Be it further known that I and my offspring am returning the name of the colonial possessors and returning, relinquish, and disclaiming it because it was prepared for them by their forefathers for their earthly and divine salvation. I, *Kimberly J. Jones, Ali Bey*, do state and declare my intent to expatriate from the United States. United States as used in this document means the corporate United States, Washington D.C., The District of Columbia, or U.S. government Incorporated as a for profit commercial enterprise in the Legislative act of February 21, 1871, forty-first Congress, Session III, Chapter 62, page 419. I know and believe, that I,

Kimberly J. Jones, Ali Bey
am not and was never a citizen of the United States because 1.) I could never be. Dred Scott vs. Sanford 1857 U.S. Supreme Court " No person of African descent could ever be a citizen of the United States." 2.) I never intended to be. I never knowingly or willingly entered into any contract or obligation with the United States, any of its principals, agents, or assigns. I have never knowingly and willingly waived any of my rights of birth endowed to me by the Creator. To waive any of my God given rights would be in direct conflict with my spiritual and religious beliefs. To waive any of my God given rights would be unconscionable agreement on my part. Unconscionable Agreement - an agreement that no promissory with any sense, and not under a delusion, would make, and that no honest and fair promisee would accept. Black's Law Dictionary Abridged 7th Edition. Even knowing that I am not and was never a citizen of the United States, I still find the urgent need to kill any assumption that I am a United States citizen by renouncing United States citizenship, and declaring, my expatriation from the United States to further prevent the violation of my God given unalienable rights by the United States, its principals, agents, and assigns. Expatriation Act 1868, "the right to expatriation is a natural and inherent right of all people, indispensable to the enjoyment of the rights

Juristic person. In this Hold-harmless and Indemnity Agreement the term "juristic person" means an abstract, legal entity ens legis, such as a corporation, created by construct of law and considered as possessing certain legal rights and duties of a human being; an imaginary entity, such as Debtor, i.e. KIMBERLY L. JAMES © which, on the basis of legal reasoning, is legally treated as a human being for the purpose of conducting commercial activity for the benefit of a biological, living being, such as Creditor.

"From the earliest times the law has enforced rights and exacted liabilities by utilizing a corporate concept - by recognizing, that is, juristic persons other than human beings. The theories by which this mode of legal operation has developed, has been justified, qualified, and defined are the subject matter of a very sizable library, The historic roots of a particular society, economic pressures, philosophic notions, all have had their share in the law's response to the ways of men in carrKJng on their affairs through what is now the familiar device of the corporation ----- Attribution of legal rights and duties to a juristic person other than man is necessarily a metaphorical process. And the none the worse for it. No doubt, 'Metaphors in law are to be narrowly watched.'" Cardozo, J., in Berkey v. Third Avenue R. Co., 244 N.Y. 84, 94, "But all instruments of thought should be narrowly watched lest they be abused and fail in their service to reason." See U.S. v. SCOPHONY CORP. OF AMERICA, 333 U.S. 795; 68 S.Ct. 855; 1948 U.S.

"Observation: A person has a property right in the use of his or her name which a person may transfer or assign." Gracey v. Maddin, 769 S.W. 2nd 497 (Tenn. Ct. App. 1989).

Living, breathing, flesh-and-blood man. In this Private Agreement the term "living, breathing, flesh-and-blood man means the Creditor "Noble Kimberly L James Ali Bey", a sentient, living being, as distinguished from an artificial legal construct, ens legis, i.e. a juristic person created by construct of law.

Non obstante. In this Private Agreement the term "*non obstante*" means: Words anciently used in public and private instrument with the intent of precluding, in advance, any interpretation other than certain declared objects, purposes.

"There, every man is independent of all laws, except those prescribed by nature. He is not bound by any institutions formed by his fellowmen without his consent." CRUDEN v. NEALE, 2 N.C. 338 (1796) 2 S.E. . 70.

Sentient, living, being. In this Private Agreement the term "sentient, living being" means the Creditor, i.e "Noble Kimberly L James Ali Bey", a living, breathing, flesh-and-blood man, as distinguished from an abstract legal construct such as an artificial entity, juristic corporation, partnership, association, and the like.

Transmitting Utility. In this Hold-harmless and Indemnity Agreement the term "transmitting utility" means a 'commercial transmitting utility,' i.e., a conduit for all commercial presentments and matters passed to or presented to the Debtor, i.e. KIMBERLY L. JAMES ©.

**APOSTILLE REGISTRATION PURSUANT TO INTERNATIONAL PRIVATE LAW
(5 October, 1961 Hague Convention) WITH ADMINISTRATIVE AND JUDICIAL NOTICE**

Our natural indigenous Moorish American Nationality and status and sincerely held convictions forbid me to contract a political or legal affiliation within a statutory jurisdiction both “foreign to” and “contravention of sovereign authority fundamental to the United States of America (constitutional Republic). The rights and of an indigenous, natural, native American who is not part of any body politic, a legal fiction or statutory citizen, are protected by Constitution, State, Federal and International Law applKJng to Individual Human Rights. It is unlawful to deny a right or sanction, condemn, or damage me because I do not enter statutory jurisdiction or process “foreign to” capacity as a statutory U.S. A. (Constitutional Republic). Violation is inclusive of coercing, fraud or compelling one into fictional Due process. Violation also embraces official participation through “neglect or refusal” to: prevent or aid in preventing” rather than properly halting and mitigating prohibited damage. Violation creates liability rendering governmental “immunity from suit” defense moot.

Pursuant to my status of an aboriginal indigenous, natural,(Moorish American National) I terminate relationship with the Social Security Administration and no longer use a “Social Security number”. Previous documentation may include a former “SSN”, but I must now request that no individual or agency erroneously associates me with a “SSN” CREATING DAMAGE LIABILITY. Substitute documentation admissible under State, Federal or International Law may now be provided for “identification” purposes. It is unlawful to deny a right or to sanction, condemn, or damage me because I do not have a “SSN” conflicting with my sincerely held convictions.

Pursuant to and to avoid mistaken identity by erroneously addressing a fiction or a non-Natural being, my proper Indigenous Moorish name is spelled using upper and lower case I am Kimberly L James Ali Bey, . My birthplace is: usA/Al Moroc (Amexem) Moroccan Empire, born to Arthur Joiner Bey,) and Ethyll James Bey ,both Moorish American Nationals. My indigenous, natural and indigenous identity cannot identify with a state issued birth certificate conferring the status of an artificial entity fiction at law or federally created living trust registered with the U.S. Department of commerce, Bureau of Statistics (putting that artificial entity Trustee into a fiduciary relation to said trust having statutory and contractual obligation). [Le U.S. public bankruptcy policies, 5 USC 903]. (With no absolute rights to Constitutional protection and Due process).

“From the earliest times the law has enforced rights and exacted liabilities by utilizing a corporate concept – by recognizing, that is, juristic persons other than human beings. The theories by which this mode of legal operation has developed, has been justified, qualified, and defined are the subject matter of a very sizable library. The historic roots of a particular society, economic pressures, philosophic notions, all have had their share in the law’s response to the ways of men in carrying on their affairs through what is now the familiar device of the corporation. ----- Attribution of legal rights and duties to a juristic person other than man is necessarily a metaphorical process. And none the worse for it. No doubt, “Metaphors in law are to be narrowly watched.” Cardozo, J., in *BJP Jey v. Third Avenue R. Co.*, 244 N.Y. 84, 94. “But all instruments of thought should be narrowly watched lest they be abused and fail in their service to reason.” See *U.S. v. SCOPHONY CORP. OF AMERICA*, 333 U.S. 795; 68 S.Ct. 855; 1953 U.S.”

James Ali Bey, who is solely under the Ecclesiastical Jurisdiction of the Moorish Science Temple of America, through the grantor Noble Drew Ali, a biological and spiritual being as distinguished from an artificial legal construct, *ens legis*, i.e. a juristic person, created by construct of law.

Non obstante; In this Private Agreement the term “*non obstante*” means: Words anciently used in public and private instruments, intended to preclude, in advance, any interpretation contrary to certain declared objects or purposes.

“There, every man is independent of all laws, except those prescribed by nature. He is not bound by any institutions formed by his fellowmen without his consent.” *CRUDEN v. NEALE*, 2 N.C. 338 (1796) 2 S.E. 70.

Private Agreement; In this Private Agreement the term “Private Agreement” means the written, express, Private Agreement No. KJ-823 PA dated the first day of the eleventh in the common era two thousand ten, between Creditor and Debtor, together with all modifications of and substitutions for said Private Agreement.

Sentient, living being; In this Private Agreement the term “sentient, living being” means the Creditor, i.e. Trustee: Kimberly L. James Ali Bey, who is solely under the Ecclesiastical Jurisdiction of the Moorish Science Temple of America, through the grantor Noble Drew Ali; a living, flesh-and-blood man, as distinguished from an abstract legal construct, such as an artificial entity, juristic person, corporation, partnership, association, and the like.

Signature; See U.C.C. § 3-401 (what is considered signature).

Signed; See U.C.C. § 1-201(39) (what is considered signature).
