PUBLIC NOTICE OF TRAVELING RIGHTS

Ron Stiver, Commissioner
Indiana Bureau of Motor Vehicles
100 North Senate Avenue
Indianapolis, IN 46204

Dear Sir:

This letter is to inform all counties, states, and local agencies that I am no longer in need of your commercial items which grant me **PERMISSION** to operate my personal or private vehicle. The **RIGHT** to travel is an **INALIENABLE RIGHT**, which can not be given or taken by anyone. It is a right that is free and open to all. Note below:

The U.S. Supreme Court ruled: 'The unalienable "RIGHT" to travel is a part of the liberty of which the American Citizen cannot be deprived without due process of the law under the 5th Amendment' See: Kent v. Dulles, 357 U.S. 116, 125.

Since I am a blood-and-flesh Human being and a domicile of Indiana Republic, not a corporate person in a corporate state (straw man), I have decided to secure my **RIGHTS** and return these items: **LICENSE PLATE, DRIVER'S LICENSE, STATE IDENTIFICATION CARD, VIN NUMBERS, AND REGISTRATION**, which are used to control, track, or contain the blood and flesh person. I am enclosing copies of these items because the originals belong to the blood flesh person. I am also revoking my signature on any of these items which contract the blood and flesh human being to you and your state and/or corporation. These are contracts of adhesion and were signed under threat, duress, and coercion. For this reason, those said contracts are all **VOIDED**.

Also I am demanding that you return my title to the vehicle mentioned above for which the registration is being submitted.

With Full Reservation of Rights.

Sincerely,

WRITTEN IN NATURE OF DISCOVERY

I mistakenly picked up this letter that was sent to an address. You have the wrong person because all of the words are spelled in capital letters and that is for a corporation.

You are commanding money from a corporate entity (strawman) I am the secured party of JEFFERY BANDY (Ohene Kassa Bey). Real money GOLD and SILVER, which is the only lawful currency that can satisfy a debt under the Constitution of the United States of America Republic.

Send the certified document of your delegation of authority order that is stated from the Constitution of the United States Republic North America.

I need proof of signature, Nationality and Political Allegiance of the person that sent this instrument.

Is your Organization/Corporation, Foreign or Domestic?

I need written proof of your branch of Government that issued authority to you. Send the reference for the certificate confirmation. Where can your registration number be verified i.e. your article of corporation?

When did the Constitution establish your branch of Government? Please clarify.

What is lawful money?

Is there a bill that anyone in your corporation that has claim to me to whom I made a contract, or who loaned me any money at any time? Please produce this document.

I asked for the person that issued this instrument to come forth in a written document and prove their claims of authority. I want an itemized break down copy of the bill and the date I signed the contract for the loan that you claim I occurred a debt.

I am a natural blood and flesh human being not a corporation. You must have me confused with someone else, are you trying to extract, extort, or racketeer some revenue for causes of an artificial person assuming that I maybe that person you mention.
