FINDINGS AND ORDER

COMES NOW the Hammond Board of Public Works and Safety, the statutory designated Hearing Authority, acting under the authority of the Unsafe Building Act, Indiana Code 36-7-9-1 et seq., and in response to the Notice to Repair or Demolish issued by the Hammond Inspections Department, by its Building Commissioner, on December 7, 2012, now finds as follows:

1. The matter appears before the Board of Public Works and Safety, brought by the Hammond Inspections Department, as Enforcement Authority (I.C. 36-7-9-2) by its Building Commissioner.
2. The City of Hammond, through its Enforcement Authority, has identified the above listed property as being a building or structure that is unsafe to person or property; a fire or health hazard; a public nuisance and due to condition or vacancy in violation of City Ordinance concerning Building Condition or Maintenance (I.C. 36-7-9-4).

3. Pursuant to these findings, and acting to eliminate blight and protect public health and safety, the Enforcement Authority issued notice of the condition of the above listed property, and required that the above listed property be repaired or demolished, pursuant to I.C. 36-7-9-5.
4. This Notice to Repair or Demolish complied with I.C. 36-7-9-5 and contained the required information including in part, the name of the person to whom the ordered was issued, a legal description and common address of the unsafe premises, the action requested on the unsafe property, the time frame permitted for compliance and notice of the time, date and place of a scheduled hearing before the Hammond Board of Public Works and Safety.
5. Service was made upon all parties possessing a known or recorded fee interest, life estate interest, substantial property interest, or equitable interest in the above listed property, as determined from information maintained by the Lake County Recorder.
6. Service on the above listed property was made upon, in the following manner:

Any and All Unknown Tenants, Certified Mail, Regular Mail and Publication.

This above manner of service complies with the statutory requirements, and the Hearing Authority determines that a reasonable effort has been made to obtain service.

7. A hearing on the Notice and Order to Repair or Demolish was held before the Hammond Board of Public Works, pursuant to I.C. 36-7-9-7 on Thursday January 24, 2013 at 9:00 a.m., and was continued to April 25, 2013 and was continued again to June 27, 2013 and was conducted on that date by the hearing authority at a public meeting.
8. Sergio Guterrez appeared and agreed that repairs had not been made pursuant to the Notice to Repair.
9. The property listed above was not substantially repaired nor demolished by the property owner prior to the scheduled hearing and the Notice and Order to Repair or Demolish issued by the Hammond Inspections Department proposes demolition of the unsafe property above, and that recommendation is reasonably related to the condition of the property, the failure of the owners of the property to remedy the condition, and given the nature and use of nearby properties (36-7-9-5).
10. Demolition of the unsafe property is necessary and reasonable in relation to the present condition of the property, which requires services of the government in excess of ordinary property, and which creates a negative effect on property values, as well as affects the quality of life, and use, of the surrounding area in the City of Hammond.

NOW THEREFORE it is the finding and decision of the Hammond Board of Public

Works and Safety to AFFIRM the Notice and Order to Repair and Demolish issued by the Enforcement Authority on the above named unsafe building. This affirmation shall be an ORDER to demolish the structure which shall be recorded in the office of the Recorder of Lake County, Indiana, with demolition of the property to subsequently follow. The costs of this demolition shall be assessed against the property, and shall constitute a lien on the property.
