3. Pursuant to these findings, and acting to eliminate blight and protect public health and safety, the Enforcement Authority issued notice of the condition of the above listed property, and required that the above listed property be repaired, pursuant to I.C. 36-7-9-5.
4. This Notice to Repair or Demolish complied with I.C. 36-7-9-5 and contained the required information including in part, the name of the person to whom the order was issued, a legal description and common address of the unsafe premises, the action requested on the unsafe property, the time frame permitted for compliance and notice of the time, date and place of a scheduled hearing before the Hammond Board of Public Works and Safety.
5. Service was made upon all parties possessing a known or recorded fee interest, life estate interest, substantial property interest, or equitable interest in the above listed property, as determined from information maintained by the Lake County Recorder.

10. An Order to Repair the unsafe property is necessary and reasonable in relation to the present condition of the property, which requires services of the government in excess of ordinary property, and which creates a negative effect

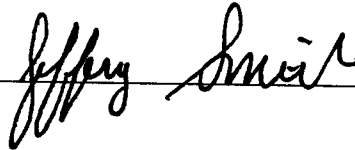

on property values, as well as affects the quality of life, and use, of the surrounding area in the City of Hammond.

NOW THEREFORE, it is the finding and decision of the Hammond Board of Public Works and Safety to AFFIRM the Notice and Order to Repair issued by the Enforcement Authority on the above named unsafe building. This affirmation shall be an ORDER to REPAIR the structure which shall be recorded in the office of the Recorder of Lake County, Indiana, with demolition of the property to subsequently follow. Pursuant to I. C. 36-7-9-12, the costs of the repair, and any other action required by this Order, as well as the processing expenses incurred by the enforcement authority to obtain reliable information about the identity and location of persons with a substantial interest in the property, as well as the cost of notice of orders and hearings shall constitute a lien on the property. The Board now finds processing expenses incurred in the amount of \$464.44.
