are followed.

I am following the footsteps of my brother Christ on the path to achieve the status of daughter of god, and on that journey as woman of peace what I ask for shall be given. It is my will that from now forth I am identified as a living woman and never again as one of the dead under the control of some pagan religion further no man/woman speaks to the father for me.

My wish to honor my father with heart, mind and soul by unleashing the divine energy he gave me as my inheritance, that until now has been controlled and squandered by others who would rather charge their sister, than treat them like themselves, enslaving all to hell on earth where paradise could always exist. In honor of the father it is my duty to protect the weak from the belligerents and upon my order on their behalf what I ask on their behalf shall be given to them.

What is mine is mine, and what is yours is yours, and it is my wish to have all that is mine now. I leave the paper work to you. So we have said, so let it be written, so let it be done.
