mortgage loan. All capitalized terms not define in these Declarations shall have the same definition as provided in the "Loan Agreement."

B. Unit Owners. Each Unit Owner shall obtain, at its own expense, Condominium Unit Owner's Insurance providing coverage for personal property, personal liability and real property additions, alterations, fixtures, improvements, or installations which are located within the boundaries of the Unit. The Association shall not be required to provide insurance coverage for any liability assumed by the Unit Owner pursuant to this Section.

C. Insurance Policies.

1. The Property, including the Building, the Units, and all other insurable improvements upon the Real Estate and all personal property as may be owned by the Association shall be insured as follows:

(i) comprehensive all risk insurance on the improvements and the personal property at the Property (a) in an amount equal to one hundred percent (100%) of the "full replacement cost," which shall mean actual replacement value (exclusive of costs of excavations, foundations, underground utilities and footings) with a waiver of depreciation, but the amount shall in no event be less than the outstanding principal balance of the loan between Galleria Realty Corporation ("Borrower") and Eurohypo AG, New York Branch ("Lender"); (b) containing an agreed amount endorsement with respect to the improvements and personal property at the Property waiving all co-insurance provisions; (c) providing for no deductible in excess of Twenty Five Thousand and No/100 Dollars (\$25,000.00) for all such insurance coverage; and (d) containing an "Ordinance or Law Coverage" or "Enforcement" endorsement if any of the improvements or the use of the Property shall at any time constitute legal non-conforming structures or uses. In addition, the Association shall obtain: (y) if any portion of the improvements is currently or at any time in the future located in a federally designated "special flood hazard area," flood hazard insurance in an amount equal to the lesser of (i) the outstanding principal balance of the Note or (ii) the maximum amount of such insurance available under the National Flood Insurance Act of 1968, the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each may be amended or such greater amount as Lender shall require; and (z) earthquake insurance in amounts and in form and substance satisfactory to Lender in the event the Property is located in an area with a high degree of seismic activity, provided that the insurance pursuant to

clauses (y) and (z) hereof shall be on terms consistent with the comprehensive all risk insurance policy required under this subsection (i).

ii. commercial general liability insurance against claims for personal injury, bodily injury, death or property damage occurring upon, in or about the Property, such insurance (A) to be on the so-called "occurrence" form with an occurrence limit of not less than One Million and No/100 Dollars (\$1,000,000.00) and an aggregate limit of not less than Two Million and No/100 Dollars (\$2,000,000.00); (B) to continue at not less than the aforesaid limit until required to be changed by Lender by reason of changed economic conditions making such protection inadequate; and (C) to cover at least the following hazards: (1) premises and operations; (2) products and completed operations on an "if any" basis; (3) independent contractors; (4) blanket contractual liability for all legal contracts; and (5) contractual liability covering the indemnities contained in Article 9 of the Mortgage between Lender and Borrower to the extent the same is available;

iii. business income insurance (A) with loss payable to Lender; (B) covering all risks required to be covered by the insurance provided for in subsection (i) above for a period commencing at the time of loss for such length of time as it takes to repair or replace with the exercise of due diligence and dispatch; (C) containing an extended period of indemnity endorsement which provides that after the physical loss to the Improvements and Personal Property has been repaired, the continued loss of income will be insured until such income either returns to the same level it was at prior to the loss, or the expiration of twelve (12) months from the date that the Property is repaired or replaced and operations are resumed, whichever first occurs, and notwithstanding that the policy may expire prior to the end of such period; and (D) in an amount equal to one hundred percent (100%) of the projected gross income from the Property for a period from the date of loss to a date (assuming total destruction) which is twelve (12) months from the date that the Property is repaired or replaced and operations are resumed. The amount of such business income insurance shall be determined prior to the date hereof and at least once each year thereafter based on Borrower's reasonable estimate of the gross income from the Property for the succeeding twelve (12) month period. Notwithstanding anything to the contrary herein, all proceeds payable to Lender pursuant to this subsection shall be held by Lender and shall be applied to the obligations secured by the Loan Documents from time to time due and payable hereunder and under the Note; provided, however, that nothing herein contained shall be deemed to relieve Borrower of its

obligations to pay the obligations secured by the Loan Documents on the respective dates of payment provided for in the Note and the other Loan Documents except to the extent such amounts are actually paid out of the proceeds of such business income insurance;

iv. at all times during which structural construction, repairs or alterations are being made with respect to the Improvements, and only if the Property coverage form does not otherwise apply, (A) owner's contingent or protective liability insurance covering claims not covered by or under the terms or provisions of the above mentioned commercial general liability insurance policy; and (B) the insurance provided for in subsection (i) above written in a so-called builder's risk completed value form (1) on a non-reporting basis, (2) against all risks insured against pursuant to subsection (i) above, (3) including permission to occupy the Property, and (4) with an agreed amount endorsement waiving co-insurance provisions;

v. workers' compensation, subject to the statutory limits of the state in which the Property is located, and employer's liability insurance with a limit of at least One Million and No/100 Dollars (\$1,000,000.00) per accident and per disease per employee, and One Million and No/100 Dollars (\$1,000,000.00) for disease aggregate in respect of any work or operations on or about the Property, or in connection with the Property or its operation (if applicable);

vi. comprehensive boiler and machinery insurance, if applicable, in amounts as shall be reasonably required by Lender on terms consistent with the commercial property insurance policy required under subsection (i) above;

vii. excess liability (umbrella) insurance in addition to primary coverage in an amount not less than \$10,000,000.00 per occurrence on terms consistent with the commercial general liability insurance policy required under subsection (ii) above and (viii) below;

viii. motor vehicle liability coverage for all owned and non-owned vehicles, including rented and leased vehicles containing minimum limits per occurrence of One Million and No/100 Dollars (\$1,000,000.00);

ix. so-called "dramshop" insurance or other liability insurance required in connection with the sale of alcoholic beverages, if served at the Property;

x. If the commercial property and business income insurance policies required under subsections (i) and (iii) above do not cover perils of terrorism or acts of terrorism, Borrower shall maintain commercial property and business income insurance for loss resulting from perils and certified and non-certified acts of terrorism on terms (including amounts) consistent with those required under subsections (i) and (iii) above. The claims paying ability rating of the insurer shall be consistent with the requirements of Section D hereof or, if no insurer of such claims paying ability rating is then issuing such terrorism insurance, the chosen insurer shall be the insurer which is offering such terrorism insurance and which has a claims paying ability rating the closest to that required by Section D hereof. If perils of terrorism and acts of terrorism or other similar acts or events are hereafter excluded from Borrower's comprehensive all risk insurance policy or business income insurance coverage required under subsections (i) and (iii) above, Borrower shall obtain an endorsement to such policy, or a separate policy from an insurance provider which meets the requirements set forth in Section D below or is otherwise satisfactory to Lender, insuring against all such excluded acts or events in the amounts required for such coverage under subsections (i) and (iii) above, or such lesser amount as may be approved by Lender in its sole discretion. The endorsement or policy shall be in form and substance reasonably satisfactory to Lender and shall meet Rating Agency criteria for securitized loans; and

xi. upon sixty (60) days' notice, such other reasonable insurance and in such reasonable amounts as Lender from time to time may reasonably request against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in or around the region in which the Property is located.

2. All insurance provided for in in the above Section 1 shall be obtained under valid and enforceable policies (collectively, the "Policies" or, in the singular, the "Policy") and, to the extent not specified above, shall be subject to the approval of Lender as to deductibles, loss payees and insureds. Not less than fifteen (15) days prior to the expiration dates of the Policies theretofore furnished to Lender, certificates of insurance evidencing the Policies accompanied by evidence satisfactory to Lender of payment of the premiums then due thereunder (the "Insurance Premiums"), shall be delivered by Borrower to Lender.

3. Any blanket insurance Policy shall specifically allocate to the Property the amount of coverage from time to time required hereunder

and shall otherwise provide the same protection as would a separate Policy insuring only the Property in compliance with the provisions of Section 1.

4. All Policies of insurance provided for or contemplated by Section 1 shall be primary coverage and, except for the Policy referenced in Section 1, shall name Borrower as the insured and Lender and its successors and/or assigns as the additional insured, as its interests may appear, and in the case of property damage, boiler and machinery, flood, earthquake and terrorism insurance, shall contain a so-called New York standard non-contributing mortgagee clause in favor of Lender providing that the loss thereunder shall be payable to Lender. Borrower shall not procure or permit any of its constituent entities to procure any other insurance coverage which would be on the same level of payment as the Policies or would adversely impact in any way the ability of Lender or Borrower to collect any proceeds under any of the Policies.

5. All Policies of insurance provided for in Section 1, except for the Policies referenced in Section 1 (v) and (viii), shall contain clauses or endorsements to the effect that:

i. no act or negligence of Borrower, or anyone acting for Borrower, or of any Tenant or other occupant, or failure to comply with the provisions of any Policy, which might otherwise result in a forfeiture of the insurance or any part thereof, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned;

ii. the Policy shall not be canceled or permitted to lapse without at least thirty (30) days' written notice to Lender and any other party named therein as an additional insured and, shall not be materially changed (other than to increase the coverage provided thereby) without such a thirty (30) day notice; and

iii. Lender shall not be liable for any Insurance Premiums thereon or subject to any assessments thereunder.

6. If at any time Lender is not in receipt of written evidence that all insurance required hereunder is in full force and effect, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in the Property, including, without limitation, the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate and all premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and until paid shall be secured by the Mortgage and shall bear interest at the Default Rate.

7. In the event of foreclosure of the Mortgage or other transfer of title to the Property in extinguishment in whole or in part of the Debt, all right, title and interest of Borrower in and to the Policies that are not blanket Policies then in force concerning the Property and all proceeds payable thereunder shall thereupon vest in the purchaser at such foreclosure or Lender or other transferee in the event of such other transfer of title.

D. Insurance Company. The Policies shall be issued by financially sound and responsible insurance companies authorized to do business in the state in which the Property is located and having a claims paying ability rating of "A" or better by S&P and the equivalent rating by one of the other Rating Agencies.

E. Casualty. If the Property shall sustain a Casualty, Borrower shall give prompt notice of such Casualty to Lender and shall promptly commence and diligently prosecute to completion the repair and restoration of the Property as nearly as possible to the condition the Property was in immediately prior to such Casualty (a "**Restoration**") and otherwise in accordance with Sections G and H, it being understood, however, that Borrower shall not be obligated to restore the Property to the precise condition of the Property prior to such Casualty provided the Property is restored, to the extent practicable, to be of at least equal value and of substantially the same character as prior to the Casualty. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. Lender may, but shall not be obligated to, make proof of loss if not made promptly by Borrower. In the event of a Casualty where the loss does not exceed the Restoration Threshold, Borrower may settle and adjust such claim; provided that (a) no Event of Default has occurred and is continuing and (b) such adjustment is carried out in a commercially reasonable and timely manner. In the event of a Casualty where the loss exceeds the Restoration Threshold or if an Event of Default then exists, Borrower may settle and adjust such claim only with the prior written consent of Lender (which consent shall not be unreasonably withheld or delayed) and Lender shall have the opportunity to participate, at Borrower's cost, in any such adjustments. Notwithstanding any Casualty, Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement.

F. Condemnation. Borrower shall give Lender prompt notice of any actual or threatened Condemnation by any Governmental Authority of all or any part of the Property and shall deliver to Lender a copy of any and all papers served in connection with such proceedings. Borrower may settle and compromise the Condemnation only with prior written the consent of Lender (which consent shall not be unreasonably withheld or delayed) and Lender shall have the opportunity to participate, at Borrower's cost, in any litigation and settlement discussions in respect thereof and Borrower shall from time to time deliver to Lender all instruments requested by Lender to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in

the carrying on or defense of any such proceedings. Lender is hereby irrevocably appointed as Borrower's attorney-in-fact, coupled with an interest, with exclusive power to collect, receive and retain any Award and to make any compromise or settlement in connection with any such Condemnation. Notwithstanding any Condemnation, Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement. Lender shall not be limited to the interest paid on the Award by any Governmental Authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. If the Property or any portion thereof is taken by any Governmental Authority, Borrower shall promptly commence and diligently prosecute the Restoration of the Property and otherwise comply with the provisions of Section 5.3. If the Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the Award, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the Award, or a portion thereof sufficient to pay the Debt.

G. Minor Casualty or Condemnation. If a Casualty or Condemnation has occurred to the Property and the Net Proceeds shall be less than the Restoration Threshold and the costs of completing the Restoration shall be less than the Restoration Threshold, and provided (a) no Event of Default shall have occurred and remain uncured and (b) the Casualty or Condemnation shall have occurred prior to the Maturity Date, the Net Proceeds will be disbursed by Lender to Borrower. Promptly after receipt of the Net Proceeds, Borrower shall commence and satisfactorily complete with due diligence the Restoration in accordance with the terms of this Agreement. If any Net Proceeds are received by Borrower and may be retained by Borrower pursuant to the terms hereof, such Net Proceeds shall, until completion of the Restoration, be held in trust for Lender and shall be segregated from other funds of Borrower to be used to pay for the cost of Restoration in accordance with the terms hereof.

H. Major Casualty or Condemnation.

1. If a Casualty or Condemnation has occurred to the Property and the Net Proceeds are equal to or greater than the Restoration Threshold or the costs of completing the Restoration is equal to or greater than the Restoration Threshold, Lender shall make the Net Proceeds available for the Restoration, provided that each of the following conditions are met:

i. no Event of Default shall have occurred and be continuing;

ii. (A) in the event the Net Proceeds are insurance proceeds, less than thirty percent (30%) of the total floor area of the Improvements at the Property has been damaged, destroyed or rendered unusable as a result of such Casualty or (B) in the event

the Net Proceeds are an Award, less than fifteen percent (15%) of the land constituting the Property is taken, and such land is located along the perimeter or periphery of the Property, and no portion of the Improvements is the subject of the Condemnation;

iii. Leases requiring payment of annual rent equal to sixty-five percent (65%) of the Gross Income from Operations received by Borrower during the twelve (12) month period immediately preceding the Casualty or Condemnation and all Major Leases shall remain in full force and effect during and after the completion of the Restoration without abatement of rent beyond the time required for Restoration, notwithstanding the occurrence of such Casualty or Condemnation;

iv. Borrower shall commence the Restoration as soon as reasonably practicable (but in no event later than sixty (60) days after such Casualty or Condemnation, whichever the case may be, occurs) and shall diligently pursue the same to satisfactory completion;

v. Lender shall be reasonably satisfied that any operating deficits and all payments of principal and interest under the Note will be paid during the period required for Restoration from (A) the Net Proceeds, or (B) other funds of Borrower;

vi. Lender shall be reasonably satisfied that the Restoration will be completed on or before the earliest to occur of (A) the date six (6) months prior to the Maturity Date, (B) the earliest date required for such completion under the terms of any Lease, (C) such time as may be required under applicable Legal Requirements in order to repair and restore the Property to the condition it was in immediately prior to such Casualty or to as nearly as possible the condition it was in immediately prior to such Condemnation, as applicable or (D) the expiration of the insurance coverage referred to in Section 1 (iii);

vii. the Property and the use thereof after the Restoration will be in compliance with and permitted under all applicable Legal Requirements;

viii. the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable Legal Requirements;

ix. such Casualty or Condemnation, as applicable, does not result in the loss of access to the Property or the related Improvements;

x. all Operating Agreements, if any, shall remain in full force and effect; and

xi. After giving effect to such Restoration, the Debt Service Coverage Ratio for the Property shall be equal to the greater of (i) the Debt Service Coverage Ratio for the twelve (12) full calendar months immediately preceding the Closing Date, and (ii) the Debt Service Coverage Ratio for the Property for the twelve (12) full calendar months immediately preceding the Casualty or Condemnation of the Property.

2. The Net Proceeds shall be paid directly to Lender and held by Lender in an interest-bearing account and, until disbursed in accordance with the provisions of this Section H, shall constitute additional security for the Debt. The Net Proceeds (including all interest earned thereon) shall be disbursed by Lender to, or as directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence reasonably satisfactory to Lender that (i) all requirements set forth in Section H have been satisfied, (ii) all materials installed and work and labor performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full, and (iii) there exist no notices of pendency, stop orders, mechanic's or materialman's liens or notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Property arising out of the Restoration which have not either been fully bonded to the satisfaction of Lender and discharged of record or in the alternative fully insured to the satisfaction of Lender by the title company issuing the Title Insurance Policy.

3. All plans and specifications required in connection with the Restoration shall be subject to prior approval of Lender, such approval not to be unreasonably withheld or delayed, and an independent architect selected by Lender (the "Casualty Consultant"). The plans and specifications shall require that the Restoration be completed in a first-class workmanlike manner at least equivalent to the quality and character of the original work in the Improvements (provided, however, that in the case of a partial Condemnation, the Restoration shall be done to the extent reasonably practicable after taking into account the consequences of such partial Condemnation), so that upon completion thereof, the Property shall be at least equal in value and general utility to the Property prior to the damage or destruction; it being understood, however, that Borrower shall not be obligated to restore the Property to the precise condition of the Property prior to such Casualty provided the Property is restored, to the extent practicable, to be of at least equal value and of substantially the same character as prior to the Casualty. Borrower shall restore all Improvements such that when they are fully restored and/or repaired, such Improvements and their contemplated use fully comply with all applicable

material Legal Requirements. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been engaged, shall be subject to approval by Lender and the Casualty Consultant, which approval shall not be unreasonably withheld or delayed. All costs and expenses incurred by Lender in connection with recovering, holding and advancing the Net Proceeds for the Restoration including, without limitation, reasonable attorneys' fees and disbursements and the Casualty Consultant's fees and disbursements, shall be paid by Borrower.

4. In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, less the Casualty Retainage. The term "**Casualty Retainage**" shall mean, as to each contractor, subcontractor or materialman engaged in the Restoration, an amount equal to ten percent (10%) of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until the Restoration has been completed. The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this Section H-4, be less than the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section H-4 and that all approvals necessary for the re-occupancy and use of the Property have been obtained from all appropriate Governmental Authorities, and Lender receives evidence reasonably satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage; provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which the Casualty Consultant certifies to Lender that the contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of the contractor's, subcontractor's or materialman's contract, the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company issuing the Title Insurance Policy, and Lender receives an endorsement to the Title Insurance Policy insuring the continued priority of the lien of the Mortgage and evidence of payment of any premium payable for such endorsement. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

5. Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

6. If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the reasonable opinion of Lender in consultation with the Casualty Consultant, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "Net Proceeds Deficiency") with Lender before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be held by Lender and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this Section H shall constitute additional security for the Debt.

7. The excess, if any, of the Net Proceeds and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section H, and the receipt by Lender of evidence reasonably satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred and shall be continuing under any of the Loan Documents; provided, however, the amount of such excess returned to Borrower in the case of a Condemnation shall not exceed the amount of Net Proceeds Deficiency deposited by Borrower with the balance being applied to the Debt in the manner provided for in Section H-8 below.

8. All Net Proceeds not required (i) to be made available for the Restoration or (ii) to be returned to Borrower as excess Net Proceeds pursuant to Section H-7 above may be retained and applied by Lender toward the payment of the Debt, whether or not then due and payable, in such order, priority and proportions as Lender in its sole discretion shall deem proper, without payment of any Yield Maintenance Premium, or, at the discretion of Lender, the same may be paid, either in whole or in part, to Borrower for such purposes as Lender shall designate."
