# WRITTEN IN NATURE OF DISCOVERY

I mistakenly picked up this letter that was sent to an address. You have the wrong person because all of the words are spelled in capital letters and that is for a corporation.

You are commanding money from a corporate entity (strawman) I am the secured party of SANDRA A. PRICE (Amara Teru). Real money GOLD and SILVER, which is the only lawful currency that can satisfy a debt under the Constitution of the United States of America Republic.

Send the certified document of your delegation of authority order that is stated from the Constitution of the United States Republic North America.

I need proof of signature, Nationality and Political Allegiance of the person that sent this instrument.

Is your Organization/Corporation, Foreign or Domestic?

I need written proof of your branch of Government that issued authority to you. Send the reference for the certificate confirmation. Where can your registration number be verified i.e. your article of corporation?

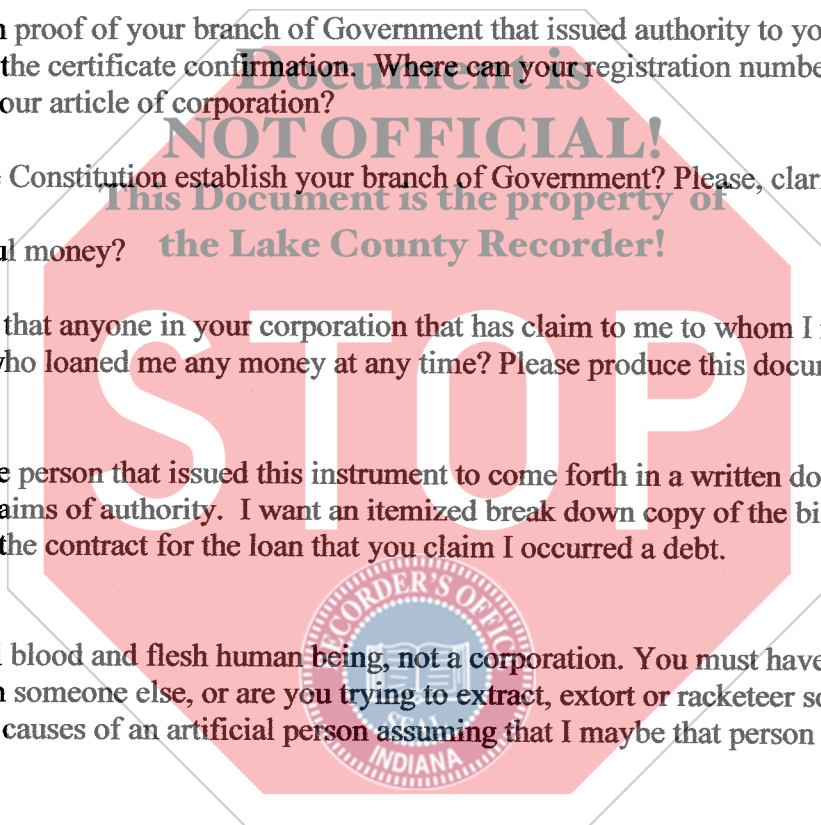

When did the Constitution establish your branch of Government? Please, clarify.

What is lawful money?

Is there a bill that anyone in your corporation that has claim to me to whom I made a contract, or who loaned me any money at any time? Please produce this document.

I asked for the person that issued this instrument to come forth in a written document and prove their claims of authority. I want an itemized break down copy of the bill and the date I signed the contract for the loan that you claim I occurred a debt.

I am a natural blood and flesh human being, not a corporation. You must have me confused with someone else, or are you trying to extract, extort or racketeer some revenue for a causes of an artificial person assuming that I maybe that person you mentioned.

Please be advised that I, Amara Teru Bey, am the secured party in the interest of SANDRA A. PRICE. Is there is a bill that anyone in your corporation that has any claim to me or with whom I've made a debt, or whom loaned me anything at any time that was not entered under threat, duress, and coercion? Please produce that instrument so that I can verify or dismiss it, based on its validity content or lack thereof.

Consider this written notice, if not satisfied within 10 days, that was sent not lawful, and an attempt at extortion, misrepresentation, and fraud. Please respond in kind.

With Full Reservation of Rights

Sincerely,

  
Amara Teru Bey, Secured Party
