## GENERAL INFORMATION

**AS, IT IS THE RESPONSIBILITY OF THE PASSPORT BEARER TO OBTAIN THE NECESSARY VISAS.**  
**TITULAIRE DU PASSEPORT EST SEUL RESPONSABLE DE L'OBTENTION DES VISAS REQUIS.**

**HEALTH.** Under the International Health Regulations, a country may require International Certificates of Vaccination only against Yellow Fever and Cholera. Smallpox vaccination is NOT required by any country. NO immunizations are required to return to the United States. Prophylactic medication for malaria, and certain other preventive measures are advisable for some travelers; check with your health care provider or local health department. Also, ensure that your immunizations for measles, mumps, rubella, polio, diphtheria, tetanus, and pertussis are up to date. If you become ill upon return to the United States, inform your physician of your recent travel abroad. For more information, see "Health Information for International Travel," U.S. Government Printing Office, Washington, D.C. 20402.

**HEALTH INSURANCE.** Persons considering foreign travel should determine what health insurance coverage, if any, they have while outside the United States. Medicare does not cover health care costs outside the United States except under limited circumstances in Canada and Mexico.

**CUSTOMS SERVICE.** The pamphlet, "Know Before You Go," gives you current pertinent information about Customs requirements, and how they apply to articles acquired abroad. Obtain a copy from your nearest Customs Office or from the U.S. Customs Service, P.O. Box 7407, Washington, D.C. 20044. The transportation of currency or bearer instrument, regardless of the amount is legal; however, if you take out of or bring into the United States more than \$10,000 (U.S. or foreign currency, travelers checks, money orders, or other bearer monetary instruments), you are required by U.S. law to file a report with the U.S. Customs Service.

**TREASURY.** The unlicensed purchase or importation of Cuban, North Korean, Vietnamese, or Cambodian goods is prohibited except for goods with a foreign market value of \$100 or less imported as accompanied baggage directly from those countries. With certain very limited exceptions, the importation of South African Kruggerands, in accompanied baggage or otherwise is prohibited. Certain transactions involving Cuba and Libya are prohibited. More information: Office of Foreign Assets Control, U.S. Treasury Department, Washington, D. C.

**AGRICULTURE.** Your reentry into the United States will be speeded if you bring with you NO foreign meat, other animal products, birds, animals, fruits, vegetables, plants, soil, or other agricultural items. It is unlawful to import foreign agricultural items without permission since they may carry destructive plant or animal pests and diseases. For more information, write "Quarantines," PPO, APHIS, U.S. Department of Agriculture, 6505 Belcrest Road, Hyattsville, Maryland 20782.

## IMPORTANT INFORMATION

**THIS PASSPORT IS THE PROPERTY OF THE UNITED STATES GOVERNMENT. IT MUST BE SURRENDERED UPON DEMAND BY AN AUTHORIZED REPRESENTATIVE OF THE U.S. GOVERNMENT.**

**LOSS, THEFT OR DESTRUCTION OF PASSPORT** should be reported immediately to local police authorities and to the Passport Services, Washington, D.C. 20520, or, if overseas, to the nearest American embassy or consulate. Your passport is a valuable citizenship identity document. It should be carefully safeguarded. Its loss or theft cause you unnecessary travel complications as well as significant expense.

**ALTERATION OR MUTILATION OF PASSPORT.** This passport must not be altered or mutilated in any way. Alteration may make it INVALID and, if willful, may subject you to prosecution (Title 18, U.S. Code, Section 1543). Only authorized officials of the United States or of foreign countries, in connection with official matters, may place stamps or make notations or additions in this passport. You may amend or update personal information for your own convenience on page four.

**EXPIRATION.** The expiration date is given on the inside front cover.

**LOSS OF NATIONALITY.** You may lose your U.S. nationality by being naturalized in, or by taking an oath or making a declaration of allegiance to, a foreign state; or by serving in the armed forces or accepting employment under the government of a foreign state; or by making a formal renunciation of nationality either in the United States or before a diplomatic or consular officer of the United States while abroad. For detailed information, consult the nearest American embassy or consulate.

**DUAL NATIONALS.** A person is considered a dual national when he owes allegiance to more than one country at the same time. A claim to allegiance may be based on facts of birth, marriage, parentage or naturalization. A dual national may, while in the jurisdiction of the other country which considers that person its national, be subject to all of its laws, including being conscripted for military service. Dual nationals who encounter problems should contact the nearest American embassy or consulate.

**WHEN TRAVELING IN DISTURBED AREAS** you should keep in touch with the nearest American embassy or consulate.

**IF YOU RESIDE ABROAD** or when traveling to remote areas you should register at the nearest American embassy or consulate.
