Further, it is expressly agreed that for and in consideration of this Modification Agreement, Borrower hereby releases and forever discharges Lender and its officers, directors, counsel, employees, agents, predecessors, successors, and assigns from all causes of action, claims, rights, and controversies, known or unknown, which Borrower had, now has, or may hereafter acquire which relate to, are based on, arise out of, or are in any way connected with any acts of Lender or its above affiliates occurring prior to the execution of this Agreement and relating in any manner to the above described Note or Security Instrument or the Property described herein or therein. This is a general release of all possible claims and causes of action of every kind and character related to the above described subject matter and is to be interpreted liberally to effectuate maximum protection of Lender and its above affiliates.
