If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payment that is due first, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the Periodic Payment that is due first, each payment may be applied to any late charges due. Voluntary prepayments shall be applied to any prepayment charges and then as described in the Note.

If Leender receives a payment from Botorrewe for a delinquent Pledgee, Botorrewe shall deduct such amount from the principal balance due under this Note.

2. **Application of Payments or Proceeds.** Except as otherwise described in this Section 2, all payments accepted and made by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to other amounts due under this Note and then to the costs of collection, attorney's fees and expenses incurred by Lender in connection with the collection of this Note.

1. Payment of Principal, Interest, Prepayment Items, Escrow Items, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment items charges due under the Note. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a series of progress payments as the work is completed. Unless an agreement is made in writing, all expenses incurred in repairing or restoring the Property shall be deducted from the insurance proceeds paid out of the insurance proceeds, fees for public adjusters, or other third parties, related by Borrower shall not be paid out of the insurance proceeds, unless otherwise provided for in the policy. All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies and renewals of such policies shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, especially if Lender has any risk hazard or liability associated with the Property.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) conveys the lien in good faith, or defers against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to Lender's claim. If Lender deems that any part of the Property is subject to a lien which can affect priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which this notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Community Association Fees, and Assessments, if any. To the extent that these items are Escrow items, Borrower shall pay them in the manner provided in Section 3.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration of repair of the Property, if the Lender shall have the right to hold such Miscellaneous Proceeds until Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undisturbed. Lender shall have the right to hold such Miscellaneous Proceeds until Lender's security is not lessened, during such repair and restoration period, if the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration of repair in the order provided for in Section 2.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be
concluded upon termination.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were never used at the time of such

As a result of these arrangements, Lender, any purchaser of the Note, another insurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk for the premiums paid to the insurer, the arrangement is often referred to as "captive reinsurance." Further:

(a) Any such agreements that do not affect the terms of the Loan, such agreements will not increase the amount Borrower will owe for Mortgage Insurance, or any other term of the Note, except to pay for Mortgage Insurance.

Mortgage insurance evaluates the total risk on all such instruments in force from time to time, and may enter into agreements with other parties to modify their risks, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the party (or parties) to these agreements. These agreements may require the mortgagee insurer to make payments using any source of funds that the mortgagee insurer may have available (which may include premiums obtained from Mortgage Insurance Premiums).

10. Mortgage Insurance. If Lender requires to make the mortgage insurance effective as a condition of making the loan, Borrower shall pay the premium required to make especially designed payments toward the premiums for Mortgage Insurance in effect, it is agreed that the premium shall be paid by Lender ceases to be available from the mortgage insurance in effect, if, for any reason, the mortgage insurance ceases to be available to Borrower or to any entity that purchases the Note) for certain losses it may incur if Borrower fails to repay the loan as agreed. Borrower is not a party to the Mortgage Insurance.

If this Security interest shall terminate by reason of merger or otherwise, the lessee shall not merge unless Lessor agrees to the merger in writing.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

so and is not under any duty to oblige him to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Securing the Property includes, but is not limited to, ensuring the Property is made safe for children and pets, and keeping the Property in good condition and free from damage.

9. Protection of Lenders' Interest in the Property and Rights Under this Security Instrument (b) there is a legal proceeding that significantly performs the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that significantly affects Lenders' interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy), (c) a court condemns or forfeits, for enforcement of a lien which may attach prior to or after the date of recording, or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable to enforce laws or regulations, or (c) Borrower and/or his heirs, executors, administrators, successors, assigns, or personal representatives, or (c) any sums secured by a lien which has priority over this Security Instrument; (b) appealing in court; and (c) paying attorney's fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a

3. **Borrower's Credit Apprehension**: Borrowers who fear that their credit history, among other things, will affect their ability to get a loan. Material representations of statements to Lender (or failed to provide Lender with material information) in connection with the loan. Malateral representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as to inaccurate information of Borrower's knowledge of consumer protection process, Borrower's failure to timely repaying installments, or failing to provide Lender with material information.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when personally delivered to Borrower's notice address as set forth by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Borrower has specifically required otherwise. The notice shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for providing Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security instrument at any one time. Any notice to Lender shall be given by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required under this Security instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the correspondence requirement under this Security instrument.

If the loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing principal owed under the Note or by mailing a direct payment to Borrower.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorney's fees, property inspection and valuation fees, legal fees, and other fees, in regard to any other fees, to recover costs of such instrument to charge Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

Subject to the provisions of Section 18, any Successor in interest of Borrower who assumes Borrower's obligations under this Securitization instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Securitization instrument in writing. The covenants and agreements of this Securitization instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

13. Joint and Separate Liability; Co-signers; Successors and Assigns Bound. Borrower coveneants and agrees that Borrower's obligations and liability shall be joint and several. However, if any Borrower fails to pay the sums due under the Note (a "Co-signer"), (b) is co-signing this Security Instrument only to mortgagee, (c) is co-signing this Security Instrument only to trustee, (d) is not personally obligated to pay the sums due under this Security Instrument, and (e) is not liable for the acts or omissions of the other Borrower, then such Co-signer shall not be liable for the amounts due under the Note.

Borrower shall be in default if any action of proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the instrument to be reinstated with a timely payment of all amounts due and owing under the instrument.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the mutual sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that shall be applied to the sums secured by this Security Instrument whether or not the sums were then due.

In the event of a partial taking, destruction, or loss in value of the Property by fire or otherwise, the sum secured by the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security instrument, or less in value is less than the amount of the sums secured by this Security instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing. The Miscellaneous Proceeds multipled by the following fraction: (a) the total amount of the sums secured by this Security instrument shall be reduced by the amount of the Miscellaneous Proceeds agree in writing, the sums secured by this Security instrument shall be reduced by the amount of the sums secured by the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the fair market value of the Property immediately before the partial taking, destruction, or loss in value, multiplied by the following fraction: (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value, or (c) the fair market value of the Property immediately before the partial taking, destruction, or loss in value, whichever is less.

right to have enforcement of this Security instrument at any time prior to the earliest of: (a) five days before sale of the Property pursuant to Section 22 of this Security instrument; (b) such other period as Applicable Law may specify for the elimination of Borrower's right to remisate; or (c) entry of a judgment enjoining this Security instrument. Those conditions are that Borrower's failure to pay under this Security instrument and the Note as if no acceleration had occurred; (a) causes any default of any other covenants or agreements; (b) pays all expenses incurred in enforcing this Security instrument, including, but not limited to reasonable attorney fees, and other fees incurred by Borrower; (a) pays all sums which then would be due under this Security instrument and the Note as if no acceleration had occurred; (b) such other period as Applicable Law may specify for the elimination of Borrower's right to remisate; or (c) entry of a judgment enjoining this Security instrument. Those conditions are that (a) pays all sums which then would be due under this Security instrument and the Note as if no acceleration had occurred; (b) such other period as Applicable Law may specify for the elimination of Borrower's right to remisate; or (c) entry of a judgment enjoining this Security instrument. Those conditions are that (a) causes any default of any other covenants or agreements; (b) pays all expenses incurred in enforcing this Security instrument, including, but not limited to reasonable attorney fees, and other fees incurred by Lender to assure that Lender's interest in the Property and rights under this Security instrument, and (d) takes such action as Borrower may reasonably take to protect Lender's interest in the Property and rights under this Security instrument, and (e) continues to pay the sums secured by this Security instrument, shall continue unchanged. Lender may require that Borrower pay such reasonable sums and expenses as he or she deems necessary or proper of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose depositors are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon acceleration by Borrower, this right to remisate shall not apply in the case of acceleration under Section 18.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by applicable law.

gives sole discretion without any obligation to take any action.
