Findings and Order

This matter comes before the Board of Public Works and Safety of the City of Hammond Indiana (Board) on a Hearing filed by Inspections Department on April 27, 2011, Notice of Abatement of the use of the basement apartment at 962-64 Reese Street, Hammond, Indiana. The said notice was issued by the City of Hammond Inspections Department. Acting upon the Cities interest is Kim Nordhoff, Inspector from the Inspections Department. Owner fails to appear. Upon evidence presented the Board finds as follows:

1. No Building Permits were ever applied for or issued for converting the basement in an apartment as required by Law, dating back to April 13, 1908. Therefore, it is the Cities opinion that the basement apartment was illegally installed.
