeling, cracking, blistering, or chipping, and do not contain lead or are maintained in a condition that prevents exposure of young children to lead-based paint, as of the date hereof, and that the current inspections, operation, and maintenance program at the Property with respect to lead-based paint is consistent with FNMA guidelines and sufficient to ensure that all painted surfaces within the Property shall be maintained in a condition that prevents exposure of tenants to lead-based paint. To Grantor's knowledge, there have been no claims for adverse health effects from exposure on the Property to lead-based paint or requests for the investigation, assessment or removal of lead-based paint at the Property.

(k) Except as otherwise disclosed in the Environmental Report, Grantor represents and warrants that except in accordance with all applicable Environmental Statutes and as disclosed in the Environmental Report, (i) no underground treatment or storage tanks or pumps or water, gas, or oil wells are or have been located about the Property, (ii) no PCBs or transformers, capacitors, ballasts or other equipment that contain dielectric fluid containing PCBs are located about the Property, (iii) no insulating material containing urea formaldehyde is located about the Property and (iv) no asbestos-containing material is located about the Property.

(a) the presence, disposal, escape, seepage, leakage, spillage, discharge, emission, release or threat of release of any Hazardous Materials in, on, over, under, from or affecting the Property or any part thereof whether or not disclosed by the Environmental Report;

(b) any personal injury (including wrongful death, disease or other health condition related to or caused by, in whole or in part, any Hazardous Materials) or property damage (real or personal) arising out of or related to any Hazardous Materials in, on, over, under, from or affecting the Property or any part thereof whether or not disclosed by the Environmental Report;

(c) any action, suit or proceeding brought or threatened, settlement reached, or order of any Governmental Authority relating to such Hazardous Material whether or not disclosed by the Environmental Report; and/or

(d) any violation of the provisions, covenants, representations or warranties of Section 16.01 hereof or of any Legal Requirement which is based on or in any way related to any Hazardous Materials in, on, over, under, from or affecting the Property or any part thereof including, without limitation, the cost of any work performed and materials furnished in order to comply therewith whether or not disclosed by the Environmental Report.

Notwithstanding the foregoing provisions of this Section 16.02 to the contrary, Grantor shall have no obligation to indemnify Lender for liabilities, claims, damages, penalties, causes of action, costs and expenses relative to the foregoing which result directly from Lender's willful misconduct or gross negligence. Any amounts payable to Lender by reason of the application of this Section 16.02 shall be secured by this Security Instrument and shall, upon demand by Lender, become immediately due and payable and shall bear interest at the Default Rate from the date so demanded by Lender until paid.

This indemnification shall survive the termination of this Security Instrument whether by repayment of the Debt, foreclosure or deed in lieu thereof, assignment, or otherwise. The indemnity provided for in this Section 16.02 shall not be included in any exculpation of Grantor or its principals from personal liability provided for in this Security Instrument or in any of the other Loan Documents. Nothing in this Section 16.02 shall be deemed to deprive Lender of any rights or remedies otherwise available to Lender, including, without limitation, those rights and remedies provided elsewhere in this Security Instrument or the other Loan Documents.

ARTICLE XVII: ASSIGNMENTS

Section 17.01. Participations and Assignments. Lender shall have the right to assign this Security Instrument and/or any of the Loan Documents, and to transfer, assign or sell participations and subparticipations (including blind or undisclosed participations and subparticipations) in the Loan Documents and the obligations hereunder to any Person; provided, however, that no such participation shall increase, decrease or otherwise affect either Grantor's or Lender's obligations under this Security Instrument or the other Loan Documents.

ARTICLE XVIII: MISCELLANEOUS

Section 18.01. Right of Entry. Lender and its agents shall have the right to enter and inspect the Property or any part thereof at all reasonable times, and, except in the event of an emergency, upon reasonable notice and to inspect Grantor's books and records and to make abstracts and reproductions thereof.

Section 18.02. Cumulative Rights. The rights of Lender under this Security Instrument shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Lender shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Lender shall not be limited exclusively to the rights and remedies herein stated but shall be entitled, subject to the terms of this Security Instrument, to every right and remedy now or hereafter afforded by law.

Section 18.03. Liability. If Grantor consists of more than one Person, the obligations and liabilities of each such Person hereunder shall be joint and several.

Section 18.04. Exhibits Incorporated. The information set forth on the cover hereof, and the Exhibits annexed hereto, are hereby incorporated herein as a part of this Security Instrument with the same effect as if set forth in the body hereof.

Section 18.05. Severable Provisions. If any term, covenant or condition of the Loan Documents including, without limitation, the Note or this Security Instrument, is held to be invalid, illegal or unenforceable in any respect, such Loan Document shall be construed without such provision.

Section 18.06. Duplicate Originals. This Security Instrument may be executed in any number of duplicate originals and each such duplicate original shall be deemed to constitute but one and the same instrument.

Section 18.07. No Oral Change. The terms of this Security Instrument, together with the terms of the Note and the other Loan Documents constitute the entire understanding and agreement of the parties hereto and supersede all prior agreements, understandings and negotiations between Grantor and Lender with respect to the Loan. This Security Instrument, and any provisions hereof, may not be modified, amended, waived, extended, changed, discharged or terminated orally or by any act on the part of Grantor or Lender, but only by an agreement in writing signed by the party against whom enforcement of any modification, amendment, waiver, extension, change, discharge or termination is sought.

Section 18.08. Waiver of Counterclaim, Etc. BORROWER HEREBY WAIVES THE RIGHT TO ASSERT A COUNTERCLAIM, OTHER THAN A COMPULSORY COUNTERCLAIM, IN ANY ACTION OR PROCEEDING BROUGHT AGAINST IT BY LENDER OR ITS AGENTS, AND WAIVES TRIAL BY JURY IN ANY ACTION OR PROCEEDING BROUGHT BY EITHER PARTY HERETO AGAINST THE OTHER OR IN ANY COUNTERCLAIM BORROWER MAY BE PERMITTED TO ASSERT HEREUNDER OR WHICH MAY BE ASSERTED BY LENDER OR ITS AGENTS, AGAINST BORROWER, OR IN ANY MATTERS WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS SECURITY INSTRUMENT OR THE DEBT.

Section 18.09. Headings; Construction of Documents; etc. The table of contents, headings and captions of various paragraphs of this Security Instrument are for convenience of reference only and are not to be construed as defining or limiting, in any way, the scope or intent of the provisions hereof. Grantor acknowledges that it was represented by competent counsel in connection with the negotiation and drafting of this Security Instrument and the other Loan Documents and that neither this Security Instrument nor the other Loan Documents shall be subject to the principle of construing the meaning against the Person who drafted same.

Section 18.10. Sole Discretion of Lender. Whenever Lender exercises any right given to it to approve or disapprove, or any arrangement or term is to be satisfactory to Lender, the decision of Lender to approve or disapprove or to decide that arrangements or terms are satisfactory or not satisfactory shall be in the sole discretion of Lender and shall be final and conclusive, except as may be otherwise specifically provided herein.

Section 18.11. Waiver of Notice. Grantor shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Security Instrument specifically and expressly provides for the giving of notice by Lender to Grantor and except with respect to matters for which Grantor is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice.

Section 18.12. Covenants Run with the Land. All of the grants, covenants, terms, provisions and conditions herein shall run with the Premises, shall be binding upon Grantor and shall inure to the benefit of Lender, subsequent holders of this Security Instrument and their successors and assigns. Without limitation to any provision hereof, the term "Grantor" shall include and refer to the borrower named herein, any subsequent owner of the Property, and its respective heirs, executors, legal representatives, successors and assigns. The representations, warranties and agreements contained in this Security Instrument and the other Loan Documents are intended solely

for the benefit of the parties hereto, shall confer no rights hereunder, whether legal or equitable, in any other Person and no other Person shall be entitled to rely thereon.

Section 18.13. Applicable Law. THIS SECURITY INSTRUMENT WAS NEGOTIATED IN NEW YORK, AND MADE BY BORROWER AND ACCEPTED BY LENDER IN THE STATE OF NEW YORK, AND THE PROCEEDS OF THE NOTE WERE DISBURSED FROM NEW YORK, WHICH STATE THE PARTIES AGREE HAS A SUBSTANTIAL RELATIONSHIP TO THE PARTIES AND TO THE UNDERLYING TRANSACTION EMBODIED HEREBY, AND IN ALL RESPECTS, INCLUDING, WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE. THIS SECURITY INSTRUMENT AND THE OBLIGATIONS ARISING HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND PERFORMED IN SUCH STATE AND ANY APPLICABLE LAW OF THE UNITED STATES OF AMERICA, EXCEPT THAT AT ALL TIMES THE PROVISIONS FOR THE CREATION, PERFECTION, PRIORITY, ENFORCEMENT AND FORECLOSURE OF THE LIENS AND SECURITY INTERESTS CREATED HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED ACCORDING TO THE LAW OF THE STATE IN WHICH THE REALTY IS LOCATED (EXCEPT TO THE EXTENT THAT THE PROVISIONS OF THE UCC IN EFFECT IN SUCH STATE SPECIFY THAT THE LAWS OF ANOTHER JURISDICTION GOVERN THE PERFECTION, EFFECT OF PERFECTION OR NONPERFECTION, AND THE PRIORITY OF SUCH LIENS AND/OR SECURITY INTERESTS CREATED HEREUNDER IN ANY PROPERTY THAT IS SUBJECT TO ARTICLE 9 OF THE UCC IN EFFECT IN SUCH STATE, IN WHICH CASE, THE LAWS OF SUCH OTHER JURISDICTION SHALL GOVERN THE PERFECTION, EFFECT OF PERFECTION OR NONPERFECTION, AND THE PRIORITY OF SUCH LIENS AND/OR SECURITY INTERESTS TO THE EXTENT PROVIDED BY SUCH UCC), IT BEING UNDERSTOOD THAT, TO THE FULLEST EXTENT PERMITTED BY THE LAW OF SUCH STATE, THE LAW OF THE STATE OF NEW YORK SHALL GOVERN THE VALIDITY AND ENFORCEABILITY OF ALL LOAN DOCUMENTS, AND THE DEBT OR OBLIGATIONS ARISING HEREUNDER.

Section 18.14. Security Agreement. (a) (i) This Security Instrument is both a real property mortgage, deed to secure debt or deed of trust, as applicable, and a "security agreement" within the meaning of the UCC. The Property includes both real and personal property and all other rights and interests, whether tangible or intangible in nature, of Grantor in the Property. This Security Instrument is filed as a fixture filing and covers goods which are or are to become fixtures on the Property. Grantor by executing and delivering this Security Instrument has granted to Lender, as security for the Debt, a security interest in the Property to the full extent that the Property may be subject to the UCC (said portion of the Property so subject to the UCC being called in this Section 18.14 the "Collateral"). If an Event of Default shall occur, Lender, in addition to any other rights and remedies which it may have, shall have and may exercise immediately and without demand, any and all rights and remedies granted to a secured party upon default under the UCC, including, without limiting the generality of the foregoing, the right to take possession of the Collateral or any part thereof, and to take such other measures as Lender may deem necessary for the care, protection and preservation of the Collateral. Upon request or demand of Lender following an Event of Default, Grantor shall, at its expense, assemble the Collateral and make it available to Lender at a convenient place acceptable to Lender. Grantor shall pay to Lender on demand any and all expenses, including reasonable legal expenses and attorneys' fees, incurred or paid by Lender in protecting its interest in the Collateral and in enforcing its rights hereunder with respect to the Collateral. Any disposition pursuant to the UCC of so much of the Collateral as may constitute personal property shall be considered commercially reasonable if made pursuant to a public sale which is advertised at least twice in a newspaper in which sheriff's sales are advertised in the county where the Premises is located. Any notice of sale, disposition or other intended action by Lender with respect to the Collateral given to Grantor in accordance with the provisions hereof at least ten (10) days prior to such action, shall constitute reasonable notice to Grantor. The proceeds of any disposition of the Collateral, or any part thereof, may be applied by Lender to the payment of the Debt in such priority and proportions as Lender in its discretion shall deem proper. It is not necessary that the Collateral be present at any disposition thereof. Lender shall have no obligation to clean-up or otherwise prepare the Collateral for disposition.

(ii) The mention in a financing statement filed in the records normally pertaining to personal property of any portion of the Property shall not derogate from or impair in any manner the intention of this Security

Instrument. Lender hereby declares that all items of Collateral are part of the real property encumbered hereby to the fullest extent permitted by law, regardless of whether any such item is physically attached to the Improvements or whether serial numbers are used for the better identification of certain items. Specifically, the mention in any such financing statement of any items included in the Property shall not be construed to alter, impair or impugn any rights of Lender as determined by this Security Instrument or the priority of Lender's lien upon and security interest in the Property in the event that notice of Lender's priority of interest as to any portion of the Property is required to be filed in accordance with the UCC to be effective against or take priority over the interest of any particular class of persons, including the federal government or any subdivision or instrumentality thereof. No portion of the Collateral constitutes or is the proceeds of "Farm Products", as defined in the UCC.

(iii) If Grantor is at any time a beneficiary under a letter of credit now or hereafter issued in favor of Grantor, Grantor shall promptly notify Lender thereof and, at the request and option of Lender, Grantor shall, pursuant to an agreement in form and substance satisfactory to Lender, either (A) arrange for the issuer and any confirmer of such letter of credit to consent to an assignment to Lender of the proceeds of any drawing under the letter of credit or (B) arrange for Lender to become the transferee beneficiary of the letter of credit, with Lender agreeing, in each case, that the proceeds of any drawing under the letter to credit are to be applied as provided in this Security Instrument.

(iv) Grantor and Lender acknowledge that for the purposes of Article 9 of the UCC, the law of the State of New York shall be the law of the jurisdiction of the bank in which the Central Account is located.

(v) Lender may comply with any applicable Legal Requirements in connection with the disposition of the Collateral, and Lender's compliance therewith will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(vi) Lender may sell the Collateral without giving any warranties as to the Collateral. Lender may specifically disclaim any warranties of title, possession, quiet enjoyment or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(vii) If Lender sells any of the Collateral upon credit, Grantor will be credited only with payments actually made by the purchaser, received by Lender and applied to the indebtedness of Grantor. In the event the purchaser of the Collateral fails to fully pay for the Collateral, Lender may resell the Collateral and Grantor will be credited with the proceeds of such sale.

(b) Grantor hereby irrevocably appoints Lender as its attorney-in-fact, coupled with an interest, to file with the appropriate public office on its behalf any financing or other statements signed only by Lender, as secured party, or, to the extent permitted under the UCC, unsigned, in connection with the Collateral covered by this Security Instrument.

Section 18.15. Actions and Proceedings. Lender has the right to appear in and defend any action or proceeding brought with respect to the Property in its own name or, if required by Legal Requirements or, if in Lender's reasonable judgment, it is necessary, in the name and on behalf of Grantor, which Lender believes will adversely affect the Property or this Security Instrument and to bring any action or proceedings, in its name or in the name and on behalf of Grantor, which Lender, in its discretion, decides should be brought to protect its interest in the Property.

Section 18.16. Usury Laws. This Security Instrument and the Note are subject to the express condition, and it is the expressed intent of the parties, that at no time shall Grantor be obligated or required to pay interest on the principal balance due under the Note at a rate which could subject the holder of the Note to either civil or criminal liability as a result of being in excess of the maximum interest rate which Grantor is permitted by law to contract or agree to pay. If by the terms of this Security Instrument or the Note, Grantor is at any time required or obligated to pay interest on the principal balance due under the Note at a rate in excess of such maximum rate, such rate of interest shall be deemed to be immediately reduced to such maximum rate and the interest payable shall be computed at such maximum rate and all prior interest payments in excess of such maximum rate shall be applied and

shall be deemed to have been payments in reduction of the principal balance of the Note. No application to the principal balance of the Note pursuant to this Section 18.16 shall give rise to any requirement to pay any prepayment fee or charge of any kind due hereunder, if any.

Section 18.17. Remedies of Grantor. In the event that a claim or adjudication is made that Lender has acted unreasonably or unreasonably delayed acting in any case where by law or under the Note, this Security Instrument or the Loan Documents, it has an obligation to act reasonably or promptly, Lender shall not be liable for any monetary damages, and Grantor's remedies shall be limited to injunctive relief or declaratory judgment.

Section 18.18. Offsets, Counterclaims and Defenses. Any assignee of this Security Instrument, the Assignment and the Note shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to the Note, the Assignment or this Security Instrument which Grantor may otherwise have against any assignor of this Security Instrument, the Assignment and the Note and no such unrelated counterclaim or defense shall be interposed or asserted by Grantor in any action or proceeding brought by any such assignee upon this Security Instrument, the Assignment or the Note and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Grantor.

Section 18.19. No Merger. If Grantor's and Lender's estates become the same including, without limitation, upon the delivery of a deed by Grantor in lieu of a foreclosure sale, or upon a purchase of the Property by Lender in a foreclosure sale, this Security Instrument and the lien created hereby shall not be destroyed or terminated by the application of the doctrine of merger and in such event Lender shall continue to have and enjoy all of the rights and privileges of Lender as to the separate estates; and, as a consequence thereof, upon the foreclosure of the lien created by this Security Instrument, any Leases or subleases then existing and created by Grantor shall not be destroyed or terminated by application of the law of merger or as a result of such foreclosure unless Lender or any purchaser at any such foreclosure sale shall so elect. No act by or on behalf of Lender or any such purchaser shall constitute a termination of any Lease or sublease unless Lender or such purchaser shall give written notice thereof to such lessee or sublessee.

Section 18.20. Restoration of Rights. In case Lender shall have proceeded to enforce any right under this Security Instrument by foreclosure sale, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely, then, in every such case, Grantor and Lender shall be restored to their former positions and rights hereunder with respect to the Property subject to the lien hereof.

Section 18.21. Waiver of Statute of Limitations. The pleadings of any statute of limitations as a defense to any and all obligations secured by this Security Instrument are hereby waived to the full extent permitted by Legal Requirements.

Section 18.22. Advances. This Security Instrument shall cover any and all advances made pursuant to the Loan Documents, rearrangements and renewals of the Debt and all extensions in the time of payment thereof, even though such advances, extensions or renewals be evidenced by new promissory notes or other instruments hereafter executed and irrespective of whether filed or recorded. Likewise, the execution of this Security Instrument shall not impair or affect any other security which may be given to secure the payment of the Debt, and all such additional security shall be considered as cumulative. The taking of additional security, execution of partial releases of the security, or any extension of time of payment of the Debt shall not diminish the force, effect or lien of this Security Instrument and shall not affect or impair the liability of Grantor and shall not affect or impair the liability of any maker, surety, or endorser for the payment of the Debt.

Section 18.23. Application of Default Rate Not a Waiver. Application of the Default Rate shall not be deemed to constitute a waiver of any Default or Event of Default or any rights or remedies of Lender under this Security Instrument, any other Loan Document or applicable Legal Requirements, or a consent to any extension of time for the payment or performance of any obligation with respect to which the Default Rate may be invoked.

Section 18.24. Intervening Lien. To the fullest extent permitted by law, any agreement hereafter made pursuant to this Security Instrument shall be superior to the rights of the holder of any intervening lien.

Section 18.25. No Joint Venture or Partnership. Grantor and Lender intend that the relationship created hereunder be solely that of mortgagor and mortgagee or grantor and beneficiary or borrower and lender, as the case may be. Nothing herein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Grantor and Lender nor to grant Lender any interest in the Property other than that of mortgagee, beneficiary or lender.

Section 18.26. Time of the Essence. Time shall be of the essence in the performance of all obligations of Grantor hereunder.

Section 18.27. Grantor's Obligations Absolute. Grantor acknowledges that Lender and/or certain Affiliates of Lender are engaged in the business of financing, owning, operating, leasing, managing, and brokering real estate and in other business ventures which may be viewed as adverse to or competitive with the business, prospect, profits, operations or condition (financial or otherwise) of Grantor. Except as set forth to the contrary in the Loan Documents, all sums payable by Grantor hereunder shall be paid without notice or demand, counterclaim, set-off, deduction or defense and without abatement, suspension, deferment, diminution or reduction, and the obligations and liabilities of Grantor hereunder shall in no way be released, discharged, or otherwise affected (except as expressly provided herein) by reason of: (a) any damage to or destruction of or any Taking of the Property or any portion thereof; (b) any restriction or prevention of or interference with any use of the Property or any portion thereof; (c) any title defect or encumbrance or any eviction from the Premises or any portion thereof by title paramount or otherwise; (d) any bankruptcy proceeding relating to Grantor, any General Partner, or any guarantor or indemnitor, or any action taken with respect to this Security Instrument or any other Loan Document by any trustee or receiver of Grantor or any such General Partner, guarantor or indemnitor, or by any court, in any such proceeding; (e) any claim which Grantor has or might have against Lender; (f) any default or failure on the part of Lender to perform or comply with any of the terms hereof or of any other agreement with Grantor; or (g) any other occurrence whatsoever, whether similar or dissimilar to the foregoing, whether or not Grantor shall have notice or knowledge of any of the foregoing.

Section 18.28. Publicity. All promotional news releases, publicity or advertising by Manager, Grantor or their respective Affiliates through any media intended to reach the general public shall not refer to the Loan Documents or the financing evidenced by the Loan Documents, or to Lender or to any of its Affiliates without the prior written approval of Lender or such Affiliate, as applicable, in each instance, such approval not to be unreasonably withheld or delayed. Lender shall be authorized to provide information relating to the Property, the Loan and matters relating thereto to rating agencies, underwriters, potential securities investors, auditors, regulatory authorities and to any Persons which may be entitled to such information by operation of law and may use basic transaction information (including, without limitation, the name of Grantor, the name and address of the Property and the Loan Amount) in press releases or other marketing materials.

Section 18.29. Securitization Opinions. In the event the Loan is included as an asset of a Securitization by Lender or any of its Affiliates, Grantor shall, within ten (10) Business Days after Lender's written request therefor, at Grantor's sole cost and expense, deliver opinions in form and substance and delivered by counsel reasonably acceptable to Lender and each Rating Agency, as may be reasonably required by Lender and/or the Rating Agency in connection with such securitization. Grantor's failure to deliver the opinions required hereby within such ten (10) Business Day period shall constitute an "Event of Default" hereunder.

Section 18.30. Cooperation with Rating Agencies, etc. Grantor covenants and agrees that in the event the Loan is to be included as an asset of a Securitization, Grantor shall (a) gather any information reasonably required by each Rating Agency in connection with such a Securitization, (b) at Lender's request, meet with representatives of each Rating Agency to discuss the business and operations of the Property, and (c) cooperate with the reasonable requests of each Rating Agency and Lender in connection with all of the foregoing as well as in connection with all other matters and the preparation of any offering documents with respect thereto, including, without limitation, entering into any amendments or modifications to this Security Instrument or to any other Loan Document which may be requested by Lender to conform to Rating Agency or market standards for a Securitization provided that no such modification shall modify (a) the interest rate payable under the Note, (b) the stated maturity of the Note, (c) the amortization of principal under the Note, (d) Section 18.32 hereof, (e) any other material economic term of the

Loan or (f) any provision, the effect of which would materially increase Grantor's obligations or materially decrease Grantor's rights under the Loan Documents. Grantor acknowledges that the information provided by Grantor to Lender may be incorporated into the offering documents for a Securitization and to the fullest extent permitted, Grantor irrevocably waives all rights, if any, to prohibit such disclosures including, without limitation, any right of privacy. Lender and each Rating Agency shall be entitled to rely on the information supplied by, or on behalf of, Grantor and Grantor indemnifies and holds harmless the Indemnified Parties, their Affiliates and each Person who controls such Persons within the meaning of Section 15 of the Securities Act or Section 20 of the Securities Exchange Act of 1934, as same may be amended from time to time, for, from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature, known or unknown, contingent or otherwise, whether incurred or imposed within or outside the judicial process, including, without limitation, reasonable attorneys' fees and disbursements that arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in such information or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated in such information or necessary in order to make the statements in such information, or in light of the circumstances under which they were made, not misleading.

Section 18.31. Securitization Financials. Grantor covenants and agrees that, upon Lender's written request therefor in connection with a Securitization, Grantor shall, at Grantor's sole cost and expense, promptly deliver (a) audited financial statements and related documentation prepared by an Independent certified public accountant that satisfy securities laws and requirements for use in a public registration statement (which may include up to three (3) years of historical audited financial statements) and (b) if, at the time one or more Disclosure Documents are being prepared in connection with a Securitization, Lender expects that Grantor alone or Grantor and one or more of its Affiliates collectively, or the Property alone or the Property and any other parcel(s) of real property, together with improvements thereon and personal property related thereto, that is "related", within the meaning of the definition of Significant Obligor, to the Property (a "Related Property") collectively, will be a Significant Obligor, Grantor shall furnish to Lender upon request (i) the selected financial data or, if applicable, net operating income, required under Item 1112(b)(1) of Regulation AB and meeting the requirements thereof, if Lender expects that the principal amount of the Loan, together with any loans made to an Affiliate of Grantor or secured by a Related Property that is included in a Securitization with the Loan (a "Related Loan"), as of the cut-off date for such Securitization may, or if the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization and at any time during which the Loan and any Related Loans are included in a Securitization does, equal or exceed ten percent (10%) (but less than twenty percent (20%)) of the aggregate principal amount of all mortgage loans included or expected to be included, as applicable, in the Securitization or (ii) the financial statements required under Item 1112(b)(2) of Regulation AB and meeting the requirements thereof, if Lender expects that the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization may, or if the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization and at any time during which the Loan and any Related Loans are included in a Securitization does, equal or exceed twenty percent (20%) of the aggregate principal amount of all mortgage loans included or expected to be included, as applicable, in the Securitization. Such financial data or financial statements shall be furnished to Lender within ten (10) Business Days after notice from Lender in connection with the preparation of Disclosure Documents for the Securitization and, with respect to the data or financial statements required pursuant to clause (b) hereof, (A) not later than thirty (30) days after the end of each fiscal quarter of Grantor and (B) not later than seventy-five (75) days after the end of each Fiscal Year; provided, however, that Grantor shall not be obligated to furnish financial data or financial statements pursuant to clauses (A) or (B) of this sentence with respect to any period for which a filing pursuant to the Securities Exchange Act of 1934 in connection with or relating to the Securitization is not required.

Section 18.32. Exculpation. Notwithstanding anything herein or in any other Loan Document to the contrary, except as otherwise set forth in this Section 18.32 to the contrary, Lender shall not enforce the liability and obligation of Grantor or (a) if Grantor is a partnership, its constituent partners or any of their respective partners, (b) if Grantor is a trust, its beneficiaries or any of their respective Partners (as hereinafter defined), (c) if Grantor is a corporation, any of its shareholders, directors, principals, officers or employees, or (d) if Grantor is a limited liability company, any of its members (the Persons described in the foregoing clauses (a) - (d), as the case may be, are hereinafter referred to as the "Partners") to perform and observe the obligations contained in this Security Instrument or any of the other Loan Documents by any action or proceeding wherein a money judgment shall be

sought against Grantor or the Partners, except that Lender may bring a foreclosure action, action for specific performance, or other appropriate action or proceeding (including, without limitation, an action to obtain a deficiency judgment) solely for the purpose of enabling Lender to realize upon (i) Grantor's interest in the Property, (ii) the Rent to the extent (x) received by Grantor (or received by its Partners) after the occurrence of an Event of Default, or (y) distributed to Grantor (or its Partners, but only to the extent received by its Partners) during or with respect to any period for which Grantor was required, but failed to deliver to Lender a Manager Certification accurate in all material respects confirming and certifying that all Operating Expenses with respect to the Property which had accrued as of the applicable date of such Manager Certification had been paid (or if same had not been paid, that Manager had taken adequate reserves therefor) (all Rent covered by clauses (x) and (y) being hereinafter referred to as the "Recourse Distributions") and (iii) any other collateral given to Lender under the Loan Documents (the collateral described in the foregoing clauses (i) - (iii) is hereinafter referred to as the "Default Collateral"); provided, however, that any judgment in any such action or proceeding shall be enforceable against Grantor and the Partners only to the extent of any such Default Collateral. The provisions of this Section shall not, however, (a) impair the validity of the Debt evidenced by the Note or in any way affect or impair the lien of this Security Instrument or any of the other Loan Documents or the right of Lender to foreclose this Security Instrument following the occurrence of an Event of Default; (b) impair the right of Lender to name Grantor as a party defendant in any action or suit for judicial foreclosure and sale under this Security Instrument; (c) affect the validity or enforceability of the Note, this Security Instrument, or any of the other Loan Documents, or impair the right of Lender to seek a personal judgment against Guarantor; (d) impair the right of Lender to obtain the appointment of a receiver; (e) impair the enforcement of the Assignment; (f) impair the right of Lender to bring suit for a monetary judgment with respect to fraud or material misrepresentation by Grantor, Guarantor or any Affiliate of Grantor or Guarantor in connection with this Security Instrument, the Note or the other Loan Documents, and the foregoing provisions shall not modify, diminish or discharge the liability of Grantor or the Partners with respect to same; (g) impair the right of Lender to bring suit for a monetary judgment to obtain the Recourse Distributions received by Grantor including, without limitation, the right to bring suit for a monetary judgment to proceed against any Partner, to the extent of any such Recourse Distributions theretofore distributed to and received by such Partner, and the foregoing provisions shall not modify, diminish or discharge the liability of Grantor or the Partners with respect to same; (h) impair the right of Lender to bring suit for a monetary judgment with respect to Grantor's misappropriation of tenant security deposits or Rent, and the foregoing provisions shall not modify, diminish or discharge the liability of Grantor or the Partners with respect to same; (i) impair the right of Lender to obtain Loss Proceeds due to Lender pursuant to this Security Instrument; (j) impair the right of Lender to enforce the provisions of Sections 2.02(g), 12.01, 16.01 or 16.02, inclusive of this Security Instrument, even after repayment in full by Grantor of the Debt or to bring suit for a monetary judgment against Grantor or the Partners with respect to any obligation set forth in said Sections; (k) prevent or in any way hinder Lender from exercising, or constitute a defense, or counterclaim, or other basis for relief in respect of the exercise of, any other remedy against any or all of the collateral securing the Note as provided in the Loan Documents; (l) impair the right of Lender to bring suit for a monetary judgment with respect to any misappropriation or conversion of Loss Proceeds, and the foregoing provisions shall not modify, diminish or discharge the liability of Grantor or the Partners with respect to same; (m) impair the right of Lender to sue for, seek or demand a deficiency judgment against Grantor solely for the purpose of foreclosing the Property or any part thereof, or realizing upon the Default Collateral; provided, however, that any such deficiency judgment referred to in this clause (m) shall be enforceable against Grantor and the Partners (but only to the extent distributed to and actually received by such Partner) only to the extent of any of the Default Collateral; (n) impair the ability of Lender to bring suit for a monetary judgment with respect to damage, arson or waste to or of the Property by Grantor, Guarantor or any Affiliate of Grantor or Guarantor; (o) impair the right of Lender to bring a suit for a monetary judgment in the event of the exercise of any right or remedy under any federal, state or local forfeiture laws resulting in the loss of the lien of this Security Instrument, or the priority thereof, against the Property; (p) be deemed a waiver of any right which Lender may have under Sections 506(a), 506(b), 1111(b) or any other provision of the Bankruptcy Code to file a claim for the full amount of the Debt or to require that all collateral shall continue to secure all of the Debt; (q) impair the right of Lender to bring suit for monetary judgment with respect to any losses resulting from any claims, actions or proceedings initiated by Grantor (or any Affiliate of Grantor) alleging that the relationship of Grantor and Lender is that of joint venturers, partners, tenants in common, joint tenants or any relationship other than that of debtor and creditor; (r) impair the right of Lender to bring suit for a monetary judgment in the event of a Transfer in violation of the provisions of Article IX hereof; (s) impair the right of Lender to bring suit for a monetary judgment in the event that Grantor moves its principal place

of business or its books and records relating to the Property which are governed by the UCC, or changes its name, its jurisdiction of organization, type of organization or other legal structure or, if it has one, organizational identification number, without first giving Lender thirty (30) days prior written notice or (t) impair the right of Lender to bring suit for a monetary judgment in the event that Grantor changes its name or otherwise does anything which would make the information set forth in any UCC Financing Statements relating to the Property materially misleading without giving Lender thirty (30) days prior written notice thereof. The provisions of this Section 18.32 shall be inapplicable to Grantor if (a) any proceeding, action, petition or filing under the Bankruptcy Code, or any similar state or federal law now or hereafter in effect relating to bankruptcy, reorganization or insolvency, or the arrangement or adjustment of debts, shall be filed by or consented to by Grantor or, if Grantor colluded in such filing, or if Grantor shall institute any proceeding for its dissolution or liquidation, or shall make an assignment for the benefit of creditors or (b) Grantor or any Affiliate contests or in any material way interferes with, directly or indirectly (collectively, a "Contest") any foreclosure action, UCC sale or other material remedy exercised by Lender upon the occurrence of any Event of Default whether by making any motion, bringing any counterclaim, claiming any defense, seeking any injunction or other restraint, commencing any action, or otherwise (provided that if any such Person obtains a non-appealable order successfully asserting a Contest, Grantor shall have no liability under this clause (b)), in which event Lender shall have recourse against all of the assets of Grantor including, without limitation, any right, title and interest of Grantor in and to the Property, any partnership interests in Grantor and any Recourse Distributions received by the Partners of Grantor (but excluding the other assets of such Partners to the extent Lender would not have had recourse thereto other than in accordance with the provisions of this Section 18.32).

Section 18.33. Component Notes. Lender, without in any way limiting Lender's other rights hereunder, in its sole and absolute discretion, shall have the right at any time to require Grantor to execute and deliver "component" notes (including senior and junior notes), which notes may be paid in such order of priority as may be designated by Lender, provided that (a) the aggregate principal amount of such "component" notes shall equal the outstanding principal balance of the Loan immediately prior to the creation of such "component" notes, (b) the weighted average interest rate of all such "component" notes shall on the date created equal the interest rate which was applicable to the Loan immediately prior to the creation of such "component" notes, (c) the debt service payments on all such "component" notes shall on the date created equal the debt service payment which was due under the Loan immediately prior to the creation of such component notes and (d) the other terms and provisions of each of the "component" notes shall be identical in substance and substantially similar in form to the Loan Documents. Grantor shall cooperate with all reasonable requests of Lender in order to establish the "component" notes and shall execute and deliver such documents as shall reasonably be required by Lender in connection therewith, all in form and substance reasonably satisfactory to Lender, including, without limitation, the severance of security documents if requested. It shall be an Event of Default if Grantor fails to comply with any of the terms, covenants or conditions of this Section 18.33 after the expiration of ten (10) Business Days after notice thereof.

Section 18.34. Intentionally Omitted.

Section 18.35. Certain Matters Relating to Property Located in the State of Florida. With respect to the Property which is located in the State of Florida, notwithstanding anything contained herein to the contrary:

(a) It is agreed that, in addition to existing indebtedness, any future advances made by the then holder of the Note to or for the benefit of Grantor or Grantor's permitted assignees, whether such advances are obligatory or are made at the option of Lender, or otherwise, at any time within twenty (20) years from the date of this Security Instrument, with interest thereon at the rate agreed upon at the time of each additional loan or advance, shall be equally secured with and have the same priority as the Debt and be subject to all of the terms and provisions of this Security Instrument, whether or not such additional loan or advance is evidenced by a promissory note of Grantor and whether or not identified by a recital that it is secured by this Security Instrument; provided that, although the total amount of the indebtedness that may be secured may decrease to zero from time to time or may increase from time to time, the aggregate amount of outstanding Debt so secured at any one time shall not exceed the sum of two (2) times the Loan Amount, plus interest and disbursements made for the payment of taxes, levies or insurance on the Property with interest on such disbursements. It is understood and agreed that this future advance provision shall not be construed to obligate Lender to make any such additional loans or advances. It is further agreed that any

additional note or notes executed and delivered under this future advance provision shall be included in the words "Note" or "Debt" wherever either appears in the context of this Security Instrument. Grantor, for itself and its successors in title and its successors and permitted assigns, hereby expressly waives and relinquishes any rights granted under Section 697.04 of the Florida Statutes, or otherwise, to limit the amount of indebtedness that may be secured by this Security Instrument at any time during the term of this Security Instrument. Grantor further covenants not to file for record any notice limiting the maximum principal amount that may be secured by this Security Instrument and agrees that any such notice, if filed, shall be null and void; and except as hereinafter provided, of no effect. In the event that, notwithstanding the foregoing covenant, Grantor or its successor in title files for record any notice limiting the maximum principal amount that may be secured by this Security Instrument in violation of the foregoing covenant, the Debt shall, at the option of Lender, become immediately due and payable.

(b) Notwithstanding anything to the contrary contained in this Security Instrument, Lender shall comply with the requirements of Section 501.137, Florida Statutes, as applicable, with respect to the payment of Impositions and insurance premiums from the Basic Carrying Costs Sub-Account so that the maximum tax discount available may be obtained with regard to the Premises and so that insurance coverage on the Property does not lapse.

(c) The assignment of leases and rents contained in this Security Instrument is intended to provide Lender with all the rights and remedies of lenders pursuant to Section 697.07 of the Florida Statutes (hereinafter "Section 697.07"), as may be amended from time to time. However, in no event shall this reference diminish, alter, impair, or affect any other rights and remedies of Lender, including but not limited to, the appointment of a receiver as provided herein, nor shall any provision in this Section diminish, alter, impair or affect any rights or powers of the receiver in law or equity or as set forth herein. In addition, this assignment shall be fully operative without regard to value of the Property or without regard to the adequacy of the Property to serve as security for the obligations owed by Grantor to Lender, and shall be in addition to any rights arising under Section 697.07. Further, except for the notices required hereunder, if any, Grantor waives any notice of default or demand for turnover of rents by Lender, together with any rights under Section 697.07 to apply to a court to deposit the Rents into the registry of the court or such other depository as the court may designate.

Section 18.36. Certain Matters Relating to Property Located in the State of Illinois. With respect to the Property which is located in the State of Illinois, notwithstanding anything contained herein to the contrary:

(a) COMPLIANCE WITH ILLINOIS MORTGAGE FORECLOSURE LAW.

If any provision in this Security Instrument is determined to be inconsistent with any provision of the Illinois Mortgage Foreclosure Law (735 ILCS 5/15-1101 et seq., as amended) (the "IMFL"), the provisions of the IMFL shall take precedence over the provisions of this Security Instrument, but shall not invalidate or render unenforceable any other provisions of this Security Instrument that can be construed in a manner consistent with the IMFL.

If any provision of this Security Instrument shall grant to Lender any rights or remedies upon an Event of Default which are more limited than the rights that would otherwise be vested in Lender under the IMFL in the absence of such provision, Lender shall be vested with the rights granted in the IMFL to the full extent permitted by law.

Without limiting the generality of the foregoing, all expenses incurred by Lender to the extent reimbursable under Sections 15-1510 and 15-1512 of the IMFL, whether incurred before or after any decree or judgment of foreclosure, and whether enumerated in this Security Instrument, shall be added to the Debt secured by this Security Instrument or by the judgment of foreclosure.

Without limiting the generality of the foregoing, this Security Instrument also secures all future advances made pursuant to the terms of this Security Instrument or the other Loan Documents made after this Security Instrument is recorded, including but not limited to all monies so advanced by Lender in accordance with the terms of this Security Instrument to (A) preserve or restore the Property, (B) preserve the lien of this Security Instrument

or the priority thereof or (C) enforce this Security Instrument, and, to the full extent permitted by Subsection (b)(5) of Section 15-1302 of the IMFL or other law, shall be a lien from the time this Security Instrument is recorded.

(b) **WAIVER OF STATUTORY RIGHTS.** GRANTOR ACKNOWLEDGES THAT THE TRANSACTION OF WHICH THIS SECURITY INSTRUMENT IS A PART IS A TRANSACTION WHICH DOES NOT INCLUDE EITHER AGRICULTURAL REAL ESTATE (AS DEFINED IN SECTION 15-1201 OF THE IMFL), OR RESIDENTIAL REAL ESTATE (AS DEFINED IN SECTION 15-1219 OF THE IMFL), AND TO THE FULL EXTENT PERMITTED BY LAW, VOLUNTARILY AND KNOWINGLY WAIVES GRANTOR'S RIGHTS TO REINSTATEMENT AND REDEMPTION AS ALLOWED UNDER SECTION 15-1601(B) OF THE IMFL, AND TO THE FULL EXTENT PERMITTED BY LAW, THE BENEFITS OF ALL PRESENT AND FUTURE VALUATION, APPRAISEMENT, HOMESTEAD, EXEMPTION, STAY, REDEMPTION AND MORATORIUM LAWS UNDER ANY STATE OR FEDERAL LAW.

(c) **FIXTURE FILING.** THIS INSTRUMENT IS EFFECTIVE AND SHALL BE EFFECTIVE AS A FINANCING STATEMENT FILED AS A FIXTURE FILING WITH RESPECT TO ALL GOODS WHICH ARE OR ARE TO BECOME FIXTURES INCLUDED WITHIN THE PROPERTY AND IS TO BE FILED FOR RECORD OR REGISTERED IN THE REAL ESTATE RECORDS OF THE COUNTY IN WHICH THE PREMISES IS LOCATED. THE ADDRESS OF LENDER [SECURED PARTY] AND THE MAILING ADDRESS OF BORROWER [DEBTOR] ARE SET FORTH WITHIN. A PHOTOGRAPHIC OR OTHER REPRODUCTION OF THIS INSTRUMENT OR ANY FINANCING STATEMENT RELATING TO THIS INSTRUMENT SHALL BE SUFFICIENT AS A FINANCING STATEMENT.

(d) **MAXIMUM AMOUNT SECURED.** Grantor and Lender intend that this Security Instrument shall secure not only sums advanced as of the date hereof but also all advances provided for in the Loan Documents; provided however that the maximum amount secured by this Security Instrument shall in no event exceed two (2) times the Loan Amount.

(e) **BUSINESS LOAN.** Grantor represents and agrees that the obligations secured hereby constitute a business loan within the purview of such paragraph 1(c) of Section 4 of the Illinois Interest Act, 815 ILCS 205/1 et seq., as amended, transacted solely for the purpose of carrying on or acquiring the business of Grantor, and also constitutes a loan secured by a mortgage which comes within the purview of subparagraph 1(l) of said Section.

(f) **MATURITY DATE.** The maturity date of the Loan is the Payment Date occurring in July 2016, subject to any extensions provided in the Note.

(g) **MORTGAGEE-IN-POSSESSION.** In addition to any provision of this Security Instrument authorizing Lender to take or be placed in possession of the Premises, or for the appointment of a receiver, Lender shall have the right, in accordance with Sections 5/15-1701 and 5/15-1702 of the IMFL, to be placed in possession of the Premises or at its request to have a receiver appointed, and such receiver, or Lender, if and when placed in possession, shall have, in addition to any other powers provided in this Security Instrument, all powers, immunities and duties as provided for in Sections 2/15-1701 and 5/15-1702 of the IMFL.

(h) **INSURANCE.** Notwithstanding the provisions of Article III hereof, if Grantor fails to provide Lender evidence of the insurance coverages required pursuant to the provisions of this Security Instrument, Lender may purchase such insurance at Grantor's expense to cover Lender's interest in the Premises. The insurance may, but need not, protect Grantor's interest. The coverages that Lender purchases may not pay any claim that Grantor makes or any claim that is made against Grantor in connection with the Premises. Grantor may later cancel any insurance purchased by Lender but only after providing Lender with evidence that Grantor has obtained such insurance as required pursuant to Article III of this Security Instrument. If Lender purchased insurance for the Premises, Grantor will be responsible for the costs of such insurance, including, without limitation, interest and any other charges which Lender may impose in connection with the placement of the insurance, until the effective date of the cancellation and the expiration of the insurance. The cost of the insurance may be added to the Debt. The cost of the insurance may be more than the cost of the insurance Grantor may be able to obtain on its own.

Section 18.37. Certain Matters Relating to Property Located in the State of Indiana. With respect to the Property which is located in the State of Indiana, notwithstanding anything contained herein to the contrary:

(a) The following terms and references (for purposes of this Section only) shall mean the following:

(i) "Applicable Law" means statutory and case law in the State, including, but not by way of limitation, *Mortgages*, Ind. Code 32-29, *Mortgage Foreclosure Actions*, Ind. In the event of any inconsistency between the provisions of this Security Instrument and the provisions of Applicable Law, the provisions of the Applicable Law shall take precedence over the provisions of this Security Instrument, but shall not invalidate or render unenforceable any other provision of this Security Instrument that can be construed in a manner consistent with Applicable Law. Conversely, if any provision of this Security Instrument shall grant to Lender any rights or remedies upon default of the Grantor which are more limited than the rights or remedies that would otherwise be vested in the Lender under Applicable Law in the absence of said provision, Lender shall be vested with the rights and remedies granted under Applicable Law. Notwithstanding any provision in this Security Instrument relating to a power-of-sale or other provision for sale of the Property upon default other than under a judicial proceeding, except as otherwise may be permitted under the UCC.

(c) Notwithstanding any provision in this Security Instrument purporting to irrevocably grant a security interest in the Property, upon the payment and satisfaction of this Security Instrument and upon the request of Grantor, Lender will file a release of this Security Instrument or other certification that this Security Instrument has been satisfied in the office of the recorder in the County.

(d) In addition to any other obligation secured by this Security Instrument, this Security Instrument also secures:

future obligations and advances up to the maximum amount of two (2) times the Loan Amount (whether made as an obligation, made at the option of Lender, made after a reduction to a zero (0) or other balance, or made otherwise) to the same extent as if the future obligations and advances were made on the date of execution of this Security Instrument; and

future modifications, extensions, and renewals of any indebtedness or obligations secured by this Security Instrument.

(e) To the extent the Applicable Law limits (i) the availability of the exercise of any of the remedies set forth herein, including without limitation the remedies involving the right of Lender to exercise self-help in connection with the enforcement of the terms of this Security Instrument, or (ii) the enforcement of waivers and indemnities made by Grantor, such remedies, waivers, or indemnities shall be exercisable or enforceable, any

provisions in this Security Instrument to the contrary notwithstanding, if, and to the extent, permitted by the laws in force at the time of the exercise of such remedies or the enforcement of such waivers or indemnities at the time of the execution and delivery of this Security Instrument. Anything contained in this Security Instrument to the contrary, Lender shall enforce the terms and provisions of this Security Instrument subject to and in accordance with all applicable Legal Requirements and Applicable Law.

(f) Anything contained herein or in Ind. Code 32-29-7-5 to the contrary notwithstanding, no waiver made by Grantor in this Security Instrument, or in any of the other terms and provisions of the Loan Documents, shall constitute the consideration for or be deemed to be a waiver or release by Lender of the right to seek a deficiency judgment against Grantor or any other Person or entity who may be personally liable for the Debt, which right to seek a deficiency judgment is hereby reserved, preserved and retained by Lender for its own behalf and its successors and assigns.

(g) Part of the Property and Collateral is or may become fixtures. It is intended that as to the fixtures, as such term is defined in Ind. Code 26-1-9.1-102(41), that are part of the Property, this Security Instrument shall be effective as a continuously perfected financing statement filed pursuant to Ind. Code 26-1-9.1-515 as a fixture filing from the date of the filing of this Security Instrument for record with the County Recorder. In order to satisfy Ind. Code 26-1-9.1-502(a) and Ind. Code 26-1-9.1-502(b), the following information is hereby provided:

Name of Debtor: Grantor is the "Debtor"

Record Owner of Property: Grantor

(h) Grantor hereby acknowledges receipt of a copy of this Security Instrument in compliance with Lender's obligation to deliver a copy of the fixture filing to Grantor pursuant to Section 9.1-502(f) of the UCC.

(i) The final maturity date of the obligations secured hereby (including all extensions permitted pursuant to the terms of the Loan Documents) is the Payment Date occurring in July, 2016.

(j) The Property (i) does not contain any facility or facilities that are subject to reporting (by either Grantor or any tenant or lessee thereon or other person or entity in possession or occupancy of any portion thereof) under Section 312 of the federal Emergency Planning and Community Right-to-Know Act of 1986 (42 U.S.C. §11022); (ii) is not the site of any underground storage tanks; and (iii) is not listed on the Comprehensive Environmental Response, Compensation and Liability Information System (CERCLIS) in accordance with Section 116 of CERCLA (42 U.S.C. §9616). By reason of the foregoing, the conveyance made by Grantor to Lender by this Security Instrument is not subject to the disclosure or other provisions of the Indiana Responsible Property transfer Law, Ind. Code 13-25-3.

(k) If Lender exercises its rights under Section 13.02 (a)(viii) hereof and brings an action to recover judgment under the Note or any guaranty and during the pendency of such action brings a separate action under this Security Instrument, such actions shall be consolidated.

(l) The definition of Property shall include all refunds and rebates with respect to any tax or utility payments, regardless of the time period to which they relate.

(m) All attorneys fees and expenses incurred by Grantor in connection with the enforcement of any of the terms of this Security Instrument shall include, without limitation, support staff costs and amounts expended in connection with litigation preparation and computerized research, telephone and telefax expenses, mileage, depositions, postage, photocopies, process service, videotapes, environmental testing and audits, environmental reviews and inspections and environmental clean-up and remediation.

(n) Without limiting the scope of the assignment of Rents contained in this Security Instrument, the assignment of Rents set forth herein shall constitute an assignment of rents as set forth in Ind. Code 32-21-4-2 and thereby creates, and Grantor hereby grants to Lender, a security interest in the Rents that will be perfected upon the recording of this Security Instrument.

(o) Subject to the terms and provisions of this Security Instrument, Grantor hereby irrevocably consents to the appointment of a receiver permitted under Applicable Law, which receiver, when duly appointed, shall have all of the powers and duties of receivers pursuant to Applicable Law.

(p) The term "Debt" as defined in this Security Instrument shall include, without limitation, any judgment(s) or final decree(s) rendered to collect any money obligations of Grantor to Lender and/or to enforce the performance or collection of all covenants, agreements, other obligations and liabilities of the Grantor under this Security Instrument or any or all of the Loan Documents; provided, however, such Debt shall not include any judgment(s) or final decree(s) rendered in another jurisdiction, which judgment(s) or final decree(s) would be unenforceable by an Indiana Court pursuant to Ind. Code 34-54-3-4. The obtaining of any judgment by Lender (other than a judgment foreclosing this Security Instrument) and any levy of any execution under any such judgment upon the Property shall not affect in any manner or to any extent the lien of this Security Instrument upon the Property or any part thereof, or any liens, powers, rights and remedies of Lender, but such liens, powers, rights and remedies shall continue unimpaired as before until the judgment or levy is satisfied.

(q) Notwithstanding anything contained herein or the other Loan Documents to the contrary, the provisions in this Security Instrument regarding creation, validity, perfection, priority and enforceability of the lien and security interests created hereby, all warranties of title contained herein with respect to the Property and all provisions hereof relating to the realization of the security covered hereby with respect to the Property shall be governed by Applicable Law.

(r) Grantor expressly waives and relinquishes any and all rights and remedies which Grantor may have or be able to assert by reason of the laws of the State of Indiana pertaining to the rights and remedies of sureties.

(b) The Note has a maturity date of the Payment Date occurring in July, 2016.

(c) The signature of the person who prepared the instrument is set forth on the cover page hereof, and such is deemed to be included as part of the preparer's reference on the cover page hereof. KRS 382.335.

(d) With reference to KRS 382.520, it is acknowledged and agreed that this Security Instrument secures not only the initial advances under the Note but also all future advances and all other additional indebtedness, whether direct, indirect, future, contingent or otherwise, connected with or arising out of the Note and

the Loan Documents, to the extent of not more than two (2) times the Loan Amount. It shall be a default under this Security Instrument if Grantor requests a release, in the manner provided by KRS 382.520, of any portion of the lien securing any of the additional indebtedness secured by this Security Instrument prior to the date that all of the obligations have been paid and the Loan Documents have been terminated, and Grantor hereby waives any and all right to request such a release to the maximum extent permitted by law.

Section 18.39. Certain Matters Relating to Property Located in the State of Michigan. With respect to the Property which is located in the State of Michigan, notwithstanding anything contained herein to the contrary:

(a) Lender shall have all the rights, benefits and privileges set forth in this Security Instrument subject to the provisions of MCLA 554.231, MCLA 554.211 et seq. and MCLA 565.81 et seq. It is the intention of the parties that the provisions of this Security Instrument, and all of the rights and powers granted or reserved to Lender hereunder, shall be construed and enforced to the broadest extent permissible under applicable Michigan law governing assignments of leases and rents including, without limitation, MCLA 554.231 et seq. Any provision contained herein which would, as drafted, violate any provision of, or be in any respect unenforceable under, Michigan law shall be automatically deemed to be modified to the extent necessary, consistent with its purpose, to render such provision enforceable under Michigan law.

(b) THIS SECURITY INSTRUMENT IS A "FUTURE ADVANCE MORTGAGE" PURSUANT TO M.C.L.A. 565.901. ALL FUTURE ADVANCES UNDER THIS SECURITY INSTRUMENT OR UNDER ANY OF THE LOAN DOCUMENTS SHALL HAVE THE SAME PRIORITY AS IF THE FUTURE ADVANCE WAS MADE ON THE DATE THAT THIS SECURITY INSTRUMENT WAS RECORDED. THIS SECURITY INSTRUMENT SHALL SECURE ALL INDEBTEDNESS OF BORROWER, ITS SUCCESSORS AND ASSIGNS, UNDER THIS SECURITY INSTRUMENT, WHENEVER AND HOWEVER INCURRED. NOTICE IS HEREBY GIVEN THAT THE INDEBTEDNESS SECURED HEREBY MAY INCREASE AS A RESULT OF ANY DEFAULTS HEREUNDER BY BORROWER DUE TO, FOR EXAMPLE AND WITHOUT LIMITATION, UNPAID INTEREST OR LATE CHARGES, UNPAID TAXES OR UNPAID INSURANCE PREMIUMS WHICH

LENDER ELECTS TO ADVANCE PURSUANT TO THE TERMS OF THIS SECURITY INSTRUMENT, DEFAULTS UNDER LEASES THAT LENDER ELECTS TO CURE, ATTORNEYS' FEES OR COSTS INCURRED IN ENFORCING THE LOAN DOCUMENTS OR OTHER EXPENSES INCURRED BY LENDER IN PROTECTING THE PREMISES, THE SECURITY OF THIS SECURITY INSTRUMENT OR LENDER'S RIGHTS AND INTERESTS.

(c) Upon a default by Grantor, Lender, at Lender's option, may declare all of the sums secured by this Security Instrument to be immediately due and payable without further demand. Lender is hereby authorized and empowered to foreclose this Security Instrument and to sell the Property at public auction or venue pursuant to m.c.l.a. 600.3201 et seq. or judicially foreclose this Security Instrument under the provisions of m.c.l.a. 600.3101 et seq. Grantor acknowledges that the power of sale herein granted may be exercised by Lender without prior judicial hearing. Lender shall be entitled to collect all costs and expenses incurred in pursuing such remedies, including without limitation attorneys' fees and costs.

(d) This Security Instrument contains a power of sale which permits Lender to cause the Property to be sold by advertisement rather than pursuant to court action. In a foreclosure by advertisement, there is no hearing involved and the only notice required is to publish notice in a local newspaper and to post a copy of the notice on the property. Grantor hereby voluntarily and knowingly waives any right Lender may have by virtue of any applicable constitutional provision or statute to any notice or court hearing prior to the exercise of the power of sale, except as may be expressly required by the Michigan statute governing foreclosures by advertisement. By execution of the Mortgage, Grantor represents and acknowledges that the meaning and the consequences of the foregoing have been discussed as fully as desired by Grantor with Grantor's legal counsel.

(e) As additional security for the Debt and performance of the covenants and agreements herein and in any other agreement contained, pursuant to Michigan Compiled Laws 554.231 *et seq.*, as amended, Grantor hereby assigns and conveys to Lender and grants Lender security interests in any and all leases, written or unwritten, of the Property or any part thereof, heretofore, now or hereafter entered into and demising any part of the Property, and all rents, issues, income and profits derived from the use of the Property or any portion thereof, whether due or to become due.

(f) Grantor's failure, refusal or neglect to pay any taxes levied against the Property or any insurance premiums due upon policies of insurance covering the Property, shall constitute waste under Michigan Compiled Laws 600.2927, and Lender shall have a right to appointment of a receiver of the Property and of the earnings, income and profits thereof, with such powers as the Court making such appointment confers, and Grantor hereby irrevocably consents to such appointment in such event, and agrees to pay Lender's costs and expenses incurred in such proceeding, including reasonably attorneys fees. Payment by Lender for and on behalf of Grantor of any delinquent taxes, assessments, or insurance premiums payable by Grantor under the terms of this Security Instrument shall not cure the default herein described, nor shall it in any manner impair Lender's right to the appointment of a receiver as set forth herein.

(g) Grantors failure to pay taxes and/or assessments assessed against the Property, or any installment thereof, or any insurance premium upon policies covering the Property or any part thereof, shall constitute waste (although the meaning of the term "waste" shall not necessarily be limited to such nonpayment), as provided by Act No. 236 of the Public Acts of Michigan of 1961, as amended, and shall entitle Lender to all remedies provided for in such statute. If Lender elects to seek a receiver under such statute, Grantor further agrees and consents to the appointment of a receiver under such statute.

(h) Grantor understands that, upon the occurrence of an Event of Default, Lender hereby is authorized and empowered to sell the Property or to cause the same to be sold and to convey the same to the purchaser in any lawful manner, including but not limited to that provided by Chapter 32 of the Revised Judicature Act of Michigan, entitled "Foreclosure of Mortgage by Advertisement", which permits Lender to sell the Property without affording Grantor a hearing or giving Grantor actual personal notice. The only notice required under such Chapter 32 is to publish notice in a local newspaper and to post a copy of the notice on the Property.

(i) In connection with Lender's right to possession of the Property upon the occurrence of an Event of Default, Grantor acknowledges that it has been advised that there is a significant body of case law in Michigan that purports to provide that, in the absence of a showing of waste of a character sufficient to endanger the value of the mortgaged property, or other special factors, a mortgagor is entitled to remain in possession of mortgaged property, and to enjoy the income, rents and profits from the mortgaged property, during the pendency of foreclosure proceedings and until the expiration of the redemption period, even if the mortgage documents expressly provide to the contrary. Grantor further acknowledges that it has been advised that Lender recognizes the value of the security covered by this Security Instrument is inextricably intertwined with the effectiveness of the management, maintenance and general operation of the Property, and that Lender would not make the loan secured by this Security Instrument unless it could be assured that it would have the right to take possession of the Property in order to manage or to control management of the Property, and to enjoy the income, rents and profits from the Property, immediately upon the occurrence of an Event of Default, notwithstanding that foreclosure proceedings may not have been instituted, or are pending, or the redemption period may not have expired. Accordingly, Grantor hereby knowingly, intelligently and voluntarily waives all right to possession of the Property from and after the occurrence of an Event of Default, upon demand for possession by Lender, and Grantor agrees not to assert any objection or defense to Lender's request or petition to a court for possession. The rights hereby conferred upon Lender have been agreed upon prior to any Event of Default, and the exercise by Lender of any such rights shall not be deemed to put Lender in the status of a "mortgagee in possession."

(j) For purposes of Article Nine of the Michigan Uniform Commercial Code, (a) Grantor is the "debtor" and is a limited liability company organized under the laws of the state of Michigan, (b) the organization number assigned debtor by the state in which debtor is organized is B5179U, (c) Lender is the "secured party", (d) information concerning the security interest created hereby may be obtained from Lender at its address set forth on page 1 of this Security Instrument, (e) Grantor's mailing address is set forth on page 1 hereof; and (f) this financing statement is to be recorded in the real property records for the county in which the Property is located.

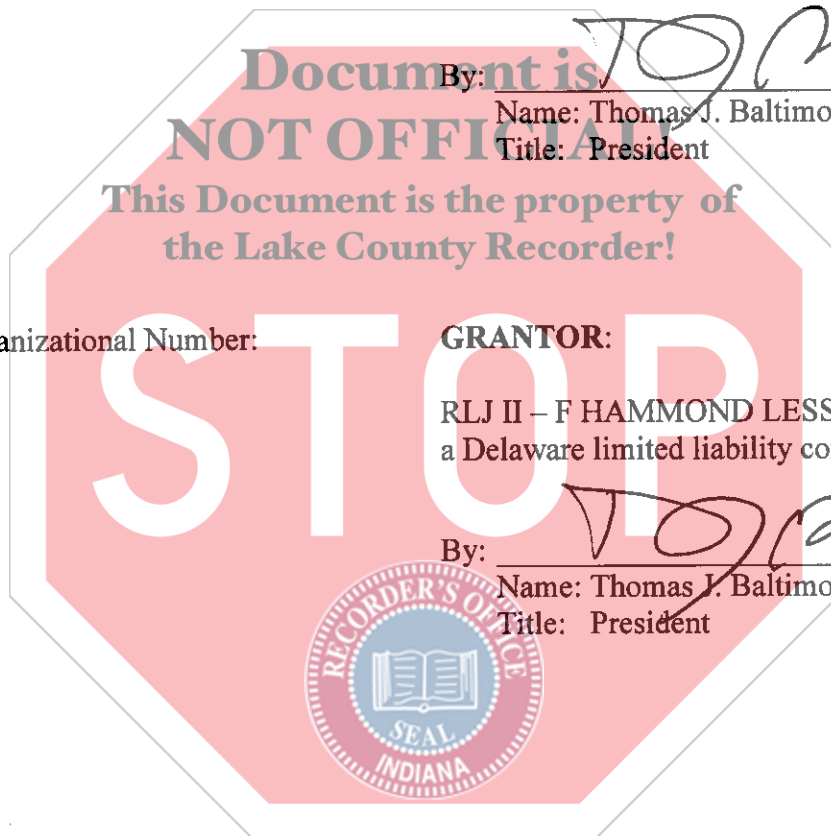

IN WITNESS WHEREOF, Grantor has duly executed this Security Instrument the day and year first above written.
