Dear Nabil Abdulla:

Please be advised that Graham's Trucking & Excavating, Inc. by its owner, George Snure has been hired by Metlov Construction as a sub-contractor for the purpose of delivering stone at your home and/or real estate located at 9305 Doubletree Dr. Please be advised that we started work on July 8, 2011, pursuant to the request of Metlov Construction.

Property Address: 9305 Doubletree Dr, Crown Point, IN  
Legal description: Lot 95 in Doubletree Lake Estates Phase 13 Resubdivision

Metlov Construction is good about paying their sub-contractors, but Indiana law requires us to send a pre-lien notice to every home owner within 30 days to inform you of our right to lien the property in the event the contractor fails to pay us. This is simply a precautionary measure to protect our collection rights as a sub-contractor. Most likely we will not have to lien the property, but Indiana law requires us to let you know of the possibility. If you have any questions regarding this, please give us a call at our office (219) 374-5124.

By law, we have the right to file a Mechanic's Lien against your home and/or real estate in the event Metlov Construction fails to pay us. Our lien must be filed within sixty (60) days from the date of last delivery of material or furnishing of labor to your home and/or real estate.

Very truly yours,
