

**Environmental Restrictive Covenant
CITY OF INDIANA
LAKE COUNTY**

THIS COVENANT is made this 26th day of October 2007, by ^{THE FIRM OF} SuperAmerica LLC, 500 Speedway Drive, Enon ~~2007~~ 75323 together with his/her/its/their successors and assignees, collectively "Owner".

MICHAEL A. BROWN

WHEREAS: Owner owns certain real estate in the County of ~~Lake Indiana~~, which is more particularly described in the attached Exhibit "A" and made a part hereof ("Real Estate"), which Real Estate was acquired by deed on May 2, 1994, and recorded on May 9, 1994, as Deed Record 94034370, in the Office of the Recorder of Lake County, Indiana.

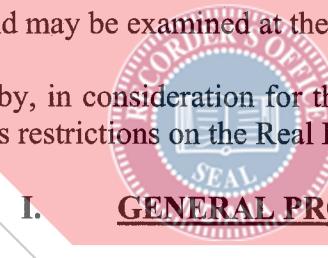

WHEREAS: A corrective action plan was prepared and implemented in accordance with IC 13-23, IC 13-24 and/or IC 13-25 and/or other applicable Indiana law as a result of a release of petroleum or regulated substances relating to the Speedway #8305, located at 4705 Calumet Avenue, Hammond, IN, Facility ID Number 005685, concerning Release Number #199405537, which affected the Real Estate. Speedway SuperAmerica LLC implemented certain response activities at the Real Estate, as approved by the Indiana Department of Environmental Management.

WHEREAS: The corrective action plan, as approved by the Indiana Department of Environmental Management ("the Department"), provides that the chemicals of concern will remain in the groundwater and/or in the soil of the Real Estate and requires land use restrictions that must be maintained to ensure the protection of public health, safety, or welfare, and the environment. Groundwater impacts exceeding the IDEM 2006 RISC Guidance Industrial/Commercial Default Clean-up Levels (IDCLs) for benzo(a)anthracene, benzo(a)pyrene and dibenzo(a,h)anthracene are present in the vicinity of monitoring wells MW-1 and MW-6. Soil samples from NB-2 (8') and NB-3 (6') show levels of total petroleum hydrocarbons as gasoline range organics (TPH-GRO) above the IDEM 2006 RISC IDCL. Soil samples from NB-1 (6'), NB-3 (6') and D-17 through D-22 show levels of total petroleum hydrocarbons as diesel range organics (TPH-DRO) above the IDEM 2006 RISC IDCL. In addition the IDEM 2006 RISC Guidance Commercial/Industrial soil criteria were exceeded for benzene, 2-methylnaphthalene, benzo(a)anthracene, benzo(a)pyrene and phenanthrene at D-22, methyl tertiary-butyl ether (MTBE) at NB-2 (8'), and 2-methylnaphthalene at D-17, D-18 and NB-3 (6'). Those areas where the contaminants of concern remain on the Real Estate are termed the "Affected Area(s)" and are depicted on Exhibit B, attached hereto. A list of the contaminants of concern with concentration levels/detected parameters are set forth in Table 1, attached hereto. The corrective action plan and related site documents are incorporated herein by reference and may be examined at the offices of the Department in the public file.

NOW THEREFORE, Owner, hereby, in consideration for the promises herein contained and other good and valuable consideration, imposes restrictions on the Real Estate and covenants and agrees that:

I. GENERAL PROVISIONS

1. **Property Conveyance – Continuance of Provisions.** The Owner shall prevent any conveyance of title, easement, or other interest in the Real Estate from being consummated without adequate and complete provision for compliance with the corrective action plan and prevention of exposure to chemicals of concern as described in paragraph 8 below.

2. **Restrictions to Run with the Land.** The restrictions and other requirements described in this Covenant shall run with the land and be binding upon, and inure to the benefit of the Owner of the Real Estate and the Owner's successors, assignees, heirs and lessees or their authorized agents, employees, contractors, representatives, agents, lessees, licensees, invitees, guests, or persons acting under their direction or control and shall continue as a servitude running in perpetuity with the Real Estate. No transfer, mortgage, lease, license, easement, or other conveyance of any interest in all or any part of the Real Estate by any person shall limit the restrictions set forth herein. This Covenant is imposed upon the entire Real Estate unless expressly stated as applicable only to a specific portion thereof.
3. **Binding upon Future Owners:** By taking Real Estate, any subsequent owner agrees to comply with these restrictions and the terms of this Covenant.
4. **Recordation.** Unless this Covenant is terminated under paragraph 11, the Owner shall re-record this Covenant including any subsequent modifications and amendments forty-nine (49) years from the date of first recording, or any subsequent recordings, to ensure its continued applicability under the Marketable Title for Real Property Act found in IC 32-20.
5. **Access for Department.** The Owner shall grant to the Department and its designated representatives the right to enter upon the Real Estate at reasonable times for the purpose of determining whether the land use restrictions described in paragraph 8 are being maintained (and operated as applicable) in a manner that ensures the protection of public health, safety, or welfare and the environment; this includes the right to take samples, monitor compliance with the corrective action plan, and inspect records.
6. **Written Notice of the Presence of Hazardous Substances.** Owner agrees to include in any instrument conveying any interest in any portion of the Real Estate, including but not limited to deeds, leases and subleases (excluding mortgages, liens, similar financing interests, and other non-possessory encumbrances) the following notice provision:
- NOTICE: THE INTEREST CONVEYED HEREBY IS SUBJECT TO AN ENVIRONMENTAL RESTRICTIVE COVENANT, DATED _____, 2007, RECORDED IN THE OFFICE OF THE RECORDER OF LAKE COUNTY ON _____, 2007, INSTRUMENT NUMBER (or other identifying reference) _____ IN FAVOR OF AND ENFORCEABLE BY THE INDIANA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT.**
7. **Notice to Department of the Conveyance of Property.** Owner agrees to provide notice to the Department no later than thirty (30) days after any conveyance of any ownership interest in the Real Estate (excluding mortgages, liens, similar financing interests, and other non-possessory encumbrances). Owner must provide Department with a certified copy of the instrument conveying any interest in any portion of the Real Estate and, if it has been recorded, its recording reference. Such notice shall also include the name and business address of the transferee.

II. RESTRICTIONS AND OBLIGATIONS

8. The Owner shall:

- a) Prohibit any activity at the Real Estate that may interfere with the response activities, long-term monitoring, or measures necessary to assure the effectiveness and integrity of any response action, or component thereof, selected and/or undertaken at the Real Estate;
- b) Neither engage in nor allow the installation or use of drinking water wells on the Real Estate. There shall be no consumptive, extractive or other use of the groundwater underlying the Real Estate that could cause exposure of humans or animals to the groundwater underlying the Real Estate, other than for site investigation and/or remediation purposes, without prior Department approval;
- c) Not use the Real Estate for residential purposes, including, but not limited to, daily care facilities (e.g., daycare centers, schools and senior citizen facilities);
- d) Prohibit the use or construction of any subsurface basements on the property;
- e) Notify the Department if there is a change in the land use and/or any zoning changes that affect the Real Estate;

III. ENFORCEMENT

9. **Enforcement.** Pursuant to IC 13-14-2-6(5), the Department may proceed in court, by appropriate action to enforce this Covenant. Owner agrees that the restrictions are enforceable, and agrees not to challenge the appropriate court's jurisdiction.

IV. TERM, MODIFICATION AND TERMINATION

10. **Term.** The restrictions shall apply until the Department determines that the contaminants of concern no longer present an unacceptable risk to the public health, safety, or welfare, or to the environment.

11. **Modification and Termination.** This Covenant shall not be amended, modified, or terminated except by written instrument executed between the Department and the owner of the Real Estate at the time of the proposed amendment, modification, or termination. Within ten (10) days of executing an amendment, modification, or termination of the Covenant, such amendment, modification, or termination shall be recorded with the Office of the Recorder of Lake County and within ten (10) days after recording, a true copy of the recorded amendment, modification, or termination shall be presented to the Department.

V. MISCELLANEOUS

12. **Waiver.** No failure on the part of the Department at any time to require performance by any person of any term of this Covenant shall be taken or held to be a waiver of such term or in any way affect the Department's right to enforce such term, and no waiver on the part of the Department of any term hereof shall be taken or held to be a waiver of any other term or the breach thereof.
13. **Conflict of and Compliance with Laws.** If any provision of this Covenant is also the subject of any law or regulation established by any federal, state, or local government, the strictest standard or requirement shall apply. Compliance with this Covenant does not relieve the Owner from complying with any other applicable laws.
14. **Change in Law or Regulation.** In the event that the Risk Integrated System of Closure ("RISC") is adopted by rule in Indiana, or in the event of any other change in applicable law or regulations, this Covenant shall be interpreted so as to ensure the continuing validity and enforceability of the restrictions listed in paragraph 8, above. In no event shall this Covenant be rendered unenforceable if Indiana's laws, regulations, RISC guidelines, or policies for environmental restrictive covenants or institutional or engineering controls change as to form or content. All statutory references include any successor provisions.
15. **Notices.** Any notice, demand, request, consent, approval or communication that either party desires or is required to give to the other pursuant to this Covenant shall be in writing and shall either be served personally or sent by first class mail, postage prepaid, addressed as follows:

Any party may change its address or the individual to whose attention a notice is to be sent by giving written notice in compliance with this paragraph.

16. **Severability.** If any portion of this Covenant or other term set forth herein is determined by a court of competent jurisdiction to be invalid for any reason, the surviving portions of this Covenant shall remain in full force and effect as if such portion found invalid had not been included herein.
17. **Liability.** An Owner's rights and obligations under this instrument terminate upon transfer of the Owner's interest in the Real Estate, except that liability for acts or omissions occurring prior to transfer shall survive transfer.
18. **Authority to Execute and Record.** The undersigned persons executing this Covenant on behalf of the Owner represent and certify that they are duly authorized and have been fully empowered to execute, record, and deliver this Covenant.

Owner hereby attests to the accuracy of the statements in this document and all attachments.

IN WITNESS WHEREOF, the said Owner of the Real Estate described above has caused this Environmental Restrictive Covenant to be executed on this 26 day of October, 2007.
